Covington/Waterset Border

Comments:

The landscaping area between the two communities has become increasingly infested with Brazilian pepper plants, to the extent that access to the ponds along the shared property boundary is at risk of being obstructed. This issue affects Ponds 13, 14, 19, and 24. We can mechanically remove the trees to restore the area.

Covington Park Stormwater Map

Lake/Pond Summary

We conducted our inspection and maintenance activities on January 2nd and 5th, 2026. Below is a comprehensive list of ponds that exhibited significant growth anomalies compared to the other community ponds. We will return in 14 days from the initial treatment if necessary to address these specific areas.

As the seasons change and temperatures fall, we can expect to see improved results from herbicide applications. Ponds are beginning to look much better but are also losing volume due to lake of rain events. We will be proactive and continue to retreat throughout the month if necessary.

January 2026 Managers Report

Clock Tower Camera Pole Location – I have reached out to MHD to get a better understanding of the location they had in mind for the camera pole at the clock tower area. They sent over a diagram which I've attached for the board to view. **Update 1/9/26** Per board request, I met with Joe at the clock tower area to discuss the preferred location for the camera installation. It was determined that having a pole installed at the location initially drawn up by MHD would not be preferred. The preference would be to have the camera actually installed on the clock tower itself. I reached out to MHD to inquire about the possibility of having the camera installed on the clock tower, and they confirmed that they are able to accommodate this.

Firewall Installation/Monarch Pool camera inquiry - MHD was on site performing the network firewall installation. This process began on 1/8/26 and was completed on 1/9/26. While MHD was on property, I also requested that they investigate an issue regarding the camera feed at the Monarch Pool. They have notated this issue, and an investigation is ongoing. **Update 1/16/26** MHD is still investigating the issue at Monarch.

Main Pool Pipe Repair – On 1/6/26 I was informed by Zebra Pools that the main pool needed to be closed due to a blown pipe. All board members were informed of the closure via email. Residents were also informed of the closure via eblast. **Update 1/16/26** - The pool repairs have been completed, and the pool is now open. Lance of Zebra pools found two damaged stenner pumps due to the blown pipe and is in the process of replacing them.

Monarch Pool Lighting – The timer for the lighting at the Monarch pool was incorrectly set causing the lights to be out at night. This issue has been corrected. The area should now have more lighting at night.

Light at the Clock Tower Pavilion – I am currently working on a solution for the lighting issue under the clock tower pavilion. Maintenance may be able to resolve this issue, but there is a chance that an electrician may need to be contacted due to the location of the wiring.

Monarch Pool Surveillance Cameras- Beginning to gather historical information (Covington files, MMD, & Red Wire, etc.) to determine the status of Monarch Pool Cameras. Areas of concern include do the cameras work and retain footage in storage currently, Wi-Fi connectivity issues, MMD infrastructure, past work or services, and determine if the previous Covington Park Clubhouse equipment is installed and viable at Monarch Pool.

Clubhouse Steeple track lights – I was contacted by Tim of Gemstone and he informed me that they have been very busy with Holiday light removals which has thrown them off schedule but they will have the proposal for the steeple track lights in the coming days.

Holiday Lighting at Clock tower palm trees – I have been actively looking for deals for holiday lighting at the clock tower palm trees as requested by the board.

PAYING YOUR BILL

You are responsible for all legitimate, undisputed charges on your bill. Paying by check authorizes Frontier to make a one-time electronic funds transfer from your account, as early as the day your check is received. When making an online payment, please allow time for the transfer of funds. If funds are received after the due date, you may be charged a fee, your service may be interrupted, and you may incur a reconnection charge to restore service. A fee may be charged for a bank returned check. Continued nonpayment of undisputed charges (incl. 900 and long distance charges) may result in collection action and a referral to credit reporting agencies, which may affect your credit rating.

IMPORTANT MESSAGES

You must pay all basic local service charges to avoid basic service disconnection. Failure to pay other charges will not cause disconnection of your basic service but this may cause other services to be terminated. Frontier Bundles may include charges for both basic and other services. Frontier periodically audits its bills to ensure accuracy which may result in a retroactive or future billing adjustment. Internet speed, if noted, is the maximum wired connection speed for selected tier; Wi-Fi speeds may vary; actual and average speed may be slower and depends on multiple factors. Performance details are at frontier.com/internetdisclosures.

SERVICE TERMS

Visit frontier.com/terms, frontier.com/tariffs or call Customer Service for information on tariffs, price lists and other important Terms, Conditions and Policies ("Terms") related to your voice, Internet and/or video services including limitations of liability, early termination fees, the effective date of and billing for the termination of service(s) and other important information about your rights and obligations, and ours. Frontier's Terms include a binding arbitration provision to resolve customer disputes (frontier.com/terms/arbitration). **Video and Internet services are subscription-based and are billed one full month in advance. Video and/or Internet service subscription cancellations and any early termination fees are effective on the last day of your Frontier billing cycle. No partial month credits or refunds will be provided for previously billed service subscriptions.** By using or paying for Frontier services, you are agreeing to these Terms and that disputes will be resolved by individual arbitration. By providing personal information to Frontier you are also agreeing to Frontier's Privacy Policy posted at frontier.com/ctnetx-privacy.

INTEREST CHARGE CALCULATION

Your Annual Percentage Rate (APR) is the annual interest rate on your account.

Type of Balance	ANNUAL PERCENTAGE RATE (APR)	Balance Subject to Interest Rate	Days in Billing Cycle	Interest Charge
Purchases	14.25% (v)	\$0.00	0	\$0.00

(v) = variable (f) = fixed

Paying Interest and Your Grace Period: We will not charge you any interest on your purchase balance on this statement if you pay your new balance amount in full by your payment due date.

Beginning August 1, 2019, the cash reward tiers on your Valley OneCard will be changing. See the table below:

<i>Tiers</i>	<i>Cashback %</i>
<i>\$0 - \$500,000</i>	<i>0.25</i>
<i>\$500,001 - \$1,500,000</i>	<i>0.60</i>
<i>\$1,500,001 - \$4,000,000</i>	<i>0.75</i>
<i>\$4,000,001 - \$12,500,000</i>	<i>0.90</i>
<i>\$12,500,001 +</i>	<i>1.00</i>

Your accumulated rewards will not change, however beginning August 1, rewards on additional spend will be calculated using the percentages above.

This change will not impact the timing of your rewards credit (i.e. if you were due to receive your rewards in September, you will still receive them in September).

INFORMATION ABOUT YOUR VALLEY ONECARD ACCOUNT

As used below, *you* and *your* refer to the accountholder (i.e., the corporate customer) and *we*, *our* and *us* refer to Valley National Bank. Your Valley OneCard is issued and credit is extended by Valley National Bank.

MAKING PAYMENTS

You will pay us the total amount shown as due on each Billing Statement on or before the Payment Due Date shown on that Billing Statement. If you do not make payment in full by the payment due date, in addition to our other rights under your Agreement, we may, at our option, assess a late fee and finance charge in accordance with your Agreement. There is no right to defer any payment due on an Account. In addition, you will pay us the amount of all fees and charges according to the schedule of charges currently in effect. All charges are subject to change upon 30 days prior notice, except that any increase in charges to offset any increase in fees charged to us by any supplier for services used in delivering the services covered by your Agreement may become effective in less than 30 days.

Payments will be automatically deducted from the Valley Bank [business checking account] that you have designated. Should payment not be received for any reason, you may incur additional fees and finance charges. All credits for payments to your Account are subject to final payment by the institution on which the item of payment was drawn. Payments on your Account will be applied in the following order: finance charges, fees, your Account balance.

BALANCE COMPUTATION METHOD

[We calculate the average daily balance on your Account in two categories: (1) Purchases and (2) Cash Advances. To get the "average daily balance" for each category, we take the beginning balance of your Account for that category each day. We then add any new transactions in that category, which may include Fees and Interest. We then subtract any new payments or credits. This gives us the daily balance for each category. We then add up all the daily balances for each category for the billing cycle. We then divide the total by the number of days in the billing cycle. This gives us the Average Daily Balance for Purchases and the Average Daily Balance for Cash Advances.]

INTEREST

In the event you do not pay your balance(s) in full by the due date, your balance(s) may be subject to an interest rate or interest charges, as further described in your Agreement. Your due date is the 25th of each month. If the 25th falls on a weekend or holiday, your payment will be due the business day before the weekend/holiday. We will not charge you interest if you pay your balance(s) in full by the due date each month.

CREDIT BALANCE

Any credit balance on your Account] is money we owe you. You can make charges against this amount or request a full refund of the amount by calling us at the Contact Us number on the front of this statement.

NOTICE TO PAST-DUE CUSTOMERS:

If there is a message on this statement that your account is past due, this is an attempt to collect a debt; any information we obtain will be used for that purpose.
