May 18, 2020

To Asturia Residents,

We are pleased to announce that the Asturia CDD fitness center will re-open Tuesday May 19, 2020, at 10:30am and close at 7:00 p.m. The rest of this first week of reopening, the hours will be 6:00 a.m. until 7:00 p.m. and the fitness facility can be accessed via key card by Asturia residents. This schedule will allow staff time to implement expanded cleaning as well as monitor usage of the facility so that additional hours of operation may be considered after the first week of reopening and in the future. As required by Executive Order 20-123, occupancy will be limited to 50% of the maximum capacity pursuant to the fire code which is no more than 15 persons at any given time. Staff expressly reserves the right to monitor key fob access to the fitness center to verify compliance with State imposed occupancy restrictions and to adjust fitness center protocols as necessary.

All users are required to self-sanitize all equipment before and after use. In addition, users are expected to strictly follow all CDC guidelines, which include: wearing personal face coverings, frequently washing your hands for 20 seconds or using hand sanitizer, maintaining social distancing of 6-10 feet, and avoiding gathering in groups. Staff will implement cleaning the gym twice a day in addition to the routine cleaning. These few steps should assist us all in maintaining a healthy and safe community.

Again, we thank you for your patience, support, cooperation, and most importantly, for entrusting the District team.

Please continue to monitor the District's website and eblasts for updates. <https://asturiacdd.org>

Thank you,

The CDD Board of Supervisors
