June 4, 2020

To Asturia Residents,

Based on Governor Desantis' Executive Order 20-123 and Phase 2 reopening plan, we are pleased to announce that the Asturia CDD pool and fitness center will re-open to full capacity Friday June 5th, 2020, at 12:00pm with continued observance of proper social distancing guidelines and procedures. Pool and fitness center hours of operation will also return to normal at this time. The clubhouse will also be re-opening initially during staffed hours from 10am – 6pm, Tuesday – Sunday and closed on Monday. All rentals, events and classes will remain closed until further notice. Consistent with guidelines for the re-opening of certain indoor businesses pursuant to Executive Order 20-123, occupancy of the clubhouse will be limited to 50% of the maximum capacity designated by the fire code, which is no more than 55 persons at any given time. As with previous stages of re-opening, we continue to encourage all residents to follow social distancing guidelines.

All users are required to self-sanitize all equipment before and after use. In addition, users are expected to follow all CDC guidelines. Staff will continue to clean the gym twice a day in addition to the routine cleaning. Additional cleaning procedures will be implemented for the clubhouse.

Again, we thank you for your patience, support, cooperation, and most importantly, for entrusting the District team.

Please continue to monitor the District's website and eblasts for updates. <https://asturiacdd.org>
