Frequently asked questions

For PDF service, what is the price per page?

Pricing can range based on the volume of PDFs you have on your website and if it is part of the initial remediation or the on-demand service. The price range is between \$1.05 per page to \$1.75 per page.

What does the PDF scan and remediation process look like?

You'll upload your documents to the dashboard. We are notified and begin setting up the scan. After the fixes are made, we put the documents back onto the dashboard and you are notified. You then put them back to the appropriate location on your website.

What does the ADA managed service process for our website look like?

Our team performs monthly scans of your site utilizing software. Our team then goes through the results and fixes the content-related errors by hand. A report is produced for your records and uploaded to your ADA dashboard. Any outlying issues we may encounter, you will be notified until the issue is resolved.

How long does it take?

For non-urgent doc remediation, we can scan and fix up to 2000 pages per week. We also have urgent services available for an additional fee with a turnaround time of 48 hours.

What standards do you follow for ADA?

We follow WCAG AA 2.1 guidelines

Are there any hidden fees?

No.

How long does it take to build the website?

It depends upon your responsiveness, but generally only a couple of weeks.

Can we change the design of our website?

Our themes are customizable to address your preferences. There are some guardrails in place to help ensure ADA compliance to a degree, but you can select colors, images, etc...

Do your sites offer a calendar?

Yes. This site can be utilized in many different ways. One of which is a calendar to help with your clubhouse availability/rental schedule.

Wilderness Lake Preserve

Website Compliance and Accessibility

A Sampling of Our Clients

Dear Wilderness Lake Preserve Board Members:

Thank you for the chance to present our company, ADA Site Compliance, the leader in website accessibility for Florida's community development districts. We've worked with 200+ CDDs and government entities, and hundreds of businesses, including some of the world's best-known brands. We're confident our expertise in website and PDF accessibility makes us the right choice for Wilderness Lake Preserve.

We realize you have a choice when selecting any vendor. We also know that ADA website and PDF accessibility are highly specialized, so it's important for you to understand what sets one company apart from another. Below are a few key facts you should know about us:

1. We have one business – website and PDF accessibility and compliance – and we do it the right way

Since the explosion of ADA website lawsuits two years ago, many companies in fields like web design and SEO are now seeking a new revenue stream in digital accessibility. Many are good marketers but simply lack the skills and knowledge to properly do this work. At ADASC, we have one business: making and keeping our clients' websites and PDFs accessible.

2. Community Development Districts are our specialty – and we have a perfect track record

We have worked with hundreds of special districts in Florida, including more than 200 CDDs. In that time, no ADASC clients who have completed their auditing and remediation have been sued. That's because we do the work the way it must be done and never take shortcuts.

3. We are the experts' experts

Our clients are also the clients of dozens of the world's largest law firms (we're happy to share a list). They continue to refer us those clients because they trust us to serve them well, to manage their risk exposure, and to keep their costs low.

We respectfully urge the board to consider these points in order to get a true apples-to-apples comparison of your options. As litigation continues against CDDs, having a truly accessible website and PDFs will save you time and money. And it's the right thing to do.

We welcome your questions and look forward to serving as your trusted resource for all your accessibility needs.

Sincerely,

The ADA Site Compliance Team

Community Development District

Welcome

Welcome to the official website for the Waterset Central Community Development District (the "District"). This website is funded on behalf of the District to serve two major purposes. The first is to comply with Chapter 189.069 of the *Florida Statutes*, which requires each special district to maintain an official internet website. The second is an effort to help educate the general public about the services provided by the District, and to highlight the other agencies involved in the day-to-day operations of the community. These agencies include, but are not limited to the Florida Department of Economic Opportunity, Hillsborough County and the Waterset Central homeowner's association.
