## Fitness & Health Classes

### Water Aerobics

**9:00 AM - 10:00 AM Monday - Friday**

Exercising in the water is a fun change of pace and is much easier on the joints than high-impact activities. This is a resident-driven event that is free to participants.

### Yoga

**Lu-Ann Guariniello**, a RYT-500hr Zarnay Yoga E-RYT 200 and YACEP

**Tuesday 8:30 AM - 9:30 AM**

**Thursday 8:30 AM - 9:30 AM**

Please RSVP to [Lmgagain@yahoo.com](mailto:Lmgagain@yahoo.com) or (813) 846-0874 Cost: \$5.00 per class

### Walking, Toning, and Strengthening Class

**Location:** Activities Center

**Mondays, Wednesdays, & Fridays**

**9:30 AM - 10:45 AM Cost: FREE**

This is a resident-driven activity. Class size is limited due to spacing requirements.

### Children's Tennis Lesson

**Date: July 30th**

**Instructor: Sam Watson**

**Contact: (813) 618-1360**

# Classes at The Lodge

### Chat'ers Club

#### Ladies' Social Club at

#### Wilderness Lake Preserve

This year the Chat'ers are sponsoring Hospice.

For event information, please call Judy at (813) 352-9536.

### Women of Wilderness Bible Study

**Wednesdays at 10:00am**

Contact Shuyuan at (970) 978-7568 or Janice at (727) 776-5723 for more information.

### Deerfields Meeting

**Location:** Deerfields Pool

**Date:** 2nd Tues. of each month

**Time:** 6:00 PM

## Friendly Reminders From Your Neighbors...

Wipe down the Fitness Center equipment after use.

Return the Fitness Center equipment to the racks once your workout is complete.

Throw your trash in the waste receptacle.

Thank you for your assistance in maintaining a clean and tidy Fitness Center.

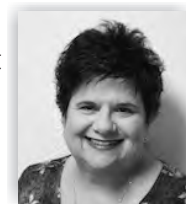

Are you gambling with your retirement?

[tjinsurance@pm.me](mailto:tjinsurance@pm.me)

Dear Friends and Families of the WLP,

We are all getting ready to celebrate the most wonderful of Holidays, the 4th of July. Please take a moment and review our guidelines about flag placements. If you plan on using fireworks, please remember that not everyone enjoys them, to include our furry friends. Fireworks can be dangerous, so please take the time to clean up after using them. Use your judgment on how and when to use fireworks and stay safe.

Just a friendly reminder, please pick up after your pet. It doesn't take much to remember that we have pets in our community. In fact, if you don't watch your step, you're liable to step in one such reminder! Besides being unsightly and smelly, animal waste can be hazardous to the health of our children who play in the community and other pets. One of the most common forms of disease transmission between dogs is through fecal matter. When walking your dog in our community, remember that it should be leashed. Also, it is important to remember to immediately clean up after your pet. Take along a baggie with you to pick up waste with or use one of the bags provided by the CDD and then dispose of it properly. By taking a few simple steps to clean up after your pet, you can contribute not only to the beautification of our community, but also towards the elimination of one of the most irritating nuisances in our community.

Governing documents, community standards, meeting agendas, and approved minutes are located on the Greenacre website which can be accessed at <https://g360.greenacre.com>

This is where you can find the approved color schemes for painting your home, fence specifications, and Architectural Review Committee application. We would like to remind everyone that ARC applications can be submitted online.

Here are the steps on how to submit ARC application online:

1. Log into your Greenacre Association Web Portal account at <https://G360.greenacre.com>

No sign-in? No Problem! Send an email request to [webaccess@greenacre.com](mailto:webaccess@greenacre.com) to request a login PIN#

2. Click on the **Architectural** tab on top of the screen

3. Choose **Architectural Request**

4. Click on + **New Request**, fill out the form and submit. Please attach any images and supporting documents

You will receive an email confirmation that your application is "Pending". Please contact the ARC if you have any questions via email at [yourARC@wlp-hoa.org](mailto:yourARC@wlp-hoa.org).

Recently, the Board appointed Dale Durant to serve on the Deerfields Committee. Welcome aboard and

thank you so much for wanting to serve our community.

This month we would like to recognize Mr. and Mrs. Bryan Spaulding for Yard of the Month. Their home and garden were exceptional. As a token of appreciation for making our neighborhood look beautiful, we would like to award Mr. and Mrs. Bryan Spaulding a \$50 gift certificate from Lowe's. Thank you so much and congratulations!

Have a great summer!

Best Regards, HOA Board of Directors

## We Specialize in Minimally Invasive Spine Surgery

### Minimally Invasive\*

We exclusively practice minimally invasive spine procedures for our patients that are performed through a small 3/4" incision.

### Recovery Time

With our minimally invasive approach, patients go home the same day and recover much more quickly than traditional spine surgery.

### In-Network

We are in-network with leading health insurers and have helped thousands of patients successfully navigate the insurance process.

# Highlights of the CDD Meeting

The monthly CDD meeting was conducted on June 1, 2022 and was attended by Board of Supervisors Holly Ruhlig, Beth Edwards, Scott Diver and Heather Evereth. Also in attendance were the Rizzetta Team including Community Manager, Nick Shafferey, District Manager Matthew Huber and Jayna Cooper. District Counsel, the District Engineer and several audience members were also present.

The meeting was called to order promptly at 9:30 AM and opened for audience comments. Residents expressed concerns about various areas needing additional attention including pool cleanliness, residents walking in private yards through buffer areas, and a recommendation for a new tennis pro.

- Pool maintenance: Board voted unanimously to support a motion to open bidding for a new pool maintenance service and to immediately inspect pool chemical levels by a secondary vendor.

- Landscaping
  - o Board discussed landscaping concerns with RedTree including cycles for bed maintenance and greenspace mowing frequency.
  - o Landscaping: Board discussed re-mulching project.
  - o Board voted unanimously to support multiple tree removal projects, palm cleaning in pool area and other miscellaneous landscaping improvements.

- District Engineers Report
  - o District Engineer (Greg W) submitted Stormwater Analysis Report
  - o District Engineer (Stephen B) informed board original proposal for Ranger Station withdrawn, actively soliciting bids.

- No report from District Counsel

- GHS Environmental
  - o Provided report
  - o Board requested GHS propose a dedicated wetlands assistant addition to scope of work

- Community Managers Report
  - o Nature Center Update – Supervisor Evereth
  - o Playground Safety Reminder – Supervisor Edwards
  - o Radar Speed Signs Data Request – Supervisor Edwards
  - o Nail Salon Agreement Clarification – Supervisor Ruhlig

- o Age Limit for Amenities Discussion – Supervisor Ruhlig

- o TV Broadcast for Events Update – Community Manager

- Community Manager Position: Board voted unanimously to confirm Nick Shafferey as Community Manager

- Tennis Court Lighting
  - o Photometrics review, fixture replacement discussion tabled until November 2022
  - o Board voted unanimously to replace 30 minute timer with a better mechanism and to test the use of LED retrofit bulbs on one court.

- Soccer Goals: discussion tabled until July Meeting
- Security Cameras: proposals to be provided in new format for July consideration

- Paver Repairs: Board voted unanimously to approve proposal to repair pavers.

- Board approved termination letter for Cardno Engineering and approved contract with JMT as replacement District Engineer.

- April 27, 2022 and May 4, 2022 meeting minutes unanimously approved.

- Operations & Maintenance expenditures approved unanimously.

- Reserve Study presented by Matthew Huber with no questions.

- Road Resurfacing project update given with no new pertinent details.

- Dog Waste Stations: Supervisor Evereth requested two new waste stations.

In closing, audience comments were reopened. A new audience member commented on excessive speed on Citrus Blossom Drive and requested the board's support in more extensive traffic monitoring and future consideration of speed radar signs in that area.

Meeting was adjourned at 2:06 PM. The next CDD meeting is scheduled for July 6, 2022 at 9:30AM. Official meeting minutes from the June meeting will be approved at this time and will then be posted on the Wilderness Lake CDD website.

# Meet Our New Community Manager

# WLP's Critter Corner "Worms, Mangos and Eggs"

Nicholas Shafferey (Nick), Licensed Community Association Manager came to Wilderness Lake in early May to temporarily fill a role as our Community Manager and not only did he fill the role, he asked to stay permanently. Before arriving here, he managed twelve communities directly, totaling over 4500 units for Rizzetta. Nick's unique and impressive background and experience make him a fantastic fit for our community. Not only does he have experience as a community manager, but he has a passion for improving resident satisfaction and the quality of amenities.

Despite Nick being incredibly busy doing the hard work of working with landscapers, road repairs, pool services, residents, budgets, events, staff training and a myriad of other items on his "manager-do" list, if you come into meet him, you're likely to encounter an unflappable personality, a welcoming smile, an invitation to try his new favorite kind of ice cream and a briefing on which flavor is in today's infused water.

Nick's hobbies when he isn't hard at work at the lodge include organic gardening, cooking, and discovering interesting wines (ask him about the Mango Moscato). We look forward to seeing what his passion and creativity will bring to our community and residents over the coming months.

## Q & A

What's your favorite thing about Wilderness Lake Preserve? In almost 20 years of working in Hotels, Resorts, Condos and Communities, I can say WLP is unique. The amenities, the layout of the community, and the design of the Lodge make coming to work enjoyable.

What's your favorite Nature Center Animal? Bandit the Ferret is my favorite. Whenever I get to interact with her, I end up smiling for hours. She's like a furry/cuddly slinky toy.

What's something interesting about you that no one would suspect? My unexpected sport: I enjoy axe throwing and am quite good at it. Don't worry, no Wilderness Lake trees will be harmed.

Over the past month, residents who visit the nature center have heard the harrowing stories of Fiona the bearded dragon. You may have even caught a glimpse of her, casually lounging by the pool. Fiona's namesake is, of course, the princess hidden away in the tower in the Movie "Shrek!" who is guarded by a female dragon and one can only wonder, did that dragon also spend her days basking, eating worms and laying eggs? Probably, no. In fact, our Fiona over a period of just three days laid three clutches totaling 27 eggs. And, yes, if you drop by, we are still holding on to them for curious nature lovers. And you may think, 'Wow! That's incredibly strange.' But really, it most certainly isn't. In fact, if you've ever sat down to a traditional American breakfast, you have most likely enjoyed some unfertilized eggs from someone our bearded dragon shares a common ancestor with, a chicken. Sure, that was some 250 million years ago according to various sources... but who is counting?

Fiona doesn't just share tendencies with the chicken, we also learned during critter camp that she also shares her eating preferences with a lot of the kids in our community. You'd be surprised to know that this girl is a bit of a picky eater and, likely just like your kiddos uses her hands as "sticks for pushing away salad." And, just like Fiona, they all enjoyed eating the worms crafted by their creativity. Not to worry, they were just gummy worms. Fiona should eat about 80% vegetables and 20% insects. Try as we may, this is a daily challenge for our team, who has resorted to clever ways of attaching vegetables to the worms she so loves. And, after 27 eggs, yes... we let her feast on as many as she wanted.

Given her aversion to vegetables, you can imagine our surprise when we offered her mango pieces, and she ravenously ate them as if they were surely going to crawl away. So, tip for parents, seeing as Fiona so loves mangos, perhaps add some to your kid's next salad. For us, it's back to Worms, Mangos, and Eggs. We will keep relentlessly offering collard greens and green peppers and someday, maybe Fiona will grow up enough to appreciate the hard work that goes into her daily salad preparation.

Given her aversion to vegetables, you can imagine our surprise when we offered her mango pieces, and she ravenously ate them as if they were surely going to crawl away. So, tip for parents, seeing as Fiona so loves mangos, perhaps add some to your kid's next salad. For us, it's back to Worms, Mangos, and Eggs. We will keep relentlessly offering collard greens and green peppers and someday, maybe Fiona will grow up enough to appreciate the hard work that goes into her daily salad preparation.

# Natural Areas and Environmentally Sensitive Areas

If you modify or use CDD owned property and/or Conservation/Natural Areas without permission, you will be legally required to pay for remediation. Everyone plays a role in helping to protect and sustain Florida's wetlands and preserves: the government, developers, environmental groups, scientists, and YOU! Here at Wilderness Lake Preserve, Southwest Florida Water Management District (SWFWMD) vested The Preserve at Wilderness Lake CDD with the legal responsibility of protecting and maintaining all conservation land. This includes both CDD owned land and the numerous conservation buffer areas on residents' property. SWFWMD has mandated that the preserves remain untouched so that they will continue to serve their natural purpose, except in special circumstances.

Sometimes there are instances when it makes sense to help the preserve maintain its natural balance. So the CDD, at the request of numerous concerned residents, developed a Conservation Maintenance Policy. To summarize the policy, if you have wooded and/or wetland areas adjacent to your home, PLEASE DO NOT trim or disturb these areas yourself, regardless of whether they are on CDD owned land or YOUR OWN LOT. Instead, notify the Lodge or District Management, who will make an appointment with you. Prior to your meeting, please review our Conservation Maintenance Policy, which is available on the community website, [www.wildernesslakecdd.org](http://www.wildernesslakecdd.org).

Because our CDD Board takes our environmental responsibilities very seriously; they will strictly enforce the Conservation Maintenance Policy to ensure we are in compliance with all SWFWMD regulations and are in no way damaging our environment. If you feel the wooded and wetland areas surrounding your home need attention, please first review our community's policy and contact the Lodge to arrange for your inspection.

If you should have any questions, please feel free to contact the District Office to discuss any questions you may have, 813-933-5571.

**\*\*Please do not dump yard clippings or trimmings in the wooded and/or wetland areas adjacent to your home.**

## The Protected Areas Notification

### ASA REMINDER...

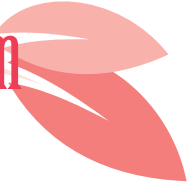

The wetlands and wetland setback areas, on both CDD property AND resident property, are part of the SWFWMD CDD wetlands permit. This means that residents may only remove invasive species AND must have CDD permission / supervision to do so. Residents must contact the Lodge prior to the removal of any plant material. The CDD wetlands vendor will review the area and provide guidance as to what may and may not be removed or cut back. Residents must receive written permission from the CDD prior

to removal / cutback of any plant material on CDD property. The Lodge Manager will provide residents with the proper forms that must be completed prior to any work being done.

**Any non-authorized removal of plant material in areas falling under the SWFWMD CDD permit will be replanted at the offending resident's expense. All legal costs associated with the violation will also be charged to the offending resident.**

**Cutting trails, clearing of the underbrush, constructing forts, and dumping are just a few examples of violations that have occurred in prior years. These violations are becoming far too common and will ultimately impact the protected areas and community adversely. Be responsible by enjoying the surrounding areas without disturbing them.**

## "There's Gold in Them Thar Hills!"

Except, we don't have any hills and it's not actual gold. In the month of July, we will be conducting an ongoing activity open to ages 12-17. Here's how it works, the general rules and guidelines and how you can participate.

### The Basics:

Hidden somewhere on common property (parks, sidewalks, or Lodge area) will be a golden idol. The golden idol holds the power to unlock a safe which holds gift cards galore.

### How to Play:

In order to play, you can follow our TikTok, Instagram or visit the lodge for clues. Treasure hunt days are marked on the calendar in our newsletter. Our TikTok username is "wildernesslake" and our Instagram username is "wildernesslakegame". Clues will be released in multiple waves, each wave being more specific until the idol is returned to the Lodge and a prize claimed.

### The Catch:

- You will not need to trespass on anyone's private property or walk through yards to find the idol.
- You will not need to disassemble objects or climb to find the idol.
- Idol will not be in any gated communities.
- Idol will not be hidden in any drains, or any preserve areas.
- You must be a resident and listed on your parent's address card to claim your prize.
- You must be a resident in good standing ... not banned from the lodge for swan diving into the lake in an oddly realistic alligator costume (true story.)

For more information, contact the Lodge.
