Volunteer of the Month

The WLP Lodge would like to recognize Lexi Sowles as our February Volunteer of the Month. Lexi dedicates most of her Sunday evenings caring for our Nature Center animals. She cleans each cage, making sure they have a healthy place to live. Lexi also takes Athena (guinea pig) and Bandit (ferret) out of their cages for some much needed exercise. Her time and service is greatly appreciated by all!

Highlights of the CDD Meeting

Meeting Dates

The CDD meeting was held on February 8 and extended into February 15 in order to address multiple time-sensitive issues within the District.

Audience Comments

The Board heard comments regarding multiple parties from the district on their property without notice and another audience comment about the requested ongoing use and availability of the Jon boat.

Splash Pad Renovation

Splash pad has received the required parts and will soon reopen for resident use after a complete renovation.

Paver Update - U.S. Highway 41 Wilderness Lake Blvd. intersection paver areas to be repaved soon

CDD Board reviewed proposals for fixing the existing paver issues, the possible county timeline for repaving and cost of upkeep over the period until repaving as well as proposals for removal of the pavers and the paving of the areas up to and immediately east of the Ranger Station and voted to repave the paver areas at the U.S. Highway 41 entrance of the community with asphalt.

Floating Dock Replacement

CDD Board voted for the replacement of the floating dock, including an EZ Dock floating kayak and canoe paddle-on launch and new kayak and canoe rack. Until the renovation is completed, boats will be launched from the shore to the West of the dock, using a temporary launch mat.

Gym Equipment

New gym equipment to be installed and is ready for use in the Fitness Center in March.

Rules & Regulations

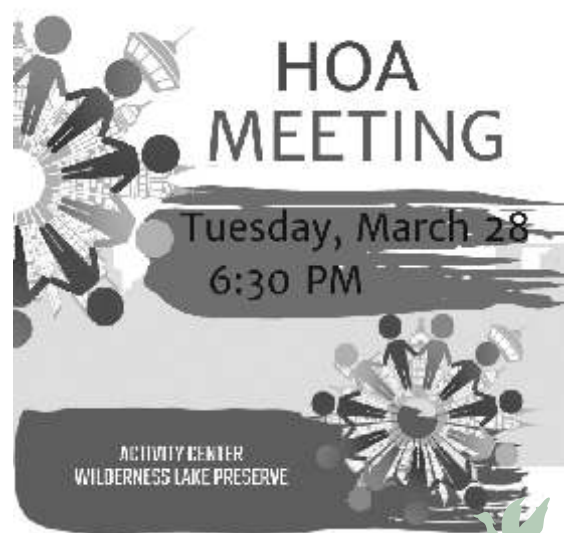

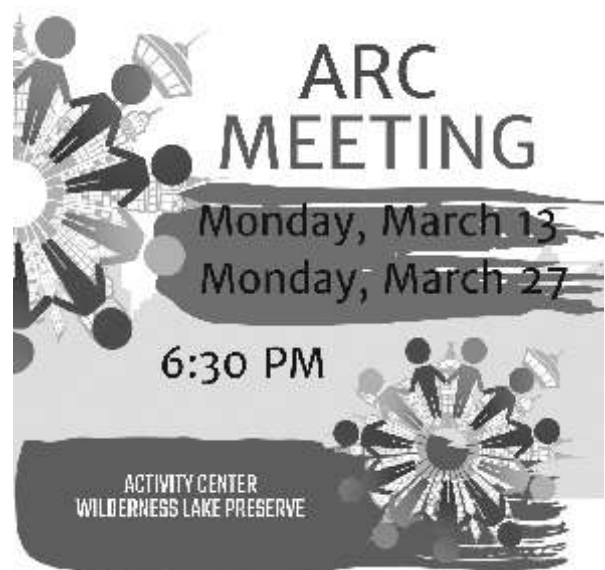

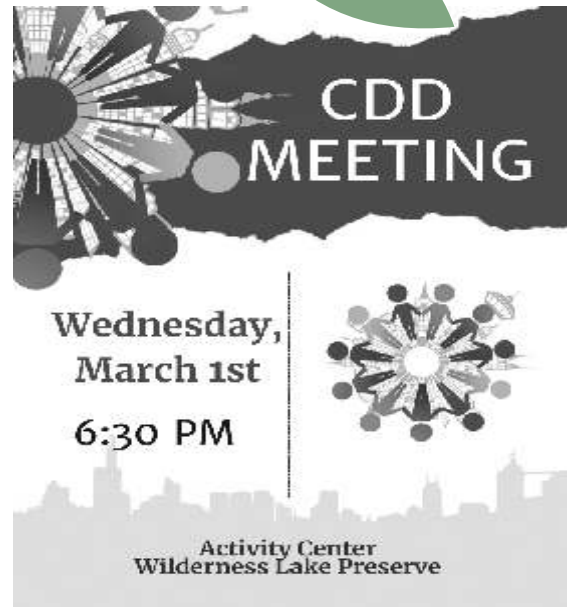

CDD Board approved multiple changes in the rules and regulations to improve access to amenities and provide clarity. Updated copies will be distributed digitally once finalized.

Tree Projects

The Board approved proposals to trim and elevate the branches on 16 trees within The District.

Neighborhood App

The Board approved to enter a contract for NABR, a community app that will allow easier distribution of calendar events, emergency alerts and District communication. Once this implementation is completed, more information will follow.
