Summary, Pond 42, Hueland Pond Blvd, Wiregrass Ranch Blvd

General Updates, Recent & Upcoming Maintenance

- Please ensure that during every mowing event, weeds growing in the walkway cracks are line-trimmed to maintain a clean and well-kept appearance.
- Please clean up and remove any trash debris or litter throughout the property during each visit.

The following are action items for Sunrise and Hughes to complete. Please refer to the item # in your response listing action already taken or anticipated time of completion. **Red text** indicates deficient from previous report. **Bold Red text** indicates deficient for more than a month. **Green text** indicates a proposal has been requested. **Blue** indicates irrigation. **Orange** is for staff. **Bold underlined is info. or questions for BOS or Developer.**

1. Pond 42 – Pond Edge Maintenance: The recent pond edge cleanup performed by the crew looks very good. The pond edge was accessible and looked very well kept up. Keep up the consistent, quality work.

2. Edging – Hueland Pond Blvd: For the most part, the crew edged Hueland Pond Blvd; however, there were a few areas where the edging could be improved. In locations where ant mounds were present, it appears the edging was performed over the mounds, leaving debris behind. These areas should be cleaned thoroughly to ensure a smooth, uniform edge and a more polished final appearance.

3. Crack Weeds – Wiregrass: Weeds were observed growing within pavement cracks throughout multiple areas of Wiregrass. While not present in every location, the occurrence was frequent enough to document with several photos and requires attention. (Pic 3>)

4. Wiregrass Ranch – Pasco Utility Fence Area: Near the Pasco Utility fence, the section along the metal railing was missed during the last service. This area was not edged or line-trimmed, and trash and debris were left behind. This section should be prioritized and fully addressed at the beginning of the next visit to prevent....

(#4 Cont.).... further overgrowth and to restore the area. (Pic 4a, 4b>)

5. Wiregrass Ranch Blvd – Median Maintenance: Along the median, a significant amount of turf debris was left....**(Next page)**

Wiregrass Ranch Blvd

(#5 Cont.)....left behind. While the cause is unclear, turf clippings should be blown back into the planting beds or removed from the site when accumulation is excessive. Additionally, the median requires a more consistent, clean edge to improve overall appearance and presentation. (Pic 5a, 5b>, 5c>)

6. Wiregrass Ranch Blvd – Incident Cleanup

Notice: Board, I would like to bring to your attention that during my inspection, I observed evidence of a vehicle accident at the intersection of Wiregrass Ranch Blvd and Lychee St. This has been reported to my direct team.

Sunrise, during your next visit, please remove all vehicle debris from the turf areas prior to mowing to prevent equipment....

(#6 Cont.).... damage. The roundabout was not thoroughly line-trimmed. These areas experience heavy vehicle traffic and serve as high-visibility landscape features. Please address next visit. (Pic 6a, 6b>, 6c>)

Wiregrass Ranch Blvd, Lajuana Blvd

7. **Edging:** This photo was selected because the crew serviced this area just yesterday, yet weeds are still present in the pavement cracks, and the edging is not as tight or defined as it should be. These areas need to be addressed more thoroughly to ensure clean, crisp edging and complete weed removal following each visit. (Pic 7>)

8. **Lajuana Blvd – Median / Construction Area:** Along the median near the active construction zone, temporary signs placed in the turf are causing turf damage and die-off beneath them. The crew should be mindful of these areas and remove signs from the turf as mowing is performed to prevent further turf loss and maintain turf health.
