Preferred Claims Administration

Preferred Governmental Claim Solutions, Inc. ® (PGCS) is the premier governmental third-party claims administrator in the state of Florida and administers the claims for Preferred Governmental Insurance Trust (*Preferred*). Since its founding in 1956, PGCS has provided claims administration services exclusively to over 450 governmental entities including schools, cities, towns, counties, community development districts, and fire districts. Therefore, PGCS's adjusters are extremely qualified to handle governmental tort liability and public sector workers' compensation claims. They are experts at investigating and handling police and firefighters presumption claims. PGCS is sensitive to the politics involved in the handling of public entity claims.

PGCS's claims administration program consists of workers' compensation, general liability, bodily injury, personal injury, property, auto liability, auto physical damage, employment practices liability, school leaders/educators liability and public officials liability. Their claims staff has over 630 years of combined insurance experience and each has been with PGCS an average of 8 years. Claims are handled under strict supervision in accordance with the PGCS workers' compensation and liability claim handling procedure manuals and the PGCS claim best practices manual. A random sampling of each adjuster's claim files are audited on a monthly basis by a Quality Assurance Manager to ensure compliance.

PGCS provides their clients with a dedicated Subrogation Unit to pursue reimbursements from at-fault third parties. Their current recovery rate is fifty-nine (59) percent of the claim costs expended. PGCS also has a dedicated excess reporting and recovery unit for communication to and securing reimbursement from the excess and/or reinsurance carriers. In addition, PGCS provides a state-approved Special Investigation Unit (SIU) to prevent and pursue fraudulent claims. PGCS offers rewards up to \$10,000.00 for the arrest and conviction of persons committing workers' compensation fraud. This service is provided via a twenty-four hour seven day a week hotline.

PGCS utilizes the RiskMaster system for claims processing. This system captures a wide variety of data and allows the adjuster to enter an unlimited number of claim notes, process reserve changes, and issue claim payments. Customized reports can be obtained from PGCS's on-line system containing a multitude of data parameters that a client may choose to analyze. The system can be accessed by clients via their website at www.pgcs-tpa.com.

Communication with PGCS's clients is the cornerstone of their claims administration program. Professional adjusters, nurses, management, quarterly in-depth claim review meetings, 24/7 claim reporting, utilization of attorneys specializing in public entity defense, litigation management, and return to work programs are just a sample of how PGCS has set the standard for the industry.

PGCS is committed to partnering with their clients to provide professional and aggressive claim management programs. While they are recognized as the leader in the industry, PGCS is always striving to improve the quality of their programs and expand the services that they offer.

***Preferred* Safety and Risk Management Services**

The success of any public sector community is tied to its ability to protect and preserve its human physical assets. This basic premise serves as the cornerstone of an effective Safety Management program and underscores the importance of Safety and Risk Control to the community. *Preferred's* Safety and Risk Management Department is very aware of the valuable contribution a comprehensive safety and risk control program makes to the bottom-line of any organization.

At *Preferred*, Safety consultations originate with one basic thought—to recommend specific measures to minimize or eliminate the exposures that cause accidents. This does not mean that the workplace become no-risk utopias, but we expect our consultants to recommend measures to control and minimize all types of accidents, injuries and illnesses to our *Preferred* members' operations and premises.

Preferred is dedicated to meeting the challenge of the complex issues facing public sector organizations. Disarming these issues and converting them into solutions which work to the advantage of our goal. *Preferred's* approach to risk control incorporates the following elements:

- **Exposure Identification** – Assist management in determining areas where a chance of loss might exist through cause trend analysis, work site evaluations, and facility inspections.
- **Exposure Measurement and Loss Analysis** – Loss analysis and a review of the consequences of the exposures will be considered to develop alternative methods of control.
- **Determination and Selection of Appropriate Risk Control Methods** – Based on measurement and analysis, specific recommendations and/or custom designed risk control plan will be formulated. OSHA, as well as other Agency Standards will be applied and/or used as a "Best Practice" measure when designing and formulating safety and risk control plans.
- **Training and Safety Management Consulting** – After considering client needs specific services and/or training will be formulated and initiated to fit the client's need. Key Personnel or specialty consulting services with the knowledge and skills needed to meet those identified needs will be provided.
- **Additional Consulting Services Available** – *Preferred's* Safety & Risk Management has other services available that may benefit our clients. These services include security evaluations and review of existing safety and risk programs.

Preferred's Safety and Risk Management Department evaluates the unique needs to each client, ultimately designing a program that is capable of being integrated into the overall safety and risk control efforts of each client. *Preferred's* dedication to the problem-solving approach is the foundation of their Safety and Risk Management Service.

- A. All Aggregate limits reset for the period 10/01/2027 12:01:00 AM to 10/01/2028 12:01:00 AM. Losses applying to one annual coverage period will not erode the aggregate limits of another annual coverage period.

In the event of an approved workers' compensation rate decrease, we will honor the reduced rates for the second twelve-month installment. Premiums in any case are subject to the following:
 - 1. NCCI Experience modification factors will be applied as promulgated.
 - 2. Changes to Schedules: Property, Inland Marine, and Automobile

In the event of cancellation of any line of business following the initial 90 days of each annual coverage period, a penalty equal to 60 days premium of such line(s) of business shall become earned, any provision of the agreement to the contrary notwithstanding.

Entities insured by surplus lines carriers do not have the protection of the FL Insurance Guaranty Act to the extent of any right of recovery for the obligation of an insolvent, unlicensed insurer.
4. Quote is subject to review and acceptance by *Preferred* Board of Trustees.
5. Premiums are subject to change if all lines of coverage quoted are not bound. **Premiums are subject to 25% minimum premium upon binding.**

Retail Compensation Disclosure

Compensation: As a licensed insurance producer/broker/agent, Brown & Brown entities (“we”) are generally authorized by our license to confer with insurance purchasers about the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers. Our role as an insurance producer in any ordinary transaction typically involves one or more of these activities.

We will receive compensation in the form of commission or fees for assistance with the placement, servicing, claims handling, or renewal of your insurance coverages. Commission compensation will be based on the insurance contract you purchase and may vary depending on a number of factors including the insurance contract(s) and the insurer(s) the purchaser selects. In addition to the commissions or fees received by us for assistance with the placement, servicing, claims handling, or renewal of your insurance coverages, other parties, such as excess and surplus lines brokers, wholesale brokers, reinsurance intermediaries, underwriting managers and similar parties, some of which may be owned in whole or in part by Brown & Brown, Inc., may also receive compensation for their role in providing insurance products or services to you pursuant to their separate contracts with insurance or reinsurance carriers. That compensation is derived from your premium payments. Additionally, it is possible that we, or our corporate parents or affiliates, may receive contingent payments or allowances from insurers based on factors which are not customer-specific, such as the performance and/or size of an overall book of business produced with an insurer. We generally do not know if such a contingent payment will be made by a particular insurer, or the amount of any such contingent payments, until the underwriting year is closed. That compensation is partially derived from your premium dollars, after being combined (or “pooled”) with the premium dollars of other insureds that have purchased similar types of coverage. We may also receive invitations to programs sponsored and paid for by insurance carriers to inform brokers regarding their products and services, including possible participation in company-sponsored events such as trips, seminars, and advisory council meetings, based upon the total volume of business placed with the carrier you select. We may, on occasion, receive loans or credit from insurance companies. Additionally, in the ordinary course of our business, we may receive and retain interest on premiums you pay from the date we receive them until the date of premiums are remitted to the insurance company or intermediary. In the event that we assist with placement and other details of arranging for the financing of your insurance premium, we may also receive a fee from the premium finance company.

If an intermediary is utilized in the placement of coverage, the intermediary may or may not be owned in whole or part by Brown & Brown, Inc. or its subsidiaries. Brown & Brown entities operate independently and are not required to utilize other companies owned by Brown & Brown, Inc., but routinely do so. In addition to providing access to the insurance company, the Wholesale Insurance Broker/Managing General Agent may provide additional services including, but not limited to: underwriting; loss control; risk placement; coverage review; claims coordination with insurance company; and policy issuance. Compensation paid for those services is derived from your premium payment, which may on average be 15% of the premium you pay for coverage, and may include additional fees charged by the intermediary.

You may obtain information about compensation expected to be received by us based in whole or part on the sale of insurance to you, and (if applicable) compensation expected to be received based in whole or part on any alternative quotes presented to you by us, by requesting such information from us.

Questions and Information Requests. If you have any questions, or require additional information, please contact your Brown & Brown team, or, if you prefer, submit your question or request online at <https://www.bbrown.com/us/contact/contact-general/>

YOU ARE ELECTING NOT TO PURCHASE CERTAIN VALUABLE COVERAGE WHICH PROTECTS YOU AND YOUR FAMILY OR YOU ARE PURCHASING UNINSURED MOTORISTS LIMITS LESS THAN YOUR BODILY INJURY LIABILITY LIMITS WHEN YOU SIGN THIS FORM. PLEASE READ CAREFULLY.

Uninsured Motorist coverage provides for payment of certain benefits for damages caused by owners or operators of uninsured motor vehicles because of bodily injury or death resulting there from. Such benefits may include payments for certain medical expenses, lost wages, and pain and suffering, subject to limitations and conditions contained in the Coverage Agreement. For the purpose of this coverage, an uninsured motor vehicle may include a motor vehicle as to which the bodily injury limits are less than your damages.

Florida law requires that automobile liability coverage agreements include Uninsured Motorist coverage at limits equal to the Bodily Injury limits in your coverage agreement unless you select a lower limit offered by the Trust or reject Uninsured Motorist entirely. Please indicate whether you desire to entirely reject Uninsured Motorist coverage, or, whether you desire this coverage at limits lower than the Bodily Injury Liability limits of your Coverage Agreement:

☒

a. I hereby reject Uninsured Motorist coverage.

☐

b. I hereby select the following Uninsured Motorist limits which are lower than my Bodily Injury Liability Limits:
each person (enter limit if applicable):
each accident.

☐

c. I hereby select Uninsured Motorist coverage limits equal to my Bodily Injury Liability limits. (If you select this option disregard the bold face statement above.)

ELECTION OF NON-STACKED COVERAGE

(Do not complete if you have rejected Uninsured Motorist)

You have the option to purchase, at a reduced rate, non-stacked (limited) type of Uninsured Motorists coverage. Under this form if injury occurs in a vehicle owned or leased by you or any family member who resides with you, this Coverage Agreement will apply only to the extent of coverage (if any) which applies to that vehicle in this Coverage Agreement. If an injury occurs while occupying someone else's vehicle, or you are struck as a pedestrian, you are entitled to select the highest limits of Uninsured Motorist coverage available on any one vehicle for which you are a Named Covered Party, covered family member, or covered resident of the Named Covered Party's household. This Coverage Agreement will not apply if you select the coverage available under any other Coverage Agreement issued to you or the Coverage Agreement of any other family member who resides with you.

If you do not elect to purchase the non-stacked form, your Coverage Agreement limit(s) for each motor vehicle are added together (stacked) for all covered injuries. Thus, your Coverage Agreement limits would automatically change during the Coverage Agreement term if you increase or decrease the number of autos covered under the Coverage Agreement.

☐

I hereby elect the non-stacked form of Uninsured Motorist coverage.

I understand and agree that selection of any of the above options applies to my liability Coverage Agreement and future renewals or replacements of such Coverage Agreement which are issued at the same Bodily Injury Liability limits. If I decide to select another option at some future time, I must let the Trust or my agent know in writing.

- (g) To indemnify and hold harmless any Trustee, officer of the Fund, or any person acting on behalf of the Fund, to the fullest extent such indemnification is permitted by law, against (1) reasonable expenses actually and necessarily incurred in connection with any threatened, pending or completed action, suit or proceeding, whether civil, administrative or civil investigative, including any action, suit or proceeding by or on behalf of the Fund, seeking to hold said person liable by reason of the fact that he or she was acting in such capacity, and (2) reasonable payments made by him or her in satisfaction of any judgment, monetary decree or settlement for which he or she may have become liable in any such action, suit or proceeding by reason of the fact that he or she was acting in such capacity. This indemnification is not intended to, and does not, waive any immunities provided to Members of the Fund, Trustees serving in their capacity as Trustees to the Fund, or to officers or employees of the Fund, by virtue of the laws of the state of Florida, but is merely in addition to such rights, privileges and immunities. (Ref. 624.489 and 768.28, FS).

SECTION VII

MEMBERS

- 7.1 MEMBERSHIP CANCELLATION, SUSPENSION OR EXPULSION.** The Board of Trustees shall be the sole judge of whether membership in the Fund may be cancelled, or whether a member may be suspended or expelled from the Fund; provided, however, the Board of Trustees may delegate the functions associated with cancellation, suspension or expulsion of a Member to the Administrator. Written notice of any such cancellation, suspension or expulsion shall be provided by the Fund to the member no less than thirty

(30) days prior to the effective date of such cancellation, suspension or expulsion, and no liability under this Agreement or any other agreement, certificate, document, or other instrument executed by the Fund and the member pursuant to this Agreement, shall accrue to the Fund following the effective date of such cancellation, suspensions or expulsion. The minimal notice provisions of this paragraph shall not apply in the event a member fails to make the requisite contributions for coverages under this Agreement when such contributions are due.

- 7.2** **RESPONSIBILITIES OF MEMBERS.** By execution of a Participation Agreement agreeing to be bound by the terms and conditions of this Amended Interlocal Agreement, each Member agrees to abide by the following rules and regulations:
- (a) The Trustees have the sole responsibility to govern and direct the affairs of the Fund pursuant to this Agreement.
 - (b) Any Member who formally applies for Membership in this Fund, and who is accepted by the Board of Trustees, shall thereupon become a party to this Amended Interlocal Agreement and shall be bound by all of the terms and conditions contained herein. The Participation Agreement shall constitute a counterpart of this Amended Interlocal Agreement, and this Amended Interlocal Agreement shall constitute a counterpart of the Participation Agreement.
 - (c) To maintain a reasonable loss prevention program in order to provide the maximum in safety and lawful practices as such may relate to the potential liability assumed by the Fund under this Agreement or any other agreement, certificate, document, or other instrument executed by the Fund and the Member pursuant to this Agreement.
 - (d) To comply with the conditions of the Florida Workers' Compensation Law.
 - (e) To provide immediate notification in the event an accident or incident occurs which is likely to give rise to a claim within the scope of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Fund and the Member pursuant to this Agreement.
 - (f) To promptly make all contributions for coverages arising under this Agreement, or any other agreement, certificate, document, or other instrument executed by the Fund and the Member pursuant to this Agreement, at the time and in the manner directed by the Board of Trustees.

Said contributions may be reduced by any discount, participation credit, or other contribution reduction program established by the Board of Trustees.

(g) In the event of the payment of any loss by the Fund on behalf of the Member, the Fund shall be subrogated to the extent of such payment to all the rights of the Member against any party or other entity legally responsible for damages resulting from said loss, and in such event, the Member hereby agrees, on behalf of itself, its officers, employees and agents, to execute and deliver such instruments and papers as is required, and do whatever else is reasonably necessary, to secure such right to the Fund, and to cooperate with and otherwise assist the Fund as may be necessary to effect any recovery sought by the Fund pursuant to such subrogated rights.

(h) The Board of Trustees, its Administrator, and any of their agents, servants, employees or attorneys, shall be permitted at all reasonable times and upon reasonable notice to inspect the property, work places, plants, works, machinery and appliance covered pursuant to this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, and shall be permitted at all reasonable times while the Member participates in the Fund, and up to and including two (2) years following the termination of its membership in the Fund, to examine the Members' books, vouchers, contracts, documents and records of any and every kind which show or tend to show or verify any loss that may be paid or may have been paid by the Fund on behalf of the Member pursuant to this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, or which show or verify the accuracy of any contribution which is paid or payable by the Member pursuant to the terms of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement.

(i) The Fund is to defend in the name and on behalf of the Member any claims, suits or other legal proceedings which may at any time be instituted against the Member on account of bodily injury liability, property damage, property damage liability, errors and omissions liability or any other such liability, monetary or otherwise, to the extent such defense and liability has been assumed by the Fund pursuant to his Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, subject to any and all of the definitions, terms, conditions and exclusion contained in said

agreements, or any other agreement, certificate, document, or other instruments, although such claims, suits, allegations or demands are wholly groundless, false, fraudulent, and to pay all costs taxed against the Member in any such legal proceedings defended by the Fund or the Member, all interest, if any, legally accruing before and after entry of judgment in such proceedings, and all expense incurred in the investigation, negotiation or defense of such claims, suits, allegations or demands. Such defense shall be subject to the control of the Fund and its Administrator, which may make such investigations and settlement of any such claim, suit, or other legal proceeding, monetary or otherwise, as they deem expedient. The Member agrees to cooperate fully with the Fund, its administrator and their agents, with respect to the investigation, adjustment, litigation, settlement and defense of any claim, suit, or other legal proceeding, monetary or otherwise, which would be covered by the terms of this Agreement and/or any policies of insurance, excess insurance or re-insurance which have been purchased to provide protection against such claims and liabilities. The Member acknowledges that failure to cooperate fully in the investigation, defense or litigation of such claims, suits, or liabilities may constitute grounds for denial of coverage pursuant to this Agreement and/or the applicable policies of insurance.

(j) The liability of the Fund is specifically limited to the discharge of the liability of its Members assumed pursuant to this Agreement or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement; the coverage of the Fund does not apply to punitive or exemplary damages.

(k) Unless the Fund and the Member otherwise expressly agree in writing, coverage by the Fund for a Member under the terms of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, shall expire automatically on the last day of September of each calendar year, and no liability under this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, shall accrue to the Fund beyond such expiration date unless such Member renews its coverage.

(l) Except as otherwise provided herein, a Member's coverage may be cancelled by the Fund or the Member at any time upon no less than thirty (30) days prior written notice by the Board of Trustees or Administrator to

the Member, or by the Member to the Board of Trustees. The notice shall state the date such cancellation shall become effective.

(m) Excess monies remaining after the payment of claims and claims expenses, and after provision has been made for the payment of open claims and outstanding reserves, may be distributed by the Board of Trustees to the Members participating in the Fund in such manner as the Board of Trustees shall deem to be equitable.

(n) There will be no disbursements out of the reserve fund established by the Fund by way of dividends or distributions of accumulated reserves to Members until after provision has been made for all obligations against the Fund and except at the discretion of the Board of Trustees.

(o) Qualified service providers, including attorneys selected by the Fund, shall defend, investigate, settle and otherwise process and dispose of all claims, suits, allegations or demands that may result in liability assumed by the Fund on behalf of the Member pursuant to this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement.

(p) The Member, through the Board of Trustees, does hereby appoint the Administrator as its agent and attorney-in-fact, to act on its behalf and to execute all necessary contracts, reports, waivers, agreements, excess insurance contracts, service contracts, and other documents reasonably necessary to accomplish the purposes and to fulfill the responsibilities of the Fund; to make or arrange for the payment of claims, claims expenses, and all other matters required or necessary insofar as they affect the matters covered pursuant to the terms of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, and the rules and regulations now or hereafter promulgated by the Board of Trustees.

(q) To make prompt payment of all contributions and penalties as required by the Board of Trustees, said contributions or penalties to be determined by the Board of Trustees. Any disputes concerning contributions or penalties shall be resolved after the payment of said contributions or penalties.

(r) To pay reasonable penalties as determined by the Board of Trustees for late payment of contributions required under this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement.

(s) Coverage by the Fund under the terms of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, shall expire and be cancelled, upon no less than ten (10) days prior written notice from the Fund to the Member, for nonpayment of contributions.

(t) To abide by all the terms and conditions of this Agreement, the Participation Agreement, the Fund's by-laws, the rules and regulations, the terms of any coverage document issued by the Fund to the Member, and any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement.

(u) Each Member voluntarily transfers to the Trust any rights and privileges such Member enjoys under the laws of the State of Florida, including Sections 163.01, and 768.28, Florida Statutes, and specifically those statutory provisions pertaining to such Member's sovereign immunity and the applicable limitations of the Member's liability to \$100,000.00 per individual claim, and to \$200,000.00 for multiple claims, arising out of the same transaction. The purchase of insurance or indemnity hereunder shall not be deemed or be construed as a waiver of sovereign immunity by the Members.

SECTION VIII

ACCOUNTING

True and complete accounts shall be kept of all transactions and of all assets and liabilities of the Trust. The accounts of the Trust shall be audited annually by a firm of independent certified public accountants, which shall be selected by the Board of Trustees.

SECTION IX

DURATION

This Agreement shall continue in full force and effect until it is terminated by the mutual consent of all the Members; provided, however, that this Section IX shall not be construed to preclude the termination and winding up of the Trust within the discretion of the Board of Trustees, or the amendment of this Agreement pursuant to Section X.

About FIA

Florida Insurance Alliance (“FIA”), authorized and regulated by the Florida Office of Insurance Regulation, is a non-assessable, governmental insurance Trust. FIA was created in September 2011 at a time when a large number of Special Taxing Districts were having difficulty obtaining insurance.

Primarily, this was due to financial stability concerns and a perception that these small to mid-sized Districts had a disproportionate exposure to claims. Even districts that were claims free for years could not obtain coverage. FIA was created to fill this void with the goal of providing affordable insurance coverage to Special Taxing Districts. Today, FIA proudly serves and protects over 1,000 public entity members.

Competitive Advantage

FIA allows qualifying Public Entities to achieve broad, tailored coverages with a cost-effective insurance program. Additional program benefits include:

- Insure-to-value property limits with no coinsurance penalties
- First dollar coverage for “alleged” public official ethics violations
- Proactive in-house claims management and loss control department
- Risk management services including on-site loss control, property schedule verification and contract reviews
- Complimentary Property Appraisals
- Online Risk Management Education & Training portal
- Online HR & Benefits Support portal
- HR Hotline
- Safety Partners Matching Grant Program

How are FIA Members Protected?

FIA employs a conservative approach to risk management. Liability risk retained by FIA is fully funded prior to the policy term through member premiums. The remainder of the risk is transferred to reinsurers. FIA’s primary reinsurers, Lloyds of London and Hudson Insurance Company, both have AM Best A XV (Excellent) ratings and surplus of \$2Billion or greater.

In the event of catastrophic property losses due to a Named Storm (i.e., hurricane), the program bears no risk as all losses are passed on to the reinsurers.

What Are Members Responsible For?

As a non-assessable Trust, our members are only responsible for two items:

- Annual Premiums
- Individual Member Deductibles

FIA Bylaws prohibit any assessments or other fees.

Additional information regarding FIA and our member services can be found at www.fia360.org.

Note to customer

Thank you for your business and the opportunity to work with you.

The pedestrian bridges were pressure washed using a light, EPA-approved cleaning solution. Handrails were sanded as needed to prevent splintering, and all handrail bolts were inspected for proper security. The pedestrian bridges were finished with a light, semi-transparent wood stain designed to enhance the natural grain while providing added protection. The surfaces were then properly sealed. This application carries a 6-year manufacturer's warranty for wood decks of this type and offers durable, all-weather protection. Completion Images are provided with online invoice sent for your review. Please note that while only the pedestrian bridges were included in this scope of work, we recommend treating the remaining bridge wood as well. Specifically, the wood railings used for vehicle passage would benefit from the same treatment to ensure consistent protection and longevity.

Customer is tax exempt.
