LANDSCAPE COMMITTEE MEETING MINUTES September 5, 2025

I. Call to Order: The attendance of committee members Patricia Herschberger, Becky Kutska, Dona Lasseter, Angela Potter, and Nancy Rechcigl constituted a quorum, and the meeting was called to order at 1:06 p.m. in the Clubhouse Community Room.

Also in attendance were Administrative Assistant, Ashley Christopher; General Manager, Steve Diez; Director of Grounds, Chris Threatt; Rizzetta representatives John Toborg; and Sun State Landscape Management (SSLM) representative Carlos Trujillo.

II. Public Comments: We heard complaints of midge flies and irises missing from the roundabout.

III. Business Administration

- **A. Approval of Minutes:** On motion by Becky, seconded by Nancy, the preliminary minutes from the August 15, 2025, Landscape Committee meeting were unanimously approved.
- **B. Financial Review:** Accounting for fixed expenses and outstanding invoices, there remains approximately \$25,000 available for the remainder of FY 24-25. For complete details, please refer to the full Financial Forecast document.
- **C. FY 25-26 Meeting Dates:** Due to scheduling conflicts, the committee voted to change the Landscape Committee meetings from the first Friday each month to the first Monday each month at 1:00 p.m.

IV. Staff Reports

- **A. SSLM:** Please see the responses on the Waterlefe Field Inspection Report dated August 19, 2025, for complete details.
 - a. Carlos confirmed that fertilization is scheduled for the first half of October (ahead of mulch installation the third week). He was reminded of the notification and bag count requirements stipulated in the contract. He was also asked to impress upon his crew that the palm trees require approximately 1.5 pounds of fertilizer per square foot of crown applied along the dripline to thrive.
 - b. Holiday décor installation will likely begin in October. Carlos was asked to have the trees on Waterlefe Boulevard (WLB) between Upper Manatee River Road (UMRR) and the gatehouse trimmed early in the month.
- **B. Field Inspection Report:** For full details, refer to the Waterlefe Landscape Inspection Report dated August 19, 2025, (8 pages, 42 items, 5 delinquencies).
 - 1. Items not already completed are scheduled for the second week in September.
 - 2. Clarifications discussed at this meeting include the following:
 - a. The south wall hedge mentioned in #19 is to be maintained between the top of the wall and 1 foot below the top of the wall.
 - b. Steve confirmed the turf mentioned in #20 is CDD property.
 - c. The agave mentioned in #35 were stacked in that location during clubhouse renovation and never returned to the original location. We understand it is difficult to weed around them and may consider replacing these at some point.

C. Waterlefe Staff Report:

- 1. Chris reported "Bird Island" is looking much better and should be ready for pine straw mulch after another application of herbicide.
- 2. We have not received the results of the Sea Turtle soil analysis.
- 3. Mulch installation was confirmed. The payment terms were 25% down, 25% when mulch is delivered, and balance on completion of the project.
- 4. We are still waiting for the building permit for the fence at #14.
- 5. Some CDD Board members would like us to reconsider planting Magnolia at #14. We agree that Shady Lady is a viable alternative, although it is more cold sensitive and the foliage is less dense than Magnolia.
- 6. If demolition of the WLB median at UMRR extends further north than currently planned, we want to relocate the Birds of Paradise to another location within Waterlefe. We asked SSLM to provide a proposal. Nancy volunteered to get a second proposal.

V. Business Items

- **A. Outstanding Proposal:** The Sylvester Palm in the Maritime median is being removed today.
- **B.** Annuals: We selected Celosia for the next annual rotation in a variety of colors. We will not be installing annuals at the SE corner nor the WLB median due to road construction and surrounding overgrown vegetation.

C. FY 24-25 Projects

- 1. Current Projects: Nancy and Chris will meet at the clubhouse at 8:30 on Monday, September 8, to inventory plants that should be replaced in the WLB median by September 30 (the end of FY 24-25).
- 2. Proposed Projects: Members were asked to prepare for discussion of proposed FY 25-26 projects at the next meeting.

D. Additional Committee Discussion

- Holiday Décor: The committee confirmed that the color of the lights on the palm tree collars is to be green, and voted to recommend the CDD Board approve a 3year contract with Giella Designs stipulating the right to cancel with 30-day notice without penalty.
- **E.** Liaison Comments: Eileen could not attend this meeting.
- F. Next Landscape Committee Meeting: October 6, 2025
- **G. Adjournment:** On motion by Nancy, seconded by Pat, and unanimously approved, the meeting adjourned at 3:47 p.m.
