## FIELD OBSERVATION REPORT

Date: February 21, 2026 Field Observation Report Number: 2026-1  
Project Name: Long Lake Ranch O and M Review  
Project Number: 238200185  
Stantec Representative (s): Braydon Woodcock

County / Consultant / Developer Representatives on Site:

Weather Conditions:  Clear  Partly Cloudy  Heavy Clouds  Fog  
Rain:  None  Light  Heavy  Showers  
Soil Conditions:  Dry  Wet  Extremely Wet  
Effects of Weather on Major Work Items  None  <50% affected  >50% affected  No Work

### Description of Work Activity:

Location: (Street Names/MH#, etc.) Long Lake Ranch O and M Review 13842.025

General: Stantec staff reviewed visible stormwater management system, including control structures, outfall structures and pond banks for erosion. Below is a location map showing the locations of each maintenance item as well as corresponding photos documenting the condition while onsite.

## Location map:

## FIELD OBSERVATION REPORT

**Location 1:** Erosion present along pond bank below high water level. Monitor for future erosion migration into pond bank.

**Location 2:** Erosion present along pond bank. Erosion caused by channelization of stormwater runoff from the roof between houses. Recommend installing 30' of rip rap. Sod all disturbed areas.

## FIELD OBSERVATION REPORT

**Location 3:** Mitered End Sections (MES). MES is showing signs of erosion and is being undermined. Erosion observed beneath existing mitered end section. Add #57 stone with compacted fill beneath mitered end section to prevent future erosion and undermining. Place filter fabric and rip rap extending 2' minimum out from existing structure to stabilize the area around the existing mitered end section. Sod disturbed areas. Refer to Key Map for specific location.

**Location 4:** Clear vegetation 5 feet around existing structure to ensure proper outflow.

## FIELD OBSERVATION REPORT

**Location 5:** Fountain on pond bank. Not included.

**Location 6:** Damaged and leaking stormwater control structure and a pipe running behind it causing erosion. Place filter fabric and 6" deep #57 stone extending the length of the structure to protect from future erosion. Dewater structure and pressure grout from control elevation to bottom of structure filling all gaps and cracks. Sod all disturbed areas.

## INTERIM ENGINEERING SERVICES AGREEMENT

THIS AGREEMENT ("**Agreement**") is made and entered into this \_\_\_ day of \_\_\_\_\_ 2026, by and between:

**Long Lake Ranch Community Development District**, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located in Pasco County, Florida, with a mailing address of c/o Haven Management Solutions, 255 Primera Blvd., Suite 160, Lake Mary, Florida 32746 (the "**District**"); and

**Stantec Consulting Services Inc.**, a New York corporation, with a mailing address of 380 Park Place Blvd., Suite 300, Clearwater, Florida 33759 (the "**Engineer**" and, together with the District, the "**Parties**").

### RECITALS

**WHEREAS**, the District is a local unit of special-purpose government established pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, *Florida Statutes* ("**Act**"); and

**WHEREAS**, pursuant to the Act, the District was established for the purpose of planning, financing, constructing acquiring, and/or maintaining certain infrastructure improvements and services within the District; and

**WHEREAS**, the District intends to employ Engineer on an interim basis to perform engineering, planning, and/or study activities, as defined by a separate work authorization or work authorizations; and

**WHEREAS**, Engineer shall serve as the District's professional representative in each service or project to which this Agreement applies and will give consultation and advice to the District during performance of its services.

**NOW, THEREFORE**, for and in consideration of the mutual covenants herein contained, the acts and deeds to be performed by the parties and the payments by the District to Engineer of the sums of money herein specified, it is mutually covenanted and agreed as follows:

**SECTION 1. RECITALS.** The Recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

**SECTION 2. SCOPE OF SERVICES.** Engineer will provide general engineering planning and/or study services, as authorized by one or more Work Authorization(s), hereinafter defined, including:

- A. Preparation of any necessary reports and attendance at meetings of the District's Board of Supervisors ("**Board**");
- B. Assistance in meeting with necessary parties involving bond issues, special reports, feasibility studies, permit inspection and/or compliance, or other tasks;
- C. Any other items requested by the Board.

**SECTION 3. REPRESENTATIONS.** Engineer hereby represents to the District that:

- A. It has the experience and skill to perform the services required to be performed by this Agreement;
- B. It shall design to and comply with limitation, professional registration and licensing requirements (both corporate and individual for all required basic disciplines) in effect during the term of this Agreement, and shall, if requested by the District, provide certification of compliance with all registration and licensing requirements;
- C. It shall perform said services in accordance with generally accepted professional standard practices and procedures normally provided in the performance of the services at the time when and the location in which the services were performed, and to the extent consistent with the best interests of the District; and
- D. It is adequately financed to meet any financial obligations it may be required to incur under this Agreement.

**SECTION 4. METHOD OF AUTHORIZATION.** Each service or project shall be authorized in writing by the District ("**Work Authorization**"). Each Work Authorization shall include the scope of work, compensation, project schedule, and special provisions or conditions specific to the service or project being authorized and shall be in a form similar to the form set forth in **Exhibit A** hereto. Authorization of services or projects under this Agreement shall be at the sole discretion of the District.

**SECTION 5. COMPENSATION.** It is understood and agreed that the payment of compensation for services under this Agreement shall be stipulated in each Work Authorization. Services rendered by Engineer under this Agreement shall not exceed the amounts specifically authorized by each written Work Authorization. One of the following methods will be utilized:

- A. *Lump Sum Amount* - The District and Engineer shall mutually agree to a lump sum amount for the services to be rendered payable monthly in direct proportion to the work accomplished.
- B. *Hourly Personnel Rates* - For services or projects where scope of services is not clearly defined, or recurring services or other projects where the District desires the use

of the hourly compensation rates, the District and Engineer shall use the hourly compensation rates outlined in **Exhibit B** attached hereto. The District and Engineer may agree to a "not to exceed" amount when utilizing hourly personnel rates for a specific Work Authorization.

**SECTION 6. REIMBURSABLE EXPENSES.** Reimbursable expenses consist of actual expenditures made by Engineer, its employees, or its consultants in the interest of the project for the incidental expenses which are listed as follows:

**A.** Expenses of transportation and living when traveling in connection with a project, for long distance phone calls and telegrams, and fees paid for securing approval of authorities having jurisdiction over the project. All expenditures shall be made in accordance with Chapter 112, *Florida Statutes*, and in accordance with the District's travel reimbursement policy.

**B.** Expense of reproduction, postage, and handling of drawings and specifications.

**SECTION 7. TERM OF AGREEMENT.** It is understood and agreed that this Agreement is for interim engineering services. It is further understood and agreed that the term of this Agreement will be from the time of execution of this Agreement by the parties until such time as the District notifies Engineer that it has entered into a subsequent agreement for engineering services or until the Agreement is terminated pursuant to the terms hereof.

**SECTION 8. SPECIAL CONSULTANTS.** When authorized in writing by the District, additional special consulting services may be utilized by Engineer and paid for on a cost basis.

**SECTION 9. BOOKS AND RECORDS.** Engineer shall maintain comprehensive books and records relating to any services performed under this Agreement, which shall be retained by Engineer for a period of at least four (4) years from and after completion of any services hereunder. The District, or its authorized representative, shall have the right to audit such books and records at all reasonable times upon prior notice to Engineer.

**SECTION 10. OWNERSHIP OF DOCUMENTS.**

**A.** All rights in and title to all plans, drawings, specifications, ideas, concepts, designs, sketches, models, programs, software, creation, inventions, reports, or other tangible work product originally developed by Engineer pursuant to this Agreement ("**Work Product**") shall be and remain the sole and exclusive property of the District upon full payment of all the monies owed to the Engineer by the District with respect to such Work Product under the terms of this Agreement and shall be considered work for hire.

**B.** Engineer shall deliver all Work Product to the District upon completion thereof and payment as provided in Section 10.A. above unless it is necessary for Engineer in the District's sole discretion, to retain possession for a longer period of time. Upon early

termination of Engineer's services hereunder, and payment as provided in Section 10.A. above, Engineer shall deliver all such Work Product whether complete or not. The District shall have all rights to use any and all Work Product. Engineer shall retain copies of the Work Product for its permanent records, provided the Work Product is not used without the District's prior express written consent. Engineer agrees not to recreate any Work Product contemplated by this Agreement, or portions thereof, which if constructed or otherwise materialized, would be reasonably identifiable with the project.

C. The District exclusively retains all manufacturing rights to all materials or designs developed under this Agreement. To the extent the services performed under this Agreement produce or include copyrightable or patentable materials or designs, such materials or designs are work made for hire for the District as the author, creator, or inventor thereof upon creation, and the District shall have all rights therein including, without limitation, the right of reproduction, with respect to such work. Engineer hereby assigns to the District any and all rights Engineer may have including, without limitation, the copyright, with respect to such work. Engineer acknowledges that the District is the motivating factor for, and for the purpose of copyright or patent, has the right to direct and supervise the preparation of such copyrightable or patentable materials or designs.

**SECTION 11. ACCOUNTING RECORDS.** Records of Engineer pertaining to the services provided hereunder shall be kept on a basis of generally accepted accounting principles and shall be available to the District or its authorized representative for observation or audit at mutually agreeable times.

**SECTION 12. REUSE OF DOCUMENTS.** All documents including drawings and specifications furnished by Engineer pursuant to this Agreement are instruments of service. They are not intended or represented to be suitable for reuse or modification by the District or others on extensions of the work for which they were provided or on any other project. Any reuse or modification without specific written consent by Engineer will be at the District's sole risk and without liability or legal exposure to Engineer. All documents including drawings, plans and specifications furnished by Engineer to the District are subject to reuse in accordance with Section 287.055(10), *Florida Statutes*.

**SECTION 13. ESTIMATE OF COST.** Since Engineer has no control over the cost of labor, materials, or equipment or over a contractor's(s') methods of determining prices, or over competitive bidding or market conditions, its opinions of probable cost provided as a service hereunder are to be made on the basis of its experience and qualifications and represent its best judgment as a design professional familiar with the construction industry, but Engineer cannot and does not guarantee that proposals, bids, or the construction costs will not vary from opinions of probable cost prepared by it. If the District wishes greater assurance as to the construction costs, it shall employ an independent cost estimator at its own expense. Services to modify approved documents to bring the construction cost within any limitation established by the District will be considered additional services and justify additional fees.

**SECTION 14. INSURANCE.** Subject to the provisions of this Section, Engineer shall maintain insurance during the performance of its services under this Agreement, with limits of liability not less than the following:

Workers Compensation	Statutory
General Liability	
Bodily Injury	\$1,000,000/\$2,000,000 (including Contractual)
Property Damage	\$1,000,000/\$2,000,000 (including Contractual)
Automobile Liability	Combined Single Limit \$1,000,000 Bodily Injury / Property Damage
Professional Liability for Errors and Omissions	\$1,000,000

If any such policy of insurance is a "claims made" policy, and not an "occurrence" policy, Engineer shall, without interruption, and at the District's option, maintain the insurance for at least five (5) years after the termination of this Agreement.

The District, its officers, supervisors, staff, and representatives shall be named as additional insured parties, except with respect to the Worker's Compensation Insurance and the Professional Liability for Errors and Omissions Insurance both for which only proof of insurance shall be provided. Engineer shall furnish the District with the Certificate of Insurance and any applicable endorsements evidencing compliance with the requirements of this Section. No certificate shall be acceptable to the District unless it provides that any reduction in limits or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District per the terms of the applicable policy. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the state of Florida.

If Engineer fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, Engineer shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

**SECTION 15. CONTINGENT FEE.** Engineer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Engineer, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for Engineer, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

**SECTION 16. COMPLIANCE WITH GOVERNMENTAL REGULATIONS.** In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees or anyone directly or indirectly employed by Engineer, shall comply with all applicable laws, ordinances, rules, regulations, and orders of any public or governmental authority having appropriate jurisdiction. If Engineer fails to notify the District in writing within five (5) days of the receipt of any notice, order, required to comply notice, or a report of a violation of an alleged violation, made by any local, State or Federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement, if the terms of said order allow it, or any action of Engineer or any of its agents, servants, or employees, or fails to comply with any requirement of such agency within five (5) days after receipt of any such notice, order request to comply notice, or report of a violation or an alleged violation, the District may terminate this Agreement, such termination to be effective upon the giving of notice of termination.

**SECTION 17. COMPLIANCE WITH PROFESSIONAL STANDARDS.** In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees, or anyone directly or indirectly employed by Engineer, shall maintain the customary standard of care, skill, diligence, and professional competency for such work and/or services. Any designs, drawings, reports, or specifications prepared or furnished by Engineer that contain errors, conflicts, or omissions will be promptly corrected by Engineer at no cost to the District.

**SECTION 18. AUDIT.** Engineer agrees that the District or any of its duly authorized representatives shall, until the expiration of four (4) years after expenditure of funds under this Agreement, have access to and the right to examine any books, documents, papers, and records of Engineer involving transactions related to this Agreement. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three (3) years after completion of all work under this Agreement.

**SECTION 19. INDEMNIFICATION.** Engineer agrees to indemnify and hold the District and the District's officers and employees harmless (but not defend) from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, which may come against the District and the District's officers and employees, to the extent caused wholly or in part by negligent, reckless, or intentionally wrongful acts, omissions, or negligent defaults by Engineer or persons employed or utilized by Engineer in the performance of services provided under this Agreement. To the extent a limitation on liability is required by Section 725.06 of the Florida Statutes or other applicable law, liability under this section shall in no event exceed the greater of the insurance limits set forth herein or Two Million Dollars (\$2,000,000). Engineer agrees such limitation bears a reasonable commercial relationship to the contract. B. The Engineer agrees and covenants that nothing in this Agreement shall constitute or be construed as a waiver of the District's sovereign immunity pursuant to Section 768.28, Florida Statutes, or other law, and nothing in the Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

**PURSUANT TO FLORIDA STATUTES SECTION 558.0035 (2024), AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE.**

**SECTION 20. PUBLIC RECORDS.** Engineer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, Engineer agrees to comply with all applicable provisions of Florida law in handling such records, including, but not limited, to Section 119.0701, *Florida Statutes*. Among other requirements and to the extent applicable by law, Engineer shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, hereinafter defined, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of this Agreement term and following this Agreement term if Engineer does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of this Agreement, transfer to the District, at no cost, all public records in Engineer's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Engineer, Engineer shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats. Engineer acknowledges that the designated Public Records Custodian for the District is **Patricia Thibault**.

**IF THE ENGINEER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ENGINEER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT C/O HAVEN MANAGEMENT SOLUTIONS, 255 PRIMERA BLVD., SUITE 160, LAKE MARY, FLORIDA 32746, PHONE (407) 574-3250, AND E-MAIL [PATRICIA@HAVENMGTSOL.COM](mailto:PATRICIA@HAVENMGTSOL.COM).**

**SECTION 21. NOTICES.** All notices, requests, consents, and other communications hereunder ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the parties, as follows:

- A. If to the District:** Long Lake Ranch Community Development District  
255 Primera Blvd., Suite 160  
Lake Mary, Florida 32746  
Attn: District Manager
- With a copy to:** Kutak Rock LLP

107 West College Avenue  
Tallahassee, Florida 32301  
Attn: District Counsel

**B. If to Engineer:**

Stantec Consulting Services, Inc.  
380 Park Place Blvd., Suite 300  
Clearwater, Florida 33759  
Attn: Greg Woodcock, P.E.

Except as otherwise provided herein, any Notice shall be deemed received only upon actual delivery at the address set forth herein. Notices delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the parties may deliver Notice on behalf of the parties. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

**SECTION 22. CONTROLLING LAW.** The parties agree that this Agreement shall be controlled and governed by the laws of the State of Florida. Venue shall exclusively be in the court of appropriate jurisdiction, in and for Pasco County, Florida.

**SECTION 23. ASSIGNMENT.** Neither the District nor Engineer shall assign, sublet, or transfer any rights under or interest in this Agreement without the express written consent of the other. Nothing in this paragraph shall prevent Engineer from employing such independent professional associates and consultants as Engineer deems appropriate, pursuant to Section 8 herein.

**SECTION 24. TERMINATION.** The District may terminate this Agreement for cause upon seven (7) days prior written notice to Engineer. The District or Engineer may terminate this Agreement without cause upon thirty (30) days' written notice. At such time as Engineer receives notification of the intent of the District to terminate this Agreement, Engineer shall not perform any further services unless directed to do so in writing by the District. In the event of any termination or breach of any kind, Engineer shall not be entitled to consequential damages of any kind (including but not limited to lost profits), but instead Engineer's sole remedy will be to recover payment for services rendered to the date of the notice of termination, subject to any offsets the District may have against the Engineer. The Engineer may terminate this Agreement for cause upon seven (7) days' notice in writing to the District. Failure to pay the Engineer's invoices pursuant to the terms of this Agreement shall be considered cause for termination.

**SECTION 25. RECOVERY OF COSTS AND FEES.** In the event either party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing party shall

be entitled to recover from the other party all costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees and costs for trial, alternative dispute resolution, or appellate proceedings.

**SECTION 26. AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto and formally approved by the Board.

**SECTION 27. AGREEMENT.** This Agreement reflects the negotiated agreement of the parties, each represented by competent legal counsel. Accordingly, this Agreement shall be construed as if both parties jointly prepared it, and no presumption against one party or the other shall govern the interpretation of any of the provisions of this Agreement.

**SECTION 28. INDEPENDENT CONTRACTOR.** The District and Engineer agree and acknowledge that Engineer shall serve as an independent contractor of the District. Neither Engineer nor employees of Engineer, if any, are employees of the District under the meaning or application of any federal or state unemployment, insurance laws, or any other potentially applicable laws. Engineer agrees to assume all liabilities or obligations by any one or more of such laws with respect to employees of Engineer, if any, in the performance of this Agreement. Engineer shall not have any authority to assume or create any obligation, express or implied, on behalf of the District and Engineer shall have no authority to represent as agent, employee, or in any other capacity the District unless set forth differently herein or authorized by vote of the Board.

**SECTION 29. COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

**SECTION 30. EMPLOYMENT VERIFICATION; E-VERIFY.** The Engineer agrees that it shall bear the responsibility for verifying the employment status of all persons it employs or subcontracts in the performance of this Agreement and agrees to otherwise comply with all applicable federal and Florida law, including but not limited to the Immigration Reform and Control Act of 1986, as amended, and Section 448.095, *Florida Statutes*. The District may terminate this Agreement immediately for cause if there is a good faith belief that the Engineer has knowingly violated Section 448.09(1), *Florida Statutes*. By entering into this Agreement, the Engineer represents that no public employer has terminated a contract with the Engineer under Section 448.095(2)(c), *Florida Statutes*, within the year immediately preceding the date of this Agreement.

**SECTION 31. COMPLIANCE WITH SECTION 20.055, FLORIDA STATUTES.** The Engineer agrees to comply with Section 20.055(5), *Florida Statutes*, to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant such section and to incorporate in all subcontracts the obligation to comply with Section 20.055(5), *Florida Statutes*.

**SECTION 32. STATEMENT REGARDING CHAPTER 287 REQUIREMENTS.** Engineer acknowledges that, in addition to all Laws and Regulations that apply to this Agreement, the following provisions of Florida law ("**Public Integrity Laws**") apply to this Agreement:

- a. Section 287.133, Florida Statutes, titled Public entity crime; denial or revocation of the right to transact business with public entities;
- b. Section 287.134, Florida Statutes, titled Discrimination; denial or revocation of the right to transact business with public entities;
- c. Section 287.135, Florida Statutes, titled Prohibition against contracting with scrutinized companies;
- d. Section 287.137, Florida Statutes, titled Antitrust violations; denial or revocation of the right to transact business with public entities; denial of economic benefits; and
- e. Section 287.138, Florida Statutes, titled Contracting with entities of foreign countries of concern prohibited.

Engineer acknowledges that the Public Integrity Laws prohibit entities that meet certain criteria from bidding on or entering into or renewing a contract with governmental entities, including with the District ("**Prohibited Criteria**"). Engineer certifies that in entering into this Contract, neither it nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity, meets any of the Prohibited Criteria, and in the event such status changes, Engineer shall immediately notify the District.

Subject: **Work Authorization Number** \_\_\_\_

Dear Chairperson, Board of Supervisors:

Stantec Consulting Services, Inc. (the "Engineer") is pleased to submit this work authorization to provide interim engineering services for Long Lake Ranch Community Development District (the "District"). We will provide these services pursuant to our current agreement dated \_\_\_\_\_, 2026 ("Interim Agreement") as follows:

**I. Scope of Work**

The District will engage the services of Engineer on an interim basis to perform those services [INSERT SERVICES TO BE PROVIDED].

**II. Fees**

The District will compensate Engineer pursuant to the hourly rate schedule contained within the Interim Agreement. The District will reimburse all direct costs which include items such as printing, drawings, travel, deliveries, etc., pursuant to the Interim Agreement.

This proposal, together with the Interim Agreement, represents the entire understanding between the District and Engineer with regard to the referenced work authorization. If you wish to accept this work authorization, please sign both copies where indicated, and return one complete copy to our office. Upon receipt, we will promptly schedule our services.

Thank you for your consideration.

APPROVED AND ACCEPTED

Sincerely,

By: \_\_\_\_\_

## BUDGETARY PROPOSAL/CONTRACT

Job Name: Long Lake Ranch	Today's Date: October 17, 2025
Job Address: 19037 Long Lake Ranch Blvd. Lutz, FL	Email Address: manager@longlakeranchcdd.com
Proposal Submitted to: Bill York	Phone Number: 727-484-8357

We hereby submit estimate specifications for: **1 Basketball Court (Patch/Level/ Resurface)**

- 1) Setup staging area, clean trash, and debris off court.
- 2) Flood the court with clean water and let stand for one hour. Any areas holding water deeper than the depth of a five-cent coin will be marked and filled with non-shrink leveling material. This will bring the low spots up to within the **USBBA tolerance guidelines**.
- 3) Examine the surface for existing cracks. Clean out those cracks wider than hairline type and fill with special crack patch material.
- 4) Cover patched or hairline cracks with one-foot-wide strips of **fiberglass membrane**. This will slow their return. New cracks may appear in the future due to ground movement, therefore we do not warranty against cracks.
- 5) Apply a **transition coat of acrylic resurfacer** over all patches and **fiberglass membrane**.
- 6) After all patching and leveling is complete, we will install an **all-new playing surface**. This will consist of **Two Coats of Fortified Black Resurface**, leveling course material and **Two Coats of Fortified Acrylic Latex** and **\_\_\_\_\_** and **\_\_\_\_\_**. All coats to be fortified with silica sand.
- 7) Install new white, two-inch playing lines on the court.
- 8) Haul off any debris and clean up the staging area.

### PRICE:

We propose hereby to furnish material and labor for the sum of:  
**Fifteen Thousand and Hundred and 00/100 Dollars-----(\$15,000.00)**

### PAYMENT AS FOLLOWS:

Deposit, Materials, mobilization: **\$8,000.00**      Balance Upon Completion of Courts: **\$7,000.00**

**\*\*\*We expect total payment upon completion. All late payments will be charged 1.5% per month 18% per year.\*\*\***

### CONDITION OF SALE

- The Purchaser and Seller or its assigns agree to the purchase and sale of above-described property on the following conditions:
- Purchaser will pay to Seller or its assigns the Total Contract Price in accordance with the terms set forth.
- If the Purchaser shall default in the payment of any installment or violate any of the provisions of this Contract, the Seller or its assigns shall have the right to declare due the whole amount unpaid and without notice or demand, legal process, liability for trespass or damages, and without prejudice to other action, enter the premises where said property may be repossess and remove same.
- Lawson Courts will exercise care, but will not be held responsible for damage caused by normal construction operations (damage to sod, landscaping, sprinkler lines, pavement access, etc.)
- Scheduled start date and completion date is subject to change.
- That there are no agreements or warranties in connection with this transaction which are not expressly set forth in this Contract.
- Buyer hereby assigns without recourse Lawson Courts the right and interests of the material and equipment in the above Contract and in the property described therein until paid in full.
- Venue for any legal actions shall be Manatee County, FL.
- This service comes with a One-Year limited warranty against excessive fading or surface delamination; this is contingent upon proper court maintenance. Hairline cracks may appear in the future due to ground movement; this is beyond our control. There is no warranty against cracks. There is no warranty against abuse by players or excessive high winds or flooding.

The parties agree that in the event that payment is not made as provided herein, Contractor may terminate this contract, refuse to complete any work remaining pursuant to the contract, and any alternate proposals, amendments, changes, or modifications thereto, and sue for the payment due, plus any work performed by contractor up until the date of termination, including a reasonable profit and overhead, court costs, attorney's fees (including attorney's fees incurred in arbitration and administrative proceedings and all state and federal actions and appeals), and interest at the rate of 1 1/2% per month, 18% per year.

Download the MyFrontier® app

For help: Customer Service at [frontier.com/helpcenter](https://frontier.com/helpcenter), chat at [frontier.com/chat](https://frontier.com/chat), or call us at 800-921-8102. Visually impaired/TTY customers, call 711.

### PAYING YOUR BILL

You are responsible for all legitimate, undisputed charges on your bill. Paying by check authorizes Frontier to make a one-time electronic funds transfer from your account, as early as the day your check is received. When making an online payment, please allow time for the transfer of funds. If funds are received after the due date, you may be charged a fee, your service may be interrupted, and you may incur a reconnection charge to restore service. A fee may be charged for a bank returned check. Continued nonpayment of undisputed charges (incl. 900 and long distance charges) may result in collection action and a referral to credit reporting agencies, which may affect your credit rating.

### IMPORTANT MESSAGES

You must pay all basic local service charges to avoid basic service disconnection. Failure to pay other charges will not cause disconnection of your basic service but this may cause other services to be terminated. Frontier Bundles may include charges for both basic and other services. Frontier periodically audits its bills to ensure accuracy which may result in a retroactive or future billing adjustment. Internet speed, if noted, is the maximum wired connection speed for selected tier; Wi-Fi speeds may vary; actual and average speed may be slower and depends on multiple factors. Performance details are at [frontier.com/internetdisclosures](https://frontier.com/internetdisclosures).

### SERVICE TERMS

Visit [frontier.com/terms](https://frontier.com/terms), [frontier.com/tariffs](https://frontier.com/tariffs) or call Customer Service for information on tariffs, price lists and other important Terms, Conditions and Policies ("Terms") related to your voice, Internet and/or video services including limitations of liability, early termination fees, the effective date of and billing for the termination of service(s) and other important information about your rights and obligations, and ours. Frontier's Terms include a binding arbitration provision to resolve customer disputes ([frontier.com/terms/arbitration](https://frontier.com/terms/arbitration)). **Video and Internet services are subscription-based and are billed one full month in advance. Video and/or Internet service subscription cancellations and any early termination fees are effective on the last day of your Frontier billing cycle. No partial month credits or refunds will be provided for previously billed service subscriptions.** By using or paying for Frontier services, you are agreeing to these Terms and that disputes will be resolved by individual arbitration. By providing personal information to Frontier you are also agreeing to Frontier's Privacy Policy posted at [frontier.com/ctnetx-privacy](https://frontier.com/ctnetx-privacy).

[Return to Agenda](#)

42 Ms. Thibault notified the Board of a potential boundary issue involving a resident's fence on District property. She  
43 reported that Mr. York had gone to check the property stakes twice but was unable to locate them. The district engineer  
44 was able to find them a proposal for a survey to confirm, quoted at \$550. Supervisor Thompson raised concerns over  
45 the Board paying for this proposal, which Ms. Thibault answered is because the homeowner has not come forward and  
46 taken responsibility for it.

47 On a MOTION by Supervisor Twomey, SECONDED by Chairwoman Clawson, WITH ALL IN FAVOR, the Board  
48 Approved the Boundary Proposal Survey with W.C. Sherrill for \$550 for the Long Lake Ranch Community  
49 Development District.

50 **3. Discussion of SWFWMD Inspection Report – Permit – 44013843.030**

51 Ms. Thibault reported two of their permits are due now and the third in May, also noting that the district engineer  
52 she reached out to never responded with proposals. Stantec did, and Ms. Thibault presented the walk-on proposal to the  
53 Board. The three permits were quoted at \$1,200 apiece, totaling \$3,600 for all three.

54 On a MOTION by Chairwoman Clawson, SECONDED by Supervisor Twomey, WITH ALL IN FAVOR, the Board  
55 Agreed to Move Forward with the SWFWMD Inspection Report for the Long Lake Ranch Community Development  
56 District.

57 Stantec assured they could look at the French Drain situation when they come to look at the permits. Ms. Sandy  
58 advised obtaining a proposal for district engineering services before terminating the current engineer. Ms. Thibault  
59 advised hiring them on a temporary basis, to which Supervisor Smith expressed some concerns. Ms. Sandy advised it  
60 would be ill-conceived to fire and hire, suggesting instead maintaining a district engineer under contract until another  
61 can be secured. Supervisor Smith expressed a counterargument, suggesting there isn't a difference between having an  
62 engineer under contract who is unresponsive and not having one at all. Ms. Thibault recommended bringing Stantec in  
63 place on a temporary basis until they get through the proposals, to which Ms. Sandy agreed. Ms. Thibault opened the  
64 floor to audience comments on this topic, of which there were none.

65 On a MOTION by Supervisor Smith, SECONDED by Chairwoman Clawson, WITH ALL IN FAVOR, the Board  
66 Agreed to Terminate Johnson Engineering for the Long Lake Ranch Community Development District.

67 Ms. Thibault opened the floor to audience comments on this topic, of which there were none.

68 On a MOTION by Chairwoman Clawson, SECONDED by Supervisor Pellan, WITH ALL IN FAVOR, the Board  
69 Agreed to Enter a Temporary Agreement with Stantec for the Long Lake Ranch Community Development District.

70 Ms. Sandy confirmed she can get a temporary agreement to Stantec and a proposal to be addressed at the next  
71 meeting.

72 An audience member spoke on an increase in motorized scooters, bikes, and four-wheelers in the fenced park area,  
73 expressing parental concern for the younger kids using the park space and requested they be banned from the fenced  
74 park area. She emphasized the lack of a clear rule stating such and urged the Board to put up a sign specifically noting  
75 that motorized vehicles are not allowed beyond a certain point. Supervisor Smith used the 'No Fishing' sign, and lack  
76 of respect to it, as an example as to why a sign would not be the most direct solution. The audience member reiterated  
77 her claim that a sign would still be helpful. The Board suggested bringing this matter to the public hearing where they  
78 will be opening the recreation use and parking guidelines to be amended. The Board Discussed the dangers of  
79 motorized vehicles, their rise in popularity, and the language needed to make the rules resonate with the community.

80 Ms. Thibault informed the audience member that Ms. Sandy can amend the document for the public hearing to include  
81 the comments and concerns over motorized vehicles (scooters, bikes, and four-wheelers).

82 **B. GHS Environmental Aquatic Maintenance**

83 **1. Aquatic Maintenance Log – 01.28.2026**

84 There were no questions or comments.

85 **C. Red Tree Landscape Maintenance**

86 **1. Landscape Maintenance Report – January 2026**

87 Mr. Burkett reported that the mowing operations were completed, details started that day, and ornamental grasses  
88 need to be cut back. The irrigation inspection was completed; they found a lot of dripline blowouts due to temperatures  
89 and intend to address them as they break. Mr. Burkett apologized for being unable to get a mulch proposal. The Board  
90 discussed tree removal proposals.

91 On a MOTION by Chairwoman Clawson, SECONDED by Supervisor Twomey, WITH ALL IN FAVOR, the Board  
92 Approved the RedTree Proposal to Remove One Tree for \$400, for the Long Lake Ranch Community Development  
93 District.

94 **2. Consideration of Proposals for Approval:**

95 **- Irrigation Proposals**

96 The work was completed in December in excess of the Board's \$600 monthly budget. Mr. Burkett confirmed  
97 this work took care of the issues.

98 **a. Irrigation Repairs on 12.01.2025 - \$1,040**

99 **b. Irrigation Repairs on 12.02 & 12.03 - \$891**

100 On a MOTION by Chairwoman Clawson, SECONDED by Supervisor Pellan, WITH ALL IN FAVOR, the Board  
101 Approved the Irrigation Repairs on 12.01.2025 at \$1,040 and the Irrigation Repairs on 12.02 & 12.03 at \$891 for the  
102 Long Lake Ranch Community Development District.

103 **- Tree Removal Proposal – Flush Cut**

104 The Board debated whether cutting down 28 pine trees would be worth \$40,000, discussing the tree root  
105 damage and tree/shade usage by residents. They debated a flush cut, referencing the different pricing options they  
106 have, including: a flush cut for \$1,500 a tree, cutting them down at \$400 a tree (\$1,600 to cut down 4 trees), noting  
107 that their decision is dependent on how many trees are causing damage. The Board discussed cutting the trees  
108 around the basketball court. The Board directed RedTree to assess which and how many trees are causing damage.

109 **- Consideration of Plant Material Proposal - \$2,390**

110 The Board discussed the plant material and why it has been suffering. Mr. Burkett suggested planting  
111 Viburnum in March.

112 On a MOTION by Supervisor Smith, SECONDED by Supervisor Twomey, WITH ALL IN FAVOR, the Board  
113 Approved the Plant Material Proposal to be Revised to Include the Exact Type of Viburnum to be Included for the  
114 Long Lake Ranch Community Development District.

115 Mr. Burkett confirmed that 347 plants by the roundabouts were replaced in December. He noted they will  
116 come back. The Board discussed the tree stump that is sticking up, with Mr. Burkett noting he's told them  
117 [RedTree] to cut it down three times.

118 - **Discussion of Water Bill Regarding the Amenity Center - \$85**

119 Ms. Thibault commented on discrepancies in the water bill, noting that the most recent month's bill was  
120 significantly higher than the previous month's. After reaching out to PASCO County, Ms. Thibault reported that  
121 the County will send them an hour-by-hour report for \$85. The floor was opened to audience comments of which  
122 there were none.

123 On a MOTION by Supervisor Smith, SECONDED by Supervisor Pellan, WITH ALL IN FAVOR, the Board Approved  
124 the \$85 for an Hour-By-Hour Water Report from PASCO County for the Long Lake Ranch Community Development  
125 District.

126 **3. Status on Project Completions:**

- 127 - Installation of Two Sable Palms was done.
- 128 - Firebush Installation was not done; is to do.
- 129 o Supervisors noted they were supposed to meet someone to get it done.
- 130 - New Warrantied Plant Material was done.
- 131 - Serenoa Cutback was done.
- 132 - Mulch Installation was done, except for Foxtail.
- 133 - Tree Cutback & Lift Since December meeting was partially done. They got the ones by the fence but need to  
134 go through again in the spring. The pine trees along the Sunlake Boulevard median still need to be lifted.

135 Mr. O'Reilly remarked to Mr. Burkett that there are a lot of weeds growing in between all the bushes by the  
136 monuments that need to be cut down.

137 **D. District Counsel – Kutak Rock**

138 **1. Discussion of Overpayment – Anchor Stone**

139 Ms. Sandy reviewed the settlement agreement they were negotiating with Anchor Stone, noting that they [Kutak  
140 Rock] had sent a demand letter to Anchor Stone after the last meeting, requesting they [Anchor Stone] pay the \$10,000  
141 claim or they would move forward with County court. She commented that they had responded with alacrity and  
142 quickly agreed to pay the full amount. Though they had hopes to handle the overpayment issue and any district  
143 management agreement issues at the same time, Anchor Stone was insistent on only moving forward with the  
144 overpayment issue at this time. After drafting and sending the settlement agreement, Ms. Sandy received a response  
145 that day with two additional changes Anchor Stone had made, neither of which affect the district's rights in a  
146 substantive manner.

147 Supervisor Smith questioned if they could go after Anchor Sone for the legal fees after noting that district counsel  
148 charges \$1,000, leaving the district with \$9,000. Ms. Sandy informed him no, not if they go for the settlement. Though  
149 they have had the check, District Management has not moved forward with cashing it as that would signify the release  
150 of certain claims, and they wanted to have the settlement agreement in place first.

151 On a MOTION by Supervisor Smith, SECONDED by Chairwoman Clawson, WITH ALL IN FAVOR, the Board  
152 Agreed to Execute the Settlement Agreement with Anchor Stone for the Long Lake Ranch Community Development  
153 District.

154 Ms. Sandy confirmed she will send the revised agreement to the Board. She noted to the Board that this settlement  
155 did not include the issues with the district management agreement, or their stance on it.

156 Ms. Thibault suggested offering Anchor Stone a settlement to pay them through the end of December, a deal she  
157 noted they have accepted from another district. She also noted that for some of the other districts, Anchor Stone has just  
158 let their claim go. The Board was of the opinion that they should let it go and let Anchor Stone come to them. Ms.  
159 Sandy raised her concerns over that route, reminding the Board that they have yet to receive their passwords and items  
160 of that nature.

161 Ms. Thibault reported that with help from the HOA, they have created new accounts (Microsoft, email, and  
162 Mailchimp) and spread the word to residents. Regarding historical documents, district management has been unable to  
163 access the old Mailchimp account as the password is linked to the Microsoft account, and they do not know the  
164 password or if Anchor Stone has it. Supervisor Smith suggested sending passwords to a dummy account that multiple  
165 people have access to. The Board discussed the steps taken when getting their badges, noting that the historical data  
166 they're missing are email addresses and emails that were public records. Supervisor Smith suggested getting the emails  
167 from Greenacre/ the HOA, which Ms. Thibault explained might not work. Chairwoman Clawson reiterated that the  
168 Board should have until the 15<sup>th</sup> to pay Anchor Stone anyway, and she has an issue with paying them money they are  
169 not owed and should not be receiving.

170 On a MOTION by Supervisor Smith, SECONDED by Supervisor Pellan, WITH ALL IN FAVOR, the Board Agreed to  
171 Authorize District Counsel to Work with Chairwoman Clawson to Finalize the Separation from District Management  
172 for the Long Lake Ranch Community Development District.

173 Mr. York presented the new amenity email address to the Board, suggesting methods to regain resident email  
174 addresses. He confirmed setting up a QR code for residents to access CDD emails.

## 175 V. Business Item

### 176 1. Open the Public Hearing

177 On a MOTION by Chairwoman Clawson, SECONDED by Supervisor Pellan, WITH ALL IN FAVOR, the Board  
178 Agreed to Open the Public Hearing for the Long Lake Ranch Community Development District.

### 179 2. Presentation of Revised Parking Towing Policy

180 Ms. Sandy explained the previous towing policy, noting that they have added the ability to tow from district-owned  
181 roadways if there is street parking. She reported that she had added a chart with the number of parking spaces based on  
182 different areas, added maps that she had created, and that she had gone through, identified, and color coded the amenity  
183 centers, guest parking, and regular parking spots. She also included clarifying information.

184 The Board discussed common area towing. Supervisor Twomey posed a question, asking if the towing company  
185 was coming to the townhome area at 2 a.m., would they know they can tow. Ms. Sandy posed the question to Ms.  
186 Thibault, asking what the towing company would request from her to identify the areas they can tow. Ms. Thibault  
187 responded, a map, a really detailed map. The Board posed a few hypothetical questions, checking how the towing  
188 company would know what to do in different scenarios. Discussion over issuing parking tags ensued.

189 Ms. Sandy stated the definition of motorized vehicles. Supervisor Twomey wanted it added to the rules that  
190 motorized vehicles cannot be in the playground or anywhere on Long Lake Ranch Property. Ms. Sandy informed him  
191 and the Board that it's already in the rules. He suggested stating it clearly so there can be no misunderstanding. The  
192 Board discussed the wear and danger of motorized vehicles on the bridge and by the lake. The Board agreed to add the  
193 same language to the playground rules and tennis court rules.

194 On a MOTION by Supervisor Pellan, SECONDED by Supervisor Twomey, WITH ALL IN FAVOR, the Board  
195 Agreed to Open the Floor to Public Comment for the Long Lake Ranch Community Development District.

### 196 3. Public Comment on Revised Parking Towing Policy

197 The resident who previously raised the motorized vehicle issue agreed with the Board's ideas and asked what the  
198 expected turnaround time is. Ms. Thibault informed her the guidelines will go into effect that night, meaning the next  
199 steps would be to direct the amenity team to gather proposals on new signage. She confirmed she'd post the notice on  
200 the website once she had received the revised language from Ms. Sandy. Supervisor Clawson suggested adding signage  
201 prohibiting motorized vehicles to the Lake Trail, clarifying that non-motorized bicycles are still allowed if they abide  
202 by the rules. District counsel reiterated her understanding of the legal language and what sections it was needed in. The  
203 Board posed revocation of amenity privileges as punishment for breaking the rules. Chairwoman Clawson advised that  
204 numerous sections would have to be revised to include the language prohibiting motorized vehicles.

205 Supervisor Pellan raised the question of spontaneous overnight guests, as they might run into issues with getting a  
206 parking tag after a certain hour. Chairwoman Clawson expressed her frustration with towing as a continuous topic of  
207 debate. She had found that the Board had come to a decision months ago (August) but had remained inconsistent when  
208 discussing it. Supervisor Thompson shared his recollection, noting the towing company was directed when to tow/when  
209 there were violations and that the notice was given about specific parking areas. He claimed not to have heard  
210 complaints about the parking, which Supervisor Twomey countered, finding that there have been inconsistent  
211 complaints that had not been addressed. The Board discussed whether this is a chronic issue, methods they have used in  
212 the past, and the dangers of having a towing company come in and start pulling cars. Supervisor Twomey suggested  
213 adding a parking pass to the website. The Board raised some concerns. Supervisor Thompson suggested sticker cars  
214 and checking them the next day. The Board raised some concerns. Supervisors found that they could not solve every  
215 problem but did not agree on the way to move forward. Supervisor Smith shared his distaste for aggressive towing.

216 Ms. Sandy advised the Board that even after adopting the new rules, they can direct district staff to the consistency  
217 and location of the towing. Supervisor Twomey suggested towing cars parked on the street, having amenity staff call to  
218 arrange the towing for cars parked in visitor spots if needed. Chairwoman Clawson noted that the grass parking  
219 problem occurs when the staff is not there.

220 Supervisor Twomey presented his suggestion to Mr. York, stating if it's parked by the townhome or in the street  
221 overnight it can be towed on a rover basis. If it's parked in visitor parking, the call to tow will be handled by  
222 management. Mr. York agreed, finding that it would solve the long-term storage issue. Chairwoman Galbriath advised  
223 that this plan does not abide by the policy and questioned how they plan to enforce the chronic grass parkers.  
224 Supervisor Twomey noted the reflectors have helped, which Chairwoman Clawson countered by reminding the Board  
225 how that the reflectors have to be moved when the grass gets mowed and that is a very labor-intensive process.  
226 Supervisor Pellan noted the handling of the situation and the arrangements made with the towing company can be  
227 worked out amongst staff and district management.

### 228 4. Close the Public Hearing

229 On a MOTION by Supervisor Pellan, SECONDED by Supervisor Thompson, WITH ALL IN FAVOR, the Board  
230 Agreed to Close the Public Hearing for the Long Lake Ranch Community Development District.

231 **5. Consideration for Adoption Resolution 2026-06 Adopting Amended Recreational Facilities & Parking**  
232 **Rules & Regulations in Substantive Form Pending Changes from Tonight**

233 On a MOTION by Supervisor Smith, SECONDED by Chairwoman Clawson, WITH ALL IN FAVOR, the Board  
234 Adopted Resolution 2026-06 Adopting Amended Recreational Facilities & Parking Rules & Regulations in Substantive  
235 Form Pending Changes from Tonight for the Long Lake Ranch Community Development District.

236 The agreement will be brought back to next month's meeting to find a towing company. At that time, the Board  
237 will give directions to staff as to what can be towed. The Board discussed parking and towing further.

238 **VI. Amenity General Manager & Field Manager**

239 **1. Presentation for Discussion – Amenity & Field Status Report**

240 Mr. York presented the inventory for the sign audit, noting that he only found one sign missing with the pole, and  
241 that they do need more trespassing signs, and better signage for fishing. Supervisor Smith shared an example of people  
242 disregarding the fishing rules, emphasizing that they need better signage. Mr. York was directed to mark the new  
243 parking areas at Foxtail that need to be painted, gather proposals for the damaged signs, and get the no trespassing and  
244 no motorized vehicles signs. The Board discussed the fishing signs and the locations of the trespassing signs.

245 The Pool filters have all been changed and set at the main pool, and Foxtail does not need to be changed yet.

246 **2. Discussion Regarding HCA Signage**

247 They will be taking care of their signage: cleaning it, painting it, and pressure-washing it when needed. They will  
248 be completely covering the utilities and totally responsible for the sign.

249 **3. Presentation of Blue Water Aquatics Quarterly Fountain Report**

250 Mr. York reported that the middle fountain still does not work, and neither do the lights.

251 **4. Presentation for Consideration & Acceptance – Manda's Minnows Swim Lessons**

252 Ms. Thibault reviewed the agreement with Manda's Minnows for swimming lessons.

253 On a MOTION by Chairwoman Clawson, SECONDED by Supervisor Pellan, WITH ALL IN FAVOR, the Board  
254 Accepted the Presentation for Manda's Minnows Swim Lessons for the Long Lake Ranch Community Development  
255 District.

256 **5. Presentation of Pool Deck Resurfacing Proposals for Consideration**

- 257 - Paver Rescue - \$15,791.00
- 258 - Bay Paver Cleaning & Sealing - \$12,550
- 259 - Tactical Pressure Washing - \$15,125

260 Mr. York explained that the sealing and sanding is needed before they fall into worse disrepair. Ms. Thibault  
261 advised that the Board could pay for this with some of the funds they had set aside the year before, or with funds they  
262 have in capital. Supervisor Twomey argued that the pool is a main amenity, and it needs to be done.

263 On a MOTION by Supervisor Pellan, SECONDED by Supervisor Smith, WITH ALL IN FAVOR, the Board Accepted  
264 the Bay Paver Cleaning and Sealing Proposal at \$12,550 for the Long Lake Ranch Community Development District.

265 Ms. Sandy confirmed she will draft an agreement.

266 VII. Financial & Administrative Matters

267 A. Consideration for Acceptance of December 2025 Unaudited Financial Statements

268 On a MOTION by Supervisor Smith, SECONDED by Chairwoman Clawson, WITH ALL IN FAVOR, the Board  
269 accepted the December 2025 Unaudited Financial Statements, for the Long Lake Ranch Community Development  
270 District.

271 B. Presentation of Check Details for December 2025

272 - Chairwoman Clawson asked if they've heard anything from Verizon since Frontier had acquired them. She  
273 was directed to go online and link the accounts where she could also check the detail report.

274 On a MOTION by Supervisor Smith, SECONDED by Supervisor Pellan, WITH ALL IN FAVOR, the Board Accepted  
275 the Check Detail Report for the Long Lake Ranch Community Development District.
