Re: *Long Lake Ranch Community Development District*
CDD Drainage Easement Encroachment
1826 Oak Hammock Court ("**Property**")

Dear Mr. Mincemeyer and Mrs. Cooper,

Our firm serves as counsel to the Long Lake Ranch Community Development District ("**District**"), located in Pasco County, Florida. The District is a local unit of special-purpose government that owns, operates, and maintains certain public improvements within the Long Lake Ranch community, including specifically the stormwater and drainage system serving the community.

It has come to the District's attention that you or someone in the household at the Property address listed above installed improvements, specifically an underdrain and French drain(s) ("**Improvements**"), within the District's 20' Drainage Easement, as shown on the enclosed map and photos and as further identified on the plat for LONG LAKE RANCH VILLAGE 2 PARCELS A-1, A-2, B-1, B-2 AND E, recorded in the Official Records of Pasco County, Florida, at Plat Book 70, Page 20 ("**CDD Drainage Easement**"). The District's infrastructure within the CDD Drainage Easement includes, but is not limited to, a 42' drainage pipe and a stormwater manhole.

The CDD Drainage Easement is governed by a Southwest Florida Water Management District ("**SWFWMD**") permit (Permit #44013843.025) ("**SWFWMD Permit**") held by the District. Any all and improvements therein and/or modifications to the current permitted drainage plans, including the Improvements you installed, require the permission of the SWFWMD pursuant to a permit modification approval.

Please provide the District with evidence of the SWFWMD permit modification approval received for the installation of the Improvements in the CDD Drainage Easement within sixty (60) days of the date of this letter. In addition to reviewing the evidence of SWFWMD approval, the District will conduct its own review of the installed Improvements to ensure the integrity of the District's drainage system is maintained.

Should the requested documentation fail to be provided in the time frame given, the District may be required to take appropriate legal action to protect the District's rights, including but not limited

KUTAKROCK

to the right to seek injunctive relief, removal of the Improvements, monetary damages, attorneys' fees and any other legally available remedies. The District hereby expressly reserves its right to pursue all other remedial actions and nothing in this letter should be construed to waive any rights the District may have with respect to the CDD Drainage Easement or the SWFWMD Permit.

The District thanks you for your cooperation in this matter. Should you have any questions regarding this letter, please do not hesitate to contact me at (850) 692-7300 or by email at Sarah.Sandy@kutakrock.com. Alternatively, should you have questions regarding the CDD Drainage Easement and/or the SWFWMD Permit, please contact the District's Engineer, Greg Woodcock at (352) 777-0183 or by email at greg.woodcock@stantec.com.

Sincerely,

Sarah R. Sandy, Esq.

Description of Work Activity:
Location: (Street Names/MH#s, etc.) Long Lake Ranch CDD – Review of Drainage Easement

General: Stantec staff received a report of unauthorized installation of an underdrain within a Long Lake Ranch 20' Drainage Easement. It was also reported that yard inlets have been installed for the underdrain to improve the onsite drainage associated with the overall lot. Below is an exhibit showing the grading plans for the develop in this area. The drainage plan indicates a 42" RCP pipe is located within the drainage easement to convey stormwater to a pond located on the west side of the cul de sac. The 42" RCP pipe has a 20' drainage easement over the pipe for maintenance and access to the stormwater inlets for maintenance. Currently the easement access is blocked by fences and was not accessible during the onsite review. The drainage plan also indicates the grading for the lots is to be "Type A" which is from the rear of the lots to the street.

During our onsite review we documented that the underdrain was not connected to the stormwater inlet. A yard inlet was insetalled on the upstream side of the sidewalk and based on reports additional inlets may have been installed within the drainage easement. Also shown in the photo below is broken sidewalk adjacent to the yard inlet that was installed.

Generally permission is required through the Southwest Florida Water Management District (SWFWMD) to modify the existing permitted drainage plan. There are limitations and permissions required by the CDD due to having existing infrastructure located within the easement. Encroachment agreements are generally prepared by district council and executed by the CDD and resident to allow any improvements in drainage easaements. The underdrain may prohibit the district from accessing the existing pipe for repairs or maintenance. There is a stormwater manhole located at the rear lot line and is currently blocked by fences on both sides and was not accessible at the time of our onsite review.

Below is a location map showing the location of the easement as well as photos documenting the condition while onsite.

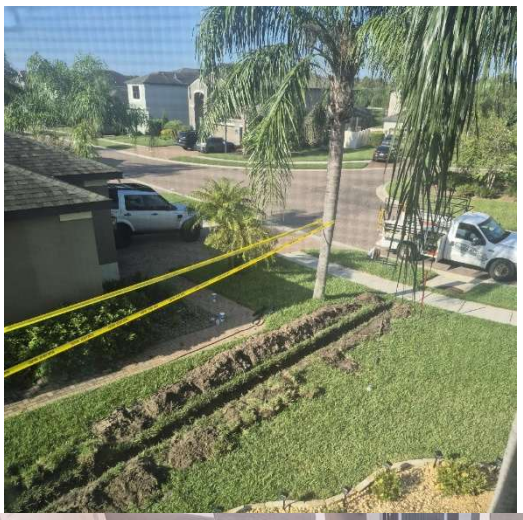
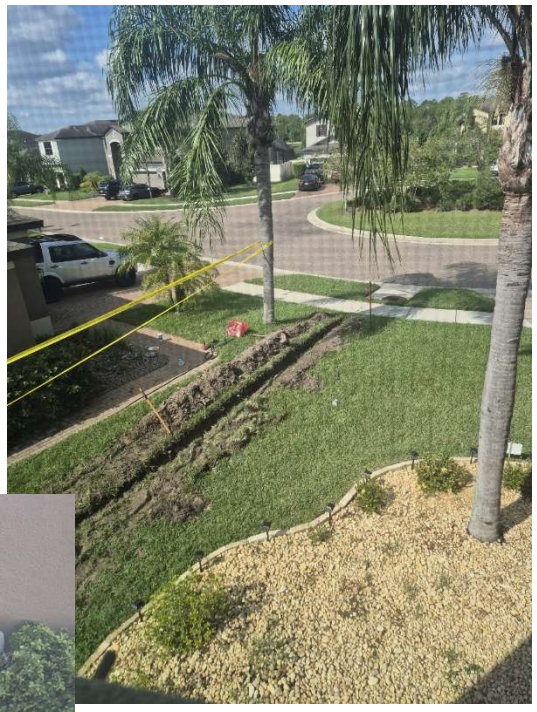
Client Reported Information

7. French Drains Installed Inside Stormwater Easement Along Shared Fence Line

Caption: French drains installed in neighbor's backyard and front yard, he states "He installed a French drain from the very back of my property to the very front where the drainage box you see is at the front of my property. The drainage is 3 feet down and 1 foot into my property from the easement. I don't have a work order." He has ignored several email attempts to have his drain specialist provide me with a written detail itemized list of things he did in hopes of figuring out where all this moisture is coming from. Last response from him was April 23, 2026.



August 2025 / Owner says it is placed 3 ft under the ground and 1 foot into his easement



July of 2025, James and I showed Matt our back yard and advised what his landscaping was doing. We asked him to please make our yard whole again. August 6, 2025, I asked Walter, owner of Dirty Work Landscaping, to send me the recommendations he had. I also asked Matt and never received anything. This is what they did. Dumped dirt from their job next door and left it as the picture is taken. No sod to repair the dead grass and no elevation to the low spot as mentioned. Reached out to Walter via text on September 15, 2025, and had no response.

(e) In the event that both the Chairperson and Vice-Chairperson are absent from a Board meeting and a quorum is present, the Board may designate one of its members or a member of District staff to convene and conduct the meeting. In such circumstances, any of the Board members present are authorized to execute agreements, resolutions, and other documents approved by the Board at such meeting. In the event that the Chairperson and Vice-Chairperson are both unavailable to execute a document previously approved by the Board, the Secretary or any Assistant Secretary may execute such document.

(f) The Board may assign additional duties to District officers from time to time, which include, but are not limited to, executing documents on behalf of the District.

(g) The Chairperson, Vice-Chairperson, and any other person authorized by District Resolution may sign checks and warrants for the District, countersigned by the Treasurer or other persons authorized by the Board.

(~~6~~7) Voting Conflict of Interest. The Board shall comply with Section 112.3143 of the Florida Statutes, so as to ensure the proper disclosure of conflicts of interest on matters coming before the Board for a vote. For the purposes of this section, ""**voting conflict of interest**"" shall be governed by the Florida Constitution and Chapters 112 and 190 of the Florida Statutes, as amended from time to time. Generally, a voting conflict exists when a Board member is called upon to vote on an item which would inure to the Board member's special private gain or loss or the Board member knows would inure to the special private gain or loss of a principal by whom the Board member is retained, the parent organization or subsidiary of a corporate principal, a business associate, or a relative including only a father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, and daughter-in-law.

(d) In the event that a Board member elected at a landowner's election or appointed to fill a vacancy of a seat last filled at a landowner's election, has a continuing conflict of interest, such Board member is permitted to file a Memorandum of Voting Conflict at any time in which it shall state the nature of the continuing conflict. (f) Adopted disclosure of public financing;

(g) Limited Offering Memorandum for each financing undertaken by the District;

(h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;

(i) District policies and rules;

(j) Fiscal year end audits; and

(k) Adopted budget for the current fiscal year.

The District Manager shall ensure that each District records office contains the documents required by Florida law.

(2) Public Records. District public records include all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received in connection with the transaction of official business of the District. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules is appointed as the

District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

(3) Service Contracts. Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.

(4) Fees; Copies. Copies of public records shall be made available to the requesting person at a charge of $0.15 per page for one-sided copies and $0.20 per page for two-sided copies if not more than 8 ½ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar ($1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are qualified to perform the labor, taking into account the nature or volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "**extensive**" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars ($25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce the requested records. After the request has been fulfilled, additional payments or credits may be

due. The District is under no duty to produce records in response to future records requests if the person making the request owes the District for past unpaid duplication charges, special service charges, or other required payments or credits.

(5) Records Retention. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.

(6) Policies. The Board may adopt policies related to the conduct of its business and the provision of services either by resolution or motion.

The Coordinator shall provide this list to the Commission by February 1 of each year, which list shall be current as of December 31 of the prior year. Rule 3.1 Procedure Under the Consultants~~'~~' Competitive Negotiations Act.

(1) Scope. The following procedures are adopted for the selection of firms or individuals to provide Professional Services exceeding the thresholds herein described, for the negotiation of such contracts, and to provide for protest of actions of the Board under this Rule. As used in this Rule, "**Project**" means that fixed capital outlay study or planning activity when basic construction cost is estimated by the District to exceed the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FIVE, or for a planning study activity when the fee for Professional Services is estimated by the District to exceed the threshold amount provided in Section 287.017 for CATEGORY TWO, as such categories may be amended or adjusted from time to time.

(2) Qualifying Procedures. In order to be eligible to provide Professional Services to the District, a consultant must, at the time of receipt of the firm's qualification submittal:

(a) Hold all required applicable state professional licenses in good standing;

(b) Hold all required applicable federal licenses in good standing, if any;

(c) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the consultant is a corporation; and

(d) Meet any qualification requirements set forth in the District's Request for Qualifications.

Evidence of compliance with this Rule may be submitted with the qualifications, if requested by the District. In addition, evidence of compliance must be submitted any time requested by the District.

(3) Public Announcement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when Professional Services are required for a Project or a Continuing Contract by publishing a notice providing a general description of the Project, or the nature of the Continuing Contract, and the method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation ~~in~~within the county or counties in which the District is located and in such other places as the District deems appropriate. The notice must allow at least fourteen (14) days for submittal of qualifications from the date of publication. The District may maintain lists of consultants interested in receiving such notices. These consultants are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such consultants, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has

the right to reject any and all qualifications, and such reservation shall be included in the published notice. Consultants not receiving a contract award shall not be entitled to recover from the District any costs of qualification package preparation or submittal.

(4) Competitive Selection.

(a) The Board shall review and evaluate the data submitted in response to the notice described in section (3) of this Rule regarding qualifications and performance ability, as well as any statements of qualifications on file. The Board shall conduct discussions with, and may require public presentation by consultants regarding their qualifications, approach to the Project, and ability to furnish the required services. The Board shall then select and list the consultants, in order of preference, deemed to be the most highly capable and qualified to perform the required Professional Services, after considering these and other appropriate criteria:

(i) The ability and adequacy of the professional personnel employed by each consultant;

(ii) Whether a consultant is a certified minority business enterprise;

(iii) Each consultant's past performance;

(iv) The willingness of each consultant to meet time and budget requirements;

(v) The geographic location of each ~~consultant's~~consultant's headquarters, office and personnel in relation to the project;

(vi) The recent, current, and projected workloads of each consultant; and

(vii) The volume of work previously awarded to each consultant by the District.

(b) Nothing in these Rules shall prevent the District from evaluating and eventually selecting a consultant if less than three (3) Responsive qualification packages, including packages indicating a desire not to provide Professional Services on a given Project, are received.

(c) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

(d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all ~~consultants by~~proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, ~~facsimile,~~ or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Request for Qualifications. The notice shall include the following statement: ""Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,"" or wording to that effect. Protests of the District's ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(5) Competitive Negotiation.

(a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.

(b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that ""wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting."" In addition, any professional service contract under which such a certificate is required, shall contain a provision that ""the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs.""

(c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.

(d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

(6) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

(7) Continuing Contract. Nothing in this Rule shall prohibit a Continuing Contract between a consultant and the District.

(8) Emergency Purchase. The District may make an Emergency Purchase without complying with these Rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.2 Procedure Regarding Auditor Selection.

In order to comply with the requirements of Section 218.391 of the Florida Statutes, the following procedures are outlined for selection of firms or individuals to provide Auditing Services and for the negotiation of such contracts. "**Auditing Services**" means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy. For audits required under Chapter 190 of the Florida Statutes but not meeting the thresholds of Chapter 218 of the Florida Statutes, the District need not follow these procedures but may proceed with the selection of a firm or individual to provide Auditing Services and for the negotiation of such contracts in the manner the Board determines is in the best interests of the District.

~~(1) Definitions.~~

~~(a) "Auditing Services" means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.~~

~~(b) "Committee" means the auditor selection committee appointed by the Board as described in section (2) of this Rule.~~

~~(2)~~ (1) Establishment of Auditor Selection Committee. Prior to a public announcement under section (~~4~~3) of this Rule that Auditing Services are required, the Board shall establish an auditor selection committee ("**Committee**"), the primary purpose of which is to assist the Board in selecting an auditor to conduct the annual financial audit required by Section 218.39 of the Florida Statutes. The Committee shall include at least three individuals, at least one of which must also be a member of the Board. The establishment and selection of the Committee must be conducted at a publicly noticed and held meeting of the Board. The Chairperson of the Committee must be a member of the Board. An employee, a chief executive officer, or a chief financial officer of the District may not serve as a member of the Committee; provided however such individual may serve the Committee in an advisory capacity.

~~(3)~~ (2) Establishment of Minimum Qualifications and Evaluation Criteria. Prior to a public announcement under section (~~4~~3) of this Rule that Auditing Services are required, the Committee shall meet at a publicly noticed meeting to establish minimum qualifications and factors to use for the evaluation of Auditing Services to be provided by a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.

(a) Minimum Qualifications. In order to be eligible to submit a proposal, a firm must, at all relevant times including the time of receipt of the proposal by the District:

(i) Hold all required applicable state professional licenses in good standing;

(ii) Hold all required applicable federal licenses in good standing, if any;

(iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation; and

(iv) Meet any pre-qualification requirements established by the Committee and set forth in the RFP or other specifications.

If requested in the RFP or other specifications, evidence of compliance with the minimum qualifications as established by the Committee must be submitted with the proposal.

(b) Evaluation Criteria. The factors established for the evaluation of Auditing Services by the Committee shall include, but are not limited to:

(i) Ability of personnel;

(ii) Experience;

(iii) Ability to furnish the required services; and

(iv) Such other factors as may be determined by the Committee to be applicable to its particular requirements.

The Committee may also choose to consider compensation as a factor. If the Committee establishes compensation as one of the factors, compensation shall not be the sole or predominant factor used to evaluate proposals.

~~(4)~~ (3) Public Announcement. After identifying the factors to be used in evaluating the proposals for Auditing Services as set forth in section (~~3~~2) of this Rule, the Committee shall publicly announce the opportunity to provide Auditing Services. Such public announcement shall include a brief description of the audit and how interested firms can apply for consideration and obtain the RFP. The notice shall appear in at least one (1) newspaper of general circulation ~~in the District and~~within the county or counties in which the District is located. The public announcement shall allow for at least seven (7) days for the submission of proposals.

~~(5)~~ (4) Request for Proposals. The Committee shall provide interested firms with a Request for Proposals ("**RFP**"). The RFP shall provide information on how proposals are to be evaluated and such other information the Committee determines

is necessary for the firm to prepare a proposal. The RFP shall state the time and place for submitting proposals~~.~~, which may be submitted either electronically or via hard copy as determined by the District and provided for in the RFP. For the avoidance of doubt, the Proposals shall not be required to be publicly opened at the date, time, and place provided for in the RFP relative to the submission of Proposals.

~~(6)~~ (5) Committee's Evaluation of Proposals and Recommendation. The Committee shall meet at a publicly held meeting that is publicly noticed for a reasonable time in advance of the meeting to evaluate all qualified proposals and may, as part of the evaluation, require that each interested firm provide a public presentation where the Committee may conduct discussions with the firm, and where the firm may present information, regarding the firm's qualifications. At the public meeting, the Committee shall rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to subsection (~~3~~2)(b) of this Rule. If fewer than three firms respond to the RFP or if no firms respond to the RFP, the Committee shall recommend such firm as it deems to be the most highly qualified. Notwithstanding the foregoing, the Committee may recommend that any and all proposals be rejected.

~~(7)~~ (6) Board Selection of Auditor.

(a) Where compensation was not selected as a factor used in evaluating the proposals, the Board shall negotiate with the firm ranked first and inquire of that firm as to the basis of compensation. If the Board is unable to negotiate a satisfactory agreement with the first ranked firm at a price deemed by the Board to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the Board shall immediately begin negotiations with the second ranked firm. If a satisfactory agreement with the second ranked firm cannot be reached, those negotiations shall be terminated and negotiations with the third ranked firm shall be undertaken. The Board may reopen formal negotiations with any one of the three top-ranked firms, but it may not negotiate with more than one firm at a time. If the Board is unable to negotiate a satisfactory agreement with any of the selected firms, the Committee shall recommend additional firms in order of the firms' respective competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

(b) Where compensation was selected as a factor used in evaluating the proposals, the Board shall select the highest-ranked qualified firm or document in its public records the reason for not selecting the highest-ranked qualified firm.

(c) In negotiations with firms under this Rule, the Board may allow the District Manager, District Counsel, or other designee to conduct negotiations on its behalf.

(d) Notwithstanding the foregoing, the Board may reject any or all proposals. The Board shall not consider any proposal, or enter into any contract for Auditing Services, unless the proposed agreed-upon compensation is reasonable to satisfy the requirements of Section 218.39 of the Florida Statutes, and the needs of the District.

~~(8)~~ (7) Contract. Any agreement reached under this Rule shall be evidenced by a written contract, which may take the form of an engagement letter signed and executed by both parties. The written contract shall include all provisions and conditions of the procurement of such services and shall include, at a minimum, the following:

(a) A provision specifying the services to be provided and fees or other compensation for such services;

(b) A provision requiring that invoices for fees or other compensation be submitted in sufficient detail to demonstrate compliance with the terms of the contract;

(c) A provision setting forth deadlines for the auditor to submit a preliminary draft audit report to the District for review and to submit a final audit report no later than June 30 of the fiscal year that follows the fiscal year for which the audit is being conducted;

(d) A provision specifying the contract period, including renewals, and conditions under which the contract may be terminated or renewed. The maximum contract period including renewals shall be five (5) years. A renewal may be done without the use of the auditor selection procedures provided in this Rule but must be in writing.

(e) Provisions required by law that require the auditor to comply with public records laws.

~~(9)~~ (8) Notice of Award. Once a negotiated agreement with a firm or individual is reached, or the Board authorizes the execution of an agreement with a firm where compensation was a factor in the evaluation of proposals, notice of the intent to award, including the rejection of some or all proposals, shall be provided in writing to all proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, ~~facsimile,~~ or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the RFP. The notice shall include the following statement: ~~"~~"Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute

a waiver of proceedings under those Rules,"" or wording to that effect. Protests regarding the award of contracts under this Rule shall be as provided for in Rule 3.11. No proposer shall be entitled to recover any costs of proposal preparation or submittal from the District.

Rule 3.3 Purchase of Insurance.

(1) Scope. The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.

(2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:

~~(a)~~ (a) The Board shall cause to be prepared a Notice of Invitation to Bid.

~~(b)~~ (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the county or counties in which the District is located. The notice shall allow at least fourteen (14) days for submittal of bids.

~~(c)~~ (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.

~~(d)~~ (d) Bids shall be opened at the time and place noted in the Invitation to Bid.

~~(e)~~ (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.

~~(f)~~ (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.

~~(g)~~ (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, and the ability of the company to guarantee

premium stability may be considered. A contract to purchase insurance shall be awarded to that company whose response to the Invitation to Bid best meets the overall needs of the District, its officers, employees, and/or dependents.

~~(h)~~ (h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all ~~bidders by~~proposers by e-mail (with a delivery and read receipt), United States Mail, ~~by~~ hand delivery, or ~~by~~ overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Invitation to Bid. The notice shall include the following statement: ""Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,"" or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.
Law Implemented: § 112.08, Fla. Stat.

Rule 3.4 Pre-qualification

(1) Scope. In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.

(2) Procedure. When the District seeks to pre-qualify vendors, the following procedures shall apply:

~~(a)~~ (a) The Board shall cause to be prepared a Request for Qualifications.

~~(b)~~ (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed pre-qualification criteria and procedures and allow at least seven (7) days' notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.

~~(c)~~ (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the ~~District and within the~~ county or counties in which the ~~District~~project is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars ($250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars ($250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars ($500,000).

~~(d)~~ (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by ~~electronic mail~~e-mail, United States Mail, hand delivery~~, or facsimile~~, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.

~~(e)~~ (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or responses in response to the applicable Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

(f) In order to be eligible to submit qualifications, a firm or individual must, at the time of receipt of the qualifications:

(i) Hold all required applicable state professional licenses in good standing;

(ii) Hold all required applicable federal licenses in good standing, if any;

(iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and

(iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

(g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.

(h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.

(i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.

(j) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

(~~j~~k) Notice of intent to pre-qualify, including rejection of some or all qualifications, shall be provided in writing to all ~~vendors by~~proposers by e-mail (with a delivery and read receipt), United States Mail, ~~electronic mail,~~ hand delivery~~, facsimile~~, or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Request for Qualifications. The notice shall include the following statement: ~~"~~"Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,~~"~~" or wording to that effect. Protests of the District's pre-qualification decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11; provided however, protests related to the pre-qualification criteria and procedures for construction services shall be resolved in accordance with section (2)(b) of this Rule and Section 255.20(1)(b) of the Florida Statutes.

(2) ~~(3)~~ Suspension, Revocation, or Denial of Qualification

~~(a)~~ (a) The District, for good cause, may deny, suspend, or revoke a prequalified vendor's pre-qualified status. A suspension, revocation, or denial for good cause shall prohibit the vendor from bidding on any District construction contract for which qualification is required, shall constitute a determination of non-responsibility to bid on any other District construction or maintenance contract, and shall prohibit the vendor from acting as a material supplier or subcontractor on any District contract or project during the period of suspension, revocation, or denial. Good cause shall include the following:

~~i.~~ (i) One of the circumstances specified under Section 337.16(2), Fla. Stat., has occurred.

~~ii.~~ (ii) Affiliated contractors submitted more than one proposal for the same work. In this event the pre-qualified status of all of the affiliated bidders will be revoked, suspended, or denied. All bids of affiliated bidders will be rejected.

~~iii.~~ (iii) The vendor made or submitted false, deceptive, or fraudulent statements, certifications, or materials in any claim for payment or any information required by any District contract.

~~iv.~~ (iv) The vendor or its affiliate defaulted on any contract or a contract surety assumed control of financial responsibility for any contract of the vendor.

~~v.~~ (v) The vendor's qualification to bid is suspended, revoked, or denied by any other public or semi-public entity, or the vendor has been the

subject of a civil enforcement proceeding or settlement involving a public or semi-public entity.

~~vi.~~ (vi) The vendor failed to comply with contract or warranty requirements or failed to follow District direction in the performance of a contract.

~~vii.~~ (vii) The vendor failed to timely furnish all contract documents required by the contract specifications, special provisions, or by any state or federal statutes or regulations. If the vendor fails to furnish any of the subject contract documents by the expiration of the period of suspension, revocation, or denial set forth above, the vendor's pre-qualified status shall remain suspended, revoked, or denied until the documents are furnished.

~~viii.~~ (viii) The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.

~~ix.~~ (ix) The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.

~~x.~~ (x) The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.

~~xi.~~ (xi) An affiliate of the vendor has previously been determined by the District to be non-responsible, and the specified period of suspension, revocation, denial, or non-responsibility remains in effect.

~~xii.~~ (xii) The vendor or affiliate(s) has been convicted of a contract crime.

~~1.~~ 1. The term "**contract crime**" means any violation of state or federal antitrust laws with respect to a public contract or any violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract.

~~(d)~~ (d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.

~~(e)~~ (e) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Rule 3.5 Construction Contracts, Not Design-Build.

(1) Scope. All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190 of the Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20 of the Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and the procedures of Section 255.20 of the Florida Statutes, as the same may be amended from time to time. A project shall not be divided solely to avoid the threshold bidding requirements.

(2) Procedure. When a purchase of construction services is within the scope of this Rule, the following procedures shall apply:

(a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

(b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation ~~in the District and in~~within the county or counties in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, proposals, replies, or responses, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars ($500,000) must be noticed at least thirty (30) days prior to the date for submittal of bids, proposals, replies, or responses. If the Board has previously pre-qualified contractors pursuant to Rule 3.4 and determined that only the contractors that have been pre-qualified will be permitted to submit bids, proposals, replies, and responses, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation need not be published. Instead, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be sent to the pre-qualified contractors by e-mail (with a delivery and read receipt), United States Mail, hand delivery, ~~facsimile,~~ or overnight delivery service.

(c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by ~~electronic mail~~e-mail, United States Mail, hand delivery, or ~~facsimile,~~ to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

(d) If the District has pre-qualified providers of construction services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses to Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations.

(e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:

(i) Hold all required applicable state professional licenses in good standing;

(ii) Hold all required applicable federal licenses in good standing, if any;

(iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the bidder is a corporation; and

(iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to, reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

(f) Bids, proposals, replies, and responses, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or

Competitive Solicitation and these Rules. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

(g) The lowest Responsive Bid submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

(h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No contractor shall be entitled to recover any costs of bid, proposal, response, or reply preparation or submittal from the District.

(i) The Board may require potential contractors to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.

(j) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.

(k) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board

with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

(~~j~~l) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses, shall be provided in writing to all ~~contractors by~~proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, ~~facsimile,~~ or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. The notice shall include the following statement: ""Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,"" or wording to that effect. Protests of the District's purchase of construction services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

~~(k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.~~

(3) Sole Source; Government. Construction services that are only available from a single source are exempt from this Rule. Construction services provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of construction services, which may include goods, supplies, or materials, that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules. A contract for construction services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.

(4) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

(5) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board Meeting.

(6) Exceptions. This Rule is inapplicable when:

(a) The project is undertaken as repair or maintenance of an existing public facility;

(b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;

(c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contract; or

(d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Rule 3.6 Construction Contracts, Design-Build.

(1) Scope. The District may utilize Design-Build Contracts for any public construction project for which the Board determines that use of such contract is in the best interest of the District. When letting a Design-Build Contract, the District shall use the following procedure:

(2) Procedure.

(a) The District shall utilize a Design Criteria Professional meeting the requirements of Section 287.055(2)(k) of the Florida Statutes, when developing a Design Criteria Package, evaluating the proposals and qualifications submitted by Design-Build Firms, and determining compliance of the project construction with the Design Criteria Package. The Design Criteria Professional may be an employee of the District, may be the District Engineer selected by the District pursuant to Section 287.055 of the Florida Statutes, or may be retained pursuant to Rule 3.1. The Design Criteria Professional is not eligible to render services under a Design-Build Contract executed pursuant to the Design Criteria Package.

(b) A Design Criteria Package for the construction project shall be prepared and sealed by the Design Criteria Professional. If the project utilizes existing plans, the Design Criteria Professional shall create a Design Criteria Package by supplementing the plans with project specific requirements, if any.

(c) The Board may either choose to award the Design-Build Contract pursuant to the competitive proposal selection process set forth in Section 287.055(9) of the Florida Statutes, or pursuant to the qualifications-based selection process pursuant to Rule 3.1.

(i) Qualifications-Based Selection. If the process set forth in Rule 3.1 is utilized, subsequent to competitive negotiations, a guaranteed maximum price and guaranteed completion date shall be established.

(ii) Competitive Proposal-Based Selection. If the competitive proposal selection process is utilized, the Board, in consultation with the Design Criteria Professional, shall establish the criteria, standards and procedures for the evaluation of Design-Build Proposals based on price, technical, and design aspects of the project, weighted for the project. After a Design Criteria Package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited pursuant to the design criteria by the following procedure:

1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation ~~in~~within the county in which the ~~District~~project is located. The notice shall allow at least twenty-one (21) days for submittal of sealed proposals, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars ($500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.

2. The District may maintain lists of persons interested in receiving notices of Requests for Proposals. The District shall make a good faith effort to provide written notice, by ~~electronic mail~~e-mail, United States Mail, hand delivery~~, or facsimile~~, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

3. In order to be eligible to submit a proposal, a firm must, at the time of receipt of the proposals:

    a. Hold the required applicable state professional licenses in good standing, as defined by Section 287.055(2)(h) of the Florida Statutes;

    b. Hold all required applicable federal licenses in good standing, if any;

    c. Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation;

    d. Meet any special pre-qualification requirements set forth in the Request for Proposals and Design Criteria Package.

    Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may

be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the proposal if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the proposal.

4. The proposals, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. In consultation with the Design Criteria Professional, the Board shall evaluate the proposals received based on evaluation criteria and procedures established prior to the solicitation of proposals, including but not limited to qualifications, availability, and past work of the firms and the partners and members thereof. The Board shall then select no fewer than three (3) Design-Build Firms as the most qualified.

5. The Board shall have the right to reject all proposals if the proposals are too high, or rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of proposal preparation or submittal from the District.

6. If less than three (3) Responsive Proposals are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no Responsive Proposals are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.

7. Notice of the rankings adopted by the Board, including the rejection of some or all proposals, shall be provided in writing to all ~~consultants by~~proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, ~~facsimile,~~ or overnight delivery service. The District may alternatively post the notice of intent to award on its website

at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Design Criteria Package. The notice shall include the following statement: ""“Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,"” or wording to that effect. Protests of the District's rankings under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

8. The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards and shall establish a price which the Board determines is fair, competitive and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the second most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the third most qualified firm. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the third most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached or the list of firms is exhausted.

9. After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.

10. The Design Criteria Professional shall evaluate the compliance of the detailed working drawings and project construction with the Design Criteria Package and shall provide the Board with a report of the same.

(3) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

(4) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified Design-Build Firm available at the time. The fact that an Emergency Purchase has occurred shall be noted in the minutes of the next Board meeting.

(5) Exceptions. This Rule is inapplicable when:

(a) The project is undertaken as repair or maintenance of an existing public facility;

(b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;

(c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contractor; or

(d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Rule 3.7 Payment and Performance Bonds.

(1) Scope. This Rule shall apply to contracts for the construction of a public building, for the prosecution and completion of a public work, or for repairs upon a public building or public work and shall be construed in addition to terms prescribed by any other Rule that may also apply to such contracts.

(2) Required Bond. Upon entering into a contract for any of the services described in section (1) of this Rule in excess of $200,000, the Board ~~should~~shall require that the contractor, before commencing the work, execute and record a payment and performance bond, or other acceptable surety, in an amount equal to the contract price. Notwithstanding the terms of the contract or any other law, the District may not make payment to the contractor until the contractor has provided to the District a certified copy of the recorded bond.

(3) Discretionary Bond. At the discretion of the Board, upon entering into a contract for any of the services described in section (1) of this Rule for an amount not exceeding $200,000, the contractor may be exempted from executing a payment and performance bond.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.
Law Implemented: § 255.05, Fla. Stat.

Rule 3.8 Goods, Supplies, and Materials.

(1) Purpose and Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, shall be purchased under the terms of this Rule. Contracts for purchases of "**goods, supplies, and materials**" do not include printing, insurance, advertising, or legal notices. A contract involving goods, supplies, or materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.

(2) Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following procedures shall apply:

~~(a)~~ (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

~~(b)~~ (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county or counties in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.

~~(c)~~ (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, or Competitive Solicitations. The District shall make a good faith effort to provide written notice, by ~~electronic mail~~e-mail, United States Mail, hand delivery~~, or facsimile~~, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

~~(d)~~ (d) If the District has pre-qualified suppliers of goods, supplies, and materials, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses.

(e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:

(i) Hold all required applicable state professional licenses in good standing;

(ii) Hold all required applicable federal licenses in good standing, if any;

(iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and

(iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

Any firm or individual whose principal place of business is outside the State of Florida must also submit a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that foreign state to business entities whose principal places of business are in that foreign state, in the letting of any or all public contracts. Failure to submit such a written opinion or submission of a false or misleading written opinion may be grounds for rejection of the bid, proposal, reply, or response.

(f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and this Rule. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

(g) The lowest Responsive Bid, after taking into account the preferences provided for in this subsection, submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be accepted. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which does not grant a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of

Florida shall be awarded a preference of five (5) percent. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which grants a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference equal to the preference granted by such foreign state.

To assure full understanding of the responsiveness to the solicitation requirements contained in an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

(h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.

(i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.

(j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all ~~vendors by~~proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, ~~facsimile,~~ or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. The notice shall include the following statement: "“Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,"” or wording to that effect. Protests of the District's purchase of goods, supplies, and materials under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase goods, supplies, or materials, or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of goods, supplies, and materials, in the manner the Board determines is in the best interests of the District, which

may include but is not limited to a direct purchase of the goods, supplies, and materials without further competitive selection processes.

(3) Goods, Supplies, and Materials included in a Construction Contract Awarded Pursuant to Rule 3.5 or 3.6. There may be occasions where the District has undergone the competitive purchase of construction services which contract may include the provision of goods, supplies, or materials. In that instance, the District may approve a change order to the contract and directly purchase the goods, supplies, and materials. Such purchase of goods, supplies, and materials deducted from a competitively purchased construction contract shall be exempt from this Rule.

(4) Exemption. Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. A contract for goods, supplies, or materials is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.

(5) Renewal. Contracts for the purchase of goods, supplies, and/or materials subject to this Rule may be renewed for a maximum period of five (5) years.

(6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.
Law Implemented: §§ 189.053, 190.033, 287.017, 287.084, Fla. Stat.

Rule 3.9 Maintenance Services.

(1) Scope. All contracts for maintenance of any District facility or project shall be set under the terms of this Rule if the cost exceeds the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR. A contract involving goods, supplies, and materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.

(2) Procedure. When a purchase of maintenance services is within the scope of this Rule, the following procedures shall apply:

(a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

(b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the ~~District and within the~~ county or counties in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.

(c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by ~~electronic mail~~e-mail, United States Mail, hand delivery~~, or facsimile~~, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

(d) If the District has pre-qualified suppliers of maintenance services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, and responses.

(e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:

(i) Hold all required applicable state professional licenses in good standing;

(ii) Hold all required applicable federal licenses in good standing, if any;

(iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and

(iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

(f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and these Rules. Minor variations in the bids, proposals, replies, and responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

(g) The lowest Responsive Bid submitted in response to an Invitation to Bid by a Responsive and Responsible Bidder shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate or Competitive Solicitation the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, or responses.

(h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No Vendor shall be

entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.

(i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.

(j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all ~~vendors by~~proposers by e-mail (with a delivery and read receipt), United States Mail, hand delivery, ~~facsimile,~~ or overnight delivery service. The District may alternatively post the notice of intent to award on its website at the conclusion of the Board meeting where the proposals were evaluated if so provided for in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. The notice shall include the following statement: ~~"~~"Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules,~~"~~" or wording to that effect. Protests of the District's procurement of maintenance services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase the maintenance services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of maintenance services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the maintenance services without further competitive selection processes.

(3) Exemptions. Maintenance services that are only available from a single source are exempt from this Rule. Maintenance services provided by governmental agencies are exempt from this Rule. A contract for maintenance services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.

(4) Renewal. Contracts for the purchase of maintenance services subject to this Rule may be renewed for a maximum period of five (5) years.

(5) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

(6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.10 Contractual Services.

(1) Exemption from Competitive Purchase. Pursuant to Section 190.033(3) of the Florida Statutes, Contractual Services shall not be subject to competitive purchasing requirements. If an agreement is predominantly for Contractual Services, but also includes maintenance services or the purchase of goods and services, the contract shall not be subject to competitive purchasing requirements. Regardless of whether an advertisement or solicitation for Contractual Services is identified as an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, no rights or remedies under these Rules, including but not limited to protest rights, are conferred on persons, firms, or vendors proposing to provide Contractual Services to the District.

(2) Contracts; Public Records. In accordance with Florida law, each contract for Contractual Services shall include provisions required by law that require the contractor to comply with public records laws.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.
Law Implemented: §§ 119.0701, 190.011(3), 190.033, Fla. Stat.

Rule 3.11 Protests with Respect to Proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9.

The resolution of any protests with respect to proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9 shall be in accordance with this Rule.

(1) Filing.

(a) With respect to a protest regarding qualifications, specifications, documentation, or other requirements contained in a Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation issued by the District, the notice of protest shall be filed in writing within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after the first advertisement of the Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's intended decision. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.

(b) Except for those situations covered by subsection (1)(a) of this Rule, any firm or person who is affected adversely by a District's ranking or intended award under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, or 3.9 and desires to contest the District's ranking or intended award, shall file with the District a written notice of protest within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after receipt of the notice of the District's ranking or intended award or after posting on the District's website if so provided for in the Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's ranking or intended award. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.

(c) If the requirement for the posting of a protest bond and the amount of the protest bond, which may be expressed by a percentage of the contract to be

awarded or a set amount, is disclosed in the District's competitive solicitation documents for a particular purchase under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, or 3.9, any person who files a notice of protest must post the protest bond. The amount and form of the protest bond shall be determined by District staff after consultation with the Board and within the limits, if any, imposed by Florida law. In the event the protest is successful, the protest bond shall be refunded to the protestor. In the event the protest is unsuccessful, the protest bond shall be applied towards the District's costs, expenses, and attorney's fees associated with hearing and defending the protest. In the event the protest is settled by mutual agreement of the parties, the protest bond shall be distributed as agreed to by the District and protestor.

(d) The District does not accept documents filed by ~~electronic mail~~e-mail or facsimile transmission. Filings are only accepted during normal business hours.

(2) Contract Execution. Upon receipt of a notice of protest which has been timely filed, the District shall not execute the contract under protest until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances showing that delay incident to protest proceedings will jeopardize the funding for the project, will materially increase the cost of the project, or will create an immediate and serious danger to the public health, safety, or welfare, the contract may be executed.

(3) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be sent via ~~facsimile~~e-mail (with a delivery and read receipt), United States Mail, or hand delivery to the protestor and any substantially affected persons or parties not less than three (3) calendar days prior to such informal proceeding. Within thirty (30) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.

(4) Formal Proceeding. If the Board determines a protest involves disputed issues of material fact or if the Board elects not to use the informal proceeding process provided for in section (3) of this Rule, the District shall schedule a formal hearing to resolve the protest. The Chairperson shall designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer to conduct the hearing. The hearing officer may:

(a) Administer oaths and affirmations;

(b) Rule upon offers of proof and receive relevant evidence;

(c) Regulate the course of the hearing, including any pre-hearing matters;

(d) Enter orders; and

(e) Make or receive offers of settlement, stipulation, and adjustment.

The hearing officer shall, within thirty (30) days after the hearing or receipt of the hearing transcript, whichever is later, file a recommended order which shall include a caption, time and place of hearing, appearances entered at the hearing, statement of the issues, findings of fact and conclusions of law, separately stated, and a recommendation for final District action. The District shall allow each party fifteen (15) days in which to submit written exceptions to the recommended order. The District shall issue a final order within sixty (60) days after the filing of the recommended order.

~~(5) Intervenors. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.~~

(~~6~~5) Rejection of all Qualifications, Bids, Proposals, Replies and Responses after Receipt of Notice of Protest. If the Board determines there was a violation of law, defect, or an irregularity in the competitive solicitation process, the B**i**ds, Proposals, Replies, and Responses are too high, or if the Board determines it is otherwise in the District's best interest, the Board may reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew. If the Board decides to reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew, any pending protests shall automatically terminate.

(6) Judicial Review. A party who is adversely affected by final District action is entitled to judicial review. Judicial review shall be sought in the county where the District is located. All proceedings shall be instituted by filing a notice of appeal or petition for review in accordance with the Florida Rules of Appellate Procedure within thirty (30) calendar days after the rendition of the decision being appealed. The filing of an appeal does not itself stay enforcement of the final District decision. Judicial review of any District action shall be confined to the record transmitted. The record for judicial review shall be compiled in accordance with the Florida Rules of Appellate Procedure. Failure to file a notice of appeal or petition for review within the time prescribed herein shall constitute a waiver of judicial review proceedings.

(7) Intervenors. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.

(~~7~~8) Settlement. Nothing herein shall preclude the settlement of any protest under this Rule at any time.

RESOLUTION 2026-13
[FY 2027 ASSESSMENT RESOLUTION]

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE LONG LAKE RANCH COMMUNITY DEVELOPMENT DISTRICT PROVIDING FOR FUNDING FOR THE FY 2027 ADOPTED BUDGET(S); PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS, INCLUDING BUT NOT LIMITED TO PENALTIES AND INTEREST THEREON; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Long Lake Ranch Community Development District ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes,* for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District, located in Pasco County, Florida ("**County**"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, for the fiscal year beginning October 1, 2026, and ending September 30, 2027 (**"FY 2027"**), the Board of Supervisors ("**Board**") of the District has determined to undertake various operations and maintenance and other activities described in the District's budget (**"Adopted Budget**"), attached hereto as **Exhibit A**; and

WHEREAS, pursuant to Chapter 190, *Florida Statutes*, the District may fund the Adopted Budget through the levy and imposition of special assessments on benefitted lands within the District and, regardless of the imposition method utilized by the District, under Florida law the District may collect such assessments by direct bill, tax roll, or in accordance with other collection measures provided by law; and

WHEREAS, in order to fund the District's Adopted Budget, the District's Board now desires to adopt this Resolution setting forth the means by which the District intends to fund its Adopted Budget.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE LONG LAKE RANCH COMMUNITY DEVELOPMENT DISTRICT:

1. **FUNDING.** The District's Board hereby authorizes the funding mechanisms for the Adopted Budget as provided further herein and as indicated in the Adopted Budget attached hereto as **Exhibit A** and the assessment roll attached hereto as **Exhibit B** ("**Assessment Roll**").

2. **OPERATIONS AND MAINTENANCE ASSESSMENTS.**

   a. Benefit Findings. The provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibit A** and **Exhibit B** and is hereby found to be fair and reasonable.

b. O&M Assessment Imposition. Pursuant to Chapter 190, *Florida Statutes*, a special assessment for operations and maintenance ("**O&M Assessment(s)**") is hereby levied and imposed on benefitted lands within the District and in accordance with **Exhibit A** and **Exhibit B**. The lien of the O&M Assessments imposed and levied by this Resolution shall be effective upon passage of this Resolution.

c. Maximum Rate. Pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for operation and maintenance assessments.

3. **DEBT SERVICE SPECIAL ASSESSMENTS.** The District's Board hereby certifies for collection the FY 2027 installment of the District's previously levied debt service special assessments ("**Debt Assessments**," and together with the O&M Assessments, the "**Assessments**") in accordance with this Resolution and as further set forth in **Exhibit A** and **Exhibit B**, and hereby directs District staff to affect the collection of the same**.**

4. **COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.** Pursuant to Chapter 190, *Florida Statutes,* the District is authorized to collect and enforce the Assessments as set forth below.

a. Tax Roll Assessments. To the extent indicated in **Exhibit A** and **Exhibit B**, those certain O&M Assessments (if any) and/or Debt Assessments (if any) imposed on the "**Tax Roll Property**" identified in **Exhibit B** shall be collected by the County Tax Collector at the same time and in the same manner as County property taxes in accordance with Chapter 197, *Florida Statutes* ("**Uniform Method**"). That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County property taxes. The District's Board finds and determines that such collection method is an efficient method of collection for the Tax Roll Property.

b. Future Collection Methods. The District's decision to collect Assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

5. **ASSESSMENT ROLL; AMENDMENTS.** The Assessment Roll, attached hereto as **Exhibit B,** is hereby certified for collection. The Assessment Roll shall be collected pursuant to the collection methods provided above. The proceeds therefrom shall be paid to the District. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll.

6. **APPROVAL OF PRIOR ACTIONS.** The actions of the Chairman, Vice Chairman, Secretary, Treasurer, Assistant Secretaries, and all District Staff in finalizing the Assessments and Assessment Roll as provided herein are hereby ratified, approved, and confirmed in all respects.

7. **SEVERABILITY; EFFECTIVE DATE.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof. This Resolution shall take effect immediately upon adoption.

2	1	06.16.2026	Tow contract	Amenity Manager	07.02.2026	Need to obtain new tow vendor based on incorrect towing of vehicles on 06.16. will present in the July agenda. 06-24 Update: Bill : 813 Tow Contract is on the agenda for consideration. ade several calls to Americas finest Carrier and there mailbox was full on all attempts. 07.02.2026 Board voted to terminate current tow company and contract with 813. Prior tow company received the letter of termination. Contract isbering reviewed for 813 Towing. Sent 3 emails to 813 Towing . They contacted me on 07.30 and we are advancig to execution
3	2	03.05.2026	Mulch Depth	Amenity Manager	04.05.2026	**Burkett and I talked about the mulch depth. Redtree's conclusion is that the original contractor overfilled the finger boxes when planting the trees, which resulted in quick mulch accumulation. Redtree does not remove mulch material unless contracted to do so. Redree was asked for an estimate to lower the mulch/soil height fro**m the parking lot fingers. I have sent pics of the accumulated mulch in the hedge rows. They have accumulation as well. 05-28 Update: Bill - I will follow up with Burkett. We asked for that proposal. 06-24 Update: Bill: - I sent Burckett a text requesting an estimate for removing the excess mulch and soil in the main parking lot finger islands. I will follow up with him on 06.25 f I haven't heard back. **07.12.2026 - still need mulch removal proposal .**
4	3	03.05.2026	Foxtail Drainage	Amenity Manager	ON HOLD	**Steve and I are repairing drainage at Foxtail. The drain strip has serious high spots at the joints, creating real "toe getters." I am attaching corrugated pipe to the ends of the drains, and tunneling it through the mulch levy. Amenity will replace the drain channel in house. It is not lying flush with the deck They installed a pop up drain on the north side of the drain channel and it is working well. They will work on this on the south side. 05-28 Update: This will have to be done when the clubhouse pool opens and traffic slows at Foxtail. 06-24 Update: Bill: We haven't had much rain, but the Foxtail pool deck has been much easier to keep clean since I extended the drain past the fence. We will not change that drain until the main pool is operational. I don't want to have any unnecessary problems that can be avoided. It is not causing any issues currently. The drain will be replaced when the main pool opens. The drain modifications already made are currently working properly 07.30.2026**
5	4	03.05.2026	Painting	Amenity Manager	04.05.2026	**Chairwoman Clawson requested that painting the mail pieces in Primrose and Foxtail, if they need it, and painting the parking lot lines be added to the task list. 4.2.26 Update: Get a proposal or have staff do it . 05-28 Update: Bill: Obtaining quotes 06-24 Update: Bill: - I still need to follow up on that. The painter who painted the pedestrian bridge died last month. He was the guaranteed low bidder. I will gather quotes before the August meeting. Part time amenity maintenance has been out on leave. Paintng will resume after his return 07.30**
6	5	03.05.2026	Pressure Washing	Amenity Manager	04.05.2026	**We just received a new pressure washer line jet attachment from Amazon. I will jet any drains I can find around the main pool because I beleive that the deck drainage is causing the deluge of stormwater that cascades down the handicap ramp, resulting in the washout under the sidewalk between the ramp and the fishing dock. The engineer is aware of this. Prioritizing this over the sidewalk drain would be justified due to the cracking we are experiencing at the top, middle, and bottom of the ramp/stair area. 05-28 Bill: I have not used the pressure washer yet. I did pre-start checks and found gasoline in the oil tank. Joe and I agreed that it needed to go to the shop. The pressure washer motor has been fixed. The pump on the motor looks to be brand new. I pulled the pump off the motor and found it installed incorrectly. It should be up and running tomorrow if the pump works correctly. 06-24 Update: Bill: The pressure washer came back from the shop, and I have been getting things washed. One area at a time. I have washed the main pavilion, the clubhouse mailboxes, the Foxtail pool building, and the Foxtail pavilion, With things getting pressure washed, paint touch-ups are needed. We've started at the pavilion. We are planning to pressure wash the Tennis pavilion very soon. We will completely repaint the Tennis pavilion. It needs it. The shed and the mailbox concrete will be after the tennis pavilion . Part time amenity maintenance has been out on leave. Paintng will resume after his return 07.30**

Important to know

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due
If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services
Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check
We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge
A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program
Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

Special Needs Customers
Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

Para nuestros clientes que hablan Español
Representantes bilingües están disponibles para asistirle de lunes a viernes de 7 a.m. - 7 p.m. Para obtener más información o reportar problemas con su servicio eléctrico, favor de llamar al 800.700.8744.

PAYING YOUR BILL

You are responsible for all legitimate, undisputed charges on your bill. Paying by check authorizes Frontier to make a one-time electronic funds transfer from your account, as early as the day your check is received. When making an online payment, please allow time for the transfer of funds. If funds are received after the due date, you may be charged a fee, your service may be interrupted, and you may incur a reconnection charge to restore service. A fee may be charged for a bank returned check. Continued nonpayment of undisputed charges (incl. 900 and long distance charges) may result in collection action and a referral to credit reporting agencies, which may affect your credit rating.

IMPORTANT MESSAGES

You must pay all basic local service charges to avoid basic service disconnection. Failure to pay other charges will not cause disconnection of your basic service but this may cause other services to be terminated. Frontier Bundles may include charges for both basic and other services. Frontier periodically audits its bills to ensure accuracy which may result in a retroactive or future billing adjustment. Internet speed, if noted, is the maximum wired connection speed for selected tier; Wi-Fi speeds may vary; actual and average speed may be slower and depends on multiple factors. Performance details are at frontier.com/internetdisclosures.

SERVICE TERMS

Visit frontier.com/terms, frontier.com/tariffs or call Customer Service for information on tariffs, price lists and other important Terms, Conditions and Policies ("Terms") related to your voice, Internet and/or video services including limitations of liability, early termination fees, the effective date of and billing for the termination of service(s) and other important information about your rights and obligations, and ours. Frontier's Terms include a binding arbitration provision to resolve customer disputes (frontier.com/terms/arbitration). **Video and Internet services are subscription-based and are billed one full month in advance. Video and/or Internet service subscription cancellations and any early termination fees are effective on the last day of your Frontier billing cycle. No partial month credits or refunds will be provided for previously billed service subscriptions.** By using or paying for Frontier services, you are agreeing to these Terms and that disputes will be resolved by individual arbitration. By providing personal information to Frontier you are also agreeing to Frontier's Privacy Policy posted at frontier.com/privacy.

1.		**Sales**	FOX TAIL PUMP REPLACEMENT FROM APPROVED PROPOSAL: SCOPE OF WORK: *The existing 7.5 HP submersible pump near 18980 Nightshade Drive has failed electrically, showing no continuity and a direct short to ground. In addition, the pump, a 4" unit rated at 90 GPM under high static conditions, is currently operating outside of its optimal efficiency range. Since motors manufactured after 2016 are required to meet more stringent NPSHA standards, they are designed to be more energy efficient but are less tolerant of adverse operating conditions. In this application, the 7.5 HP pump is operating too far to the right on its performance curve, exceeding the motor's nameplate horsepower rating. Reducing the system to a 5 HP pump would result in insufficient flow capacity. To address these issues, we recommend installing a variable frequency drive (VFD). This will provide power factor correction, improve operational efficiency, and offer enhanced protection for the	1	$17,256.54	$17,256.54

Important to know

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due
If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services
Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check
We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge
A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program
Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

Special Needs Customers
Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

Para nuestros clientes que hablan Español
Representantes bilingües están disponibles para asistirle de lunes a viernes de 7 a.m. - 7 p.m. Para obtener más información o reportar problemas con su servicio eléctrico, favor de llamar al 800.700.8744.
