

Hello Cross Creek Family,

I hope everyone is enjoying the warm weather and these sunny days we have been having. However, if you are one of the brave souls, you know the pool is still kind of cold. Just don't ask the kiddos, it's never too cold for them!

With warmer days and warmer pool temperatures upon us, we want to ensure the pool is ready to go for the season. To ensure this is the case, the pool and splash pad will be closed next week for maintenance and repairs. This will be the Week of March 22nd to March 29th. Please keep this in mind when planning you activities for next week.

I know we have many new residents who have recently joined our community, so I wanted to take this time to review the times the facilities are opened.
