

## **Pool hours expanding**

Beginning Thursday, July 9th, the pool at Magnolia West will open at 10 am in the morning for residents to use. Maximum occupancy of the facility will remain at 50.

The expansion is a result of feedback from community regarding afternoon storms, and to reduce the the amount of people crowding the pool immediately following the noon opening. If anyone has any questions, please contact me at [tony@firstcoastcms.com](mailto:tony@firstcoastcms.com).
