Re: Contract Extension Proposal – Gramercy Farms

Dear Members of the Board,

Thank you for meeting with us last week to discuss the future of our partnership at Gramercy Farms. We sincerely appreciate the time, and thoughtful conversation regarding the contract extension option outlined in our current agreement.

As referenced in the contract, the Board holds the discretion to extend the agreement for an additional two (2) years. We are grateful for the opportunity to continue serving the community and would like to formally propose the following terms for the extension period:

Proposed Contract Extension Terms

- **March 23, 2026 – March 22, 2027**
Annual Contract: **\$247,531**
(Holding current pricing with no increase)
- **March 23, 2027 – March 22, 2028**
Annual Contract: **\$254,956**
(Reflecting a 3% increase for the second year of the extension)

This structure allows the District to maintain budget consistency for the first year of the extension while planning for a reasonable and predictable adjustment in year two.

Additionally, we are fully open to aligning the contract end date with the District's fiscal year and budgeting cycle if that would better support your financial planning process. We are happy to accommodate that adjustment as needed.

We value our partnership and remain committed to delivering consistent, high-quality service to the Gramercy Farms community. Please let us know if there are any questions or if further discussion is needed as the Board considers exercising the extension option.

Thank you again for your continued trust and collaboration.

Respectfully,

Kayla Lujan
