

Louisiana Delta Community College
Academic Affairs Master Syllabus
Date Approved or Revised: April 30, 2018

Course Name: Principles of Biology II

Course Number: BIOL 202

Lecture hours: 3 **Lab Hours:** 0 **Credit Hours:** 3

Textbook, Author, and Publisher: To be provided by College Campus

Instructor Information: To be provided by College Campus

Course Description:

This course covers the concepts of evolution in invertebrates, vertebrates, and humans. It also covers the organization of animals, their organ systems, development, ecology, and biodiversity. It is designed for students majoring in a science related field.

Prerequisites: Completion of Biology 201 with a C or better.

Co-requisites: None

Learning Outcomes:

On completion of this course, the student will be able to:

1. Compare and contrast structure, life cycles, and reproduction of Viruses, Bacteria, and Archaea
2. Describe the structure and reproduction of plants
3. Discuss the evolution of invertebrates, vertebrates, and humans
4. Discuss behavior, populations, communities, and ecosystems as they affect ecology
5. Describe the major ecosystems
6. Explain biodiversity and why conservation is important

Assessment Measures: To be provided by College Campus

Library Resource Center:

The Delta Library and Learning Resource Center is committed to providing quality information and learning resources and services, including technology, in supporting the overall mission of Delta Community College and its commitment to lifelong learning.

Special Accommodations:

Louisiana Delta Community College complies with Section 504 of the Rehabilitation Act, as well as the Americans with Disabilities Act. Students with disabilities who attend the Monroe campus may make a request by contacting the Director of Counseling and Disability Services (See College Directory for contact information.) at the beginning of each semester. Reasonable accommodations will be attempted for students with documented disabilities. If an impairment is identified later in the semester, a non-retroactive accommodation plan will be developed. Students at satellite campuses should contact the Coordinator of Student Affairs at their particular campus.

Title IX:

Louisiana Delta Community College is committed to protecting the rights of students, which includes compliance with Title IX requirements. As such, the institution and members of our community will not tolerate the offenses of dating violence, domestic violence, sexual assault, and stalking. Students with Title IX concerns should contact the College's Title IX Coordinator (See College Directory for contact information.) Students are required to complete Sexual Assault Awareness and Prevention Online Training. Access to this online course will be sent out through the Delta email account.

Student Code of Conduct:

Louisiana Delta Community College encourages an environment of academic integrity and mutual respect. Students should read and follow both academic and behavioral expectations identified in the Code of Student Conduct that can be found online at www.ladelta.edu. Students are expected to act with integrity, respect the rights of others, and conduct themselves in a professional manner. The Honor Code prohibits academic misconduct such as cheating, engaging in unauthorized collaboration, and plagiarism. Violations of the Code of Student Conduct may result in disciplinary action
