- I. Follow approved health practices and procedures to prevent illness and disease in the early childhood center/environment.
 - a. Identify measures to prevent disease and illness in a group setting.
 - b. List the immunizations required for entrance into an early childhood center/environment.
 - c. Identify the signs of illness and common communicable diseases in young children.
 - d. Outline the procedures to be taken when a child becomes ill.

- II. Follow safety practices and procedures to maintain a safe environment in the early childhood center/environment.
 - a. Identify safety measures to prevent accidents in a group setting.
 - b. Outline the procedures to follow when an accident occurs in the early childhood center/environment.
 - c. Perform basic pediatric first aid procedures and infant/child cardiopulmonary resuscitation (CPR).

Learning Outcomes continued:

- III. Develop and use appropriate curriculum materials, teaching activities, and equipment in the areas of health and safety for the young child in the classroom/laboratory setting.
- a. Explain the value of the health and safety curriculum to the total development of the young child.
 - b. Select appropriate health and safety materials and activities to provide health and safety experiences for the young child.
 - c. Write appropriate lesson plans to implement specific health and safety experiences for the young child.
 - d. Present health and safety experiences to the young child using a prepared plan.

Assessment Measures: To be provided by the College Campus.

Library Resource Center:

The Delta Library and Learning Resource Center is committed to providing quality information and learning resources and services, including technology, in supporting the overall mission of Delta Community College and its commitment to lifelong learning.

Special Accommodations:

Louisiana Delta Community College complies with Section 504 of the Rehabilitation Act, as well as the Americans with Disabilities Act. Students with disabilities who attend the Monroe campus may make a request by contacting the Director of Counseling and Disability Services (See College Directory for contact information.) at the beginning of each semester. Reasonable accommodations will be attempted for students with documented disabilities. If an impairment is identified later in the semester, a non-retroactive accommodation plan will be developed. Students at satellite campuses should contact the Coordinator of Student Affairs at their particular campus.

Title IX:

Louisiana Delta Community College is committed to protecting the rights of students, which includes compliance with Title IX requirements. As such, the institution and members of our community will not tolerate the offenses of dating violence, domestic violence, sexual assault, and stalking. Students with Title IX concerns should contact the College's Title IX Coordinator (See College Directory for contact information.) Students are required to complete Sexual Assault Awareness and Prevention Online Training. Access to this online course will be sent out through the Delta email account.

Student Code of Conduct:

Louisiana Delta Community College encourages an environment of academic integrity and mutual respect. Students should read and follow both academic and behavioral expectations identified in the Code of Student Conduct that can be found online at www.ladelta.edu. Students are expected to act with integrity, respect the rights of others, and conduct themselves in a professional manner. The Honor Code prohibits academic misconduct such as cheating, engaging in unauthorized collaboration, and plagiarism. Violations of the Code of Student Conduct may result in disciplinary action as provided in the Code. Incidents are reported through the online Student Conduct system.
