

Louisiana Delta Community College

Academic Affairs Master Syllabus

Course Name: ORGANIC CHEMISTRY I

Course Number: CHEM 221

Lecture hours: 3

Lab Hours: 0

Credit Hours: 3

Textbook, Author, and Publisher: To be provided by College Campus

Instructor Information: To be provided by College Campus

Class Location: To be provided by College Campus

Course Description:

This course introduces fundamental principles and theories of organic chemistry and representative classes of organic compounds including nomenclature, reaction types and mechanisms. Designed for science majors and students in nursing, health science, and engineering.

Prerequisites: Successful completion of CHEM 120 with a grade of "C" or higher.

Co-requisites: None

Learning Outcomes:

On completion of this course, the student will be able to:

1. Recognize the occurrence, manufacture, and use of organic compounds in society.
2. Apply the rules of organic nomenclature to naming simple organic compounds including those containing most functional groups.
3. Demonstrate an understanding of organic structure-property relationships, molecular symmetry and chirality and their influence on organic reactions.
4. Recognize the most important classes of organic compounds and predict their course of reactions.
5. Demonstrate an understanding of the basic principles of the molecular orbital theory as it applies to organic compounds.
6. Recognize and employ the principles of instrumental techniques of organic analysis in the interpretation of simple structural spectral data.

Assessment Measures: To be provided by College Campus

Library Resource Center:

The Delta Library and Learning Resource Center is committed to providing quality information and learning resources and services, including technology, in supporting the overall mission of Louisiana Delta Community College and its commitment to lifelong learning.

Special Accommodations:

Louisiana Delta Community College complies with Section 504 of the Rehabilitation Act, as well as the Americans with Disabilities Act. Students with disabilities who attend the Monroe campus may make a request by contacting the Director of Counseling and Disability Services (See College Directory for contact information.) at the beginning of each semester. Reasonable accommodations will be attempted for students with documented disabilities. If an impairment is identified later in the semester, a non-retroactive accommodation plan will be developed. Students at satellite campuses should contact the Coordinator of Student Affairs at their particular campus.

Title IX:

Louisiana Delta Community College is committed to protecting the rights of students, which includes compliance with Title IX requirements. As such, the institution and members of our community will not tolerate the offenses of dating violence, domestic violence, sexual assault, and stalking. Students with Title IX concerns should contact the College's Title IX Coordinator (See College Directory for contact information.) Students are required to complete Sexual Assault Awareness and Prevention Online Training. Access to this online course will be sent out through the Delta email account.

Student Code of Conduct:

Louisiana Delta Community College encourages an environment of academic integrity and mutual respect. Students should read and follow both academic and behavioral expectations identified in the Code of Student Conduct that can be found online at www.ladelta.edu. Students are expected to act with integrity, respect the rights of others, and conduct themselves in a professional manner. The Honor Code prohibits academic misconduct such as cheating, engaging in unauthorized collaboration, and plagiarism. Violations of the Code of Student Conduct may result in disciplinary action as provided in the Code. Incidents are reported through the online Student Conduct system.
