

Louisiana Delta Community College

Academic Affairs Master Syllabus

Course Name: STRUCTURAL PROCEDURES III

Course Number: WELD 2492

Lecture hours: 15

Lab Hours: 75

Credit Hours: 3

Textbook, Author, and Publisher: To be provided by College Campus

Instructor Information: To be provided by College Campus

Course Description:

This course expands on flame cutting to include methods used to cut or split structural components, such as beams and bars. It also covers the interpretation of fabrication drawings and interpretation of welding symbols.

Prerequisites: WELD 1100

Co-requisites: None

Learning Outcomes:

On completion of this course, the student should be able to:

1. Set up, maintain, and safely use oxyfuel equipment
2. Explain how to lay out and cut bevels and chamfers
3. Explain how to lay out and cut a circle using both manual and mechanical equipment
4. Explain how to cut/split various shapes, including T-beams, I-beams, Z-bars, bulb angles, brackets, square tubing, flat bar, angles and channels
5. Use a drawing to lay out and apply the angle of a bevel
6. Heat a line and cut a chamfer using a track torch
7. Use a circle torch to cut a circle
8. Cut and bevel various shapes
9. Identify and interpret the elements of structural drawings
10. Identify welding symbols and explain how they determine joint design
11. Use a fabrication and installation drawing to identify dimensional information against actual location and piece numbers and determine their location
12. Sketch an isometric drawing from an orthographic set and sketch an orthographic drawing from all views

Assessment Measures: To be provided by the College Campus.

Library Resource Center:

The Delta Library and Learning Resource Center is committed to providing quality information and learning resources and services, including technology, in supporting the overall mission of Delta Community College and its commitment to lifelong learning.

Special Accommodations:

Louisiana Delta Community College complies with Section 504 of the Rehabilitation Act, as well as the Americans with Disabilities Act. Students with disabilities who attend the Monroe campus may make a request by contacting the Director of Counseling and Disability Services (See College Directory for contact information.) at the beginning of each semester. Reasonable accommodations will be attempted for students with documented disabilities. If an impairment is identified later in the semester, a non-retroactive accommodation plan will be developed. Students at satellite campuses should contact the Coordinator of Student Affairs at their particular campus.

Title IX:

Louisiana Delta Community College is committed to protecting the rights of students, which includes compliance with Title IX requirements. As such, the institution and members of our community will not tolerate the offenses of dating violence, domestic violence, sexual assault, and stalking. Students with Title IX concerns should contact the College's Title IX Coordinator (See College Directory for contact information.) Students are required to complete Sexual Assault Awareness and Prevention Online Training. Access to this online course will be sent out through the Delta email account.

Student Code of Conduct:

Louisiana Delta Community College encourages an environment of academic integrity and mutual respect. Students should read and follow both academic and behavioral expectations identified in the Code of Student Conduct that can be found online at www.ladelta.edu. Students are expected to act with integrity, respect the rights of others, and conduct themselves in a professional manner. The Honor Code prohibits academic misconduct such as cheating, engaging in unauthorized collaboration, and plagiarism. Violations of the Code of Student Conduct may result in disciplinary action as provided in the Code. Incidents are reported through the online Student Conduct system.
