Start Here. Go Anywhere.
- Go to [http://www.ladelta.edu](http://www.ladelta.edu)
- Scroll to the “Log Me Into” section of the homepage
- Click the “LOLA” link
- Sign into LOLA with the appropriate username and password (use the “I don’t know my password” link to reset your password)
- Once at the main LOLA page, click on the “Student” link in the Self Service Banner group
- In the Academic Links group, click the “Registration” link
Once in the student registration area, click the “Register for Classes” link
The select the appropriate term (Ex. Fall 2020, Spring 2021, etc)
The “FIND CLASSES” Tab – Option #1

- In this instance, you are on the Find Your Classes tab
- Type the general course subject in the “Subject” box or click on the “Subject” box to select from the drop down menu
- You may also type in the course number in the “Course Number” box to restrict the number of results
- Click the “Search” button to continue
A list of matching classes will populate the screen; notice a small description of either lecture, hybrid, or web will appear below the course title. This indicates the instructional method for each section; Lecture=face-to-face, Web=online, Hybrid=F2F/online combo.

Once you have identified a section, click the “Add” button.

Your class(es) will appear in the Summary section of the registration window.

In order to complete registration of any and all classes, YOU MUST CLICK “SUBMIT”
The “Enter CRNs” Tab – Option #2

- If you are given CRN numbers corresponding to specific course sections, use the “Enter CRNs” tab
- Input the 5-digit CRN numbers for each class in the “CRN” textboxes
- Click the “Add to Summary” button
- Your class(es) will appear in the Summary section of the registration window.
- In order to complete registration of any and all classes, YOU MUST CLICK “SUBMIT”
To check your registration status, back out of “Register for Classes”, then go to “View Registration Information”
