

### Financial Aid Reminders for Students Enrolled for the Fall 21 Semester

**\*Financial Aid Freeze Date:** The Office of Financial Aid will “Freeze” hours on the Census Date – **September 2, 2021**. Any late start courses/part of terms added after this date will not be included in your enrollment status for disbursing federal financial aid. This may result in you owing additional charges. Therefore, if you are currently enrolled and you choose to add a course to your schedule, you must do so prior to the census date. This does not apply to any NEW students enrolling for the first time after the census date.

**\*The Bookstore Credit** for financial aid students will end at midnight on **September 2, 2021**. The maximum bookstore credit amount is \$1200 for students with available funding. Please reference your email, Canvas, and our website for more information regarding the bookstore credit.

**\*Please reference the [Financial Aid](#) section of LDCC’s website and the [Academic Calendar](#) for more detailed information regarding these reminders and other topics. If you have any questions, please contact the Office of Financial Aid at your respective campus.**

### FINANCIAL AID REMINDERS

**\*The Satisfactory Academic Progress (SAP) Appeal Deadline** for the Fall 2021 semester is **September 3, 2021** for currently enrolled students. Students that are not meeting SAP requirements can submit their signed appeal form and documentation to the Office of Financial Aid, through the Financial Aid Document Upload Portal, by fax, or email.

**\*Failure to Begin Attendance:** Federal regulations require that students earn their financial aid funds by attending and actively participating in their courses. Failure to begin attendance in each course may result in a reduction of the student’s federal financial aid (Pell Grant, Loans, etc.).

**\*If you receive Federal Financial Aid, you must complete more than 60% of the semester before you are considered to have earned 100% of your aid.**
