

Louisiana Delta Community College

Paramedic Program Application

Summer 2026-Spring 2027 Cohort

Application Deadline: March 15, 2027

Admission Information

Admission to the Louisiana Delta Community College (LDCC) Paramedic Program is competitive. Complete applications that include all required documentation will be reviewed on a first-come, first-served basis. Preference is given to applicants who submit all required materials by the application deadline.

Only 20 students will be admitted into each cohort. Applicants not initially selected may be placed on a waiting list if space becomes available.

Students must maintain current EMT certification and Louisiana EMS licensure throughout the program.

Submit all required documents as **one PDF file labeled** as LastName.FirstName.Summer.2026 (ex: Doe.John.Summer.2026) to:

EMS@ladelta.edu

Essential Technical Standards Summary

Students enrolled in the Paramedic Program must be able to:

Observation

- Assess patients using visual inspection.
- Read medication labels, monitors, and documentation.
- Distinguish colors, shades, and measurements.

Communication

- Communicate effectively with patients, families, and healthcare providers.
- Document care accurately and professionally.

Motor Skills

- Lift, move, and position patients.
- Perform patient assessments and medical procedures.
- Operate EMS equipment safely.

Sensory Abilities

- Hear patient complaints, monitor alarms, and auscultated sounds.
- Detect odors relevant to patient care and safety.
- Utilize touch and fine motor skills required for clinical procedures.

Cognitive Skills

- Exercise critical thinking and sound clinical judgment.
- Process information rapidly in emergency situations.
- Perform mathematical calculations related to medication administration and patient care.
