For the purpose of providing funds for paying all or part of the Cost of a Series Project, Bonds of a Series, without limitation as to aggregate principal amount, may be issued under this Master Indenture subject to the conditions hereinafter provided in Section 207 of this Article. Debt Service on each Series of Bonds shall be payable solely from the Pledged Revenues and Pledged Funds pledged to such Series of Bonds in the Supplemental Indenture authorizing the issuance of such Series of Bonds and, as may be provided in such Supplemental Indenture, all of the provisions of this Master Indenture shall be for the benefit and security of the present and future Owners of such Series of Bonds so issued, without preference, priority or distinction, as to lien or otherwise, of any one Bond of such Series over any other Bond of such Series. The District may also issue from time to time, Additional Bonds, Completion Bonds and Refunding Bonds of a Series under and pursuant to the terms of the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 202. Details of Bonds. Bonds of a Series shall be in such denominations, numbered consecutively, shall bear interest from their date until their payment at rates not exceeding the maximum rate permitted by law, shall be dated, shall be stated to mature in such year or years in accordance with the Act, and shall be subject to redemption prior to their respective maturities, subject to the limitations hereinafter provided, as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Bonds of a Series may be Current Interest Bonds, Variable Rate Bonds, Capital Appreciation Bonds, Option Bonds or any combination thereof and may be secured by a Credit and/or Liquidity Facility, all as shall be provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Bonds of a Series (or a part of a Series) may be in book-entry form at the option of the District as shall be provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Debt Service shall be payable in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public and private debts. Interest shall be paid to the registered Owner of Bonds at the close of business on the Record Date for such interest; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 hereof, the payment of interest and principal or Redemption Price or Amortization Installments pursuant hereto shall be made by the Paying Agent to such person, who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of a Bond. Any payment of principal, Maturity Amount or Redemption Price shall be made only upon presentation of the Bond at the designated corporate trust office of the Paying Agent. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment in writing prior to the Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Bonds). Unless otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, interest on a Series of Bonds will be computed on the basis of a 360-day year of twelve 30-day months.

Section 203. Execution and Form of Bonds. The Bonds shall be signed by, or bear the facsimile signature of, the Chairman, shall be attested and countersigned by the Secretary, and the certificate of authentication appearing on the face of the Bonds shall be signed by, or bear the facsimile signature of, the Trustee; provided, however, that each Bond shall be manually signed by either the Chairman, the Secretary or the Trustee. The official seal of the District shall be imprinted or impressed on the Bonds. In case any officer whose signature or a facsimile of whose signature appears on any Bond shall cease to be such officer before the delivery of such Bond, such signature or such facsimile shall nevertheless be valid for all purposes the same as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be proper officers to execute such Bond although at the date of such Bond such persons may not have been such officers. The Bonds, and the provisions for registration and reconversion to be endorsed on such Bonds, shall be substantially in the form set forth in a Supplemental Indenture. The Trustee may appoint one or more authenticating agents.

Section 204. Negotiability, Registration and Transfer of Bonds. The District shall cause books for the registration and for the transfer of the Bonds as provided in this Master Indenture to be kept by the Bond Registrar. All Bonds shall be registered as to both principal and interest. Any Bond may be transferred only upon an assignment duly executed by the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, such transfer to be made on such books and endorsed on the Bond by the Bond Registrar. No charge shall be made to any Owner for registration and transfer as hereinabove provided, but any Owner requesting any such registration or transfer shall pay any tax or other governmental charge required to be paid with respect thereto. The Bond Registrar shall not be required to transfer any Bond during the period between the Record Date and the next succeeding Interest Payment Date of such Bond, during the period between the Record Date for the mailing of a notice of redemption and the date of such mailing, nor after such Bond has been selected for redemption. The Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State of Florida, and each successive Owner, in accepting any of the Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the laws of the State of Florida.

Section 205. Ownership of Bonds. The person in whose name any Bond shall be registered shall be deemed the absolute owner thereof for all purposes, and payment of Debt Service shall be made only to or upon the order of the registered owner thereof or his attorney or legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Trustee, the District, the Bond Registrar and the Paying Agent may deem and treat the registered owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Trustee, the District, the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary.

Section 206. Special Obligations. Each Series of Bonds shall be a special and direct obligation of the District. Neither the Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness of the District within the meaning of the Constitution and laws of Florida. The Bonds and the interest and premium, if any, payable thereon do not constitute either a pledge of the full faith and credit of the District or a lien upon any property of the District other than as provided herein or in the Supplemental Indenture authorizing the issuance of such Series of Bonds. No Owner or any other person shall ever have the right to compel the exercise of any ad valorem taxing power of the District or any other public authority or governmental body to pay Debt Service or to pay any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds. Rather, Debt Service and any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds, shall be payable solely from, and shall be secured solely by, the Pledged Revenues and the Pledged Funds pledged to such Series of Bonds, all as provided herein and in such Supplemental Indenture.

Section 207. Authorization of Bonds. There shall be issued from time to time in Series, under and secured by this Master Indenture, Bonds without limitation as to aggregate principal amount for the purposes of: (i) paying all or part of the Cost of a Project or Projects or refunding an Outstanding Series of Bonds or any portion thereof; (ii) depositing the Series Reserve Account Requirement to the Series Reserve Account for such Series of Bonds; and (iii) paying the costs and expenses of issuing such Series of Bonds.

Each Series of Bonds, upon initial issuance thereof, shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of the following:

(a) an executed and attested original or certified copy of this Master Indenture;

(b) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on, and the amounts in, which such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, establishing the provisions for Additional Bonds, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(c) an opinion of counsel for the District stating that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized, approved, and adopted, that the issuance of such Series of Bonds has been duly authorized, and that this Master Indenture and the Supplemental Indenture constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally;

(d) An opinion of Bond Counsel for the District stating that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are not Taxable Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to their initial purchasers.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (c) and (d) above. When the documents mentioned in subsections (a) through (d) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chairman or Vice Chairman of the District.

The proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as follows:

(i) the amount received as accrued interest on the Bonds shall be deposited to the credit of the Series Interest Account and Capitalized Interest, if any, shall be deposited to the credit of the Series Capitalized Interest Account;

(ii) an amount equal to the Series Reserve Account Requirement or the initial cost of satisfying the Series Reserve Account Requirement if not satisfied by the deposit of cash, shall be deposited to the credit of the Series Reserve Account; and

(iii) the balance shall be deposited and applied as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 208. Temporary Bonds. Pending delivery of definitive Bonds, there may be executed, authenticated, and delivered to the Owners thereof, in lieu of definitive Bonds and subject to the same limitations and conditions except as to identifying numbers, temporary printed, engraved, lithographed or typewritten Bonds in Authorized Denominations, substantially of the tenor set forth in the Bond form to be set forth in the Supplemental Indenture authorizing such Series of Bonds. The District shall cause definitive Bonds to be prepared and to be executed, endorsed, registered, and delivered to the Trustee, and the Trustee, upon presentation to it of any temporary Bond, shall cancel the same or cause the same to be cancelled and cause to be authenticated and delivered, in exchange therefor, at the place designated by the Owner, without expense to the Owner, definitive Bonds of the same series and in the same aggregate principal amount, maturing on the same date and bearing interest or yield to maturity at the same rate as the temporary Bond surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits of this Master Indenture and any Supplemental Indenture as the definitive Bonds to be issued hereunder.

Section 209. Mutilated, Destroyed or Lost Bonds. If any Bonds become mutilated or destroyed or lost, the District may cause to be executed, and the District may cause to be delivered, a new Bond in substitution therefor and upon the cancellation of such mutilated Bond, or in lieu of and in substitution for such Bond destroyed or lost, upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost, and of his or her ownership thereof, and furnishing the District and the Trustee with indemnity satisfactory to them.

Section 210. Pari Passu Obligations Under Credit Agreements. As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable *pari passu* with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

Section 211. Bond Anticipation Notes. Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Project or Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit, in the related Series Interest Account. In the event that the District adopts a resolution authorizing the issuance of

Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and accepted in writing by the Trustee.

Section 212. Tax Status of Bonds. Any Series of Bonds issued under this Master Indenture either: (i) may be issued as Tax Exempt Bonds or (ii) may be issued as Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

ARTICLE III REDEMPTION OF BONDS

Section 301. Redemption Generally. The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of any one maturity of a Series shall be called for redemption, the particular Bonds of a Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest redemption price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series.

Section 302. Notice of Redemption; Procedure for Selection. The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice

shall set forth the terms of the redemption and the aggregate principal amount of Bonds so to be redeemed. Except as provided below, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (i) the numbers of the Bonds to be redeemed, by giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (ii) the CUSIP numbers of all Bonds being redeemed; (iii) in the case of a partial redemption of Bonds, the principal amount of each Bond being redeemed, (iv) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the series designation; (v) the rate or rates of interest borne by each Bond being redeemed; (vi) the maturity date of each Bond being redeemed; (vii) the place or places where amounts due upon such redemption will be payable; (viii) the notice date, redemption date, and redemption price; and (ix) the name, address, telephone number and contact person at the office of the Paying Agent with respect to such redemption. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the redemption price and shall state that further interest on such Bonds will not accrue from and after the redemption date. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice of redemption also shall be sent by registered mail, overnight delivery service, telecopy or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered Securities Depositories (described below) which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national Information Services (described below) that disseminate securities redemption notices, when possible, at least thirty (30) days, prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

Section 303. Effect of Calling for Redemption. On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the redemption price provided for the redemption of such Bonds on such date and, moneys for payment of the redemption price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to accrue, such Bonds shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the redemption price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

ARTICLE IV ACQUISITION AND CONSTRUCTION FUND

Section 401. Acquisition and Construction Fund. There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and to the credit of the Series Acquisition and Construction Accounts there shall be deposited the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

Section 402. Payments From Acquisition and Construction Fund. Payment of the Cost of constructing and acquiring the Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

Section 403. Cost of Project. For the purposes of this Master Indenture, the Cost of the Project shall include, without intending thereby to limit or to restrict any proper definition of such cost under the Act, other applicable provisions of Florida law, or this Master Indenture, the following:

(a) **Expenses of Bond Issuance.** All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit and Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees, expenses and Trustee's counsel fees, rating agency fees, fees of financial advisors, engineer's fees, administrative expenses of the District, the costs of preparing audits and engineering reports, the costs of preparing reports, surveys, and studies, and the costs of printing the Bonds and preliminary and final disclosure documents.

(b) **Accrued and Capitalized Interest.** Any interest accruing on the Bonds from their date through the first Interest Payment Date received from the proceeds of the Bonds (to be deposited into the related Series Interest Account) and Capitalized Interest (to be deposited into the related Series Capitalized Interest Account) as may be authorized or provided for by a Supplemental Indenture related to a Series of Bonds. Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account, Capitalized Interest shall also include any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Capitalized Interest Account, provided that such direction includes a certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Acquisition and Construction Account, together with earnings thereon will be

sufficient to complete the related Series Project which is to be funded from such Acquisition and Construction Account.

(c) **Acquisition Expenses.** The costs of acquiring, by purchase or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, and other interests in property, whether real or personal, tangible or intangible, which themselves constitute the Project or which are necessary or convenient to acquire and construct the Project.

(d) **Construction Expenses.** All costs incurred for labor and materials, including equipment and fixtures, by contractors, builders, and materialmen in connection with the acquisition and construction of the Project.

(e) **Other Professional Fees and Miscellaneous Expenses.** All legal, architectural, engineering, and consulting fees, as well as all financing charges, taxes, insurance premiums, and miscellaneous expenses, not specifically referred to in this Master Indenture that are incurred in connection with the acquisition and construction of the Project.

Section 404. Disposition of Balances in Acquisition and Construction Fund. On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved for the payment of any remaining part of the Cost of the Series Project shall be transferred by the Trustee to the credit of the Series Principal Account or the Series Redemption Account, in such amounts to either or both of such Accounts as an Authorized Officer shall instruct the Trustee in writing to transfer, and used for the purposes set forth for such Account in the Supplemental Indenture relating to such Series of Bonds.

ARTICLE V ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 501. Lien. There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Trust Estate securing such Series of Bonds, the Pledged Funds and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

Section 502. Establishment of Funds and Accounts. The following funds and accounts are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and, within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and, within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a Series Debt Service Account and within such Series Debt Service Account,

- (i) a Series Interest Account,
- (ii) a Series Principal Account
- (iii) a Series Capitalized Interest Account, and
- (iv) a Series Redemption Account, and therein a Prepayment Subaccount and an Optional Redemption Subaccount.

for each such Series of Bonds issued hereunder;

(d) Reserve Fund, and, within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Reserve Account for each such Series of Bonds issued hereunder and any Bonds issued on a parity with any such Series of Bonds hereunder; and

(e) Rebate Fund, and, within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Rebate Account for each such Series of Tax Exempt Bonds issued hereunder.

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Series Accounts or dispense with the Series Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

Section 503. Acquisition and Construction Fund.

(a) **Deposits.** The District shall pay to the Trustee, for deposit into the related Acquisition and Construction Account in the Acquisition and Construction Fund, as promptly as practicable, the following amounts received by it:

- (i) the amount set forth in the Supplemental Indenture relating to such Series of Bonds;
- (ii) payments made to the District from the sale, lease or other disposition of the Series Project or any portion thereof;
- (iii) the balance of insurance proceeds with respect to the loss or destruction of the Series Project or any portion thereof; and
- (iv) such other amounts as may be provided in a Supplemental Indenture.

Amounts in such Account shall be applied to the Cost of the Series Project; provided, however, that if any amounts remain in the Series Acquisition and Construction Account after the Date of Completion, and if such amounts are not reserved for payment of any remaining part of the Cost of the Series Project, such amounts shall be applied in the manner set forth in Section 404 above.

(b) **Disbursements.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition in the form of Exhibit A hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying engineer's certificate the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this Section 503(b).

(c) **Inspection.** All requisitions and engineer's certificates received by the Trustee pursuant to this Article shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of any Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion, the balance in the Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof.

Section 504. Revenue Fund and Series Revenue Accounts. The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all of such Pledged Revenues (except Prepayments), when received, into the related Series Revenue Account and to immediately deposit all Prepayments, when received, into the related Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.

Section 505. Debt Service Fund and Series Debt Service Accounts.

(a) **Principal, Maturity Amount, Interest and Amortization Installments.** On the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the credit of the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein will equal the principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date; and

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the credit of the Series Reserve Account, an amount, if any, which, together with the amount then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the credit of the Series Rebate Account the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) **Disposition of Remaining Amounts on Deposit in Series Revenue Account.** The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (x) the amount on deposit in the Series Interest Account, Series Principal Account, and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installment required to be paid into the Series Redemption Account in such Bond Year and if the Series Reserve Account Requirement is met, then (y) any amounts remaining in the Series Revenue Account shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser, or, if such commissions, fees, costs, or other charges have been paid by the District, then such amounts shall be applied to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amount has been withdrawn and paid for such expenses of collection, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein, or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Redemption Account.

(c) **Series Reserve Account.** Moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) **Series Debt Service Account.** Moneys held for the credit of a Series Principal Account and Series Interest Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and to redeem Term Bonds of such Series that are subject to mandatory redemption from Amortization Installments.

(e) **Series Redemption Account.** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount of the Redemption Account to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary or extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be deposited into the Series Optional Redemption Subaccount in the corresponding Series Redemption Account and held and applied therein as provided in Section 506(a) hereof.

(f) Payment to District. When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, the Trustee shall pay any balance in the Series Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series to the aggregate principal amount of all Series Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds (other than Subordinated Debt) for which such an Event of Default has occurred and is continuing.

Section 506. Optional Redemption.

(a) Excess Amounts in Optional Prepayment Subaccount of a Series Redemption Account. The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in an Optional Redemption Subaccount in a Series Redemption Account such amount of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) Purchase of Bonds of a Series. The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Principal Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Principal Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer to the Trustee by the District accompanied by a certificate of an Authorized Officer: (i) stating that sufficient moneys are on deposit in the Redemption Account to pay the purchase price of such Bonds; (ii) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (iii) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (ii) above, the Pledged Revenues

to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Principal Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the next preceding sentence from amounts on deposit in the related Series Principal Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Principal Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (i) stating that sufficient moneys are on deposit in the Series Principal Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (ii) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (iii) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (ii) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this Subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installment for Bonds of such Series first coming due in the current Bond Year, or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bond.

Section 507. Rebate Fund and Series Rebate Accounts.

(a) **Creation.** There is hereby created and established a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States.** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the

District, which amount shall be treated as an administrative and operating expense of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) **Deficiencies.** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as in paragraph (b) above provided

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Series Accounts shall be invested as hereinafter in this Section 508 provided.

(a) **Series Acquisition and Construction Account, Revenue Account and Debt Service Account.** Moneys held for the credit of a Series Acquisition and Construction Account, the Series Revenue Account, and the Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Series Account will be required for the purposes intended.

(b) **Series Reserve Account.** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) **Investment Obligations as a Part of Funds and Accounts.** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments.

(d) **Valuation.** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. Such investments, other than in a Series Reserve Account, shall be valued at the par value or the current market value thereof, whichever is lower, or at the redemption price thereof, if then redeemable at the option of the holder. In computing the value of the amount on deposit in a Series Reserve Account, obligations purchased as an investment of moneys therein shall be valued at par if purchased at par or at amortized value if purchased at other than par. Amortized value, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of interest payments remaining on such obligation on the date of purchase and deducting the amount thus calculated for each interest payment date after such purchase from the purchase price in the case of an obligation purchased at a premium and adding the amount thus calculated for each Interest Payment Date after such purchase to the purchase price in the case of an obligation purchased at a discount.

Section 509. Deficiencies and Surpluses in Funds. For purposes of this Section: (i) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (ii) a "surplus" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account, and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Redemption Account or the Series Principal Account.

Section 510. Investment Income. Unless provided otherwise in a Supplemental Indenture, earnings on investments in a Series Acquisition and Construction Account and the subaccounts therein, a Series Interest Account and a Series Revenue Account shall be deposited, as realized, to the credit of such Series Account and used for the purpose of such Account. Unless provided otherwise in a Supplemental Indenture, earnings on investments in a Series Principal Account and Redemption Account shall be deposited, as realized, to the credit of such Series Interest Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited, as realized, in the Series Revenue Account;

(b) if as of the last date on which amounts on deposit in the Series Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 508 above) in the Series Reserve Account, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be deposited to the credit of the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

Section 511. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be cancelled upon the payment, redemption or purchase of such Bonds. All Bonds cancelled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article, to all of which the parties hereto and the Owners agree.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee; and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder; and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel when such fees and expenses become due, and shall indemnify the Trustee (and its respective successors, agents and servants) and hold the Trustee (and its respective successors, agents and servants) harmless against any liabilities, obligations, losses, damages, penalties, claims, actions, suits and costs which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own gross negligence or willful misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received by the Trustee under this Master Indenture or any Supplemental Indenture and payable to the District other than Benefit Special Assessments and moneys from a Credit Facility or a Liquidity Facility. This provision shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts, subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which it is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and, after receipt of written notice thereof by a Credit Facility issuer or a Liquidity

Facility issuer of a default under its respective Reimbursement Agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least 25 % in aggregate principal amount of the Outstanding Bonds. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. *Obligation to Act on Defaults.* Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

Section 608. *Reliance by Trustee.* The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture; and the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

Section 609. *Trustee May Deal in Bonds.* The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

Section 610. *Construction of Ambiguous Provisions.* The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

Section 611. *Resignation of Trustee.* The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect; provided that notice of such resignation shall be sent by first-class mail to each Owner as its name and address appears on the Bond Register and to any Paying Agent, Bond Registrar, any Credit Facility issuer, and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may, at the expense of the District, petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

Section 612. *Removal of Trustee.* Any Trustee hereunder may be removed at any time by an instrument appointing a successor to the Trustee so removed, executed by the Owners of a majority in aggregate principal amount of all Bonds then Outstanding and filed with the Trustee and the District.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District or the Owners of not less than 20% in aggregate principal amount of the Bonds then Outstanding.

Section 613. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment by first-class mail to each Owner as its name and address appear on the Bond Register, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that no successor Trustee shall be appointed unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of any Credit Facility issuer, and any Liquidity Facility issuer, to the appointment of such successor Trustee.

Section 614. Qualification of Successor Trustee. A successor Trustee shall be a national bank with trust powers or a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000, but in no event shall the successor Trustee ever be the Credit Facility issuer or Liquidity Facility issuer.

Section 615. Instruments of Succession. Any successor Trustee shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder; and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder shall pay over to the successor Trustee all moneys held by it hereunder after payment of all fees and expenses owing to the Trustee; and, the Trustee ceasing to act and the District shall execute and deliver an instrument or instruments transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the Trustee ceasing to act.

Section 616. Merger of Trustee. Any corporation into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

Section 617. Resignation of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may resign and be discharged of the duties created by this Master Indenture by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the District and the Trustee not less than sixty (60) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation mailed not less than sixty (60) days prior to such resignation date to each Owner as its name and address appear on the registration books of the District maintained by the Bond Registrar. Such resignation shall take effect on the date specified in such notice, unless a successor Paying Agent or Bond Registrar is previously appointed in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Bond Registrar. If the successor Paying Agent or Bond Registrar shall not have been appointed within a period of sixty (60) days following the giving of notice, then the Trustee may appoint a successor Paying Agent or Bond Registrar as provided in Section 619 hereof.

Section 618. Removal of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may be removed at any time prior to any Event of Default by the District by filing with the Paying Agent or Bond Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by an Authorized Officer appointing a successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder.

Section 619. Appointment of Successor Paying Agent or Bond Registrar. In case at any time the Paying Agent or Bond Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Bond Registrar, as the case may be, and a successor shall be appointed by the District; and in case at any time the Paying Agent or Bond Registrar shall resign, then a successor shall be appointed by the District. Upon any such appointment, the District shall give written notice of such appointment to the predecessor Paying Agent or Bond Registrar, the successor Paying Agent or Bond Registrar, the Trustee and all Owners. Any new Paying Agent or Bond Registrar so appointed and accepting such duties as provided in Section 621 hereof shall immediately and without further act supersede the predecessor Paying Agent or Bond Registrar.

Section 620. Qualifications of Successor Paying Agent or Bond Registrar. Every successor Paying Agent or Bond Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (ii) authorized by law to perform all the duties imposed upon it by this Master Indenture and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

Section 621. Acceptance of Duties by Successor Paying Agent or Bond Registrar. Any successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Paying Agent or Bond Registrar, without any further act, deed or conveyance, shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Bond Registrar herein. Upon request of such Paying Agent or Bond Registrar, such predecessor Paying Agent or Bond Registrar and the District shall execute and deliver an instrument transferring to such successor Paying Agent or Bond Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Bond Registrar and such predecessor Paying Agent or registrar shall pay over and deliver to the successor Paying Agent or Bond Registrar all moneys and other assets at the time held by it hereunder.

Section 622. Successor by Merger or Consolidation. Any corporation into which any Paying Agent or Bond Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Paying Agent or Bond Registrar hereunder shall be a party, shall be the successor Paying Agent or Bond Registrar under this Master Indenture without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Master Indenture to the contrary notwithstanding.

ARTICLE VII FUNDS CONSTITUTE TRUST FUNDS

Section 701. Trust Funds. All amounts on deposit in Series Accounts for the benefit of a Series of Bonds shall:

- (a) be used only for the purposes and in the manner herein and in the Supplemental Indenture relating to such Series of Bonds provided and, pending such application, be held by the Trustee in trust for the benefit of the Owners of such Series of Bonds;
- (b) be irrevocably pledged to the payment of such Series of Bonds, except for amounts on deposit in the Series Rebate Accounts in the Rebate Fund;
- (c) be held and accounted for separate and apart from all other Funds and Accounts, including Series Accounts of other Series of Bonds, and other funds and accounts of the Trustee and the District;

(d) until applied for the purposes provided herein, be subject to a first lien in favor of the Owners of such Series of Bonds and any pari passu obligations to issuers of Credit or Liquidity Facilities with respect to such Series of Bonds, which lien is hereby created, prior and superior to all other liens now existing or hereafter created, and, to a second lien in favor of the Trustee, as security for the reasonable compensation for the services of the Trustee hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, subordinate and inferior to the security interest granted to the Owners of such Series of Bonds and any pari passu obligations to issuers of Credit or Liquidity Facilities with respect to such Series of Bonds, but nevertheless payable in the order of priority as set forth in Section 905(a) hereof upon the occurrence of an Event of Default; and

(e) shall not be subject to lien or attachment by any creditor of the Trustee or any creditor of the District or any other Series of Bonds other than the Owners of such Series of Bonds and the issuers of Credit or Liquidity Facilities with respect to such Series of bonds.

ARTICLE VIII COVENANTS AND AGREEMENTS OF THE DISTRICT

Section 801. Payment of Bonds. The District shall duly and punctually pay or cause to be paid, but only from the Trust Estate with respect to each Series of Bonds, Debt Service on the dates, at the places, and in the amounts stated herein, in any Supplemental Indenture, and in the Bonds of such Series.

Section 802. Extension of Payment of Bonds. Except as provided in Section 901 hereof, the District shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time for payment of interest thereon. The time for payment of Bonds of any Series shall be the time prescribed in the Supplemental Indenture relating to such Series of Bonds.

Section 803. Further Assurance. At any and all times the District shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, moneys, securities and funds hereby pledged or assigned, or intended so to be, or which the District may become bound to pledge or assign after the date of execution of this Master Indenture.

Section 804. Power to Issue Bonds and Create a Lien. The District hereby represents to the Trustee and to the Owners that it is and will be duly authorized under all applicable laws to issue the Bonds of each Series, to execute this Master Indenture, to adopt Supplemental Indentures, and to pledge its moneys, securities and funds in the manner and to the extent provided herein. Except as provided herein, the District hereby represents that such moneys, securities and funds of the District are and will be free and clear of any pledge, lien, charge or encumbrance thereon and all action on the part of the District to that end has been and will be duly and validly taken. The Bonds of each Series, this Master Indenture and any Supplemental Indenture are and will be the valid and legally enforceable obligations of the District, enforceable in accordance with their terms except to the extent that enforcement thereof may be subject to bankruptcy and other similar laws affecting creditors' rights generally. The District shall at all times, to the extent permitted by law, defend, preserve and protect the pledge and lien created by this Master Indenture and all the rights of the Trustee and the Owners hereunder against all claims and demands of all other persons whomsoever.

Section 805. Power to Undertake Series Projects and to Collect Pledged Revenues. The District has or will have upon the date of issuance of each Series of Bonds, and will have so long as any Bonds are Outstanding, good right and lawful power: (a) to undertake the Series Projects, or it will take such action on its part required which it deems reasonable in order to obtain licenses, orders, permits or other authorizations, if any, from any agency or

regulatory body having lawful jurisdiction which must be obtained in order to undertake such Series Project; and (b) to fix, levy and collect or cause to be collected the Assessments, Benefit Special Assessments, Maintenance Special Assessments, Impact Fees and any and all Pledged Revenues.

Section 806. Sale of Series Projects. The District covenants that, until such time as there are no Bonds of a Series Outstanding, it will not sell, lease or otherwise dispose of or encumber the related Series Project or any part thereof other than as provided herein. The District may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by the District in connection with a Series Project, or any materials used in connection therewith, if the District shall determine that such articles are no longer needed or are no longer useful in connection with the acquisition, construction, operation or maintenance of a Series Project, and the proceeds thereof may be applied to the replacement of the properties so sold or disposed of and, if not so applied, shall be deposited to the credit of the related Series Acquisition and Construction Account or, after the Date of Completion of the Series Project, shall be deposited to the credit of the related Series Principal Account. The District may from time to time sell or lease such other property forming part of a Series Project which it may determine is not needed or serves no useful purpose in connection with the maintenance and operation of such Series Project, if the Consulting Engineers shall in writing approve such sale or lease; the proceeds of any such sale shall be disposed of as hereinabove provided for the proceeds of the sale or disposal of movable property. The proceeds of any sale, lease or disposition shall be deposited to the credit of the related Series Acquisition and Construction Account until the Completion Date of the related Series Project, and, thereafter to the related Series Principal Account or Redemption Account.

Notwithstanding the foregoing, the District may: (i) dispose of all or any part of a Series Project, other than a Series Project the revenues to be derived from the operation of which are pledged to a Series of Bonds, by gift or dedication thereof to Polk County, Florida or to the State or any agency or instrumentality of either of the foregoing; and/or (ii) impose, declare or grant title to or interests in the Series Project or a portion or portions thereof in order to create ingress and egress rights and public and private utility easements as the District may deem necessary or desirable for the development, use and occupancy of the property within the District; and/or (iii) impose or declare covenants, conditions and restrictions pertaining to the use, occupancy and operation of the Series Projects.

Section 807. Completion and Maintenance of Series Projects. The District shall complete the acquisition and construction of a Series Project with all practical dispatch and in a sound and economical manner. So long as any Series Project is owned by the District, the District shall maintain, preserve and keep the same or cause the same to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time make, or cause to be made, all necessary and proper repairs, replacements and renewals so that at all times the operation thereof may be properly and advantageously conducted.

Section 808. Accounts and Reports.

(a) **Annual Report.** The District shall, within one hundred eighty (180) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with the Trustee, solely as a repository of such information, and otherwise as provided by law, a copy of an annual report for such year, accompanied by an Accountant's Certificate, including: (i) statements in reasonable detail of its financial condition as of the end of such Fiscal Year and income and expenses for such Fiscal Year; and (ii) statements of all receipts and disbursements of the Pledged Revenues of each Series of Bonds (unless the Pledged Revenues of such Series are remitted directly to the Trustee). The Trustee shall, within ninety (90) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with the District a summary with respect to each Fund and Account of the deposits thereto and disbursements therefrom during such Fiscal Year and the amounts held therein at the end of such Fiscal Year, or at the option of the Trustee, such summary can be made on a monthly basis.

(b) **No Default Certificate.** The District shall file with the Trustee, so long as any Bonds are Outstanding, within ninety (90) days after the close of each Fiscal Year, a certificate of an Authorized Officer stating whether or not, to the knowledge of the signer, the District is in default with respect to any of the covenants, agreements or conditions on its part contained in this Master Indenture and in any Supplemental Indenture and, if so, the nature of such default and actions taken or to be taken to remedy such default.

(c) **Inspection.** The reports, statements and other documents required to be furnished by the District to the Trustee and by the Trustee to the District pursuant to any provisions hereof shall be available for inspection by any Owner at the designated corporate trust office of the Trustee upon the giving of at least five (5) days advance written notice to the Trustee.

(d) **Reports Pursuant to Uniform Special District Accountability Act of 1989.** The District covenants and agrees that it will comply with the provisions of Chapter 189.401 et seq., Florida Statutes, as amended (1993), the Uniform Special District Accountability Act of 1989, to the extent applicable to the District, including any reporting requirements contained therein which are applicable to the District.

Section 809. Arbitrage and Other Tax Covenants. The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause the Tax Exempt Bonds to become "arbitrage bonds" as defined in Section 148 of the Internal Revenue Code of 1986. The District further covenants that it will take all such actions after delivery of any Tax Exempt Bonds as may be required in order for interest on such Tax Exempt Bonds to remain excludable from gross income (as defined in Section 61 of the Internal Revenue Code of 1986) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will, to the extent not remitted by the Trustee, remit to the United States the Rebate Amount at the time and place required by this Master Indenture and any Supplemental Indenture, including any Tax Regulatory Covenants contained therein.

Section 810. Enforcement of Payment of Assessments, Benefit Special Assessments, Impact Fees and Maintenance Special Assessments. The District will assess, levy, collect or cause to be collected and enforce the payment of Assessments, Benefit Special Assessments, Impact Fees and/or Maintenance Special Assessments which constitute Pledged Revenues for the payment of any Series of Bonds in the manner prescribed by this Master Indenture, any Supplemental Indenture and all resolutions, ordinances or laws thereunto appertaining at times and in amounts as shall be necessary in order to pay, when due, the principal of and interest on the Series of Bonds to which such Pledged Revenues are pledged; and to pay or cause to be paid the proceeds of such Assessments, Benefit Special Assessments, Impact Fees and/or Maintenance Special Assessments as received to the Trustee in accordance with the provisions hereof.

Section 811. Method of Collection of Assessments, Benefit Special Assessments and Maintenance Special Assessments. (a) Prior to the platting of benefitted property, the District shall levy and collect the Assessments directly in accordance with Chapters 190 and 170, Florida Statutes (1993); provided, however, that such method of collection does not interfere with the rights of the District to employ the collection method set forth in subparagraph (b) hereof with respect to the lands provided for therein.

(b) With respect to any parcel of platted land, the District will use its best efforts to enter into a written agreement (the "Collection Agreement") with the Property Appraiser, pursuant to the procedures set forth in Section 197.363, Florida Statutes (1993), under which the Property Appraiser will agree to list on the assessment roll for each of the subsequent tax years any Assessments which are pledged to the payment of any Series of Bonds, to include in the notice of proposed property taxes the dollar amount of such Assessments and to include on the tax notice issued pursuant to Section 197.322, Florida Statutes, the dollar amount of such Assessments. The District will agree to provide by not later than September 15 of each year (or such earlier date as shall be required by the Tax Collector or the Property Appraiser) the amount of any such Assessment to be levied against each parcel in the District. The term of the Collection Agreement will be at least twenty (20) years from the date of the issuance of

the Series of Bonds to which such Assessments are pledged. If the District is unable to enter into the Collection Agreement despite use of its best efforts to do so, then the District covenants that the Assessments will be levied and collected by it in the manner prescribed by law. The District shall also comply with the provisions of Chapter 190.021(3), Florida Statutes (1993) with respect to Maintenance Special Assessments and Chapter 190.021(2), Florida Statutes (1993) with respect to Benefit Special Assessments in order to cause the Property Appraiser to include the notice of Maintenance Special Assessments and Benefit Special Assessments which are pledged to the payment of any Series of Bonds to be included in the notice of proposed property taxes and on the tax notice issued pursuant to Section 197.322, Florida Statutes. The District shall, not later than one (1) Business Day following its receipt of each installment of Assessments, Benefit Special Assessments or Maintenance Special Assessments paid to it by the Tax Collector, remit the entire amount so collected to the Trustee for deposit into the related Series Revenue Account. The District agrees to give such consents and to take such other steps as may be necessary to permit the Trustee, in its discretion, to obtain information from the Tax Collector concerning the amount and date of each payment of Assessments, Benefit Special Assessments or Maintenance Special Assessments to the District.

Section 812. Delinquent Assessments, Benefit Special Assessments or Maintenance Special Assessments.

If the owner of any lot or parcel of land shall be delinquent in the payment of any Assessment, Benefit Special Assessment or Maintenance Special Assessment pledged to a Series of Bonds, then such Assessment, Benefit Special Assessment or Maintenance Special Assessment shall be enforced in accordance with Chapter 190.021(4), Florida Statutes (1993), or collected pursuant to the provisions of Chapters 170 and 197, Florida Statutes (1993), including but not limited to the sale of tax certificates and tax deed as regards such Delinquent Assessment, Benefit Special Assessment or Maintenance Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable, then upon the delinquency of any Assessment, Benefit Special Assessment or Maintenance Special Assessment the District either on its own behalf, or through the actions of the Trustee, may, but is not obligated to, declare the entire unpaid balance of such Assessment, Benefit Special Assessment or Maintenance Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapter 173, and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law. The District further covenants to furnish, at its expense, to the Trustee and any Owner of Bonds of the related Series so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments and all delinquent Benefit Special Assessments and Maintenance Special Assessments, together with a copy of the District's annual audit, and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments and all delinquent Benefit Special Assessments and Maintenance Special Assessments.

Section 813. Deposit of Proceeds from Sale of Tax Certificates. If any tax certificates relating to Delinquent Assessments, Benefit Special Assessments or Maintenance Special Assessments which are pledged to a Series of Bonds are sold by the Tax Collector pursuant to the provisions of Section 197.432, Florida Statutes (1993), or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Assessments, Benefit Special Assessments or Maintenance Special Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than one (1) Business Day following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Fund.

Section 814. Sale of Tax Deed or Foreclosure of Assessment, Benefit Special Assessment or Maintenance Special Assessment Liens. If any property shall be offered for sale for the nonpayment of any Assessment, Benefit Special Assessment or Maintenance Special Assessment which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount equal to the full amount due on the Assessment or Maintenance Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property shall then be purchased by the District for an amount equal to the balance due on the Assessment or Maintenance Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments, Benefit Special Assessments or Maintenance Special Assessments

were pledged. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the related Series Revenue Fund. Not less than ten (10) days prior to the filing of any foreclosure action as herein provided, the District shall cause written notice thereof to be mailed to the Trustee and any designated agents of the Owners of the related Series of Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to the Trustee and any designated agent of the Owners of the related Series of Bonds. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the related Series of Bonds within thirty (30) days after the receipt of the request therefor signed by the Trustee or the Owners of at least fifteen percent (15%) in aggregate principal amount of the Outstanding Bonds of such Series.

Section 815. Other Obligations Payable from Assessments, Benefit Special Assessments, Impact Fees or Maintenance Special Assessments. The District will not issue or incur any obligations payable from the proceeds of Assessments, Benefit Special Assessments, Impact Fees or Maintenance Special Assessments securing a Series of Bonds (other than such related Series of Bonds) nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge upon such Assessments, Benefit Special Assessments, Impact Fees or Maintenance Special Assessments other than the lien of the related Series of Bonds except for fees, commissions, costs, and other charges payable to the Property Appraiser or to the Tax Collector pursuant to Florida law.

Section 816. Re-Assessments. If any Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Assessment when it might have done so, the District shall either: (i) take all necessary steps to cause a new Assessment to be made for the whole or any part of such improvement or against any property benefitted by such improvement; or (ii) in its sole discretion, make up the amount of such Assessment from legally available moneys, which moneys shall be deposited into the related Series Revenue Account. In case any such subsequent Assessment shall also be annulled, the District shall obtain and make other Assessments until a valid Assessment shall be made.

Section 817. Secondary Market Disclosure. The District covenants and agrees with the Owners, from time to time, of the Bonds issued hereunder to make best efforts to provide, or cause to be provided, on a timely basis, to all appropriate information repositories such information and documents as shall be required by applicable law to enable Owners to purchase and resell the Bonds issued, from time to time, hereunder. For purposes of complying with the above-described provision, the District may rely on an opinion of counsel which is familiar with disclosure of information relating to municipal securities. Nothing herein shall, however, require the District to provide disclosure in order to enable the purchaser of a security in a "private placement transaction" within the meaning of applicable securities laws, to offer or re-sell such security in other than a "private placement transaction." All financial statements provided to a repository shall be in accordance with generally accepted accounting principles and shall be provided to such repository as soon as practicable after the same becomes available. The financial statements shall contain such information as shall be customary for local governments, such as the District. Nothing in this Section 817 is intended to impose upon the District, and this Section 817 shall not be construed as imposing upon the District, any disclosure obligations beyond those imposed by applicable law.

Section 818. General. The District shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the District under law and this Master Indenture, in accordance with the terms of such provisions.

Upon the date of issuance of each Series of Bonds, all conditions, acts and things required by law and this Master Indenture and any Supplemental Indenture to exist, to have happened and to have been performed precedent to and in the issuance of such Series of Bonds shall exist, have happened and have been performed and upon

issuance the issue of such Series of Bonds shall be within every debt and other limit prescribed by the laws of the State of Florida applicable to the District.

**ARTICLE IX

Section 901. Extension of Interest Payment. If the time for payment of interest of a Bond of any Series shall be extended, whether or not such extension be by or with the consent of the District, such interest so extended shall not be entitled in case of default hereunder to the benefit or security of this Master Indenture unless the aggregate principal amount of all Bonds of such Series then Outstanding and of all accrued interest the time for payment of which shall not have been extended shall have previously been paid in full.

Section 902. Events of Default. Each of the following events is hereby declared an Event of Default with respect to a Series of Bonds:

- (a) Any payment of Debt Service on such Series of Bonds is not made when due;
- (b) The District shall for any reason be rendered incapable of fulfilling its obligations hereunder or under the Supplemental Indenture relating to such Series of Bonds;
- (c) The District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of a related Series Project;

- (g) The District shall default in the due and punctual performance of any of the covenants, conditions, agreements and provisions contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the related Series of Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten per centum (10%) in aggregate principal amount of the Bonds of such Series then Outstanding.

Section 903. Acceleration of Maturities of Bonds of a Series. Upon the happening and continuance of any Event of Default specified in clauses (a) through (f) of Section 902 above with respect to a Series of Bonds, the

Trustee shall, upon written direction of the Owners of not less than fifty-one percent (51%) of the aggregate principal amount of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series to the contrary notwithstanding; provided, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Owners of not less than 51% of the aggregate principal amount of the Bonds of such Series then Outstanding not then due except by virtue of a declaration under this Section, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Section 904. Enforcement of Remedies. Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee or, if the Trustee is unwilling or unable to act, the Owners of not less than fifty-one percent (51%) in aggregate principal amount of the Bonds of such Series then Outstanding may protect and enforce the rights of the Owners of the Bonds of such Series under Florida law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee or the Owners of such Series of Bonds, as the case may be, shall deem most effectual to protect and enforce such rights.

Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds. Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 of this Article, all such moneys shall be applied:

First: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid.

Second: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

Third: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 of this Article, all such moneys shall be applied first to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid., and, then to the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other installment of interest, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 of this Article, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 of this Article, then, if the aggregate principal amount of all the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 of this Article, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section are in all respects subject to the provisions of Section 901 of this Article.

Whenever moneys are to be applied pursuant to this Section, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to any Owner until such Bond shall be surrendered to the Trustee for appropriate endorsement.

Section 906. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Section 907. Restriction on Individual Owner Actions. Except as provided in Section 910 below, no Owner of any of the Bonds shall have any right in any manner whatever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the

manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

Section 908. No Remedy Exclusive. No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

Section 909. Delay Not a Waiver. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 910. Right to Enforce Payment of Bonds. Nothing in this Article shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

Section 911. No Cross Default Among Series. The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

Section 912. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability.

ARTICLE X EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

Section 1002. Deposit of Bonds. Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

**ARTICLE XI
SUPPLEMENTAL INDENTURES**

Section 1101. Supplemental Indentures Without Owners' Consent. The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which supplemental indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

(a) to provide for the initial issuance of a Series of Bonds or refunding bonds of a Series, or, to provide for the issuance of Additional Bonds of a Series provided that such Additional Bonds satisfy the requirements set forth in the Supplemental Indenture relating to the original Series of Bonds to which such Additional Bonds relate; or

(b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of refunding bonds of a Series which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or

(c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or

(d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted;

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Outstanding Bonds;

(f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190 and 298, Florida Statutes (1993), so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of the Bonds Outstanding.

Section 1102. Supplemental Indentures With Owner Consent. Subject to the provisions contained in this Section, and not otherwise, the Owners of not less than fifty-one percent (51%) in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture or of any Supplemental Indenture; provided, however, except permitted below with respect to actions by Owners of Bonds of a particular Series affecting only Bonds of such Series, nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding,

- (a) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;
- (b) a reduction in the principal, premium, or interest on any Bond;
- (c) a preference or priority of any Bond over any other Bond; or
- (d) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indenture.

In addition to the foregoing, the Owners of not less than fifty-one percent (51 %) in aggregate principal amount of the Bonds of any Series then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any supplemental indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding,

- (a) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;
- (b) a reduction in the principal, premium, or interest on any Bond of such Series;
- (c) a preference or priority of any Bond of such Series over any other Bond of such Series; or
- (d) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.

If at any time the District shall determine that it is desirable to approve any Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail notice of the proposed Supplemental Indenture to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section to be mailed and any such failure shall not affect the validity of such Supplemental Indenture when consented to and approved as provided in this Section.

Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture. In addition to the other requirements herein set forth with respect to Supplemental Indentures, no Supplemental Indenture shall be effective unless and until there shall have been delivered to the Trustee the opinion of Bond Counsel to the effect that such Supplemental Indenture is permitted pursuant to this Master Indenture and that such Supplemental Indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles. In addition, if such Supplemental Indenture relates to a Series of Tax Exempt Bonds, such opinion shall also state that such Supplemental Indenture

will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

Section 1104. Supplemental Indenture Part of Indenture. Any Supplemental Indenture executed in accordance with this Article and approved as to legality by counsel to the District shall thereafter form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof.

Section 1105. Insurer or Issuer of a Credit or Liquidity Facility as Owner of Bonds. As long as a Credit or Liquidity Facility securing all or a portion of the Bonds of a Series Outstanding is in effect, the issuer of the Credit or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit or Liquidity Facility: (i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Owners of at least a majority in principal amount of the Bonds of the Series at the time Outstanding; (ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and (iii) following an Event of Default for all other purposes. Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit or Liquidity Facility with respect to a Series of Bonds will not be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting: (i) a change in the terms of redemption or maturity of any Bonds of a Series Outstanding or of any installment of interest thereon; or (ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or (iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or (iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

ARTICLE XII DEFEASANCE

Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and any Letter of Credit Agreement and any Liquidity Agreement and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture, including any amounts then owing to the Trustee, then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal, interest or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Outstanding Bonds or of a particular maturity, of a particular Series or of any part of a particular maturity or Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds

shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section. All Outstanding Bonds of any particular maturity or Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if: (i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III notice of redemption of such Bonds on such date; (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be; (iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registry books of the District, a notice to the registered Owners of such Bonds and to the Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, on such Bonds; and, (iv) an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax exempt status of such Series of Bonds. Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or redemption price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee: (i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate or, and to the extent all obligations under any Letter of Credit Agreement or any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility and any Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and (ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or redemption price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement or any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture. For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(c) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Investment Obligations on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and any Liquidity Agreement pursuant to the provisions of this Section, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or otherwise existing under this Master Indenture or under any Letter of Credit Agreement or any Liquidity Agreement.

(d) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and redemption price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if, at the time a deposit is made pursuant to this subsection (d), the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (d). If any portion of the moneys deposited for the payment of the principal of and redemption price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility or Liquidity Facility, for obligations under any Letter of Credit Agreement or any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture or any Letter of Credit Agreement or Liquidity Agreement.

(e) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for six (6) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for six (6) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall, at the written request of the District be repaid by the Trustee or Paying Agent to the District, as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registry books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(f) In the event that the principal and redemption price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(g) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (f) shall apply to the discharge of Bonds of a Series and to the discharge of the lien

of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds Outstanding" were a reference to the "Bonds of such Series Outstanding."

Section 1202. Moneys Held in Trust. All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.

The Series 2021 Reserve Account shall consist only of cash and Series 2021 Investment Obligations.

On the earliest date on which there is on deposit in the Series 2021 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding principal amount of the Series 2021 Note, together with accrued interest and redemption premium, if any, on the Series 2021 Note to the earliest redemption date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2021 Reserve Account into the Series 2021 Optional Redemption Subaccount to pay and redeem all of the Outstanding principal amount of the Series 2021 Note on the earliest date permitted for redemption therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2021 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Section 407. Reserved.

Section 408. Series 2021 Revenue Account; Application of Revenues and Investment Earnings. (a) The Trustee is hereby authorized and directed to deposit any and all amounts required to be deposited in the Series 2021 Revenue Account by this Section 408 or by any other provision of the Master Indenture or this Second Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. (b) The District shall deposit with the Trustee, immediately upon receipt, Series 2021 Assessment Revenues in an amount sufficient to pay Debt Service on the Series 2021 Note for the upcoming Fiscal Year and the Trustee shall deposit into the Series 2021 Revenue Account all such Series 2021 Assessment Revenues and any other amounts required by other provisions of the Indenture to be deposited into the Series 2021 Revenue Account.

(c) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall transfer amounts on deposit in the Series 2021 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2021 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on the Series 2021 Note then Outstanding on such May 1 or November 1, and the amount already on deposit in the Series 2021 Interest Account not previously credited;

SECOND, on May 1, 2023 and on each May 1 thereafter, to the Series 2021 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installment due on such May 1 and the amount already on deposit in the Series 2021 Sinking Fund Account not previously credited;

THIRD, to the Series 2021 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2021 Reserve Account Requirement with respect to the Series 2021 Note; and

FOURTH, the balance shall first be deposited into the Series 2021 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of

issuance relating to the Series 2021 Note, and then the balance shall be retained in the Series 2021 Revenue Account.

(d) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2021 Note shall be invested only in Series 2021 Investment Obligations. Earnings on investments in the Series 2021 Acquisition and Construction Account and the Series 2021 Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2021 Reserve Account and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2021 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2021 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2021 Reserve Account as of the most recent date on which amounts on deposit in the Series 2021 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2021 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2021 Reserve Account shall be deposited into the Series 2021 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2021 Reserve Account as of the most recent date on which amounts on deposit in the Series 2021 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2021 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2021 Reserve Account shall be retained in the Series 2021 Reserve Account until the amount on deposit therein is equal to the Series 2021 Reserve Account Requirement, and then earnings on investments in the Series 2021 Reserve Account shall be deposited into the Series 2021 Revenue Account and used for the purpose of such Account.

Section 701. Confirmation of Master Indenture. As supplemented by this Second Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this Second Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this Second Supplemental Indenture and to the Series 2021 Note issued hereunder.

Section 702. Collection of Assessments. Anything herein or in the Master Indenture to the contrary notwithstanding but subject to the immediately succeeding sentence, Series 2021 Assessments shall be collected pursuant to the Uniform Method unless the Owner has consented in writing to an alternative method of collection. To the extent the District is not able to collect such Series 2021 Assessments pursuant to the Uniform Method, the District may elect to collect and enforce such Series 2021 Assessments pursuant to any then available and commercially reasonable method under the Act, Chapter 170, Florida Statutes, Chapter 197, Florida Statutes, or any successor statutes thereto. The foregoing shall not preclude the District from collecting Direct Billed Operation and Maintenance Assessments for other purposes.

The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2021 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the benefit of the Owner of the Series 2021 Note within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Owner. The Trustee may, upon direction from the Owner, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

Section 705. Owner Direction and Consent with Respect to Series 2021 Acquisition and Construction Account Upon Occurrence of Event of Default. In accordance with the provisions of the Indenture, the Series 2021 Note is payable solely from the Series 2021 Pledged Revenues and the Series 2021 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2021 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2021 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2021 Note, the Series 2021 Pledged Funds may not be used by the District (whether to pay Costs of the Series 2021 Project or otherwise) without the consent of the Owner, except to the extent that prior to the Trustee notifying the District of such declared Event of Default the District had incurred a binding obligation with third parties for work on the Series 2021 Project and payment is for such work, and (c)

upon the occurrence of an Event of Default with respect to the Series 2021 Note, the Series 2021 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Owner, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Series 2021 Project that will cause the expenditure of additional funds from the Series 2021 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Owner.

Section 706. Enforcement of Remedies. Anything herein or in the Master Indenture to the contrary notwithstanding, the District covenants and agrees that it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, if applicable, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Owner.

Section 708. Brokerage Statements. The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive individual confirmations of security transactions at no additional cost, as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

Section 709. Patriot Act Requirements of the Trustee. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust, or other legal entity, the Trustee will ask for documentation to verify such non-individual person's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

Amortization Installments are subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of the Series 2021 Note other than from a scheduled Amortization Installment so as to reamortize the remaining Outstanding principal balance of the Series 2021 Note as set forth in the Supplemental Indenture.

So long as the Series 2021 Note is owned by the Bank, notice of redemption other than scheduled redemption, as to which no notice shall be required, shall be by written or electronic transmission to the Bank at the physical or electronic address of such registered Owner recorded on the bond register maintained by the Bond Registrar not less than [ten (10)] calendar days prior to the redemption date.

by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2021 Note or such portion thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of the Series 2021 Note or such portion thereof on such date, interest on the Series 2021 Note or such portion thereof so called for redemption shall cease to accrue, the Series 2021 Note or such portion thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owner thereof shall have no rights in respect of the Series 2021 Note or such portion thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Note shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of this Note which remain unclaimed for six (6) years after the date when such Note has become due and payable, either at its stated maturity date or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for six (6) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Note became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee cash or Federal Securities sufficient to pay the principal or Redemption Price of the Series

2021 Note becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of the Series 2021 Note as to the Series 2021 Trust Estate shall be discharged, except for the rights of the registered Owner thereof with respect to the funds so deposited as provided in the Indenture.

This Note is issued with the intent that the laws of the State of Florida shall govern its construction.
