Compliance Audit Overview

The Community Website Compliance Audit (CWCA) consists of a thorough assessment of Florida Community Development District (CDD) websites to assure that specified district information is available and fully accessible. Florida Statute Chapter 189.069 states that effective October, 2015, every CDD in the state is required to maintain a fully compliant website for reporting certain information and documents for public access.

The CWCA is a reporting system comprised of quarterly audits and an annual summary audit to meet full disclosure as required by Florida law. These audits are designed to assure that CDDs satisfy all compliance requirements stipulated in Chapter 189.069.

Compliance Criteria

The CWCA focuses on the two primary areas – website accessibility as defined by U.S. federal laws, and the 16-point criteria enumerated in [Florida Statute Chapter 189.069](#).

ADA Website Accessibility

Several federal statutes (American Disabilities Act, Sec. 504 and 508 of the Rehabilitation Act of 1973) require public institutions to ensure they are not discriminating against individuals on the basis of a person's disability. Community websites are required to conform to web content accessibility guidelines – [WCAG 2.1](#), which is the international standard established to keep websites barrier-free and the recognized standard for ADA-compliance.

Florida Statute Compliance

Pursuant to F.S. [189.069](#), every CDD is required to maintain a dedicated website to serve as an official reporting mechanism covering, at minimum, 16 criteria. The information required to report and have fully accessible spans: establishment charter or ordinance, fiscal year audit, budget, meeting agendas and minutes and more. For a complete list of statute requirements, see page 3.

Audit Process

The Community Website Compliance Audit covers all CDD web pages and linked PDFs.* Following the [WCAG 2.1](#) levels A, AA, and AAA for web content accessibility, a comprehensive scan encompassing 312 tests is conducted for every page. In addition, a human inspection is conducted to assure factors such as navigation and color contrasts meet web accessibility standards. See page 4 for complete accessibility grading criteria.

In addition to full ADA-compliance, the audit includes a 16-point checklist directly corresponding with the criteria set forth in Florida Statute Chapter 189.069. See page 5 for the complete compliance criteria checklist.

*** NOTE:** Because many CDD websites have links to PDFs that contain information required by law (meeting agendas, minutes, budgets, miscellaneous and ad hoc documents, etc.), audits include an examination of all associated PDFs. **PDF remediation** and ongoing auditing is critical to maintaining compliance.

Accessibility overview

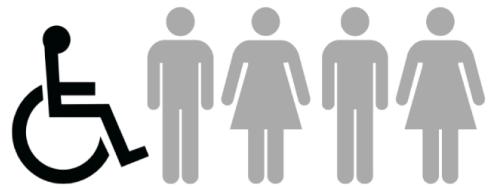

Everyone deserves equal access.

With nearly 1-in-5 Americans having some sort of disability – visual, hearing, motor, cognitive – there are literally millions of reasons why websites should be fully accessible and compliant with all state and federal laws. Web accessibility not only keeps board members on the right side of the law, but enables the entire community to access all your web content. The very principles that drive accessible website design are also good for those without disabilities.

The legal and right thing to do

Several federal statutes (American Disabilities Act, Sec. 504 and 508 of the Rehabilitation Act of 1973) require public institutions to ensure they are not discriminating against individuals on the basis of a person's disability. Community websites are required to conform to web content accessibility guidelines, WCAG 2.1, the international standard established to keep websites barrier-free. Plain and simple, any content on your website must be accessible to everyone.

19%
of population has a disability.

Sight, hearing, physical, cognitive.

ADA Compliance Categories

Most of the problems that occur on a website fall in one or several of the following categories.

Contrast and colors

Some people have vision disabilities that hinder picking up contrasts, and some are color blind, so there needs to be a distinguishable contrast between text and background colors. This goes for buttons, links, text on images – everything. Consideration to contrast and color choice is also important for extreme lighting conditions.

Contract checker: <http://webaim.org/resources/contrastchecker>

Using semantics to format your HTML pages

When web page codes are clearly described in easy-to-understand terms, it enables broader sharing across all browsers and apps. This ‘friendlier’ language not only helps all the users, but developers who are striving to make content more universal on more devices.

Text alternatives for non-text content

Written replacements for images, audio and video should provide all the same descriptors that the non-text content conveys. Besides helping with searching, clear, concise word choice can make vivid non-text content for the disabled.

Helpful article: <http://webaim.org/techniques/alttext>

Ability to navigate with the keyboard

Not everyone can use a mouse. Blind people with many with motor disabilities have to use a keyboard to make their way around a website. Users need to be able to interact fully with your website by navigating using the tab, arrows and return keys only. A “skip navigation” option is also required. Consider using [WAI-ARIA](#) for improved accessibility, and properly highlight the links as you use the tab key to make sections.

Helpful article: <http://webaim.org/techniques/skipnav>

Easy to navigate and find information

Finding relevant content via search and easy navigation is a universal need. Alt text, heading structure, page titles, descriptive link text (no ‘click here’ please) are just some ways to help everyone find what they’re searching for. You must also provide multiple ways to navigate such as a search and a site map.

Helpful article: <http://webaim.org/techniques/sitetools/>

Properly formatting tables

Tables are hard for screen readers to decipher. Users need to be able to navigate through a table one cell at a time. In addition to the table itself needing a caption, row and column headers need to be labeled and data correctly associated with the right header.

Helpful article: <http://webaim.org/techniques/tables/data>

Making PDFs accessible

PDF files must be tagged properly to be accessible, and unfortunately many are not. Images and other non-text elements within that PDF also need to be ADA-compliant. Creating anew is one thing; converting old PDFs – called PDF remediation – takes time.

Helpful articles: <http://webaim.org/techniques/acrobat/acrobat>

Making videos accessible

Simply adding a transcript isn't enough. Videos require closed captioning and detailed descriptions (e.g., who's on-screen, where they are, what they're doing, even facial expressions) to be fully accessible and ADA compliant.

Helpful article: <http://webaim.org/techniques/captions>

Making forms accessible

Forms are common tools for gathering info and interacting. From logging in to registration, they can be challenging if not designed to be web-accessible. How it's laid out, use of labels, size of clickable areas and other aspects need to be considered.

Helpful article: <http://webaim.org/techniques/forms>

Alternate versions

Attempts to be fully accessible sometimes fall short, and in those cases, alternate versions of key pages must be created. That is, it is sometimes not feasible (legally, technically) to modify some content. These are the 'exceptions', but still must be accommodated.

Feedback for users

To be fully interactive, your site needs to be able to provide an easy way for users to submit feedback on any website issues. Clarity is key for both any confirmation or error feedback that occurs while engaging the page.

Other related requirements

No flashing

Blinking and flashing are not only bothersome, but can be disorienting and even dangerous for many users. Seizures can even be triggered by flashing, so avoid using any flashing or flickering content.

Timers

Timed connections can create difficulties for the disabled. They may not even know a timer is in effect, it may create stress. In some cases (e.g., purchasing items), a timer is required, but for most school content, avoid using them.

Fly-out menus

Menus that fly out or down when an item is clicked are helpful to dig deeper into the site's content, but they need to be available via keyboard navigation, and not immediately snap back when those using a mouse move from the clickable area.

No pop-ups

Pop-up windows present a range of obstacles for many disabled users, so it's best to avoid using them altogether. If you must, be sure to alert the user that a pop-up is about to be launched.

Commercial Fuel Services Agreement

This Commercial Fuel Services Agreement (this “**Agreement**”) is entered into as of January 13, 2026 between **VillaSol Community Development District**, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes (the “**District**”) and **Thermotane Propane, LLC** a Florida limited liability company (the “**Contractor**”).

Background Information:

The District is responsible for the operation and maintenance of various recreational facilities and common areas throughout the community. In support of the operation of the common areas, the District owns an existing 120-gallon propane tank and desires to retain an independent contractor to provide weekly propane deliveries. Contractor represents that it has any and all required approvals and licenses to handle and transport the propane and is qualified to provide such services. In consideration of the Contractor’s agreement to perform the services described below and the District’s agreement to compensate the Contractor the parties desire to enter into this Agreement.

Operative Provisions:

- 1. Incorporation of Background Information.** The background information stated above is true and correct and by this reference is incorporated by reference as a material part of this Agreement.
- 2. Scope of Services.** The Contractor shall perform all work, including all labor, material, equipment, supplies, tools, supervision, services, transportation, and all other necessary incidental items required for the complete performance of weekly delivery of propane gas to the District’s propane tank.
- 3. Manner of Performance and Care of the Property.**
 - a. The work shall be done, furnished, and performed in a workmanlike manner to the satisfaction of the District and shall be in accordance with the best management practices in the industry.
 - b. Contractor shall use all due care to protect the property of the District, its residents and landowners from damage. Contractor agrees to repair or replace, to the District’s satisfaction, any damage resulting from Contractor’s activities and work within a reasonable amount of time. In the event Contractor does not repair or replace the damage to District’s satisfaction, Contractor shall be responsible for reimbursing District for such damages or the District may elect to deduct the costs of the repair from the payment to Contractor for the work under this Agreement.
- 4. Compensation.**
 - a. The District agrees to pay to the Contractor \$2.79 for each gallon of propane delivered to the District.
 - b. The District agrees to pay to the Contractor a hazmat/delivery fee of \$19.99 for each weekly delivery.
 - c. After Contractor provides the services, Contractor shall submit an invoice for the work performed the previous month.
 - d. The District shall pay the Contractor within 45 days of receipt of the invoice.
- 5. Additional Services.** When authorized in advance in writing by the District, the Contractor may provide additional services beyond those listed above. The additional services and any additional compensation are to be agreed upon in writing prior to the work commencing and covered under a separate amendment or work order authorization.
- 6. Term and Renewal.** The initial term of this Agreement shall be for 2 years from the date of this Agreement. At the end of the initial term, this Agreement shall automatically renew for subsequent 1 year

terms pursuant to the same price and contract provisions as the initial term, until terminated by either party pursuant to the termination provision below.

7. **Termination.** Either party may terminate this Agreement without cause with 30 days' written notice to the other party. Upon termination of this Agreement, the Contractor shall be entitled to payment for all work and/or services rendered up until the effective termination of this Agreement, subject to any claim or off-set the District may have against the Contractor.
8. **Relationship Between the Parties.** It is understood that the Contractor is an independent contractor and shall perform the services contemplated under this Agreement. As an independent contractor, nothing in this Agreement shall be deemed to create a partnership, joint venture, or employer-employee relationship between the Contractor and the District. The Contractor shall not have the right to make any contract or commitments for, or on behalf of, the District without the prior written approval of the District. The Contractor assumes full responsibility for the payment and reporting of all local, state, and federal taxes and other contributions imposed or required of the Contractor during the performance of services to the District.
9. **Compliance with Governmental Regulations.** The Contractor shall keep, observe, and perform all requirements of applicable local, State, and Federal laws, rules, regulations, or ordinances, including conservation easements applicable to the District. If the Contractor fails to notify the District in writing within 5 days of the receipt of any notice, order, required to comply notice, or a report of a violation or an alleged violation, made by any local, State, or Federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any action of the Contractor or any of its agents, servants, employees, or material men, or with respect to terms, wages, hours, conditions of employment, safety appliances, or any other requirements applicable to provision of services, or fails to comply with any requirement of such agency within 5 days after receipt of any such notice, order, request to comply notice, or report of a violation or an alleged violation, the District may terminate this Agreement, such termination to be effective immediately upon the giving of notice of termination. Any fees or fines incurred or imposed due to non-compliance shall be borne solely by the Contractor.
10. **Insurance.** The Contractor shall carry commercial general liability insurance of no less than \$1,000,000. The Contractor shall deliver to the District proof of insurance referred to herein or a certificate evidencing the coverage provided pursuant to this Agreement and naming the District as "Additional Insured" under such policy. Such insurance policy may not be canceled without a 30-day written notice to the District. The Contractor will maintain Workers Compensation insurance as required by law.
11. **Indemnification.** Contractor agrees to indemnify and hold the District and its officers, agents and employees harmless from any and all liability, claims, actions, suits, demands and obligations by any person, corporation or other entity for injuries, death, property damage or of any nature, arising out of, or in connection with, the work to be performed by Contractor. Obligations shall include the payment of all settlements, judgments, damages, penalties, forfeitures, back pay, court costs, arbitration, and/or mediation costs, litigation expenses, attorney's fees and paralegal fees (whether in court, out of court, on appeal or in bankruptcy proceedings), as ordered.
12. **No Waiver of Sovereign Immunity.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, Florida Statutes, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

13. Scrutinized Companies. Pursuant to Section 287.135, Florida Statutes, Contractor represents that in entering into this Agreement, the Contractor has not been designated as a “scrutinized company” under the statute and, in the event that the Contractor is designated as a “scrutinized company”, the Contractor shall immediately notify the District whereupon this Agreement may be terminated by the District.

14. Anti-Human Trafficking. Pursuant to Section 787.06, Florida Statutes, Contractor represents that in entering into this Agreement, the Contractor does not use coercion for labor or services as defined in the statute. The Contractor is required to provide an affidavit, signed by an officer or a representative of the Contractor with this representation, addressed to the District, as required by Section 787.06(13), Florida Statutes.

15. E-Verification. Pursuant to Section 448.095(2), Florida Statutes,

- a. Contractor represents that Contractor is eligible to contract with the District and is currently in compliance and will remain in compliance, for as long as it has any obligations under this Agreement, with all requirements of the above statute; this includes, but is not limited to, registering with and using the United States Department of Homeland Security’s E-Verify system to verify the work authorization status of all employees hired on or after January 1, 2021.
- b. If the District has a good faith belief that the Contractor has knowingly violated Section 448.09(1), Florida Statutes, the District will terminate this Agreement as required by Section 448.095(2)(c), Florida Statutes.
 - i. If the District has a good faith belief that a subcontractor knowingly violated Section 448.09(1), Florida Statutes, but the Contractor otherwise complied with its obligations thereunder, the District shall promptly notify the Contractor and the Contractor will immediately terminate its contract with the subcontractor.
 - c. If this Agreement is terminated in accordance with this section, then the Contractor will be liable for any additional costs incurred by the District.

16. Public Records. As required under Section 119.0701, Florida Statutes, Contractor shall (a) keep and maintain public records that ordinarily and necessarily would be required by the District in order to perform the service, (b) provide the public with access to public records on the same terms and conditions that the District would provide the records and at a cost that does not exceed the cost provided by law, (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law, (d) meet all requirements for retaining public records and transfer, at no cost, to the District all public records in possession of the Contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with the information technology systems of the District.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR’S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 407-472-2471, OR BY EMAIL AT BMENDES@RIZZETTA.COM, OR BY REGULAR MAIL AT 8529 SOUTH PARK CIRCLE, SUITE 330, ORLANDO, FL 32746.

17. Governing Law and Venue. This Agreement shall be governed under the laws of the State of Florida with venue in the county where the District is located.

18. Enforcement of Agreement. Neither party shall be responsible in damages, penalties or otherwise for any failure or delay in the performance of any of its obligations hereunder caused by fire, floods, strikes,

About Us

We Solve Problems & Make Pavement Maintenance Simple

Hall Company Inc. is locally owned and has operated in Central Florida since **1983**. During this time, we have created both a highly successful asphalt division and site development division. Our expertly trained teams have acquired an extensive range of expertise, professionalism, and an impressive edge in both areas.

Our most valuable asset we are happy to share: [Our References](#)

Hall Company's asphalt division specializes in complete parking lot and asphalt maintenance services, to include roadway base, paving repair, asphalt paving and overlay, seal coating, parking bumpers, sports court, ADA compliance, crack & joint repair, striping, signage, drain correction/mitigation and concrete installation and repair. Our site development division offers earthwork, land clearing, roadway base, paving and underground utilities.

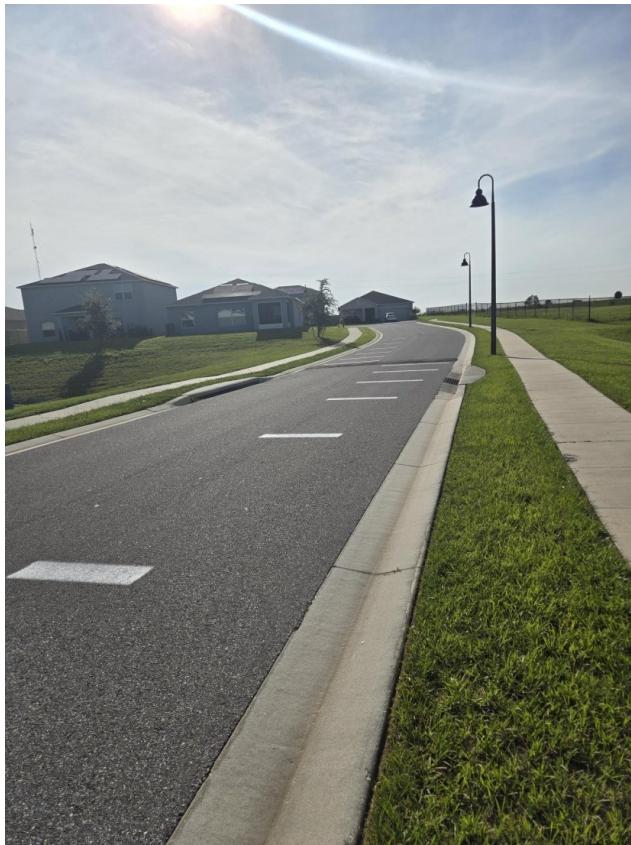

Please find the enclosed proposal and do not hesitate to call us with any questions.

48" Speed Bumps + Paint

1. Our firm has identified 50 locations provided by others, where asphalt speed bumps are to be installed throughout the community. This comprises apx. 4,400 SF of asphalt pavement.
2. Speed Bump Dimensions:
48" W x 22' L x 3" H
3. Each speed bump will follow a gradual transition from 0 to 3" inches at the highest point.
4. All speed bumps will be designed and hand worked using hot mix asphalt.
5. Speed bumps will be compacted using a vibratory plate compactor. This will ensure proper compaction for traffic durability.
6. All tools, equipment and loose debris will be removed from jobsite upon completion of the project.
7. This scope of work and price includes painting of all speed bump locations using DOT approved traffic paint.
-Chevron lead up bars on either side of speed bump as suggested in provided image (template)
-3 triangle arrows placed at edge of speed bump on either side, painted on the speed bump, as suggested in provided image (template)

Total Price: \$46,550.00

Contract Terms & Conditions.

1. Notification of the upcoming work is the responsibility of the customer.
2. Any cars in the designated work areas will be towed from the work area with all charges being the responsibility of the property owner/management company/owner. Any delays as a result of having to tow vehicles from the work area may result in additional charges.
3. This proposal does not include the cost of testing or permits. A Procurement Fee of \$495.00 per permit and any additional work required by the permit(s) will be extra to the contract.
4. The scope of work is limited to the items specifically outlined in the proposal.
5. No warranty is implied or given for surface course in event of future base or sub-base failure. All other workmanship and materials are guaranteed for a period of one (1) year from the date of completion, excluding normal wear and tear.
6. Finance charges shall be charged for all past due invoices at the rate of 1-1/2% per month, which is an annual percentage rate of 18%.
7. Payment processing fees for Hall Company to receive payment are not included in our pricing. If payments are made to Hall Company via a payment processing service, a change order will be required to cover additional costs.
8. Hall Company, Inc shall be entitled to recover all costs of collection of customers account, including reasonable attorney's fees, whether or not suit is instituted.
9. Any "Punch List" items must be identified during job completion walk-through. Punch List items will be corrected once 90% of the contract amount has been paid.
10. We appreciate the opportunity to present our proposal and look forward to being of service to you on this project and in the future. If you have any questions regarding our proposal, please do not hesitate to contact our office,
11. If leveling is needed, it will be an additional \$200.00 per ton.

Warranty & Conditions

1. **NOTE: Due to the current Volatility in material production and supply chains, materials availability and cost estimates cannot be guaranteed and are subject to repricing to current market rates at time of order.**
2. Our firm assumes no liability for damage to any utilities such as but not limited to gas, electric, plumbing, phone, cable, dog fencing, sprinklers, culvert pipes, etc. Broken sprinklers are not the responsibility of Hall Company, Inc.
3. All work will be warranted for a period of (1) one year from date of installation on materials and workmanship, **except cracks**.
4. All material guaranteed to be installed exactly as specified.
5. Any necessary permits or permit fees are owners' responsibility.
6. The cost of and obtaining of all permits, bonds, stakeouts, cut sheets, layout engineering, testing, etc. are excluded.
7. If, after being made aware of undesirable sub-base or base coarse conditions, the owner or owner agent insists on the installation of any part of the pavement without authorizing corrective action, our firm will not be responsible for any subsequent pavement failures, and will be paid as stated in the contract. Our firm shall not be liable for any failure to undertake or complete the work for causes beyond our control.
8. Unless weekend work is clearly identified in the proposal, price is for work to be completed during the week (Monday-Friday). Night or weekend work available at additional cost.
9. **Proposal is based on the current price of liquid asphalt. If there is a price increase in liquid asphalt, there will be additional charge for the difference.**
10. **Existing Surface:** The existing surface will be expected to support the weight of all required construction equipment. In the event that due to poor sub-grade conditions sinking may occur when we drive onto your site, Our firm will not be held responsible for damages to any concrete or asphalt due to the weight of our trucks & equipment.

TERMS & CONDITIONS

I. GENERAL CONDITIONS

1. Construction Schedule:

- Commencement:** Contractor shall commence construction within ten days of issuance of all documents required for the performance of the Scope of Work ("Commencement").
- Completion:** Contractor shall make a good-faith effort to complete the Scope of Work within 45 days of Commencement ("Construction Period"); however, Owner accepts deviation from the Construction Period as a risk of the construction process.
- Occupancy:** Owner shall not direct work to be performed or place personal property in the work area until the Project is complete.

2. Standards of Performance / Patching & Matching:

- Standard of Performance:** Contractor will professionally perform the Scope of Work, according to standard trade practice, and in compliance with the FL Building Code.
- Nonmaterial Adjustments:** Owner (i) understands that it is often necessary to make nonmaterial adjustments to the layout, structure, and dimensions of the Scope of Work, which do not substantially affect the value or appearance of the Project, and (ii) accepts Contractor's prompt and reasonable notice of occurrence of the same - as a risk of the construction process.
- Textures & Finishes:** Certain products, finishes, or textures may slightly differ from samples or photographs; whereas, Owner accepts such variation as a risk of the construction process.
- Patching & Matching:** Contractor will use its best efforts to match existing surfaces, textures, and finishes; however, Owner accepts (minor) variations of the same as a risk of the construction process.
- Non-specified Materials:** Any detail, item, product, finish, or location of such, not specified on the Plans/Specs, will be left up to the discretion of the Contractor. Non-specified materials shall be of builder's grade and quality.

3. Change Orders: Should Owner, design professional, Project Exclusion, Assumption, unforeseen condition, code, or public agency mandate any modification of, or addition to the Scope of Work, such determination to be construed at the sole discretion of Contractor; all costs to perform the additional work shall be added to the Contract Sum as a change order ("Change Order"). Change Orders shall be reduced to writing; whereas, Contractor reserves the right to withhold further performance of the Scope of Work until each/all Change Orders are executed.

While Contractor shall exercise due diligence to identify all conditions affecting the Scope of Work before Contract execution, certain unknown/unforeseen circumstances are inherent to construction; whereas, Owner accepts such risks of the construction process.

4. Owner's Obligations:

- Access:** Owner shall (i) remove its personal property/furnishings from all work areas, and (ii) provide Contractor reasonable and adequate access to perform the Scope of Work. Contractor shall not be held liable for damage to the Owner's personal property/furnishings that are not removed from the work areas as set forth above.
- Requests for Information:** Owner shall reply to Contractor's request(s) for information and/or product selection(s) within FIVE business days of delivery of Contractor's request ("RFI"). In the event Owner fails to respond to Contractor's RFI's as set forth above, Contractor shall have the option of (i) suspending further performance on the job, or (ii) performing the selection in the Owner's place.

5. Contractor's Obligations:

- Insurance:** Contractor and its vendors shall maintain general liability insurance, comply with the workers' compensation laws of this state, and furnish evidence thereof upon request.
- Waivers:** Contractor shall provide conditional lien waivers in exchange for payment disbursements and a Contractor's final payment affidavit upon request.

6. Safety / Owner's Access to Jobsite:

- To comply with OSHA safety regulations, Owner and its agents agree to (i) coordinate all work area visits through the Contractor, and (ii) wear personal protective equipment as required by the Contractor.
- To maintain Project hierarchy, management, and certain confidentialities, Owner agrees to direct all communications to Contractor's designated representative only and shall refrain from communicating to Contractor's employees, project vendors, building inspectors, and other job site personnel.

7. Remedies:

- Punch Items:** Owner shall provide Contractor detailed, specific written notice of any alleged punch item/defective work within ten (10) days of Contractor's notification the Scope of Work is complete ("Punch Item"); whereas, Contractor shall resolve the Punch Item within FIVE business days of delivery of the same. Owner and Contractor mutually agree to the decisions and actions to determine punch items being final, and binding, and (ii) **UNDER NO CIRCUMSTANCES SHALL OWNER WITHHOLD PAYMENT(S) DUE TO CONTRACTOR.**
- Owner's Default In Payment:** In the event of Owner's delay or default in payment, Contractor shall have the right to (i) cease work and remain idle, (ii) place a stop work order on all permits, (iii) remove all stored materials, (iv) secure the project to prevent theft/unauthorized work; whereas, Owner agrees that: (iv) any delinquent Progress Payment shall be subject to a 1.5% per month late fee, and (v) all attorney's fees, expenses, and other costs incurred by Contractor pursuant to Owner's delay or default in payment shall be borne by Owner (including, but not limited to, damages incident to unpaid Project vendors).
- Jury Waiver:** Any dispute arising out of this Contract shall be settled by civil bench trial in the county of Contract execution; whereas, all parties waive the right to trial by jury.
- Waiver of Incidental / Consequential Damages:** Except for Contractor's remedies outlined, Owner and Contractor waive all incidental and consequential damages arising out of or relating to this Contract (for purposes of example only: damages for delay, loss of rent, and the like).

8. Warranty / Disclaimers:

- Warranty:**
 - Workmanship:** Contractor shall provide a 2-year warranty against defective workmanship (commencing at the date of Completion).
 - Materials & Equipment:** Contractor neither provides nor makes warranty for materials, equipment, or furnishings; whereas, any and all manufacturer's warranties for the same shall be provided to the Owner.
- EXCLUSION OF IMPLIED WARRANTIES:** ALL IMPLIED WARRANTIES CONCERNING THE COMPLETION OF THE SCOPE OF WORK HEREUNDER, ARE HEREBY DISCLAIMED, TO THE EXTENT PERMITTED BY LAW, INCLUDING, BUT NOT LIMITED TO, HABITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE, WHETHER IMPLIED OR ARISING BY OPERATION OF LAW, COURSE OF DEALING, CUSTOM, AND PRACTICE, OR OTHERWISE. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF.
- Owner's Maintenance:** Contractor will deliver a Project professionally performed in accordance with standard trade practice; however, Owner's maintenance obligations to condition or dehumidify the living space, clean & maintain caulked/painted surfaces, establish equipment and landscape service contracts, and the like begins at Project completion. The Contractor has no liability for mold and other damages resulting from improper maintenance.

9. Force Majeure: The Contractor shall not be responsible for any delays or damage caused by the Owner or Owner's agent, acts of God, earth settlement, or other causes beyond the reasonable control of the Contractor.

10. Miscellaneous:

- Severability:** If any term or provision of this Contract is illegal, invalid or unenforceable for any reason whatsoever, such term shall be revised by the minimum amount to render such term or provision to be legal, valid and enforceable. If no such revision is possible, then such term or provision shall be deemed stricken, and shall not affect the validity of the remainder of the Contract.
- Amendment:** Handwritten changes to this Contract that are mutually agreed to by as evidenced by dated signatures by Owner and Contractor shall control.
- Survival / Assignment:** This Contract is binding on both parties and shall inure to the benefit of their respective heirs, representatives, successors, and permitted assigns. This Contract shall not be assigned without the written consent of both parties.
- Notices/Delivery:** Any written notice required or contemplated under this Contract may be delivered via hand service, U.S. Mail - Return Receipt Requested, a commercial courier with proof of delivery, or electronic service (text / email) effective upon recipient's confirmation of delivery ("Delivery"). Delivery by or electronic service (text / email) is deemed confirmed when provided to the recipient's known address for receiving email or text.

*In the event of Owner's delay or default in payment, Contractor shall have the right to (i) cease work and remain idle, (ii) place a stop-work order on all permits, (iii) remove all stored materials, (iv) secure the project to prevent theft/unauthorized work; whereas, Owner agrees that: (iv) any delinquent Progress Payment shall be subject to a 1.5% per month late fee, and (v) all attorney's fees, expenses, and other costs incurred by Contractor pursuant to Owner's delay or default in payment shall be borne by Owner (including, but not limited to, damages incident to unpaid Project vendors).

FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND

PAYMENT, UP TO A LIMITED AMOUNT, MAY BE AVAILABLE FROM THE HOMEOWNERS' CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIC VIOLATIONS OF FLORIDA LAW BY A LICENSED CONTRACTOR. TERMS, CONDITIONS & GUARANTEE

Driveway Maintenance Inc.. hereafter referred to as "DMI"

TERMS: Terms are as stated above. If payment is not made in accordance with the above terms, the customer agrees to pay any collection, legal fees and additional costs accrued due to unpaid balances.

Price is based on specifications and estimates as shown on the "Proposal & Agreement" from date of issuance. The cost estimates for this project are based upon current material or supply pricing. Since the market for materials is currently considered volatile, and sudden price increases could occur, DMI reserves the right to increase pricing for the work in the event that DMI directly incurs additional expenses arising out of or related to purchasing, shipping, or otherwise obtaining materials. Pricing is subject to change based on actual costs of materials at time of permit issuance. Pricing adjustments will be agreed upon by customer prior to the commencement of work.

Unless expressly noted within the proposal agreement, DMI makes no claim to the local, state, or federal compliance of any or all ADA elements present within the property boundary.

Additional charges may become necessary if extra materials or extra labor would become necessary to perform or complete this job or if extra services and/or materials are requested in writing by the owner or general contractor by their respective authorized supervisory employees. "DMI" shall not be held liable for damage to surrounding areas of driveway or parking lot due to poor subgrade, moisture, or other unforeseen circumstance. Additional charges will be in accordance with the agreed upon change order which is made part and parcel of these conditions and "Proposal & Agreement". "DMI" reserves the right to refuse additional equipment time, extra materials or extra labor if it would interfere with advanced scheduling with other customers with whom previous commitments had already been extended.

CONDITIONS: The above prices, specifications and conditions are satisfactory and are hereby accepted. You are contracted to do the work as specified and the stated payment terms are acceptable. All material is guaranteed to be as specified. All work is to be completed in a workmanlike manner in accordance to standard construction practices. Any deviation from this proposal or extra work will be executed only upon owner or owners agent orders and may become an extra charge over and above this agreement. All agreements are contingent upon delays beyond our control. Property owner to carry all necessary insurance. We do not guarantee against pavement cracking from weather cycles, reflective cracking, power steering marks or gauges in new asphalt pavement/patches, and water ponding or retention due to preexisting grade conditions. We cannot guarantee drainage or against water ponding on new asphalt. "DMI" shall not be liable for damage to adjoining asphalt, concrete flat work, or curbing, damages to underground utilities in the areas of construction, damages to irrigation within or adjacent to repair areas, damages/modifications to newly completed work due to removal of barricades or trespassing on job site during or after construction activities. Customer shall be responsible for costs of permits, procurement of permit by Contractor, and any additional work required by the permit or site inspections resultant of the permit.

EXCLUSIONS: The following items are excluded unless otherwise stated in the proposal: Engineering, Record Retrieval, Additional Excavation, Staking, Material Testing, Sod or Landscape Restoration, Irrigation Repairs, Manhole/Catch Basin/Gate Valve Adjustments or Repairs unless specified, Vegetation Removal, SAC/WAC Charges, Dewatering.

NOTICE OF LIEN: Any person or company supplying labor or materials for this improvement to your property may file a lien against your property if that person or company is not paid for the contributions.

VILLA SOL DEVELOPMENT Inspection Summary

On January 7th, 2026, Osceola County Traffic Operation conducted an inspection of roadways in the development of "VillaSol" to determine any deficiencies in signage that would not meet current FHWA / FDOT or MUTCD standards. This inspection was requested by Rizzetta & Company for VillaSol Development to provide documentation to Osceola County Sheriff Office upon entering into a legal agreement for enforcement in this private development.

VILLA SOL DEVELOPMENT SIGN COMPLIANCE LIST

Upon review of the traffic control devices, the following issues were found to be out of compliance.

Sign condition & deficiencies listed below:

1. Pedestrian advance sign needs to symbolize a Crosswalk symbol (W11-2) with Ahead plaque (W16-9P) below it. (*existing sign no longer meets reflectivity standards*).
2. Right Lane Must Turn Right sign (R3-7R) needs replaced. (*existing sign no longer meets reflectivity standards*).
3. Winding Road sign (W1-5) needs replaced. (*existing sign no longer meets reflectivity standards*).
4. Stop sign (R1-1) needs replaced (*Red color heavily faded*)
5. Speed Limit 25 (R2-1) needs replaced. (*existing sign no longer meets reflectivity standards*).
6. Winding Road sign (W1-5) needs replaced. (*existing sign no longer meets reflectivity standards*).
7. Stop sign (R1-1) needs replaced (*Red color heavily faded*)
8. Crosswalk sign not required where traffic is stopped at a stop sign.
9. Stop sign (R1-1) needs replaced (*Red color heavily faded*).
10. Stop sign (R1-1) needs replaced (*Red color heavily faded*).
11. Stop sign (R1-1) needs replaced (*Red color heavily faded*).
12. Stop sign (R1-1) needs replaced (*Red color heavily faded*).
13. Stop sign (R1-1) needs replaced (*Red color heavily faded*).
14. Stop sign (R1-1) needs replaced (*Red color heavily faded*).
15. Stop sign (R1-1) needs replaced (*Red color heavily faded*).
16. Stop sign (R1-1) needs replaced (*Red color heavily faded*).
17. Stop sign (R1-1) needs replaced (*Red color heavily faded*).

**All numbers above coordinate with the numbers listed in the photos and map below.*

SPECIAL NOTES:

- Recommend cleaning or replacing street name signs that show evidence of delamination or extreme aging.
- For the intersection of Puerta Del Sol Blvd @ Camino Real Dr North and South the use of ALL WAY (R1-4) plaque below all (4) stops sign is required.
- Existing Stop signs not noted above in the community are marginal and are recommended for replacement.

Map Location 8

Map Location 15

Map Location 16

Section 2B.04 STOP Sign (R1-1) and ALL-WAY Plaque (R1-3P)**Standard:**

- 01 When it is determined that a full stop is always required on an approach to an intersection, a **STOP** (R1-1) sign (see Figure 2B-1) shall be used.
- 02 Secondary legends shall not be used on **STOP** sign faces.
- 03 The **STOP** sign shall not be displayed using a changeable message sign.
- 04 At intersections where all approaches are controlled by **STOP** signs (see Section 2B.12), an **ALL-WAY** (R1-3P) supplemental plaque (see Figure 2B-1) shall be mounted below each **STOP** sign. The **ALL-WAY** plaque shall have a white legend and border on a red background.
- 05 Supplemental plaques with legends such as **2-WAY**, **3-WAY**, **4-WAY**, or other numbers of ways shall not be used with **STOP** signs.

Support:

- 06 The use of the **CROSS TRAFFIC DOES NOT STOP** (W4-4P series) and other plaques with variations of this legend is described in Section 2C.66.

Guidance:

- 07 *The **TRAFFIC FROM LEFT (RIGHT) DOES NOT STOP** (W4-4aP) plaque or **ONCOMING TRAFFIC DOES NOT STOP** (W4-4bP) plaque should be used at intersections where **STOP** signs control all but one approach to the intersection, unless the only non-stopped approach is from a one-way street.*

Option:

- 08 The **EXCEPT RIGHT TURN** (R1-10P) plaque (see Figure 2B-1) may be mounted below the **STOP** sign if an engineering study determines that a special combination of geometry and traffic volumes is present that makes it possible for right-turning traffic on the approach to be allowed to enter the intersection without stopping.

Support:

- 09 The design and application of Stop Beacons are described in Section 4S.05.

Section 2B.05 YIELD Sign (R1-2)**Support:**

- 01 The **YIELD** sign requires road users to yield the right-of-way to other traffic on certain approaches to an intersection or on a two way approach to a one way section of roadway, such as a narrow bridge or underpass. Vehicles controlled by a **YIELD** sign need to slow down to a speed that is reasonable for the existing conditions or stop when necessary to avoid interfering with conflicting traffic.

Standard:

- 02 The **YIELD** (R1-2) sign (see Figure 2B-1) shall not be displayed using a changeable message sign.

All financing contracts require a document fee of \$499-\$699. No other fees apply. This is for informational purposes only and should not be considered an offer to lend. The prices quoted are not a guarantee to lend based on this quote. Payments proposed are an estimate based on current cost of funds and the assumption of an A-quality credit rating on the borrowing entity and 2 years minimum time-in-business. All applicants are subject to credit review. Sub-premium credit and less than 2-years' time-in-business may affect the quoted payments. Quotes will be honored for 30 days. All rights reserved.

Additional financial information may be requested if deemed necessary during credit review.

By signing this application Obligor representative agrees to the following statement: *Everything stated in this application is correct to the best of my knowledge. I understand the Obligee will retain this application whether it is approved or denied. Obligee is authorized to verify any information on this application with an appropriate third party as necessary to complete the credit review process.*

Please note that, depending on circumstances, we reserve the right to charge a reasonable fee to the Obligor/broker, if this transaction is not funded. This fee is for expenses incurred and services performed related to the processing of the transaction. This fee will NOT be charged if the transaction is funded by Obligee.

It is understood and acknowledged that in order to complete the necessary review required to render an approval for the extension of credit to the business-applicant(s) as described herein, as well as the originating, maintaining, managing, monitoring, servicing, selling, insuring, and securitizing of a loan or in compliance with applicable laws, including state and Federal privacy and data security laws, Broad Fit Financial LLC and/or its successors and assigns, including third party service providers, if any (collectively, "Broad Fit Financial"), will need to obtain copies of certain documents of a financial nature from the business-applicant, and the principal, owner or officer listed above, including, but not limited to, Federal and state tax returns, as well as from third parties such as national credit bureaus. The above-listed owner, principal or officer, by signing below, hereby certifies that he/she/they has full authority to act on behalf of the business-applicant and authorizes Broad Fit Financial to review the business applicant's, as well as his/her personal, credit profile provided by such national credit bureau or other third party and further authorizes all deposit, borrowing, financial and trade information to be released to Broad Fit Financial by telephone, fax or email. In addition, any owner, principal or officer listed above represents and warrants, individually and as a duly authorized representative of the business-applicant, that (i) all information provided to Broad Fit Financial in connection with this Application, whether signed or not, is true and complete in all material respects and can be relied upon by Broad Fit Financial; (ii) any credit extended by Broad Fit Financial will be used solely for business and commercial purposes; and (iii) Broad Fit Financial is authorized to email information about financing, promotions and other offers to the email address listed above. The business-applicant and any owner, principal or officer listed above direct Broad Fit Financial to transmit all information and documents that Broad Fit Financial may obtain, including business or personal credit reports and this Application, to other persons that are involved with or participate with Broad Fit Financial in providing commercial funding, including, but not limited to, one or more alternate third-party funding providers, for the purposes of facilitating funding for the business-applicant. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. Therefore, when you apply for a loan, whether individually or on behalf of the business-applicant, Broad Fit Financial will request your name, address, date of birth, and other information that will allow us to identify you. Broad Fit Financial may also ask to see a government issued ID such as a driver's license. Owner, principal and/or officer, individually and on behalf of the business-applicant, further agrees to receive electronic copies of disclosures, agreements, adverse action notices, change notices, terms and conditions and any other document. This Application and any amendments, modifications and/or supplements thereto and all documents related therewith may be signed electronically pursuant to the Electronic Signatures in Global and National Commerce Act, the Uniform Electronic Transactions Act and other applicable law. All signatures so generated, as well as those transmitted by facsimile, email, digital photography or other electronic means, shall for all purposes be deemed to be effective, binding, legally admissible and have the same effect as a manually applied ink signature.

If your application for business credit is denied, you have the right to a written statement of the specific reasons for the denial. To obtain the statement, please contact Broad Fit Financial within 60 days from the date you are notified of our decision. We will send you a written statement of reasons for the denial within 30 days of receiving your request for the statement.

NOTICE: The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, natural origin, sex, marital status, age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The federal agency that administers compliance with this new law concerning this creditor is Federal Reserve Consumer Help Center, P.O. Box 1200 Minneapolis, MN 55480.

Policies & Procedures Residential Leak Detection

Service

Since most pools have multiple leaks and our goal is to serve our customers to the best of our ability, we have developed the Full Leak Detection method. Our business is based upon integrity, excellent customer service and intelligent methodology.

Pricing

This pricing is for a standard, exposed aggregate-type finish, with jets/returns on the walls of the pool.

Pool Only - \$475
 Pool & Spa - \$525

A Full Leak Detection includes:

- **A full structural exam:** We will scuba dive your pool and thoroughly examine the entire structure.
- **A full plumbing test:** Every plumbing line will be accounted for. If there's a leak we will pressure test and pinpoint that leak using specialized electronic equipment.
- **Epoxy repairs:** For any leaks that can be properly repaired with epoxy we will repair those on the spot. This does not require the pool to be drained as these can set properly underwater. This accounts for most of the leaks we find.

A Full Leak Detection does not include:

Construction repairs: Some leaks will require a construction-type repair to stop water loss long-term. We will either leave you a separate quote for a construction repair that falls within our scope or refer you to a company that specializes in the repair required.

Waterfalls / Water Features -- add \$50+ each depending on testability and complexity

Our Guarantee

We will find your leak(s) or no money is owed to us for the service. We stand by this guarantee as long as the pool is losing .5" per day or more, with no heater running. We also require that we are given an opportunity to return to the pool under warranty for further testing if the pool continues to leak after our initial inspection. To give you plenty of time to determine if your pool is still leaking, we give a 6-month warranty on the leak detection service. If Leak Detection is needed after the warranty period, our discount is as follows: 6-8 months - \$300 off, 8-12 months - \$100 off. After 12 months - no discount applied.

Appointment Guidelines

- When calling to schedule, please **be prepared to tell** us how many inches the pool level is dropping per day or per week - just an estimate.
- **We do not require** anyone to be home while we are working. Our techs will call you when they are on their way and then with the results and to take payment when the job is complete.
- **We do require** that your pool be filled to the normal level (not overfilled). We cannot test any area of the pool that is above the water level. Please fill your pool to the middle of the skimmer face for proper testing.
- **We do require** that the pool is clean upon arrival. Any pool that is not clean enough to examine will result in a \$75 trip charge.

Please email or call our office to schedule your appointment... A leak-free pool is just around the corner!

We look forward to serving you!

Construction Repairs Information & Disclaimers

**To view photos of some recent repairs we have done, please visit:
www.aaronsleakdetection.com/repair-gallery**

Multiple Hole Disclaimer: A very intentional effort is made to cut the least number of holes in the smallest size necessary to be effective, but occasionally more than one hole, or a larger hole, is required to properly repair the leak. Note: If we've mislocated a plumbing leak, we will retest and pinpoint until it is located. We will pay for repairs to any extra holes that are cut due to our mislocation.

Texturing & Painting: Our first priority is to make the area a non-slip, safe surface. Our second priority is matching the existing texture. Please note - the deck will not be painted or stained to match color. No claims or guarantees regarding color or finish match are made.

Pool Water: It is the sole responsibility of the homeowner to refill the pool and balance the chemicals after the repair is completed.

Multiple Plumbing Leaks: Due to the nature of pressure testing, only the largest and loudest plumbing leak may be identified during the initial leak detection. If, after a repaired plumbing leak is retested, any additional plumbing leaks are located, a separate repair quote (often discounted) will be given. This is not common, but it is a possibility.

Jet Face & Pop Up Jet Replacement: The area surrounding the newly repaired jet, as it comes through the pool or spa wall, will be noticeable. This is usually less than a 2" area. An effort will be made to finish the area to reasonably match the existing surface, but no claims or guarantees regarding color or finish match are made.

Sod & Plants: An effort will be made to preserve plants but no guarantees are made regarding the survival of plants or sod.

Pavers, Tile, & Travertine: Please be aware that all efforts will be made to avoid breaking any pavers, tile, or travertine but due to the inherent disruptive nature of construction repairs it is possible there will be breakage. If this happens, there will be an additional \$150 fee to locate a reasonably matching alternative. Again, all efforts will be made to avoid breakage, but no guarantees are made regarding the replacement of such materials with an exact match.

Ground Water vs. Your Pool: Hydrostatic forces may cause empty in-ground pools to float or "pop" out of the ground and cause damage to the shell and surrounding components. We reserve the option to reschedule any repair job requiring us to drain your pool more than a few feet. Our repair technician will assess the area, search for signs of high ground water,

and made a determination. If high local groundwater exists, the repair will be rescheduled for the dry season when groundwater levels are not a concern. An effort may be made to temporarily seal your leak with an understanding that this is a temporary effort until the proper repair is made.

Thank you for these pictures. I do believe the under deck repair would be the correct repair here. I will include the estimate below that was emailed over as well.

If the leak is located here, the repair should be straight forward. However, if the leak is not in this area, there will be an additional charge of \$225 to pressure test and locate the exact location of the leak. Once the repair is completed, we will also do a pressure test to ensure our repair is holding and to confirm there are no other leaks in the line. If there are any additional leaks, there will also be additional charges to repair those.

Please let us know if you have any questions. Thanks!
