## TERMS AND CONDITIONS

### 1. RESERVATIONS; GUEST RESERVATION INFORMATION: Deleted in its entirety

**2. BANQUET SERVICES:** You agree to confirm with us the assigned function space before printing any materials listing specific meeting or function locations. The Schedule of Events listed above indicates the function space that will be held on a definite basis upon signing of this Agreement by both parties. You agree to confirm with us the assigned function space before printing or publishing any materials listing specific meeting or function locations. If for any reason the function space reserved is not available for your Event, you agree that we may substitute space of appropriate size and comparable quality for your Event. Please contact the Hotel at least one month before your Event to review and confirm the details for your Event, including menus, decorations, entertainment and beverage service.

**Upon review of your Event requirements, Event Orders will be sent to you to confirm all final arrangements and prices. These Event Orders will serve as a part of this Agreement. If you do not advise us of any changes on the Event Orders by the date requested by Hotel, you agree that the Event Orders will be considered accepted by you as correct and you will be billed accordingly.**

**At least ONE Week (Seven days) before your Event, you must inform us of the exact number of people as well as room set up and any audio visual requirements to your event manager. We will not undertake to serve more than 3% above this guaranteed minimum. Any day of modifications to room set up and/or audio visual may result in a \$250 re-set fee in order to cover any additional labor or hotel costs.**

You agree to begin your functions promptly at the scheduled start times and agree to have your guests, invitees and other persons vacate the designated function spaces at the end times indicated on the final Event Orders. You further agree to reimburse us for any overtime wage payments or other expenses incurred by us because of your failure to comply with these requirements.

There may be increases in prices due to unforeseen changes in market conditions at the time of your Event. We will communicate these increases to you in advance. We will require written confirmation that you agree to pay these increased prices, or at our option we may make reasonable substitutions in menus, and you agree to accept such substitutions.

Should extensive meeting room set-ups OR **day of modifications** or elaborate staging be required, there will be a set-up charge to cover Hotel costs and additional labor. If equipment is necessary that exceeds Hotel's inventory, then you agree to pay for the cost of renting this additional equipment.

Due to state law, you may not bring alcoholic beverages into the Hotel for your Event. You must obtain our prior approval before you bring any food or non-alcoholic beverages from outside sources into our Hotel. If approval is granted by Hotel, you must sign a hold harmless and indemnification agreement in the form currently in use at Hotel before any food or beverage products not purchased from us and served by Hotel staff are brought in for consumption by your guests. Service fees will apply to any outside food or beverage served in our function space, regardless whether Hotel labor is required.

### 3. DESCRIPTION AND DISCLOSURE OF THIRD PARTY PAYMENTS: Deleted In Its Entirety

**4. PAYMENT IN ADVANCE:** We require that you pay an initial deposit of **\$0.00** (Should always be half of Minimum Revenue) of the Total Minimum Anticipated Revenue at the time of signing this Agreement. You agree to pay the entire remaining balance of the Total Minimum Anticipated Revenue in cash or by certified check at least ten (10) days prior to your Event or by personal bank check no later than two weeks prior to your Event. ***If you have established Direct Bill credit, payment of the remaining balance will be due within thirty (30) days after receipt of the bill. (Direct Bill Application must be completed and returned with signed contract to apply and be approved for Direct Bill)***

We reserve the right to require additional advance payments of all or part of the estimated charges if your credit status changes. If advance payments or deposits are not paid on a timely basis, the Hotel will have the right, at its option, to consider the Agreement cancelled and will be entitled to cancellation damages as provided in this Agreement.

If you prefer, all charges can be paid by credit card. Hilton accepts American Express, Diners Club, Discover Card, JCB International, Master Card or Visa. If credit (Direct Bill) has not been approved for your Event, you will provide us with the credit card to which *all estimated master account charges will be charged within three (3) business days of your event start date*. If credit has been approved, you will provide us with your credit card information at the time of your Event. If payment of all undisputed charges is not received within thirty (30) days after your receipt of the final invoice, a finance charge of 1.5% per month, or the maximum amount allowed by law, whichever is less, will accrue on the unpaid, undisputed amount, commencing on the date of receipt of the final invoice.

**5. CANCELLATION AND PERFORMANCE POLICIES:** The rates offered by us are based in part upon the total gross revenues anticipated by us from your agreement to use and pay for the rooms and events set forth in this Agreement. You guarantee that your Event will provide the Total Minimum Anticipated Revenue. You agree and understand that, in the event of a cancellation or lack of full performance by you, our actual damages would be difficult to determine. Therefore, you agree that should you cancel your Event for any reason, including changing your meeting/function site to another hotel, you will pay as liquidated damages, plus any applicable state and/or local taxes as required by law, to the Hotel immediately upon notice of cancellation a percentage of Total Minimum Anticipated Revenue for your Event, as follows:

Date of Hotel's Receipt of Cancellation Notice*	Percentage of Total Minimum Anticipated Revenue Owed	Amount of Cancellation Damages Owed
Cancellation within 60 days of each event date	80%	\$ 400.00

***\*Hotel may, in its sole discretion, consider your notice of cancellation to be invalid and thus may not release accommodations held until payment of the cancellation damages is received; therefore delay in payment may result in higher cancellation damages owed.***

You further agree to pay reasonable liquidated damages to the Hotel for lack of performance if the Event is held but the Hotel does not realize the Total Minimum Anticipated Revenue from your Event. The damages owed will be the amount necessary for the Hotel to receive no less than **100%** of the Total Food & Beverage Revenue as described in summary table on page 1 of this Agreement, plus any applicable state and/or local taxes as required by law. All estimated Total Minimum Anticipated Revenue performance damages will be due and payable to the Hotel no later than seven (7) days prior to your arrival date, regardless of your Master Account credit status.

**6. DISPLAYS AND DECORATIONS; YOUR PROPERTY:** We are not responsible for any loss or damage to property belonging to you or your attendees and do not maintain insurance covering it. All displays and/or decorations will be subject to our prior written approval and we reserve the right to contract and charge for Hotel staff to provide the labor for any installations or removals of such.

- 7. OUTSIDE CONTRACTORS:** Should you elect to utilize outside contractors or subcontractors on Hotel premises during your Event, including, but not limited to, a destination management company, audio/visual services, caterer, decorators, or others, you must notify us of your intention to use such providers at least thirty (30) days in advance of your Event. Your outside contractors must sign a hold harmless, indemnification and insurance agreement as in the attached Exhibit entitled "Hold Harmless Agreement – Outside Contractors" in favor of Hotel, Hilton Worldwide, Inc., Hotel's Owner and Group, and provide proof of insurance in amounts acceptable to Hotel (amounts and types of insurance may be changed or increased in Hotel's sole discretion based on the type of services the outside contractor will be providing) before your outside contractors will be allowed to provide services on Hotel premises.

Such security personnel may not carry weapons. Your security agency must sign a hold harmless, indemnification and insurance agreement in the form currently in use at Hotel in favor of Hotel, Hilton Worldwide, Inc., Hotel's Owner and Group, and provide proof of insurance in amounts acceptable to Hotel before your security contractor will be allowed to provide security services on Hotel premises.

You also agree that your Event will not create any disturbance to other guests or meetings, such as noise, smoke or fog machines, dry ice, confetti cannons, candles, incense, or any activity that generates smells. Hotel reserves the right to end your Event immediately if you do not comply with Hotel's request to reduce or eliminate any such disturbance, you will remain responsible for payment of all charges related to your Event and no refunds will be issued by Hotel. You agree that one week in advance of your Event, you will furnish to us a list of any auxiliary aids needed by your attendees in meeting or function space. Except as required by applicable laws, you agree that you will be responsible for the procurement and payment of all charges for any and all auxiliary aids. - 13. PARKING:** We are pleased to offer complimentary parking to all of your overnight guests.
- 14. COMPLIANCE WITH LAWS:** Group represents warrants and agrees that Group is currently, and at the time of the Event that is the subject of this Agreement will be, in compliance with all provisions of the Patriot Act and regulations or requests of the U.S. Department of Homeland Security and the Office of Foreign Assets Control in the U.S. Department of the Treasury. Hotel may cancel this Agreement without any liability if in the Hotel's sole, reasonable determination, Hotel believes that it is necessary to do so in order to comply with its obligations under such applicable laws, rules or regulations.
- 15. DISPUTE RESOLUTION:** The parties agree that, subject to the exclusion of intellectual property matters as set forth below, any dispute in any way arising out of or relating to this Agreement will be resolved by arbitration using one arbitrator before JAMS or American Arbitration Association in the state and city in which the Hotel is located, or the closest available location; provided, however, a dispute relating to patents, trademarks, trade dress, copyrights, trade secrets, and/or infringement of intellectual property rights shall not be subject to this provision. The parties further agree that in any arbitration proceeding they may conduct reasonable discovery pursuant to the arbitration rules, that the law of the state in which the Hotel is located will be the governing law, and any arbitration award will be enforceable in state or federal court.
- 16. DISPUTES INVOLVING CREDIT CARD PAYMENTS:** As a condition of Hotel agreeing to accept your credit card as an approved form of payment for all master account charges, you specifically agree to waive any rights you may have under applicable state and federal truth in lending laws or otherwise (including, but not limited to, under your credit card issuer's procedures for resolving such disputes) to receive a temporary credit from your credit card issuer for disputed charges arising from your credit card transactions with Hotel (commonly referred to as a "chargeback"). You agree that any disputes that you may raise with respect to any master account charges must be addressed directly between you and us and to work in good faith to resolve any such disputed invoices in a timely manner. Any dispute that cannot be timely resolved to the mutual satisfaction of the parties shall be resolved in accordance with the dispute resolution provisions as contained in this Agreement.
- 17. COLLECTION/ATTORNEY'S FEES:** The parties agree that in the event that any dispute arises in any way relating to or arising out of this Agreement, the prevailing party in any arbitration or court proceeding will be entitled to recover an award of its attorney's fees and costs, plus pre and post judgment interest. If we retain the services of a collection agency or attorney to assist in the collection of any amounts due to us under this Agreement, you will pay all expenses incurred by us in such collection efforts.

**19. INSURANCE:** You agree to maintain insurance reasonably commensurate with all activities arising from or connected to your Event, including, but not limited to, Commercial General Liability insurance with limits not less than Two Million US dollars (\$2,000,000 US) per occurrence covering property damage, products-completed operations, and liability assumed under an insured contract, including the tort liability of another assumed in a business contract. You agree to add Hotel Indemnified Parties as additional insureds under all applicable policies for your Event, and your insurance will apply as primary to any insurance maintained by the Hotel Indemnified Parties. You agree not to endorse or change your insurance to make it excess over other available insurance. Neither your failure to provide, nor our failure to obtain, proof of compliance shall act as a waiver of any of term in this Agreement.

**20. SEVERABILITY:** Any provision in this Agreement that is held to be illegal or unenforceable in any jurisdiction shall be ineffective to the extent of such illegality or unenforceability without invalidating the remaining provisions and any such illegal or unenforceable provision shall be deemed to be restated to reflect as nearly as possible the original intentions of the parties in accordance with applicable law. Our failure to enforce any term or condition of this Agreement does not waive our right to enforce that or any other term or condition at any time.

**21. IMPOSSIBILITY:** Neither party shall be responsible for failure to perform this Agreement if circumstances beyond their control (including, but not limited to; acts of God, shortage of commodities or supplies to be furnished by the Hotel, governmental authority, or declared war in the United States) make it illegal or impossible for the Hotel to hold the Event. The affected party may terminate this Agreement without liability upon written notice to the other party within ten (10) days of the occurrence.

**22. OPTION DATES:** These arrangements are being held on a **first option basis** until 9/9/2025 (the "Option Period"). However, should other business opportunities arise such that we are in a position to confirm immediately, you will be advised /and given **2** days, or until the end of your Option Period (whichever is shorter) to confirm this Agreement on a definite basis by returning a signed copy of this Agreement to us, or to enable alternate dates to be researched and offered for your use. Hotel will thereafter have 20 days in which to notify Group if assignment is approved. Group may not otherwise assign this Agreement or any rights hereunder. Group and Hotel are the only parties to this Agreement. There are no third party beneficiaries.

**24. The effective date of communications between the parties will be determined as follows:

- (a) Communications sent via U.S. Mail or private mail delivery service (i.e. Fed Ex) will be effective as of the date sent;
- (b) Communications sent via facsimile will be considered effective as of the date and time on the facsimile confirmation sheet retained by the sender.

For the avoidance of doubt, emails, including emails that bear an electronic "signature block" identifying the sender, do not constitute signed writings for purposes of this Agreement

## SUMMARY:

Winter is here in Florida. After a hot summer it's nice seeing air temperatures drop and pond growth reduce. A few things to keep in mind during the cooler months. Dissolved oxygen levels are high and fish are thriving. We will receive abnormally hot winter days and Algae will bloom fast, when this happens this growth responds great to treatment. The last thing to watch for is invasive species struggling during freezes. Overall in a great spot moving into the new year. Hope the holidays were great and happy new years!

# Summary, Birch Haven Ln, Bear Landing Dr,

## General Updates, Recent & Upcoming Maintenance Events

- During these cooler months, please have the crew focus on removing any unwanted plant material throughout the planting beds.
- Additionally, throughout the property, please ensure that turf weeds are properly identified and treated accordingly.

The following are action items for Fieldstone to complete. Please refer to the item # in your response listing action already taken or anticipated time of completion. **Red text** indicates deficient from previous report. **Bold Red text** indicates deficient for more than a month. **Green text** indicates a proposal has been requested. **Blue** indicates irrigation. **Orange** is for staff. **Bold & underlined is info. or questions for the BOS.**

1. During my inspection, I observed a significant number of ant mounds throughout the turf areas across the property. Please have the mowing crews identify these mounds, treat them accordingly, and rake them out once the nests are no longer active. (Pic 1)

.... continue with proper irrigation to support recovery and uniform appearance. (Pic 3)

2. There is a significant amount of turf dieback on the north side of Birch Haven. Although the area has irrigation, can Fieldstone provide a plan to address the turf weeds and promote thicker, healthier turf?
3. The sod installed following the irrigation repair on Birch Haven Ln has established well and looks very good. However, it is also highlighting the extent of cool-season turf weed presence in the surrounding areas. Please have the crew treat the turf for cool-season weeds, fertilize accordingly, and....
4. There may be a possible irrigation break within the corner planting bed at Bear Landing and Birch Haven, on the south side of Birch Haven. A dripline is present in this area; however, it is unclear whether the observed washout is being caused by the dripline. Please have an irrigation technician visit the site to identify and confirm any potential break. (Pic 4>)
5. The downy jasmine shrubs along Bear Landing are looking very good. During the next detailing visit, I recommend lightly tipping the tops to promote a more uniform appearance.
6. A large area of turf is exhibiting.... (nxt pg)

# Bear Landing Way, Harmon Park, Legends Pasture Rd

(cont.).... increased browning, which may indicate possible pest activity. Please have a technician visit the site to identify the cause of the dieback and treat accordingly. (Pic 6a, 6b)

7. The bottlebrush tree has experienced significant additional dieback since my last visit. Unfortunately, at this time I recommend proceeding with a replacement planting in spring.
8. The muhly grasses in Harmon Park were recently cut back, which has exposed Bermuda grass growing within the ornamental plantings. Please have the crew visit this area to remove the unwanted grass growth. (Pic 8)

9. In Harmon Park, the turf is beginning to become overrun with dollar weed and clover. This area may require fertilization or further evaluation to determine the underlying cause. I understand irrigation adjustments are currently being made, which may help reduce the dollar weed pressure; however, as the weeds decline, the turf may temporarily appear more brown or sparse. Please have a technician assess the area, identify the contributing factors, and treat accordingly. (Pic 9>)
10. **The board requested an update on asphalt conditions. My findings are as follows: At the corner of Legends Pasture and Houndstooth Enclave, there are several asphalt breaks. One section appears to have been cut into but was never repaired. Another break is present near the entrance of Legends Pasture and Bear .... (nxt pg)**

# Capstone Ranch Dr, Legends Pasture Way, Bear Landing Way

(cont.)....Landing Way. Also, South of Capstone Ranch along Legends Pasture, there are a few holes that require filling. (Pic 10a, 10b, 10c>)

11. I observed a large ant mound at the base of an oak tree near Capstone Ranch and Legends Pasture, covering approximately one-third of the tree ring. Please treat the mound and rake it out once the nest is no longer active. (Pic 11)

12. In the median variegated jasmine beds, a few items should be addressed: consider adding additional plantings next season to fill in bare spots, remove any unwanted plant material, and tip the jasmine vines during the next detailing visit. The vines are beginning to climb the trees in the median. (Pic 12>)

13. In the large open field south of Bear Landing, I observed several trees with broken posts. Please have the crews remove these broken posts and reassess any trees that may still require staking. (Pic 13>)

# Bear Landing Way

14. I visited the irrigation break on the new path off Bear Landing. Can you confirm if this issue has been addressed and repaired since my visit? (Pic 14a, 14b>)

15. In the same area referenced above, I observed tire tracks on the turf. While some sod has been added, it is insufficient to address the deeper ruts. Once the area has dried, soil will need to be brought in to level the surface, followed by sod installation in the patchy areas. (Pic 15)

# Legends Pasture Way

16. During my inspection, I observed that many of the Fakahatchee grasses are ready for trimming. I recommend cutting them back while leaving approximately 12–16 inches of height to ensure healthy regrowth and strong bounce-back for the next season. (Pic 16)

20. The muhly grasses are finishing their bright pink blooms. When is the trimming of these grasses scheduled to take place?

17. Additionally, the foxtail ferns should be trimmed back, as the brown fronds are more noticeable during this time of year. (Pic 17)

18. Please ensure that all trash is being removed from the center island beds along Legend Pasture Drive.

19. During these slower months, it would be an ideal time to hard-edge all tree rings during detailing visits. This will ensure the tree rings are prepared and ready when it comes time to apply mulch.

## LANDSCAPE INSPECTION REPORT

1,11 -Ant Mounds - Crew will treat ant mounds on next visit 01/06/26. Liz treated mounds at Yellow Hammer Park on 12/29/25. Horticulture team will also treat next visit. Last application of Top Choice was February. Attached is a proposal for 2026+ application.

2,3- Examined turf on 12/29/25. The turf suffered very dry conditions while the water meter was down. The two weeks of no water in August/September damaged turf and turf has not recovered. Irrigation is working, evident by the nutsedge that is growing. Suggest continuing to monitor and treat weeds and replace the turf in the spring, February when weather conditions are more favorable.

4- Irrigation inspection scheduled for 12/29 and 12/30. This will be checked and repaired if needed.

5- Trim Downy Jasmine - This will take place late January to early February. Temperatures will dictate the timing. We don't want to trim it too early and risk frost damage.

6- Turf Browning- Inspected the turf on 12/29. The turf looks like it has some active fungus and has weed growth. This area will be treated for both on the next horticulture visit.

7- Bottlebrush tree proposal will be provided next month for spring installation.

8,9-Cleaning beds at park and turf weeds. Noted turf dollar weed and clover while performing site inspection as well on 12/29. Turf will be treated on next horticulture visit for both. Horticulture has been notified. Also, confirmed with the irrigation technician on same day that the irrigation has been turned back to 2 days per week. Crew will spray and remove Bermuda from all beds on next visit – 1/6/26.

12 – Jasmine beds in median – Legends Pasture.

The Jasmine will be trimmed on the next service visit 1/6/26. The jasmine is getting tall and leggy. Any dead plants will be removed. Proposal for replacements will be provided next month for spring installation.

13- Removal of any broken post- This will be addressed on the next 2 visits. 1/6/26 and 1/13/26. Remove broken stakes and any tied around the tree trunks.

14 – Irrigation repairs along walking path- Original 2 repairs were completed 12/18. Once these repairs were completed 2 other leaks were discovered and repaired on 12/29/25. As of 12/29 any identified repairs have been completed.

15 – Tire ruts along concrete walking path - These will need soil and sod as reported. Proposal will be provided for spring installation. (late February to early March)

16 ,20 - Ornamental Grasses cut back - We typically schedule the cutbacks for mid-February depending on weather. Although the grasses are hardy, we like to make sure we are past any frost or freeze threat. The crew will work on these over the next several visits with a goal to be completed by end of February.

17- Foxtail Fern – Crew will trim back the brown tips and dead branches on the next 2 visits. 1/6/26 and 1/13/26.

18 – Trash in medians- Crew will be reminded to pick up trash in medians. Bi-weekly service in winter we do see some accumulation between visits.

19 – Hard edging tree rings and beds - This will be completed by early February - Crew will start to hard edge trees and beds on next visit with goal to be completed early February before spring mulching.

Replace plants at sign on Bear Landing near new concrete path – suggest for spring.

Leaning tree was replaced on Capstone Ranch

Turf on Bear Landing – monitor for fungus and irrigation has been reduced to 2 days.
