

Forest Creek CDD Advisory

It has come to the District's attention that certain false, misleading, and potentially defamatory statements have been made regarding the District on social media. The District expressly and unequivocally disputes any allegation of financial mismanagement or other wrongdoing by the District, its supervisors, or its staff. Please note that the District's finances are audited annually by a professional, independent auditor and the results of the [audit](#) are posted on the District's [website](#) and included in the District's official records. For accurate information regarding the District and its operations, the District encourages residents to review the audit and other official records of the District and to attend meetings of the District. The District further encourages residents to be very cautious in making, reviewing, and repeating statements made on social media as the dissemination of false and misleading information may be harmful and costly to the District and, in some cases, unlawful.
