

Forest Creek CDD Operations Manager's Phone is Down

July 22nd, 2020

Scott Lindsay's (CDD Operations Manager) Verizon cell phone is very old, would no longer hold a charge and now no longer works.

A new one has been ordered so in the meantime please call Scott at 941-212-6523.

All phone and internet services at the club house were recently consolidated from two to one vendor (Spectrum) and thus an opportunity to get Scott a newer cell phone from Spectrum at a much cheaper monthly rate, saving \$42.93 a month.

The new phone should arrive in about 4 days. The number will be posted on the CDD website and a CDD email will be sent to everyone with the new number.

The past 20 CDD emails are available [HERE](#).
