69 is the one directly across from CVS, in front of the daycare at County Line Road  
70 and Mansfield.

71  
72 **SIXTH ORDER OF BUSINESS** **Non-Staff Reports**

73 **A. Law Enforcement**

- 74 • Everything is going well. Police are focusing on County Line Road and Mansfield.

75 **B. Residents Council**  
76 There being no report, the next item followed.

77 **C. Government Liaison**

- 78 • Mr. Lynn noted that on August 17, 2020, County Line Road will be re-paved from
- 79 Timber Trace Drive to Mansfield. Completion is planned for the end of September.
- 80 The work will be performed between 7:00 p.m. and 6:00 a.m. Monday through
- 81 Friday.
- 82 • The Kennan-Mansfield road connection has been completely paved and marked.

83  
84 **SEVENTH ORDER OF BUSINESS** **Consent Agenda**

85 **A. Deed Restrictions (DRVC)**

86 Mr. Cline stated each Board member received a copy of the Consent Agenda, comprised

88  
89 Mr. Picarelli MOVED to approve the Consent Agenda, comprised  
90 of Deed Restrictions, and Ms. Childers seconded the motion.

- 92 • A couple of items contained the wording, “Board Decision.” Ms. Masters usually
- 93 sends the letter, anything thereafter is handled by Ms. Fernandez.
- 94 • On Item 30055, the fence needs to be power washed.
- 95 • A water softener and generator must be caged, as they are optional units, but the
- 96 A/C unit is a necessity. These units should not be seen from the street.
- 97 • The fence needs to be cleaned at 30030 Morningmist.

98 There being no further discussion,

99  
100 On VOICE vote, with all in favor, the prior motion was approved,  
101 as discussed.

123

124

Ms. Sanchez MOVED to approve the Architectural Review Report, as presented; and Mr. Picarelli seconded the motion.

125

126

127

- 128       •     Mr. Picarelli would like Ms. Masters to schedule time to go through the Villages to
- 129             ensure no trees are being planted on the tree lawns.
- 130       •     Ms. Masters discussed a resident who wants an above-ground pool. The CDD does
- 131             not have jurisdiction in this case. However, it needs to be fenced in, according to
- 132             the law.
- 133       •     Ms. Masters may commence DRVC Meetings as long as there is appropriate
- 134             spacing.

135       There being no further discussion,

136

On VOICE vote, with all in favor, the prior motion was approved.

137

138

139       **B.     Operations Manager**

140       Ms. Diaz discussed her report, a copy of which was included in the agenda package.

- 141       •     A notice was hand-delivered to all Manor Isle residents regarding use of the ponds.

- 142 • LMP passed their recent inspection with a score of 92%. They are working on front
- 143 entrance repairs and planting. They are catching up on all of the wood lawn areas.
- 144 • The gate replacement is complete. Mr. Foran will prepare a punch list and schedule
- 145 a walk-through with Witt Fence. All call boxes have been replaced with new ones.
- 146 Some faceplates need to be replaced. Ms. Diaz will attend the walk-through.
- 147 ➤ Witt Fence also provided proposals for a maintenance service contract and
- 148 regular service contract. Mr. Picarelli commented that their response time
- 149 was not quick. They also charge an additional fee for service calls. Ms.
- 150 Diaz commented a service contract is needed. The warranty is through the
- 151 manufacturer.
- 152 ➤ The emergency service costs are going to increase from \$75 to \$150.
- 153 ➤ They do four preventative maintenance checks per year.
- 154 ➤ If any other company handles warranty work, the warranty is automatically
- 155 void.
- 156 ➤ Ms. Childers expressed she is disappointed with Witt Fence and their
- 157 response time.
- 158 ➤ Each Village may have to pay \$1,427 out of their Reserves for the gates for
- 159 the year for the preventative maintenance.
- 160 ➤ This item will be discussed at the September meeting.
- 161 ➤ Ms. Sanchez does not believe four service calls per year is necessary, since
- 162 the gates are new.
- 163 ➤ Anything struck by lightning would not be covered under the warranty.
- 164 ➤ Mr. Picarelli suggested Ms. Diaz find out what Witt charges for preventative
- 165 maintenance on the gates only, without having a service contract.
- 166 • The tree removal project has commenced. Trees were removed in Morningside,
- 167 Manor Isle, Vermillion, Sedgwick, Colehaven, and the Wrencrest entrance.
- 168 Feedback from residents has come back regarding what types of trees they want.
- 169 ➤ The decorative cement around the removed trees was not removed.
- 170 Buccaneer can remove them at a cost of \$150 extra per tree. There are 81
- 171 trees. Ms. Sanchez would like a quote from a different type of company to
- 172 handle this. The stumps cannot be ground down until all of these are

- 173 removed. Ms. Sanchez believes the engineer needs to manage this better.  
 174 Buccaneer marked the trees on their own incorrectly. Mr. Foran and Mr.  
 175 Picarelli then accompanied them and everything was marked correctly. Mr.  
 176 Cline suggested hiring someone to remove them and place the concrete  
 177 around the ponds. Ms. Childers believes the cost should come out of the  
 178 Project Manager’s contract. Ms. Diaz will speak to Mr. Foran.
- 179 ➤ Removal of any dead trees are the responsibility of the CDD.
  - 180 ➤ Some stumps were left after trees were removed.
  - 181 ➤ The tree lawns need to be monitored, as residents are planting trees on their  
 182 own and not maintaining them.
  - 183 ➤ Ms. Sanchez would like there to be a photo of each home kept on file.
  - 184 • The splash pad permit was approved. Pool work should commence Monday,  
 185 August 10, 2020.
  - 186 ➤ The irrigation had to be moved. The person who ran the line for the cameras  
 187 did not run it along the sidewalk into the pole. Staff will pour the concrete.  
 188 The aluminum pole was ordered. The work had to be done in order for Pool  
 189 Works to start the project. The cost was \$2,929.95. Ms. Diaz was  
 190 authorized to spend up to \$3,500 whenever necessary, and this is within that  
 191 criteria. There are excess funds in the bond for the work. Mr. Picarelli  
 192 recalls that the Board discussed that if anything unforeseen arose, Ms. Diaz  
 193 would be authorized to get the work done. Mr. Cline believes any funds  
 194 from the Bond should be approved by the Board.
  - 195 ➤ Pool Works will cover the cost of the fence.
  - 196 ➤ A Project Manager may be needed.
  - 197 ➤ The irrigation cost was \$900.
  - 198 ➤ Engineering plans had to be prepared.
  - 199 ➤ Ms. Sanchez recommended having pre-planning meetings before works  
 200 starts.
  - 201 ➤ Mr. Cline indicated that if other expenses arise exceeding the \$3,500 limit,  
 202 a special meeting will have to be called.
  - 203 ➤ Mr. Picarelli suggested increasing Ms. Diaz’s authority.

- 204 • Ms. Diaz discussed the paving to be done at County Line Road from Timber Trace
- 205 to Mansfield. She received an email from Asphalt Paving Systems asking
- 206 permission for the company to store some heavy machinery while they perform the
- 207 work. They will pay for any damage their equipment may cause.
- 208 ➤ Mr. Picarelli suggested they pay for the storage.
- 209 ➤ Other contractors are going to want to store their equipment, as well.
- 210 ➤ The Board is not in favor of this.
- 211 • Mr. Picarelli discussed the bids for the lap pool and the property across the street.
- 212 ➤ Ms. Childers is not satisfied with the design from the first company.

**NINTH ORDER OF BUSINESS**

**Approval/Disapproval/Discussion  
(Continued)**

**B. Coronavirus Update and Impact on Operations**

- 217 • The employee who was tested for Coronavirus has not received his results. Another
- 218 co-worker tested positive.
- 219 • Disinfectant foggers are being used.

**C. Fiscal Year 2021 Budget**

221 This item will be addressed during the workshop.

**D. Tree Removal**

- 223 • Ms. Sanchez believes the Board needs to review the decision on allowing residents
- 224 to choose trees. The Board should use the same standard as that for Lettingwell in
- 225 which the residents were denied choices of trees. It is difficult to determine who is
- 226 a renter and who is an owner.
- 227 ➤ Mr. Picarelli indicated Mr. Foran is the project manager in this regard, and
- 228 he has already received responses.
- 229 ➤ Ms. Childers indicated they only have a choice of certain trees.
- 230 ➤ Mr. Picarelli indicated the Board asked the HOA to poll residents on the
- 231 type of tree they wanted.
- 232 ➤ Ms. Sanchez does not believe the renter has the right to make a decision in
- 233 this regard.
- 234 ➤ Ms. Childers will go through and omit the renters from the list.

- 235 • The Board discussed whether to add items to the agenda at a meeting. Mr. Cline
- 236 will verify this with District Counsel. A motion may be made to table an item to
- 237 the next meeting.

238  
 239 **TENTH ORDER OF BUSINESS** **Audience Comments (Comments will be**  
 240 **limited to three minutes.)**

241 Audience members commented or asked questions on the following items:

- 242 • Use of the pond.
- 243 • The lot across the street will be returned to its normal look once the trees are
- 244 removed.
- 245 • A roof in Manor Isle.
- 246 • The new gates open slowly.
- 247 • Solar panels do not need to be approved by the Board.
- 248 • ARC photos.
- 249 • Project management.
- 250 • Planting on the tree lawn.
- 251 • The audio of the meeting is very good.

252  
 253 **ELEVENTH ORDER OF BUSINESS** **Supervisor Comments**

- 254 • Ms. Childers discussed suggestions from the Board regarding the land across the
- 255 street.
- 256 • Ms. Childers discussed her role as a Board Supervisor.
- 257 • Ms. Childers addressed guidelines for streaming a meeting live.
- 258 • Ms. Sanchez addressed heated discussions among the Board, and feedback from
- 259 residents.
- 260 • Ms. Sanchez noted the District is bound to the land across the street by the Bond.
- 261 There will be a joint use building on the property, as well as a maintenance garage.
- 262 • Mr. Picarelli commented on the property across the street. Although resident
- 263 feedback was good, some suggestions were not feasible.
- 264 • Mr. Picarelli addressed the ongoing projects. A Project Manager is important.

- 265 • Mr. Bovis discussed the trash bins. A resident suggested putting out the trash bins
- 266 in the morning as opposed to the prior evening, to prevent raccoons from coming
- 267 around.
- 268 • Mr. Cline addressed items to be discussed on the agenda or added to the agenda.
- 269 • The Zoom meetings are costly on the budget.
- 270 • Mr. Cline indicated the used trash bins should be put back on the driveways and
- 271 not left on the street.

**TWELFTH ORDER OF BUSINESS**

**Adjournment**

There being no further business,

On MOTION by Mr. Picarelli, seconded by Ms. Sanchez, with all in favor, the meeting was adjourned at approximately 9:30 p.m.

- Although Ms. Diaz is comfortable acting as a “Project Manager” on day-to-day items, she believes the Board should handle the technical and financial aspects of the project in the event there are any issues.
- The company should prepare a punch list. The person who prepares the punch list, as well as a Meadow Pointe II representative should be present for all inspections.

## Memorandum

September 8, 2020

TO: Meadow Point II Community Development District, Board of Supervisors

FROM: Bob Nanni, District Manager and Alan Baldwin, Accounting Manger

SUBJECT: Banking Transition

Meadow Point II currently uses SunTrust Bank for their operating account. SunTrust charges an average of \$65 a month for general service fees. The FY2020 total banking fees through August were \$834.

Inframark is requesting additional services from SunTrust such as a remote check deposit scanner and set up for ACH platform to better service Meadow Point II. When these services are added, SunTrust will be charge additional fees.

The chart below summarizes SunTrust projected annual fees and 2 other banks that have agreed to waive all bank fees.

ANNUAL FEE ANALYSIS SUMMARY					
SERVICE TYPE	SUNTRUST CURRENT FEES	SUNTRUST ADDED FEES	SUNTRUST TOTAL FEES	BANK UNITED	VALLEY BANK
General Service Fees	\$720		\$720	\$0	\$0
Stop Payment Fees	\$114		\$114	\$0	\$0
Check Deposit Scanner		\$420	\$420	\$0	\$0
ACH Platform Fee		\$780	\$780	\$0	\$0
<b>TOTAL FEES</b>	<b>\$834</b>	<b>\$1,200</b>	<b>\$2,034</b>	<b>\$0</b>	<b>\$0</b>
<b>ESTIMATED ANNUAL SAVINGS</b>				<b>\$2,034</b>	<b>\$2,034</b>

Both other banks will provide approximately \$2,034 savings annually. Additional services offered include credit cards and "Onsite" check scanner if needed. Valley Bank also offers interest on checking, currently at .05%.

Meadow Point II currently has a Money Market Account with Bank United. Having the same Bank for both operating an MMA does allow immediate transfers between accounts instead of cutting checks and depositing into another bank.

Please advise if the Board is interested in changing their operating account.
