Also present were:

Members of the Public	

*Following is a summary of the discussions and actions taken.*

**FIRST ORDER OF BUSINESS** **Call to Order**

Ms. Childers called the meeting to order.

**SECOND ORDER OF BUSINESS** **Roll Call**

Supervisors and staff introduced themselves. A quorum was established.

**THIRD ORDER OF BUSINESS** **Pledge of Allegiance/Moment of Silence  
for our Fallen Service Members and First  
Responders**

The Pledge of Allegiance was recited. A moment of silence was observed.

**FOURTH ORDER OF BUSINESS** **Additions or Corrections to the Agenda**

The following items were added to the Agenda under *Action Items for Board*

*Approval/Disapproval/Discussion:*

- Item 9 – Discussion of Mainscape Irrigation Proposal was placed before Architectural Review.

41 **FIFTH ORDER OF BUSINESS** **Audience Comments (Comments will be**  
42 **limited to three minutes.)**

43 Audience members commented on the following items:

- 44 • Overgrowth of the conservation area near Longleaf. Ms. Diaz noted she will have
- 45 staff look at it.
- 46 • Sidewalk pressure washing.
- 47 ➤ Ms. Childers noted they will do this after sidewalk repairs are done.
- 48 • September 17<sup>th</sup> Keep Pasco Beautiful is having an event and they will coincide the
- 49 next trash walk with the event.
- 50 • DRC procedures. Discussion ensued on DRC and consistency.

51 **SIXTH ORDER OF BUSINESS** **Non-Staff Reports**

52 **A. Residents Council**

- 53 • Ms. Childers noted she had requested a Treasurer’s Report. Ms. Wright stated she
- 54 would be out of town until after this meeting; she will follow up with Ms. Wright
- 55 when she returns to try to get it as soon as possible.
- 56 • Ms. Childers noted she asked a Supervisor at MPI what their Residents Council is
- 57 doing and was told they are no longer self-sustaining; they no longer have a bank
- 58 account and have eliminated all their funds. MPI CDD had decided to schedule
- 59 and pay for all the events with the Residents Council being responsible for
- 60 organizing and setting them up. An option for MPII is to decide whether they want
- 61 the Residents Council to be self-operating or if they want events to be CDD-
- 62 sponsored with the Residents Council coordinating it.

63  
64  
65 **B. Government/Community Updates**

- 66 • Discussion ensued on bicycle lane signage on Mansfield Boulevard where the
- 67 bicycle lane ends.

68 **SEVENTH ORDER OF BUSINESS** **Consent Agenda**

69 **A. Deed Restrictions/DRVC**

70  
71  
72 On MOTION by Mr. Signoretti, seconded by Mr. Picarelli, with all  
73 in favor, the Consent Agenda was approved. (4-0)

74  
75

76 **NINTH ORDER OF BUSINESS** **Approval/Disapproval/Discussion**

77 **A. Discussion of Mainscape Irrigation Proposal**

- 78 • Mr. Zane Stoneman, Regional Irrigation Manager for Mainscape, and Mr. Brandon
- 79 Whaley, Account Executive introduced themselves.
- 80 • Mr. Stoneman noted he updated the items that were on the initial list to reflect
- 81 today’s labor and market prices. He outlined the proposal.
- 82 ➤ The final item (control systems) is to be discussed as he was unsure what
- 83 direction the community wanted to go.
- 84 ➤ Filtration at water meters.
- 85 ➤ Pressure regulation.
- 86 ➤ Rain/freeze sensors on controllers.
- 87 ➤ Zone mapping.
- 88 • Discussion ensued on the irrigation system, smart controllers and updating the
- 89 system. Ms. Childers noted they would be talking about the budget at the workshop
- 90 and will figure out some things they want to do.

91  
92 *The record will reflect at 7:06 p.m. Ms. Darner joined the meeting.*

93  
94 **EIGHTH ORDER OF BUSINESS** **Reports**

95 **A. Architectural Review Discussion Items**

96 There being no report, the next item followed.

97  
98 **B. District Counsel**

- 99 • Ms. Childers reported an email was received from Mr. Nanni noting that MPIII
- 100 asked if they would be willing to hold a second joint meeting on September 14<sup>th</sup> at
- 101 6:30 p.m. and moving the September 7<sup>th</sup> meeting. Mr. Cohen responded that his
- 102 office would be available to come if the Board decided to do that.
- 103 ➤ Ms. Childers reported Mr. Cohen has emailed Ms. Katie Saltzman regarding
- 104 dates for the shade meeting but has received no response.
- 105 ➤ Discussion ensued on a joint meeting and the shade meeting. Ms. Childers
- 106 will let Mr. Cohen and Mr. Nanni know they would like to schedule a shade
- 107 meeting prior to having a joint meeting with the MPIII Board.
- 108 • Ms. Childers addressed the SOLitude contract and increases. The April 2018
- 109 contract which renewed automatically did not have anything written into it agreeing

- 110 to a 3% increase annually. Mr. Cohen recommended having a new agreement  
111 which is more specific than the prior one.
- 112 ➤ Ms. Diaz noted the invoices they received for February - \$5,219, March -  
113 \$5,376 and April - \$5,537. They need to figure out why they are increasing  
114 each month. All correspondence from SOLitude goes to the management  
115 company and the CDD needs to be copied.
- 116 ➤ Ms. Diaz to contact SOLitude regarding the increases and letting them know  
117 they are bound by the contract.
- 118 • Frontier has noted in an email that they have finished the splicing in Longleaf and  
119 all the drops have been rerouted. They should be going into Longleaf to remove  
120 the old dead cable, conduit and vaults between the sidewalk and curb, once this is  
121 done, they can start the tree replacements.
- 122 **C. District Engineer**
- 123 • Mr. Picarelli noted they received an email about the sidewalks and included the  
124 Aquatics Engineer.
- 125 • Ms. Childers noted they received emails from the District Engineer regarding the  
126 sidewalks. Ms. Diaz found there were a few emails that have been sent to her from  
127 the FAC and Rick that have gone into her junk mail. Ms. Childers is meeting with  
128 Mr. Dvorak and Rick tomorrow morning at 10:00 a.m. to go over some of the items  
129 that were not originally included. They have found the reason for so many  
130 addendums are that when Rick walked the RFP he only looked for what was on the  
131 RFP and did not look to add anything that had come up since. She has reviewed  
132 the breakouts for the Villages provided by Ms. Diaz and with the original and  
133 additional charges all Villages were under their reserve and unassigned cash.
- 134 • Ms. Sanchez noted there are a number of sidewalks in Iverson that have not been  
135 marked or pointed out from FAC as needing repair. Who is going to figure out the  
136 areas that need to be repaired before they leave Iverson?
- 137 ➤ Ms. Childers noted she can walk the area with them tomorrow. Once they  
138 receive areas to be resolved, Mr. Laverty needs to take pictures for  
139 documentation of the repairs that need to be done. What does the Board

- 140 want to give Ms. Diaz for authorization for the repairs? Do they want to do  
141 a blanket authorization or give a limit?
- 142 ➤ Mr. Picarelli noted they should give her the blanket authorization.
  - 143 ➤ Ms. Sanchez noted as long as they are documenting the repairs needed.
  - 144 ➤ Ms. Childers noted she would like FAC to give them a list of all areas that  
145 they believe need repair, provide it to the Clubhouse and have Mr. Lavery  
146 document with pictures, and once documented Ms. Diaz can give the  
147 approval that those areas can be repaired.
  - 148 ➤ Mr. Lavery to document and mark the areas.
- 149 • The Board discussed the scope of work for the lap pool. Pricing cannot be provided  
150 unless they know if they are doing a five-lane pool, a therapy pool or any other type  
151 of pool; it changes what the total cost is going to be and the amount of the design  
152 because of the size of the pool. The Board needs to come to consensus and  
153 agreement on what they want for the pool.
  - 154 ➤ The consensus of the Board is to have them provide quotes for designs for  
155 the original five-lane requested and a six-lane with additional restroom  
156 needed.

157 **D. Operations Manager**

- 158 Ms. Diaz presented her report for discussion, a copy of which was included in the full  
159 agenda package.
- 160 • Mr. Picarelli addressed the walk-through noting they barely passed. There were  
161 things noted that need to be addressed before the next walk-through on September  
162 1, 2022. Additionally, there are a couple trees by Covina Key that were struck by  
163 lightning and need to be removed.
  - 164 • Ms. Diaz reported Metro Gates is the new gate company starting August 1, 2022.  
165 They had the plumber repair a broken pipe in the wall between the men’s restroom  
166 and the library. As requested by Ms. Childers she asked for a quote for additional  
167 shutoff valves and the plumber stated he cannot do it due to the pipes.
  - 168 ➤ The Board discussed the need to re-pipe the Clubhouse to avoid having to  
169 shut down the whole building if there is a leak. Mr. Picarelli suggested  
170 getting a plumbing company to find the lines that run into the buildings and

171 figure out how to put shutoff valves on those lines. Ms. Diaz will see if it  
172 is possible to get quotes for shutoff valves per building.

173 • Ms. Diaz reported on the court resurfacing. With it being a multi-purpose court,  
174 they need a policy for what they will allow – bikes, skateboards, scooters?

175 ➤ The Board addressed and it was requested Ms. Diaz determine the increased  
176 insurance liability costs for different activities.

177 • School is starting next week, and traffic will increase. The Board discussed opening the  
178 Wrencrest and Iverson Gates with the consensus being to keep them closed.

179 • Ms. Childers addressed the fuel surcharge for the pool company. She noted with fuel costs  
180 decreasing she does not feel they need to continue to pay the surcharge. She suggested  
181 asking if they intend to continue charging the fuel surcharge, and if so, they need to look  
182 at other pool companies to see what they would charge.

183 • The Board discussed Morningside easements and sending letters to all homes blocking the  
184 easements that they have 14 days to move the obstruction.

185 ➤ Ms. Childers addressed contacting the resident who states he has damage to  
186 his property to determine whether the damage is on his property or within  
187 the 15-foot easement.

188 • Ms. Sanchez addressed the proposal from Mainscape. She suggested reaching out  
189 to Mr. Wood to determine what steps they need to take to begin upgrading the  
190 landscape and start planning for it.

191 ➤ Ms. Diaz suggested the Board consider doing the zone mapping.

192 ➤ The Board discussed having a budgeted reserve for irrigation.

193

194 **TENTH ORDER OF BUSINESS** **Audience Comments (Comments will be**  
195 **limited to three minutes.)**

196 Audience members commented on the following items:

197 • Crosswalks.

198 • Joint meeting with MPIII.

199 • Why are Non-HOA Villages deed restriction funds increasing?

200 ➤ Ms. Childers noted there was a 15% markup across the board, and they are  
201 now going back and editing it.

- 202 • Parking at Wrencrest and a suggestion to install the split rail fence or large boulders
- 203 on both sides to prevent parking in the grass.

204

205 **ELEVENTH ORDER OF BUSINESS** **Supervisors' Remarks**

- 206 • Mr. Signoretti addressed the first meeting with MPIII and MPII having
- 207 communicated what they wanted.
- 208 • Mr. Picarelli further addressed the meeting with MPIII.
- 209 • Mr. Picarelli addressed mailboxes.
- 210 • Ms. Darner further addressed mailboxes.
- 211 ➤ Ms. Childers will have it added to the next agenda.

212

213 **TWELFTH ORDER OF BUSINESS** **Adjourn the Regular Meeting and Proceed**

214 **to a Workshop**

- 175 this job. Mr. Neidert indicated the prices will increase for work on those Villages.
- 176 Ms. Childers inquired whether the Board should solicit bids, since it may be over
- 177 \$195,000. The original RFP was based on verification by the former District

- 181 ➤ Mr. Picarelli requested JMT compile a list of addresses in which sidewalks
- 182 and gutters still must be replaced. Ms. Sanchez suggested staff may do this,

183 since sidewalks have already been marked. Ms. Childers noted JMT will  
184 still have to verify the addresses.

185 ➤ Ms. Childers commented the current work should be completed, and at the  
186 next meeting, the Board will finalize what is to be done with the remaining  
187 areas.

188 • Martin Aquatics sent a proposal for design of the lap pool. The main design will be  
189 a five-lane pool with a zero entry. A six-lane design will be presented as well. The  
190 total quote is \$174,450, which is under the threshold and does not require the Board  
191 to solicit bids. Ms. Childers suggested a sixth lane may be added to accommodate  
192 high schools to have swim meets, as additional income for the District. An  
193 additional restroom would be required. Audience comments were accepted.

194 ➤ The square footage would be increased for a sixth lane.

195 ➤ Martin Aquatics will prepare their own design, and cannot use the previous  
196 design from the vendor who resigned from the job.

197 ➤ Mr. Cohen should review the design and prepare a contract.

198

199 Mr. Picarelli MOVED to approve the design proposal from Martin  
200 Aquatics to build a lap pool in the amount of \$174,450, subject to  
201 review and preparation of a contract by District Counsel, and Ms.  
202 Darner seconded the motion.

203

204 ➤ The amount in the bond was \$968,256. Ms. Sanchez requested from Mr.  
205 Nanni an accounting of what has been charged to the pool to date. Ms.  
206 Childers commented approximately \$35,000 has been spent to date.

207 ➤ Mr. Picarelli suggested funds from other projects associated with this bond  
208 may be rolled over to the pool costs.

209 ➤ A generator is still needed, and another structure is to be built.

210 ➤ Mr. Picarelli suggested that if the building is not built, the land can be sold  
211 or turned into a parking lot.

212 ➤ Mr. Signoretti is concerned with the cost of the pool itself. He suggested  
213 tabling this item and asking for an estimate to build the pool.

214 ➤ Ms. Childers reminded the Board that it must be a lap pool in accordance  
215 with the bond. She is concerned the price may increase if the Board  
216 continues to table the item.

217

218 On VOICE vote, with Ms. Childers, Mr. Picarelli and Ms. Darner  
219 voting aye, and Ms. Sanchez and Mr. Signoretti voting nay, the prior  
220 motion was approved. (3-2)

221

222 **D. District Counsel**

223 There being no report, the next item followed.

224 **E. Operations Manager**

225 Ms. Diaz presented her report for discussion, a copy of which was included in the full  
226 agenda package.

- 227 • The garage sale may be scheduled for October 8, 2022. Meadow Pointe I does not  
228 have a date on their calendar. The Board concurred with this date.
- 229 • The impact of the sidewalk repairs on residents was discussed. Ms. Diaz should tell  
230 residents the original repairs were from an RFP issued two years ago, and that the  
231 additional repairs will become part of a new RFP. The areas must remain marked,  
232 as they are tripping hazards.
- 233 • The JMT invoice was discussed. Ms. Childers reviewed it and confirmed everything  
234 is correct. The amount of the invoice is \$13,705, and includes the Pond Needs  
235 Analysis for the new regulation, which was over \$7,000. The Board concurred to  
236 approve the invoice.
- 237 • Triangle Pools will eliminate the fuel charges once the new pricing is presented.
- 238 **i. Discussion of Guidelines for the Multi-Purpose Court**
- 239 • Mr. Picarelli drafted guidelines. His guidelines do not allow roller skating,  
240 rollerblading or skateboarding. Ms. Diaz requested Board discussion in this regard.
- 241 • Mr. Nanni confirmed with the insurance company there may be a slight increase if  
242 these activities are allowed. Mr. Nanni believes the increase may be under \$1,000.
- 243 • Children under 15 years of age need to be accompanied by an adult to use the  
244 clubhouse.
- 245 • Ms. Childers agrees that skateboards should not be allowed. Rollerblades may be  
246 used for roller hockey. Mr. Signoretti agrees with Ms. Childers.

- 247 • Mr. Picarelli confirmed the guidelines should state *no skating, no rollerblading, no*  
248 *skateboarding, with the exception of roller hockey and children with small bicycles.*
- 249 • Ms. Sanchez commented that some of the children are unruly.
- 250 • Ms. Childers indicated a specific policy is necessary, which may include a policy  
251 that parents may be notified if their child is breaking the rules, and trespassing  
252 policies may go into effect. She is not in favor of banning skating or rollerblading.  
253 She suggested the following language: *Roller skating or rollerblading at the*  
254 *designated court, to include roller hockey.*
- 255 • Ms. Sanchez stated for the record, there are responsibilities which come along with  
256 trespassing. The District would be responsible for enforcing the trespass solution,  
257 making the District legally liable for their actions. The District would likely lose  
258 in court. Ms. Childers indicated the trespassing solution will not be used. The  
259 policies and procedures already in place will be enforced.
- 260 • The final language will be added: *No skateboarding, but skating and rollerblading*  
261 *to include roller hockey will be allowed.* The record shall reflect that four Board  
262 members were in favor of this language, but Ms. Sanchez was not in favor.
- 263 • Language regarding bicycles will not be added.
- 264 • Mr. Picarelli will revise the policy, and both Mr. Picarelli and Ms. Diaz will ensure  
265 this is added to the Policies & Procedures.
- 266 **ii. Discussion of Letters to Residents Encroaching on CDD Property**
- 267 • There were two minor errors which were to be corrected.
- 268 • Residents who live on the pond with a blocked easement, in which the landscapers  
269 would not have access are affected.
- 270 • Ms. Sanchez believes each community should be assessed for this issue, after which  
271 letters would be sent. Mr. Picarelli disagreed as a letter was prepared and is ready  
272 to be sent. Other areas need to be justified that there is an issue.
- 273 **E. Operations Manager (Continued)**
- 274 Ms. Diaz continued with her report.
- 275 • Ms. Diaz contacted the former pressure washing contractor, and asked if he was  
276 available to present a quote, as the sidewalks need to be pressure washed. Ms.

277 Childers suggested having him do this work in stages, avoiding those sidewalks  
278 which are to be replaced.

279

280 **TENTH ORDER OF BUSINESS**

**Action Items for Board**

**Approval/Disapproval/Discussion**

281 **A. Presentation by Mr. Ken Martin of Martin Aquatic Regarding the Lap Pool**

282 The Board approved the proposal earlier in the meeting.  
283

284 **B. Discussion of ARC/DRC Position**

285 • Mr. Picarelli suggested hiring Inframark to do this work for one year, while the  
286 Board continues to seek someone for the position, just to catch up on all written  
287 violations which the Board has not been able to resolve. Ms. Sanchez is not in  
288 favor of hiring an outside agency.

289 • The position has been posted for close to two years. Ms. Sanchez is in favor of  
290 increasing the salary.

291 • Mr. Picarelli asked Mr. Nanni to determine whether there is an option of hiring  
292 Inframark to do this work, and whether they would remain with the current  
293 guidelines in which they would not look for restrictions, they would just process  
294 the paperwork for restrictions submitted to District staff.

295 • Ms. Childers discussed the budget for this work. She suggested re-posting the  
296 position to other media outlets. She believes that once this work is outsourced, it  
297 is difficult to bring back to the District.

298 • Mr. Signoretti believes action is necessary in this regard.

299 • Ms. Childers believes the Board needs to review the restrictions to determine what  
300 items are valid.

301 **C. Discussion of the Caring Owners Group**

302 • Mr. Picarelli indicated the person from the group left the meeting.

303 • The group adopted County Line Road and Mansfield. The program requires a two-  
304 year commitment, and the group is supposed to adopt a minimum of one mile of  
305 road and agree to have a minimum of four clean-ups per year. There is no charge  
306 to participate. Basically, the County distributes bags and gloves for members to  
307 clean the areas.

308 • Staff and the landscaping company already pick up trash on the roads.

309 • Mr. Picarelli is concerned with the purpose of this group.

- 310 • An audience member who is a member of the group briefly spoke, and commented
- 311 they basically pick up trash not picked up by staff.
- 312 • Ms. Sanchez noted the CDD cannot pick up trash not on CDD property.
- 313 • Ms. Sanchez commented that anything Mr. Molder has posted in the newsletter is
- 314 considered a conflict since he is currently a candidate for a CDD Board Seat.
- 315 **D. Discussion of Mailboxes**
- 316 • Ms. Sanchez commented the mailbox company does allow for residents to purchase
- 317 and pick them up.
- 318 • They may be customized.
- 319 • The cost has doubled since 2019. The approximate cost is \$200 per mailbox.
- 320 • The CDD may purchase mailboxes and sell to residents.
- 321 • The company has been in business since 1986.
- 322 • The Board will follow up at the next meeting once definite costs are noted.

323  
324 **ELEVENTH ORDER OF BUSINESS**

**Audience Comments (Comments will be limited to three minutes.)**

325  
326 Audience members commented on the following items:

- 327 • Ms. Patterson of Colehaven discussed the mailboxes. She would like to purchase
- 328 a metal mailbox, which is acceptable. It must be rounded.
- 329 • Ms. Patterson commented her Palm Trees are dented. The workers need to be
- 330 careful when working around the trees. Landscapers may work on the easements.
- 331 She should contact Ms. Diaz regarding any issues.

332  
333 **TWELFTH ORDER OF BUSINESS**

**Supervisors' Remarks**

- 334 • Ms. Sanchez will not attend the next meeting.

335  
336 **THIRTEENTH ORDER OF BUSINESS**

**Adjournment**

337 There being no further business,

338  
339 On MOTION by Ms. Sanchez, seconded by Mr. Signoretti, with all  
340 in favor, the meeting was adjourned at 9:31 p.m. (5-0)
