

NEMS HOMEWORK HELP PERMISSION

Student Name _____ HR _____

I give my child permission to attend homework help at the middle school. I have read and understand the dismissal options below and have reviewed them with my child.

Please make dismissal arrangements with your child prior to homework help either to walk home when all work is complete, being picked by an adult or ride the 3:30 bus from the elementary center (*must be a current bus rider*). All students must have a pass to get on a bus from the staff member.

Parent's Name (Printed) _____

The purpose of homework help is to provide the students with the following:

1. An opportunity to receive additional academic instruction beyond the normal school day.
2. A quiet and supportive environment to work independently or with staff on enhancing their current understanding of concepts and standards.
3. If a student is unable to get work done during the school day; he or she will call the parent to inform them that they will be staying.

The procedure for homework help is:

1. Report to the library directly after school with any work that needs to be completed.
2. Sign in with the staff member and determine when you will be leaving homework help.
3. Work quietly and raise hand if in need of the teacher help.
4. Provide the completed homework to a staff member.
5. Sign out with the staff member.

Homework help is offered Monday thru Thursday until 3:45 pm. Homework help is NOT offered the day before a holiday or during PSSA testing.

Please understand that the staff is there to help students needing extra help, it is NOT an afterschool childcare service. Any student who is attending that is not in need of extra help will be asked to leave.

Thank you for your support with this important program.
