

# NORTH EAST SCHOOL DISTRICT

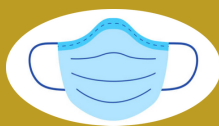

Information on the Reopening of Schools 2020-2021

## STUDENT & STAFF SAFETY IS OUR NUMBER ONE PRIORITY

### ENHANCED CLEANING

- Hand sanitizer will be available in each room.
- Teachers will be provided with disposable wipes & spray cleaner to use throughout the day.
- Frequent touchpoints (door handles, sinks, etc.) will be cleaned at least twice per day.
- Safe, effective cleaning products will be used in all student spaces and on buses every day.
- Intense night cleaning.

In accordance with the Order of the Secretary of the PA Dept. of Health Requiring Universal Face Coverings (7/1/20), all students and staff must wear a "face covering," such as a mask, at all times unless engaged in an activity at least 6 feet apart.

Students & staff who are not feeling well or who have an elevated temperature must stay home. All students and staff will have their temperature taken when they arrive at school and will be expected to consider any symptoms or exposure to COVID-19 that require them to stay home.

Posters will be hung throughout each building emphasizing good hygiene practices. Students and staff will be encouraged to wash hands frequently (before and after eating, when changing rooms, etc.) and not share school supplies.

Students will be encouraged to bring in water bottles to use throughout the day. They will be permitted to refill their water bottles in the water bottle filling stations in each building.

Desks will be spaced as far apart as possible in class. Seating charts will be required on buses and in classrooms.

Only essential visitors will be permitted in the buildings.

The district will limit student transitions. Outdoor classrooms will be permitted.

# NORTH EAST SCHOOL DISTRICT

### IN-PERSON LEARNING

Beginning on August 25, 2020, students will return to school with enhanced safety protocols in place.

### ALTERNATE LEARNING OPTIONS

#### NORTH EAST LIVE-STREAM

Students will receive live instruction at home. Using Audio Visual hardware, Google Meets, and Google Classroom, students can actively participate alongside their peers remotely. Families must have internet access. The Chromebook will be provided by the district.

#### NORTH EAST ACADEMY

North East offers a cyber program for students interested in a self-paced, virtual learning experience. Students enrolled in our cyber program will receive a North East School District diploma!

#### HOME SCHOOLING

Allow the North East School District to support you as you homeschool your child. See Board Policy 137 for more information.

### TRANSPORTATION

Parents are encouraged to transport their child to and from school if possible to allow for social distancing on the bus.

Students who do ride the bus will be assigned a seat and must wear a mask.
