Dear North East Families,

The safety and well-being of our students is our number one priority. On behalf of the administration and Board of Directors, we would like to extend our sincere appreciation to the following community partners: the Honorable Judge Hammer, Assistant District Attorney Krowicki, NE Patrolman Orzechowski, PSP Trooper Hacke, Court Administrator Attorney Catalde, Sheriff's Office and our own SRO-Corporal Markham for taking the time to provide important safety information to our children during assemblies held today. Topics included cyber safety, social media, appropriate/inappropriate posting and sharing of information, and cyber bullying. The middle and high school session also included additional information on threats, harassment, and vaping.

Each panelist also shared their respective role at it pertains to law enforcement and the court system.

Corporal Markham closed the secondary session (grades six through twelve) by reinforcing the district's priority of keeping our children safe. Trooper Hacke closed the elementary session (grades three through five) by reminding our students to be careful on social media and to be kind to one another (select link below).

A special thank you to our community partners for taking the time to be with the students of the North East School District as well as to our students in grades three through twelve who did an outstanding job of being responsible citizens to our panel guests.

Sincerely,

Dr. Michele S. Hartzell, Superintendent
