## NORTH EAST SCHOOL DISTRICT

### **2023 Homestead and Farmstead Exclusion Resolution**

**RESOLVED**, by the Board of School Directors of North East School District, that homestead and farmstead exclusion real estate tax assessment reductions are authorized for the school year beginning July 1, 2023, under the provisions of the Homestead Property Exclusion Program Act (part of Act 50 of 1998) and the Taxpayer Relief Act (Act 1 of 2006), as follows:

1. **Aggregate amount available for homestead and farmstead real estate tax reduction.** The Pennsylvania Department of Education (PDE) has notified the School District that PDE will pay to the School District during the school year pursuant to Act 1, 53 P.S. Section 6926.505(b), as a property tax reduction allocation funded by gambling tax funds, the amount of \$703,549.91.
2. **Homestead/farmstead numbers.** Pursuant to Act 50, 54 Pa. C.S. Section 8584(i), and Act 1, 53 P.S. Section 6926.341(g)(3), the County has provided the School District with a certified report listing approved homesteads of 2,824 and approved farmsteads of 86. The aggregate number of approved homesteads and farmsteads is 2,910.
3. **Real estate tax reduction calculation.** The school board has decided that the homestead exclusion amount and the farmstead exclusion amount shall be equal. Dividing the amount available of \$703,549.91 by the number of approved homesteads and farmsteads of 2,910 (before considering the assessed value of approved homesteads and approved homesteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead and farmstead exclusion amount), the preliminary calculation of the maximum real estate tax reduction amount applicable to each approved homestead and to each approved farmstead is \$241.72.

Based on the calculations provided by the School District Business Office from the best available information and carefully evaluated by the School Board, considering the assessed value of approved homesteads and approved farmsteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead exclusion and the farmstead exclusion amount, an additional aggregate amount of \$25,305.92 will be available during the school year for real estate tax reduction applicable to approximately 2,910 homesteads and farmsteads, resulting in an additional real estate tax reduction amount available for each homestead and farmstead of \$9.56. Adding this additional amount to the preliminary calculation of the maximum real estate tax reduction amount of \$241.72, the final maximum real estate tax reduction amount applicable to each approved homestead and to each approved farmstead is \$251.28.

4. **Homestead exclusion calculation.** Dividing the paragraph 3 maximum real estate tax reduction amount of \$251.28 by the School District real estate tax rate of 15.48 mills (.01548), the maximum real estate assessed value reduction to be reflected on tax notices as a homestead exclusion for each approved homestead is \$16,233.00, and the maximum real estate assessed value reduction to be reflected on tax notices as a farmstead exclusion for each approved farmstead is \$16,233.00.
5. **Homestead/farmstead exclusion authorization - July 1 tax bills.** The tax notice issued to the owner of each approved homestead within the School District shall reflect a homestead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the homestead, or (b) the paragraph 4 maximum real estate assessed value reduction of \$16,233.00. The tax notice issued to the owner of each approved farmstead within the School District shall reflect an additional farmstead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the farmstead, or (b) the paragraph 4 maximum real estate assessed value reduction of \$16,233.00. For purposes of this Resolution, “approved homestead” and “approved farmstead” shall mean homesteads and farmsteads listed in the report referred to in paragraph 2 above and received by the School District from the County Assessment Office on or before May 1 pursuant to Act 1, P.S. Section 6926.341(g)(3), based on homestead/farmstead applications filed with the County Assessment Office on or before March 1. This paragraph 5 will apply to tax notices issued based on the initial tax duplicate used in issuing initial real estate tax notices for the school year, which will be issued on or promptly after July 1, and will not apply to interim real estate tax bills.

- Ms. Erin Beckes requested an update on the roofing project at the Elementary Center.

**REPORTS & PRESENTATIONS**

- **FOOD SERVICE DEPARTMENT REPORT** – Mrs. Robin Petroff-Hedlund, Food Service Director, thanked the Board for their support over the years. She presented average participation rates for various meal programs and discussed funding assistance in the form of grants and federal assistance programs for the 2022-23 school year. The department will be busy serving various programs over the summer. Staffing and supply issues continue to be challenging. Mr. Fox reviewed revenues and expenses projected for the Food Service Department for 2023-24 as compared to recent years. Administration is proposing no increase in student meal prices and a slight increase in adult meal prices in order to cover costs for the upcoming school year.

Following this report, Mrs. Hedlund was recognized and thanked on the occasion of her retirement following a career of almost 40 years, the last 14 of which have been spent with the North East School District. Mrs. Hedlund has been an outstanding representative of the district and will be missed.

Mrs. Denise Pyle was introduced to the Board as she will be transferring into the position of Food Service Director going forward.

- **MIDDLE SCHOOL SCIENCE OLYMPICS** – Several middle school students were present to be recognized for their achievements in recent Science Olympics competition. They will receive certificates at a later date.
- **ATHLETIC FACILITIES IMPROVEMENT PRESENTATION** – Mr. Fox provided a review of the timeline and progress of discussions held to date regarding potential renovations to the district's athletic facilities. Although funds have been set aside for this purpose from the bond reissue of 2020-21, the project as a whole has been significantly scaled back due to cost. There is a definite need for track and field issues to be addressed. The hope is to utilize a design build approach through a cooperative purchasing program rather than being obligated to work with a low bidder who may not necessarily be the best fit for the project.

Mr. Fox introduced Mr. Russell Lyddane II, who is a Partner at Keystone Sports Construction. Mr. Lyddane shared plans and information recently presented to the Athletic Facilities Improvement committee regarding proposed updates to the stadium. Phase One of this project would focus on improvements to the track and the playing field for student usage as well as replacement of stadium lighting, walkways and fencing. The second phase would focus on improvements to stadium amenities for students, spectators and the community.

Discussion took place with board members regarding the life expectancy and warranty of the finished products and also storm water mitigation on a turf field. Mr. Fox would like to request approval for phase one of the project at an upcoming board meeting. Even if approved now, the work is not expected to begin until the summer of 2024.

IDEA Policies &  
Procedures**

In a motion by Mr. Wargo and second by Mr. Boyd to approve Additional Educational/Operational Functions Item #1, the Board, in a roll call vote, voted as follows: “Ayes” – Mrs. Abata, Mr. Behnken, Mr. Boyd, Mr. Ferruggia, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. “Nays” – 0. Dr. Blystone was excused. Motion carried.

1. The Board approved adoption of the Northwest Tri-County Intermediate Unit’s policies and procedures under the federal requirements of 34 CFR PART 300, implemented to fulfill the requirements of 22 PA Code Chapter 14 and the regulatory requirements under the Individuals with Disabilities Education Act- Part B.

Attorney Sennett briefly reviewed basic facts of the case of Erin Beckes et.al. vs. North East School District in which Ms. Beckes sought to sue the district for masking requirements which were implemented during the COVID-19 pandemic. The original case was dismissed by the court system which ruled that the board has the right and duty to establish procedures to protect the health and safety of students and staff, and this ruling was subsequently appealed by Ms. Beckes. The district is now in receipt of a settlement offer to drop the appeals in exchange for a monetary payment of over \$60,000 with Sunshine Act training required on the part of the board and the school district. Mr. Sennett believes that if anything, Ms. Beckes should reimburse the school district for legal fees incurred relative to this case. He further explained that this board vote in public session is not legally required in order for him to respond on behalf of the district, but is being recorded in order to avoid yet further legal action.

**APPROVAL –  
Rejection of  
Settlement Offer**

In a motion by Mr. Sucha and second by Mr. Boyd to reject the settlement offer recently received in the case of Erin Beckes et.al. vs. North East School District, the Board, in a voice vote, voted as follows: “Ayes” – Mrs. Abata, Mr. Behnken, Mr. Boyd, Mr. Ferruggia, Mr. Mobilia, Mr. Riedel, Mr. Sucha and Mr. Wargo. “Nays” – 0. Dr. Blystone was excused. Motion carried.

- Ms. Theresa Richter requested that board members use the microphones so the meeting may be clearly heard.
- Mr. Ted Jones thanked Mr. Fox for replying to his email but said he is asking for a better explanation regarding the need for a local tax increase.
- Ms. Kristin Currier was excited to share that North East's Envirothon team took first place in regional competition earlier today and have earned a place a states. She encouraged the board and administration to consider using social media more often to get information out to parents on the many great programs and opportunities available to district students.
- Mr. John McGuigan addressed the board with a concern regarding 7<sup>th</sup> grade son whom he said recently won a medal in state wrestling competition but his achievement was not acknowledged by the Middle School. Dr. Hartzell responded that the board would absolutely appreciate the chance to celebrate with this student. Mr. McGuigan was invited to return at the next board meeting with his son and his son's coach if possible, for public recognition.

With no further comments and following the close of the public participation section of this meeting, Mr. Mobilia attempted to address Mr. Jones's complaints regarding the need for a tax increase. He explained that there have been only 4 years of the past 13 where the district was able to balance the budget with no tax increase, and in the current economy it is necessary in order to meet basic expenses. Mr. Mobilia further stated that he had had a good meeting with Ms. Beckes' parents as opposed to her allegations that he had upset them. While he was speaking there were multiple interruptions from the audience, with both Mr. Jones and Ms. Beckes declared as out of order.

**ADJOURNMENT:** By acclamation the regular meeting was adjourned at 8:30 PM.

North East School District  
North East, Pennsylvania

We are pleased to confirm our understanding of the services we are to provide for North East School District for the year ended June 30, 2023.

### **Audit Scope and Objectives**

We will audit the financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information, including the disclosures, which collectively comprise the basic financial statements, of North East School District as of and for the year ended June 30, 2023. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement North East School District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures North East School District's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

1. Management's Discussion and Analysis
2. Schedule of Changes in the District's Net OPEB Liability and Related Ratios
3. Schedule of District's Contributions - OPEB
4. Schedule of the District's Proportionate Share of the Net Pension Liability of the Pennsylvania School Employees' Retirement System
5. Schedule of District Contributions to the Pennsylvania School Employees' Retirement System

We have also been engaged to report on supplementary information other than RSI that North East School District's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements.

1. Comparative Schedule of Revenue and Expenditures – General Fund
2. Statement of Cash Receipts and Disbursements of the Extra Classroom Activity Fund
3. Other Supplementary Schedules

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

### **Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit**

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have identified the following significant risks of material misstatement as part of our audit planning:

- Management override
- Revenue recognition, including reporting of COVID-19 related funding

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of financial statements does not relieve you of your responsibilities.

### **Audit Procedures—Internal Control**

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

### **Audit Procedures—Compliance**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of North East School District's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of North East School District's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on North East School District's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

## **Other Services**

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of North East School District in conformity with accounting principles generally accepted in the United States of America and the Uniform Guidance based on information provided by you. In addition, we may provide assistance with the District's annual financial report (AFR) filed with the Pennsylvania Department of Education. We will also provide assistance in preparing the data collection form if a single audit is required. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, the schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

## **Responsibilities of Management for the Financial Statements and Single Audit**

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report.

Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review on at the commencement of our audit.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

## **Engagement Administration, Fees, and Other**

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the District; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Buffamante Whipple Buttafaro, PC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to Department of Education or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Buffamante Whipple Buttafaro, PC. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Department of Education. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the parties contesting the audit finding for guidance prior to destroying the audit documentation.

James C. Alexander, CPA is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to them. We expect to begin our audit in May or June 2023. We expect reports to be issued no later than December 31, 2023.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of personnel assigned to your audit. The fee for the year ended June 30, 2023 will be \$27,000.

The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Additional time regarding the accounting, reporting and auditing related to the ESSER Federal funding and other new grant funding received/expended during the current year; accounting and reporting for leases in accordance with GASB 87, accounting and reporting for subscription based IT arrangements in accordance with GASB 96, if applicable, and time associated with certifying the AFR will be billed in addition to the audit fee noted above at our standard hourly rates.

The above fee is based on current circumstances, including our costs of providing services and general economic conditions, and our understanding of the scope of work required to meet your needs. In the event that changes occur such as new governmental standards, new programs that require additional procedures, changes to the scope of services to be provided to you or significant changes to our costs of providing services, we will review these changed circumstances with you and how it will impact the above fee.

You agree that any dispute (other than efforts to collect an outstanding invoice) that may arise regarding the meaning, performance or enforcement of this engagement or any prior engagement that we have performed for you, will, prior to resorting to litigation, be submitted to mediation, and that the parties will engage in the mediation process in good faith once a written request to mediate has been given by any party to the engagement. Any mediation initiated as a result

of this engagement shall be administered within the county of Erie, New York, by a mediator mutually agreed upon by the parties, or in the event the parties cannot mutually agree, by a mediator from a list provided by the American Arbitration Association of New York State, or other recognized mediation service. Any ensuing litigation shall be conducted within said county, according to New York State law. The results of any such mediation shall be binding only upon agreement of each party to be bound. The costs of any mediation proceeding shall be shared equally by the participating parties.

**Reporting**

We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Board of Education of North East School District. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor’s report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to North East School District and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Very truly yours,

*Buffamante Whipple Buttafaro PC*

Board of Education, Audit Committee and Management  
North East School District  
North East, Pennsylvania

We are engaged to audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of North East School District for the year ended June 30, 2023. Professional standards require that we provide you with the following information related to our audit. We would also appreciate the opportunity to meet with you to discuss this information further since a two-way dialogue can provide valuable information for the audit process.

#### Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated May 1, 2023, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

Generally accepted accounting principles provide for certain required supplementary information (RSI) to supplement the basic financial statements. Our responsibility with respect to the management's discussion and analysis, budgetary comparison information, schedule of changes in the District's net OPEB liability and related ratios, schedule of District's contributions – OPEB, schedule of the District's share of the net pension asset/liability, and the schedule of the District's contributions for defined benefit pension plans, which supplements the basic financial statements, is to apply certain limited procedures in accordance with generally accepted auditing standards. However, the RSI will not be audited and, because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance, we will not express an opinion or provide any assurance on the RSI.

We have been engaged to report on supplementary information, which accompany the financial statements but are not RSI. Our responsibility for this supplementary information, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Planned Scope, Timing of the Audit, and Other

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested.

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. We will generally communicate our significant findings at the conclusion of the audit. However, some matters could be communicated sooner, particularly if significant difficulties are encountered during the audit where assistance is needed to overcome the difficulties or if the difficulties may lead to a modified opinion. We will also communicate any internal control related matters that are required to be communicated under professional standards.

We have identified the following significant risks of material misstatement as part of our auditing planning:

- Management override
- Revenue recognition, including reporting of COVID-19 related funding

We expect to begin our audit during May or June 2023 and issue our report by December 31, 2023. James C. Alexander, CPA is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

This information is intended solely for the use of the Board of Education, Audit Committee and management of North East School District and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

*Buffamante Whipple Buttafaro PC*

The payment terms breakdown above shall be considered the Schedule of Values for the project as written. Billing shall be submitted on or before the 25th day of the month according to the payment schedule above and accompanied by a form of G702-703 pay application/schedule of values and a conditional waiver, the format of which is hereby acknowledged and accepted.

The use of online Portals for the submission of billing shall follow the terms of the Proposal and Customer agrees to permit billing in accordance with the executed contract terms. Portal access and usage is to be provided free of additional charge to TK Elevator and any additional cost for such use is to be reimbursed to TK Elevator via a reimbursable change order immediately upon acceptance.

Purchaser agrees that TK Elevator shall have no obligation to complete any steps necessary to provide Purchaser with full use and operation of the installed equipment until such time as TK Elevator has been paid 100% both of the price reflected in this Proposal and for any other work performed by TK Elevator or its subcontractors in furtherance of this Proposal. Purchaser agrees to waive any and all claims to the turnover and/or use of that equipment until such time as those amounts are paid in full.

In the event that TK Elevator's work is delayed for a period greater than six (6) months, the warranty shall be reduced by the amount of the delay. This warranty is in lieu of any other warranty or liability for defects. TK Elevator makes no warranty of merchantability and no warranties which extend beyond the description in this Proposal, nor are there any other warranties, expressed or implied, by operation of law or otherwise. Like any piece of fine machinery, the equipment described in this Proposal should be periodically inspected, lubricated, and adjusted by competent personnel. In order to make a warranty claim, Purchaser must give TK Elevator prompt written notice at the address listed on the cover page of this Proposal and provided all payments due under the terms of this Proposal and any mutually agreed to written change orders have been made in full, TK Elevator shall, at its own expense, correct any proven defect by repair or replacement. TK Elevator will not, under any circumstances, reimburse Purchaser for cost of work done by others, nor shall TK Elevator be responsible for the performance of any equipment that has been the subject of service, repair, replacement, revisions or alterations by others. If there is more than one (1) unit which is the subject of work described in this Proposal, this section shall apply separately to each unit as accepted.

## 4. Preventative Maintenance Program

This Proposal does not include any maintenance, service, repair or replacement of the equipment or any other work not expressly described herein. TK Elevator may submit a separate proposal to Purchaser covering the maintenance and repair of this equipment to be supplied to Purchaser at an additional cost. In the event the Purchaser and TK Elevator have a new or existing maintenance Agreement in effect at the time of the acceptance of this proposal and/or during the scope of this work, the terms of the Agreement shall remain in full force and effect throughout the performance of this scope of work and continue throughout the duration of the stated term in that Agreement.

l. If site specific rules and regulations classify the elevator pit as confined space, elevator pits will need to reclassify a permit-required space to a non-permit required space prior to mobilization.

## 7. Temporary Use, Inspection and Turnover

a. Unless required by specification, TK Elevator will not provide for “temporary use” of the elevator(s) described in this Proposal prior to completion and acceptance of the complete installation. Temporary use shall be agreed to via a change order to this Proposal which shall require Purchaser’s execution of TK Elevator’s standard Temporary Use Agreement. Cost for temporary use of an elevator shall be \$200.00 per calendar day per hydraulic elevator and \$250.00 per calendar day for each traction elevator for rental use only, excluding personnel to operate. All labor and parts, including callbacks required during the temporary use period will be billed at TK Elevator’s standard local billing rates. This duration does not include any provisions for finish work or for repairs of same, which shall be addressed on a project-by-project basis. Cost for preparation of controls for temporary use, refurbishment due to normal wear and tear, readjustment and re-inspection is \$5,000.00 per elevator up to 10 floors. For projects above 10 stops, an additional cost of \$1,500.00 / 10 floors shall apply. These costs are based on work performed during normal working hours. Temporary use excludes vandalism or misuse. All overtime premiums for repairs during the temporary use period will be billed at TK Elevator’s local service billing rates.

b. The Proposal price set forth above includes one (1) inspection per unit by the applicable authority having jurisdiction if required by the government of the locality where the equipment is located. In the event the equipment fails that inspection due to no fault of TK Elevator, TK Elevator will charge Purchaser for both the cost of each re-inspection which shall be \$1,500.00 and a remobilization fee which shall be \$5,000.00 via change order prior to scheduling a re-inspection.

c. Upon notice from TK Elevator that the installation and/or modernization of the equipment is complete, Purchaser will arrange to have present at the jobsite a person authorized to make the final inspection and to execute TK Elevator’s “Final Acceptance Form.” The date and time that such person will be present at the site shall be mutually agreed upon but shall not be more than ten (10) business days after the date of TK Elevator’s notice of completion to Purchaser unless both TK Elevator and Purchaser agree to an extension of that ten (10) day period in writing. Such final inspection and execution of TK Elevator’s “Final Acceptance Form” shall not be unreasonably delayed or withheld.

d. Should the Purchaser or the local authority having jurisdiction require TK Elevator’s presence at the inspection of equipment installed by others in conjunction with the work described in this Proposal, Purchaser agrees to compensate TK Elevator for its time at TK Elevator’s current billing rate as posted at its local office.

e. At the conclusion of its work, TK Elevator will remove all equipment and unused or removed materials from the project site and leave its work area in a condition that, in TK Elevator’s sole opinion, is neat and clean.

f. Purchaser agrees to accept a live demonstration of equipment’s owner-controlled features in lieu of any maintenance training required in the bid specifications.

## 8. MAX

MAX is a cloud based Internet of Things (IoT) platform that we, at our election, may connect to your elevators and escalators by means of installation of a remote-monitoring device or modem (each a “device”). MAX will analyze the unique signal output of your equipment 24/7 and when existing or potential outages are identified, MAX will automatically communicate with our dispatch centers. When appropriate, the dispatch center will alert our technicians during normal working hours. These MAX alerts provide the technician with precise diagnostics detail, which greatly enhances our ability to fix your equipment right the first time, MAXimizing the equipment uptime.

a. Purchaser authorizes TK Elevator and its employees to access purchaser’s premises to install, maintain and/or repair the devices and, upon termination of the service agreement, to remove the same from the premises if we elect to remove.

# Modernization Proposal

- f. Purchaser agrees not to permit purchaser personnel or any third parties to use, access, tamper with, relocate, copy, disclose, alter, destroy, disassemble or reverse engineer the device while it is located on purchaser's premises.
- g. The installation of this equipment shall not confer any rights or operate as an assignment or license to you of any patents, copyrights or trade secrets with respect to the equipment and/or any software contained or imbedded therein or utilized in connection with the collection, monitoring and/or analysis of data.

## 9. Additional Terms and Conditions

- a. In no event shall TK Elevator be responsible for liquidated, consequential, indirect, incidental, exemplary, and special damages associated with the work described in this Proposal.
- b. This Proposal is made without regard to compliance with any special purchasing, manufacturing or construction/installation requirements including, but not limited to, any socio-economic programs, such as small business programs, minority or woman owned business enterprise programs, or local preferences, any restrictive sourcing programs, such as Buy American Act, or any other similar local, state or federal procurement regulations or laws that would affect the cost of performance. Should any such requirements be applicable to the work described in this Proposal, TK Elevator reserves the right to modify this Proposal or rescind it altogether.
- c. TK Elevator is an equal opportunity employer.
- d. TK Elevator's performance of the work described in this Proposal is contingent upon Purchaser furnishing TK Elevator with any and all necessary permission or priority required under the terms and conditions of government regulations affecting the acceptance of this Proposal or the manufacture, delivery or installation of the equipment. All applicable sales and use taxes, permit fees and licenses imposed upon TK Elevator as of the date of the Proposal are included in the price of the Proposal. Purchaser is responsible for any additional applicable sales and use taxes, permit fees and licenses imposed upon TK Elevator after the date of the Proposal or as a result of any law enacted after the date of the Proposal.
- e. All taxes, tariffs, duties, permit and/or license fees imposed upon TK Elevator as of the date of the execution of this Proposal are included in the price of the Proposal. After the date of acceptance of this Proposal and in addition to the Proposal price, Purchaser is also responsible to pay TK Elevator for any new (or any increase in): (1) applicable taxes, tariffs, duties, permit and/or license fees; (2) charges from its suppliers for any of the applicable materials and/or components: (A) due to supply chain issues, the imposition of new or increased taxes, tariffs, or other charges by applicable governmental authorities; (B) if the release of materials called for in this Proposal occurs after the milestone mentioned earlier in this Proposal; and/or (C) if the completion of work called for in this Proposal occurs after the milestone mentioned earlier in this Proposal; and/or (3) charges from TK Elevator's shippers and/or freight forwarders.
- f. Purchaser agrees to provide TK Elevator's personnel with a safe place in which to work and TK Elevator reserves the right to discontinue work at the jobsite whenever, in TK Elevator's sole opinion, this provision is being violated.
- g. The pricing set forth in this Proposal assumes that the elevator pits will not be classified as a confined space. TK Elevator will follow its standard safety policy and procedures. Any job specific safety requirements over and above TK Elevator's standard practices and policies may require additional costs.
- h. TK Elevator will furnish and install all equipment in accordance with the terms, conditions, scope and equipment nomenclature as noted herein. Requested changes or modifications to such provisions will require a written change order issued on the Purchaser's letterhead and accepted by TK Elevator in writing prior to the execution of such work. This change order shall detail the current contract price, the amount of the change, and new contract value.
- i. This Proposal does not include a schedule for the work described and any such schedule shall be mutually agreed upon by an authorized representative of both TK Elevator and Purchaser in writing before becoming effective.

# Modernization Proposal

j. In the event asbestos material is knowingly or unknowingly removed or disturbed in any manner at the jobsite, Purchaser shall monitor TK Elevator's work place and prior to and during TK Elevator's manning of the job, Purchaser shall certify that asbestos in the environment does not exceed .01 fibers per cc as tested by NIOSH 7400. In the event TK Elevator's employees or those of TK Elevator's subcontractors are exposed to an asbestos hazard, PCP's, lead or other hazardous substances, Purchaser agrees, to the fullest extent permitted by law, to indemnify, defend, and hold TK Elevator harmless from all damages, claims, suits, expenses, and payments resulting from such exposure. Identification, notification, removal and disposal of asbestos containing material, PCP's lead or other hazardous substances are the responsibility of the Purchaser.

k. TK Elevator retains title to and a security interest in all equipment it supplies – which TK Elevator and Purchaser agree can be removed without material injury to the real property – until all payments including deferred payments and any extensions thereof, are made. In the event of any default by Purchaser on any payment, or any other provision of this Proposal, TK Elevator may take immediate possession of the equipment and enter upon the premises where it is located – without legal process – and remove such equipment or portions thereof, irrespective of the matter of its attachment to the real estate or the sale, mortgage or lease of the real estate. Pursuant to the Uniform Commercial Code, and at TK Elevator's request, Purchaser agrees to execute any financial or continuation statements which may be necessary for TK Elevator to file in public offices in order to perfect TK Elevator's security interest in such equipment.

l. TK Elevator reserves the right to assign payments owed to TK Elevator under this Proposal.

m. TK Elevator shall not be liable for any loss, damage or delay caused by acts of government, labor troubles, strikes, lockouts, fire, explosion, theft, floods, riot, civil commotion, war, malicious mischief, acts of God or any cause beyond its control.

n. The rights of TK Elevator under this Proposal shall be cumulative and the failure on the part of the TK Elevator to exercise any rights hereunder shall not operate to forfeit or waive any of said rights. Any extension, indulgence or change by TK Elevator in the method, mode or manner or payment or any of its other rights shall not be construed as a waiver of any of its rights under this Proposal.

o. In the event TK Elevator engages a third party to enforce the terms of this Proposal, and/or to collect payment due hereunder, either with or without suit, Purchaser agrees to pay all costs thereof together with reasonable attorney's fees. Purchaser does hereby waive trial by jury and does hereby consent to the venue of any proceeding or lawsuit under this Proposal to be in the county where the work covered by this Proposal is located.

p. TK Elevator can furnish Certificate of Workers' Compensation, Bodily Injury and Property Damage Liability Insurance coverage to Purchaser upon written request.

q. Should loss of or damage to TK Elevator's material, tools or work occur at the project site, Purchaser shall compensate TK Elevator for such loss, unless such loss or damage results from TK Elevator's own acts or omissions.

r. Purchaser, in consideration of TK Elevator performing the services set forth in this Proposal, to the fullest extent permitted by law expressly agrees to indemnify, defend, save harmless, discharge, release and forever acquit TK Elevator Corporation, TK Elevator Manufacturing, Inc., their respective employees, officers, agents, insurers, affiliates, and subsidiaries (hereinafter singularly a "TK Elevator party" and collectively the "TK Elevator parties") from and against any and all claims, demands, suits, and proceedings for loss, property damage (including damage to the equipment which is the subject matter of this Proposal), personal injury or death that are alleged to either have arisen out of or be connected with the sale, marketing, presence, use, misuse, maintenance, installation, removal, modernization, manufacture, design, operation or condition of the equipment that is the subject matter of this Proposal or the labor and materials furnished in connection with this Proposal. Purchaser's duty to indemnify a TK Elevator party does not apply to the extent that the loss, property damage (including damage to the equipment which is the subject matter of this Proposal), personal injury or death is determined to be caused by or resulting from the negligence of that TK Elevator party. Purchaser recognizes that its obligation to defend the TK Elevator parties under this clause, which is separate and apart from its duty to indemnify the TK Elevator parties, includes payment of all attorneys' fees, court costs, judgments, settlements, interest and any other expenses of litigation arising out of such claims, demands, suits or proceedings.

s. Purchaser further expressly agrees to name TK Elevator Corporation and TK Elevator Manufacturing, Inc. along with their respective officers, agents, affiliates and subsidiaries as additional insureds in Purchaser's liability and any excess (umbrella) liability insurance policy(ies). Such insurance must insure TK Elevator Corporation and TK Elevator Manufacturing, Inc. for those claims and/or losses referenced in the above paragraph and those claims and/or losses arising from the negligence of TK Elevator Corporation and TK Elevator Manufacturing, Inc. Such insurance must specify that its coverage is primary and non-contributory. Purchaser hereby waives its right of subrogation.

Upon the final acceptance of this agreement, Keystone Sports Construction will contract with Ela Group, Inc. to perform all civil/site engineering and land surveying services related to the proposed improvements.

WHEREAS, North East School District (hereinafter "OWNER") wishes to have one (1) synthetic turf athletic field, 8 lane running track, field events, associated drainage, grading and site improvements installed at one (1) recreational sports facility in keeping with the Scope of Work described herein, and as otherwise may be agreed upon in writing by the parties hereto (the "Project");

AND WHEREAS, OWNER intends to retain the services of Gold Standard Consulting, LLC d/b/a Keystone Sports Construction (hereinafter "KEYSTONE"), for the purposes of the Project;

THEREFORE, in consideration for the payment of the total purchase price of: three million five hundred eighty-one thousand five hundred sixty dollars and twenty-six cents (\$3,581,560.26)

### General Conditions

- KEYSTONE shall have all design and construction services performed, and provide all material, equipment, tools, and labor, necessary to complete the Work described in and reasonably inferable from the Contract Documents.
  - The Contract Documents are intended to permit the parties to complete the work and all obligations required by the Contract Documents within the Contract Time(s) (defined below) for the Contract Price. The Contract Documents are intended to be complementary and interpreted in harmony so as to avoid conflict, with words and phrases interpreted in a manner consistent with construction and design industry standards. In the event inconsistencies, conflicts, or ambiguities between or among the Contract Documents are discovered after execution of the Agreement, KEYSTONE and OWNER shall attempt to resolve any ambiguity, conflict, or inconsistency informally, recognizing that the Contract Documents shall take precedence in the order in which they are listed.
  - This Agreement shall be binding upon the parties and their respective successors, assigns, and personal representatives. Neither party shall assign its or his/her rights or interest in this Agreement without the written consent of the other.
  - This Agreement constitutes the entire and integrated Agreement between the OWNER and KEYSTONE, and supersedes all prior negotiations, representations, or agreements, whether written or oral except as are specifically incorporated by reference. This Agreement may not be amended except by written instrument signed by both the OWNER and KEYSTONE.
  - In the event any provisions of this Agreement shall be held to be invalid and unenforceable, the remaining provisions shall be valid and binding upon the parties. One or more waivers by either party of any provision, term, condition, or covenant shall not be construed by the other party as a waiver of a subsequent breach of the same by the other party.
  - All work shall be done in compliance with all federal, state, and local laws, rules, and regulations to include any and all applicable building codes.
- 1) **Contract Time:** The work shall commence within ten (10) days of KEYSTONE'S receipt of OWNER'S Notice to Proceed ("Date of Commencement") unless the parties mutually agree otherwise in writing.
- a) **Substantial Completion and Final Completion.**
- i) Substantial Completion date shall be established upon issuance of all required permits and the approval of the final construction schedule. ("Scheduled Substantial Completion Date")

plus any extensions granted per OWNER approved change order or delays beyond the control of KEYSTONE.

- ii) Final Completion of the work or identified portions of the work shall be achieved as expeditiously as reasonably practicable. Final Completion is the date when all Work is complete pursuant to the General Conditions and Scope of Work.
- iii) Liquidated Damages: OWNER and KEYSTONE recognize that time is of the essence of this Agreement and that OWNER will suffer financial loss if the Work is not completed within the times specified, plus any extensions granted per OWNER approved change order or delays beyond the control of KEYSTONE. They also recognize the delays, expense and difficulties involved in proving the actual loss suffered by OWNER if the work is not completed on time. Accordingly, instead of requiring any such proof, OWNER and KEYSTONE agree that as liquidated damages for delay (but not as a penalty) KEYSTONE shall pay OWNER in accordance with the following schedule for each day that expires after the substantial completion date:  
(1) Five Hundred Dollars (\$500.00) per calendar day.
- iv) In the event of delay of Substantial Completion or breach of this Agreement, neither party shall be permitted to seek recovery of any consequential damages, including loss of use or loss of income, that may result.

## **2) Scope of Work:**

- a) The Project shall be completed as per the Plans, Specifications and Drawings as listed in the Contract Documents and all associated exhibits. (PROJECT NO. PAZ61-328) EXHIBIT B and associated Scope of Work EXHIBIT A. The Scope of Work described below are for the site design, engineering and regulatory agency requirements to obtain Storm Water Management and NPDES Permit approvals necessary for construction implementation. For purposes of this Agreement, it is assumed that both North East Township and North East Borough will not require Land Development Plans, but the Township will review the project as a Storm Water Management Site Plan.
- b) Topographical Survey and Basemapping: Perform field run topographical survey of the areas specific to the project area with sufficient overlap of adjacent areas as necessary for design and plan preparation. The area of survey is approximately 16 acres. ELA will engage the services of an underground utility locating service to supplement the field surveying work. The underground utility locating service will utilize ground penetrating radar equipment which may have limitations on locating various pipe materials, diameters and depth. The survey scope of work excludes any property boundary establishment/retracement beyond reconnaissance of locating any existing property line monumentation along the northern and western borders of the specific survey area. The historical plans provided to ELA previously will be utilized and incorporated in part of the Storm Water Site Plan preparation.

- c) **Geotechnical Testing:** ELA Group, Inc. will facilitate a Geotechnical Engineering Consultant to perform: Infiltration testing: six (6) test pit locations across within the existing stadium field with three tests per pit for NPDES permitting requirements. Soils testing at (4) locations within the existing track areas to determine compaction integrity of the soils material to ensure the pavement cross section being proposed will be supported by the soil sub-base. Soils testing for large precast block retaining wall design parameters. The Geotechnical Engineer will provide results within a project report along with any recommendations. Additional tests required beyond those enumerated herein will be completed if authorized as an additional service.
- d) **Stormwater Management Site Plan:** The stadium is located within North East Township and the field events are located within North East Borough. The North East Borough Stormwater Management Ordinance requires an application and plan to be submitted if more than 5,000 square feet of impervious surface is being proposed. The field events will not meet that threshold. For the stadium improvements, prepare and submit a Storm Water Management Site Plan meeting the requirements of North East Township's, "Chapter 263 Stormwater Management, Article VIII, SWM Site Plan and Report Requirements". It is anticipated the "Drainage Plan" will be prepared and submitted to the Township concurrently with the NPDES General Permit Application.
- e) **NPDES Permit and Erosion Control Plans:** Based on available PA DEP web mapping, the project site is NOT within a "Special Protection" (High Quality) watershed and thus will be a NPDES "General" Permit. Storm water analysis and requisite mitigation measures will be based upon the conversion of the natural grass field to a synthetic surface and additional impervious areas. ELA will prepare and submit the NPDES "General" Permit Application with the required design and engineering analysis along with related documents, forms and plans to the Erie County Conservation District for administrative review. ELA will attend one (1) Erie County Conservation District / PA DEP "Pre-Application" meeting (via virtual meeting platform) prior to a formal application submission and will address any review comments as a result of the meeting review. During construction, ELA will perform "Critical Stages" inspections that will be outlined on the Post Construction Stormwater Plan. Upon the completion of construction and final inspection by the Conservation District, ELA will perform the NPDES – Notice of Termination/Closeout processing. ELA has assumed that any excess topsoil and subsoil materials generated by the project will be disposed of on the School District's property.
- f) **Construction Documents:** ELA will prepare construction documents for the project. The construction documents will incorporate the E&S / NPDES permit drawings and will generally include project construction details and construction specifications for construction implementation.

**3) Assumptions:**

- a) There will be no disturbance to areas of steep slope, protected woodland, streams, or other sensitive environmental resources.
- b) ELA Group, Inc and KEYSTONE do not guarantee that the North East Township or Erie County Conservation District will endorse or approve the application or that the improvements can be constructed in the desired location or configuration.
- c) Unless otherwise expressly agreed, the fees and charges for the project as set forth in this Agreement constitute and are based on KEYSTONE'S best estimate of the time and effort required to complete the project, and cannot be regarded as other than an approximation, unless expressly stated in the proposal, this is not a "Fixed Price" Proposal or Agreement.

- d) **LIGHTING, ELECTRICITY & FACILITIES:** Existing lighting (if required), use of existing permanent electrical power, facility restrooms and access are to be provided and maintained by OWNER for KEYSTONE use during its performance of the Scope of Work at the Project Site Location. All materials, including without limitation, synthetic turf rolls, infill, materials, tools, equipment or other sundry items so delivered by KEYSTONE shall remain the property of KEYSTONE pending substantial completion of the Scope of Work and payment in full of the contract price. KEYSTONE agrees to name OWNER as additional insured and maintain liability limits of one million dollars (\$1,000,000) per occurrence and Certificates of Insurance shall be provided upon execution of this Agreement. Proof of insurance and of additional insured certificate shall be provided to the District upon request, and that all applicable and requisite insurance be maintained for the life of the Project and any applicable warranty periods.
- g) **PAYMENT TERMS:** Owner shall make payment within fifteen (15) business days after OWNER'S receipt of each properly submitted and accurate Invoice in accordance with this Agreement.
  - DRAW #1: 35% of total price due upon signing of the contract.

- DRAW #2: 25% of total price due upon construction services mobilization.

**6) Suspension of Services:**

If the OWNER fails to make payments when due or otherwise is in breach of this Agreement, KEYSTONE may suspend performance of services. In the event KEYSTONE is or has performed services for the OWNER on projects other than the undersigned project and through no fault of KEYSTONE the OWNER fails to make payments in accordance with the terms of the other project agreements, KEYSTONE may, upon ten (10) days written notice to the OWNER, suspend performance of services under this agreement. KEYSTONE shall have no liability whatsoever to the OWNER for any costs or damages as a result of such suspension caused by any breach of our Agreement by the OWNER. Upon payment in full by the OWNER, KEYSTONE shall resume services under our Agreement, and the time schedule and compensation shall be equitably adjusted to compensate for the period of suspension plus any other reasonable time and expense necessary for KEYSTONE to resume performance. District reserves the right to terminate this Agreement and/or KEYSTONE'S work on the Project upon convenience (with or without cause) with 14-days' written notice of termination provided to Keystone. Upon termination for convenience, the District shall be responsible for payment to Keystone for any and all costs demonstrated to be incurred up to and including KEYSTONE's final day of work.

**7) Force Majeure:**

Neither party shall hold the other responsible for damages caused by acts of God, strikes, lockouts, accidents, or other events beyond the other's control.

**8) Additional Information:**

Upon written request, each of the parties hereto shall execute and deliver, or cause to be executed and delivered, such additional information, instruments and documents which may be necessary and proper to carry out the terms of this agreement.

**9) Adverse Weather Delay:**

Shall be quantified, recorded and qualified for any monthly total exceeding normal weather occurrences as recorded by on-site weather data station or closest NOAA Weather Station. Adverse Weather Delays are considered for any weather event that deviates from the normal duration, rate, frequency or other normal as recoded by historic weather data services. Date of substantial completion shall be adjusted accordingly and based upon the approval of the submitted delay request.

## **10) Independent Contractor Relationship:**

Nothing in this Agreement shall be construed as an Employment Agreement nor shall any services provided hereunder be provided or interpreted as provided in the capacity of an employee or agent of the OWNER. The Independent Contractor though obligated by this Agreement, remains free to perform similar or additional services to other entities.

KEYSTONE acknowledges and agrees that they shall be responsible for the payment of any/all Federal, State, and Local taxes; Social Security and FICA withholding; and/or any/all other deductions required by Local, State or Federal Law, from any compensation paid for the services rendered. KEYSTONE acknowledges and understands that the OWNER will not withhold any such taxes on his behalf and agrees to hold the District harmless for any failure on the Independent Contractor's part to pay such taxes and withholdings.

KEYSTONE agrees that they are responsible for their own workers' compensation coverage as it is not an employee of the OWNER and may purchase such coverage at their discretion.

## **11) Sub-contractual Relationships:**

By appropriate agreement, written where legally required for validity, KEYSTONE shall require each Subcontractor, to the extent of the work performed by the Subcontractor, to be bound to KEYSTONE by the terms of the Contract Documents, and to assume toward KEYSTONE all the obligations and responsibilities, including the responsibility for safety of the Subcontractor's Work, which KEYSTONE, by these Documents, assumes towards the Owner. Each subcontract agreement shall preserve and protect the rights of the Owner under the Contract Documents with respect to the Work to be performed by the Subcontractor so that subcontracting thereof will not prejudice such rights, and shall allow to the Subcontractor, unless specifically provided otherwise in the subcontract agreement, the benefits of all rights, remedies and redress against KEYSTONE that KEYSTONE, by the Contract Documents, has against the Owner. Where appropriate, KEYSTONE shall make available each proposed Subcontractor, prior to the execution of the subcontract agreement, copies of the Contract Documents to which the Subcontractor will be bound, and, upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the proposed subcontract agreement that may be at variance with the Contract Documents. Subcontractors will similarly make copies of applicable portions of such documents available to their respective proposed Sub-subcontractors. There shall never be a circumstance in which there is deemed to be privity of contract relationship between any Subcontractors or Sub-subcontractors and the Owner.

## **12) Dispute Resolution:**

The sole and exclusive method for binding dispute resolution shall be litigation in the Court of Common Pleas of Erie County, Pennsylvania, pursuant to the Rules of Civil Procedure. All matters

subject to this method of binding dispute resolution relative to claims arising under or relative to this Agreement shall be determined under the laws of the Commonwealth of Pennsylvania.

In accordance with applicable Pennsylvania Law, KEYSTONE hereby specifically waives the right to file any mechanics or other lien or claim against the OWNER or its property for work done or material furnished under this Agreement and the Contract Documents. ### Materials Checklist

#### Contractor/Customer Supplied:

- ☐ A dedicated control circuit must be supplied per distribution panel location
  - If the control voltage is NOT available, a control transformer is required
- ☐ Electrical distribution panel to provide overcurrent protection for circuits
  - HID rated or D-curve circuit breaker sized per full load amps on Circuit Summary by Zone Chart
- ☐ Wiring
  - See chart on page 2 for wiring requirements
  - Equipment grounding conductor and splices must be insulated (per circuit)
  - Lightning ground protection (per pole), if not Musco supplied
- ☐ Electrical conduit wireway system
  - Entrance hubs rated NEMA 4, must be die-cast zinc, PVC, or copper-free die-cast aluminum
- ☐ Mounting hardware for cabinets
- ☐ Breaker lock-on device to prevent unauthorized power interruption to control power and powerline connection (if present)
- ☐ Anti-corrosion compound to apply to ends of wire, if necessary

Call Control-Link Central™ operations center at 877/347-3319 to schedule activation of the control system upon completion of the installation.

Note: Activation may take up to 1 1/2 hours.

### IMPORTANT NOTES

- Please confirm that the design voltage listed above is accurate for this facility. Design voltage/phase is defined as the voltage/phase being connected and utilized at each lighting pole's electrical components enclosure disconnect. Inaccurate design voltage/phase can result in additional costs and delays. Contact your Musco sales representative to confirm this item.
- In a 3 phase design, all 3 phases are to be run to each pole. When a 3 phase design is used Musco's single phase luminaires come pre-wired to utilize all 3 phases across the entire facility.
- One contactor is required for each pole. When a pole has multiple circuits, one contactor is required for each circuit. All contactors are 100% rated for the published continuous load. All contactors are 3 pole.
- If the lighting system will be fed from more than one distribution location, additional equipment may be required. Contact your Musco sales representative.
- A single control circuit must be supplied per control system.
- Size overcurrent devices using the full load amps column of the Circuit Summary By Zone chart- Minimum power factor is 0.9.

NOTE: Refer to Installation Instructions for more details on equipment information and the installation requirements.

## ROOTZONE 3D3 BLEND HD LEGEND 52

AstroTurf's RootZone 3D Series boasts the RootZone technology. The RootZone is a system of texturized fibers that curl down to create a net-like matrix that encapsulates infill – dramatically reducing infill spray during play and infill migration over time.

The RootZone's benefits are numerous. RootZone 3D fields offer grass-like traction, per independently funded, peer reviewed research by Michigan State University. Plus, by better keeping infill in place, the RootZone promotes more consistent footing and more uniform shock absorption over time. And with a more uniform infill level, UV exposure to the fibers is more consistent across the field, which boosts the field's longevity.

With three unique fibers – the RootZone, Legend-shaped monofilament fibers and ultra-durable slit film fibers— the RootZone 3D3 Blend offers exceptional durability, player protection and aesthetics. It's no wonder this is one of our best-selling systems.

*"Our players, coaches and staff have been extremely satisfied with our AstroTurf fields at the Sherman Smith Center. When it came time to replace the turf at Boone Pickens Stadium, we decided to stick with AstroTurf."*

**Mike Holder**, Athletic Director, Oklahoma State University

THE GENERAL ASSEMBLY OF PENNSYLVANIA

# HOUSE BILL

## No. 132

Session of  
2023

INTRODUCED BY BIZZARRO, MADDEN, PROBST, SCHLOSSBERG, CIRESI,  
SANCHEZ, HILL-EVANS, N. NELSON, VENKAT AND D. WILLIAMS,  
MARCH 7, 2023

REFERRED TO COMMITTEE ON EDUCATION, MARCH 7, 2023

### AN ACT

Amending the act of March 10, 1949 (P.L.30, No.14), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," in charter schools, providing for full-time cyber education program offered by school district.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The act of March 10, 1949 (P.L.30, No.14), known as the Public School Code of 1949, is amended by adding a section to read:

Section 1723.1-A. Full-time Cyber Education Program Offered by School District.--(a) Notwithstanding section 1725-A(a)(1) or any other provision of law to the contrary, the following shall apply to a student who resides in a school district that offers a full-time cyber education program:

(1) If the student enrolls in the full-time cyber education program offered by the school district of residence, the student's enrollment in the cyber education program shall be

subject to no tuition or fees other than fees that the school district imposes on its students generally.

(2) If the student chooses to enroll in a cyber charter school, the student or the student's parent or guardian shall be responsible to pay the cyber charter school a per-student amount calculated in the manner provided under section 1725-A(a)(2) and (3). The payments shall be made to the cyber charter school in twelve (12) equal monthly payments, by the fifth day of each month, within the operating school year. A student enrolled in a cyber charter school under this clause shall not be included in the average daily membership of the student's school district of residence for the purpose of providing basic education funding payments and special education funding under Article XXV.

(b) As used in this section, the term "full-time cyber education program" shall mean a complete course of study that is offered by a school district in which the school district uses technology in order to provide a significant portion of its curriculum and to deliver a significant portion of instruction to its students through the Internet or other electronic means and that is not a cyber charter school established under section 1745-A.

Section 2. This act shall take effect in 60 days.

## RESOLUTION

WHEREAS, the COVID-19 Pandemic resulted in closure of in-person learning and dramatically increased the availability of online school programs; and

WHEREAS, it is imperative that controls be put in place to ensure these programs provide high quality education; and

WHEREAS, it is well established that online programs are less effective than in-person learning if not carefully established and monitored; and

WHEREAS, many school districts have created their own online programs that can adapt to students' needs, keep them connected with their peers, and provide the best possible education that meets or exceeds state standards; and

WHEREAS, cyber charter programs currently demand the same fees from school districts but carry none of the associated costs and oversight, draining school funds and dramatically impacting taxpayers; and

WHEREAS, House Bill 132 would create a new process of payment for fees of a cyber charter school enrollment so that it will be paid by the student's parent or guardian where a cyber program is offered by the district of residence; would provide relief to local school districts from incurring costs associated with students enrolled in cyber charter schools; and would further provide relief to Pennsylvania taxpayers which arise from student enrollment in independent cyber charter schools.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors of the North East School District support the common-sense reforms set forth in House Bill 132 and calls upon the General Assembly to meaningfully revise the current payment structure for cyber charter school students.

Adopted this \_\_\_\_ day of \_\_\_\_\_, 2023.
