

North East Career Hall of Fame

The North East community as a whole, and its schools in particular, have established a long-standing tradition of academic excellence. Many North East community members and/or graduates have distinguished themselves through their careers, excellence in service, and/or contributing exceptionally to our community and beyond. Their public example will serve to inspire future graduates to perform and serve in the same spirit.

The Career Hall of Fame will recognize individuals who have, through their performance, conduct and achievement brought credit to themselves and the North East Community.

The Career Hall of Fame Committee is currently inviting nominations for candidates for the North East Career Hall of Fame. Nomination should be for individuals whose deeds and character inspire our students and others in the community. A nomination may be submitted by any person with knowledge of the candidate. Nomination forms are available in the main office at North East School District, on the district website (www.nesdl.org), at the North East Chamber of Commerce and on its FaceBook page, or through the Career Hall of Fame at northeastcareerhof@gmail.com.

Any nominee must meet these eligibility requirements:

- Has demonstrated qualities of leadership, character, and service in a variety of venues from his/her field of expertise and has motivated others to achieve their highest potential.
- Has demonstrated a commitment to life-long learning.
