

Title I School – Parent Compact

Working Together for the Success of Your Child

It takes a partnership between North East Elementary School staff and parents or guardians to help your child achieve success in school. Each of us has a special role in your child's learning.

North East Elementary School and Teacher Responsibilities:

- Provide high-quality curriculum and instruction in a positive learning environment
- Hold parent/teacher conferences
- Provide parent/guardian with frequent reports of a child's progress
- Communicate with parent/guardian
- Encourage parent/guardian to volunteer and participate in school activities

Parent Responsibilities:

- Ensure that your child arrives on time, every day
- Provide your child with a special time and place for homework
- Sit with your child and encourage learning while reviewing homework for accuracy and completeness
- Become involved in school activities
- Be positive about your child's learning
- Monitor the amount and quality of television and other media

Student Responsibilities:

- Be respectful of others
- Be responsible for your learning, have a positive attitude, ask for help when needed, and complete homework
- Return materials, homework, and notes on time
