Today, the North East High School conducted a planned secure safety exercise in collaboration with local law enforcement, including K-9 units, to help ensure the continued safety and security of our school environment. The purpose of this exercise was to allow law enforcement to facilitate a precautionary sweep of the building for any illegal substances.

We are committed to maintaining a safe and supportive learning environment for all students and staff. These proactive measures are part of our ongoing efforts to prioritize school safety and reinforce our commitment to a drug-free campus.

We appreciate the cooperation and understanding of our students, staff, and families as we work together to keep our school community safe.

If you have any questions or concerns, please feel free to contact the high school office at 814-725-8671 ext. 1003.

Sincerely,

Dr. Michele S. Hartzell, Superintendent

Mr. Brian Emick, Assistant to the Superintendent
