February 11, 2025

Hello Grape Picker Families!

This is a reminder that there will be no school for students on Friday, February 14, 2025, for a scheduled teacher work day. School will be in session on Monday, February 17, 2025, for a snow make-up day for students and staff.

This is also a reminder that the speed limit is 15 mph at all times. The North East Police Department now has jurisdiction on the entire North East campus and they will be monitoring our campus for safety, security, and checking for speeding.

We are also requesting feedback from parents regarding the hybrid days. Please take a moment to complete a brief survey. The survey link can be found on the district website, select gold hybrid survey link tab or check your Sapphire email.

The North East School District has joined other local school districts participating in the American Cancer Society Tulips and Daffodils for staff. The community, parents, and/or students will be able to purchase a flower bunch to send to any staff member that works in the North East School District. Orders will be accepted through February 18th. Information is also available on the district website and Facebook pages or go directly to the link at: https://tinyurl.com/dd25northeastsd.

Make sure to visit Sapphire for current grades and second quarter report cards (K-5 mailed, 6-8 Sapphire). If you have any questions, please contact your child's school or the district office at 814-725-8671 and have a great evening North East!

Sincerely,

M. S. Hartzell

Dr. Michele S. Hartzell, Superintendent
