

Class of '26

Welcome Class of '26 to your final year of high school. We have outlined a few items below as you prepare for your upcoming year.

- **Cap & Gown Pictures:** Everyone has been assigned a time to come in on either July 30th or 31st to get their picture taken for the yearbook and the school composite. This will be held in the Middle School Cafeteria. All information can be found in the letter posted in your Class of '26. Please do not call the school for questions - we will not be able to answer them. Refer to the letter posted.
- **Fundraiser:** To help off-set the cost of your senior items & activities next year, everyone will have the opportunity to sell gourmet popcorn. Each gallon bag will be \$18 and you will make \$7 in profit. Cash prizes are available to students who sell more than 25 bags of popcorn. In the past, these have been very successful and many students were able to pay for most items. Kick-off will be Friday, September 19th, and you will have a two week window to sell. This is the only fundraiser available.
- **Communication:** There will be a lot going on next year. It is imperative that you check your email & Google Classroom daily! This is where you will find the information you will need. There will be at least 4 update letters mailed home next year with important information - please make sure your mailing address is correct with the school district. Failure to check the above will mean you will miss out on important activities and items.
