

Dear Parents/Guardians:

In collaboration with North East Elementary School, Adopt-a-Student will once again provide qualified students of the North East School District with school supplies and/or clothing to meet your students' back-to school needs for the 2025-2026 school year. This program has been the provider of backpacks and clothing items for students for many years. The information you provide will be kept confidential, shared between the co-directors of the program Anne Bardol, Holy Cross Episcopal Church and Mrs. Dina Hathaway, Principal of North East Elementary School.

In order to be eligible to receive items from these organizations, we ask that you complete and return the form at the bottom of this letter by Monday, July 7, 2025 in the envelope provided. Your requests will be fulfilled based on our receipt of this form by July 7th and Community participation in the Adopt-a-Student program.

We hope this relieves some of the stress that the back-to-school time of year can create. Thank you for your support of your own student(s), and your involvement in their success.

Sincerely,

Mrs. Dina Hathaway
