Transportation Routes and Times

First District Secondary

Welcome to the start of the '20-'21 school year. There have been no changes in the routes from last year other than the bus # for route #1 changed from #231 to #232. Please make sure to look at the information to obtain the number of the bus and stop locations that your child will ride. We have included a map per route description as well as the roads and times description for each route.

Please have your children ready and waiting at the stop 7-10 minutes prior to the scheduled time.

Listed are the AM pick up times only. The routes will reverse for the PM ride home.

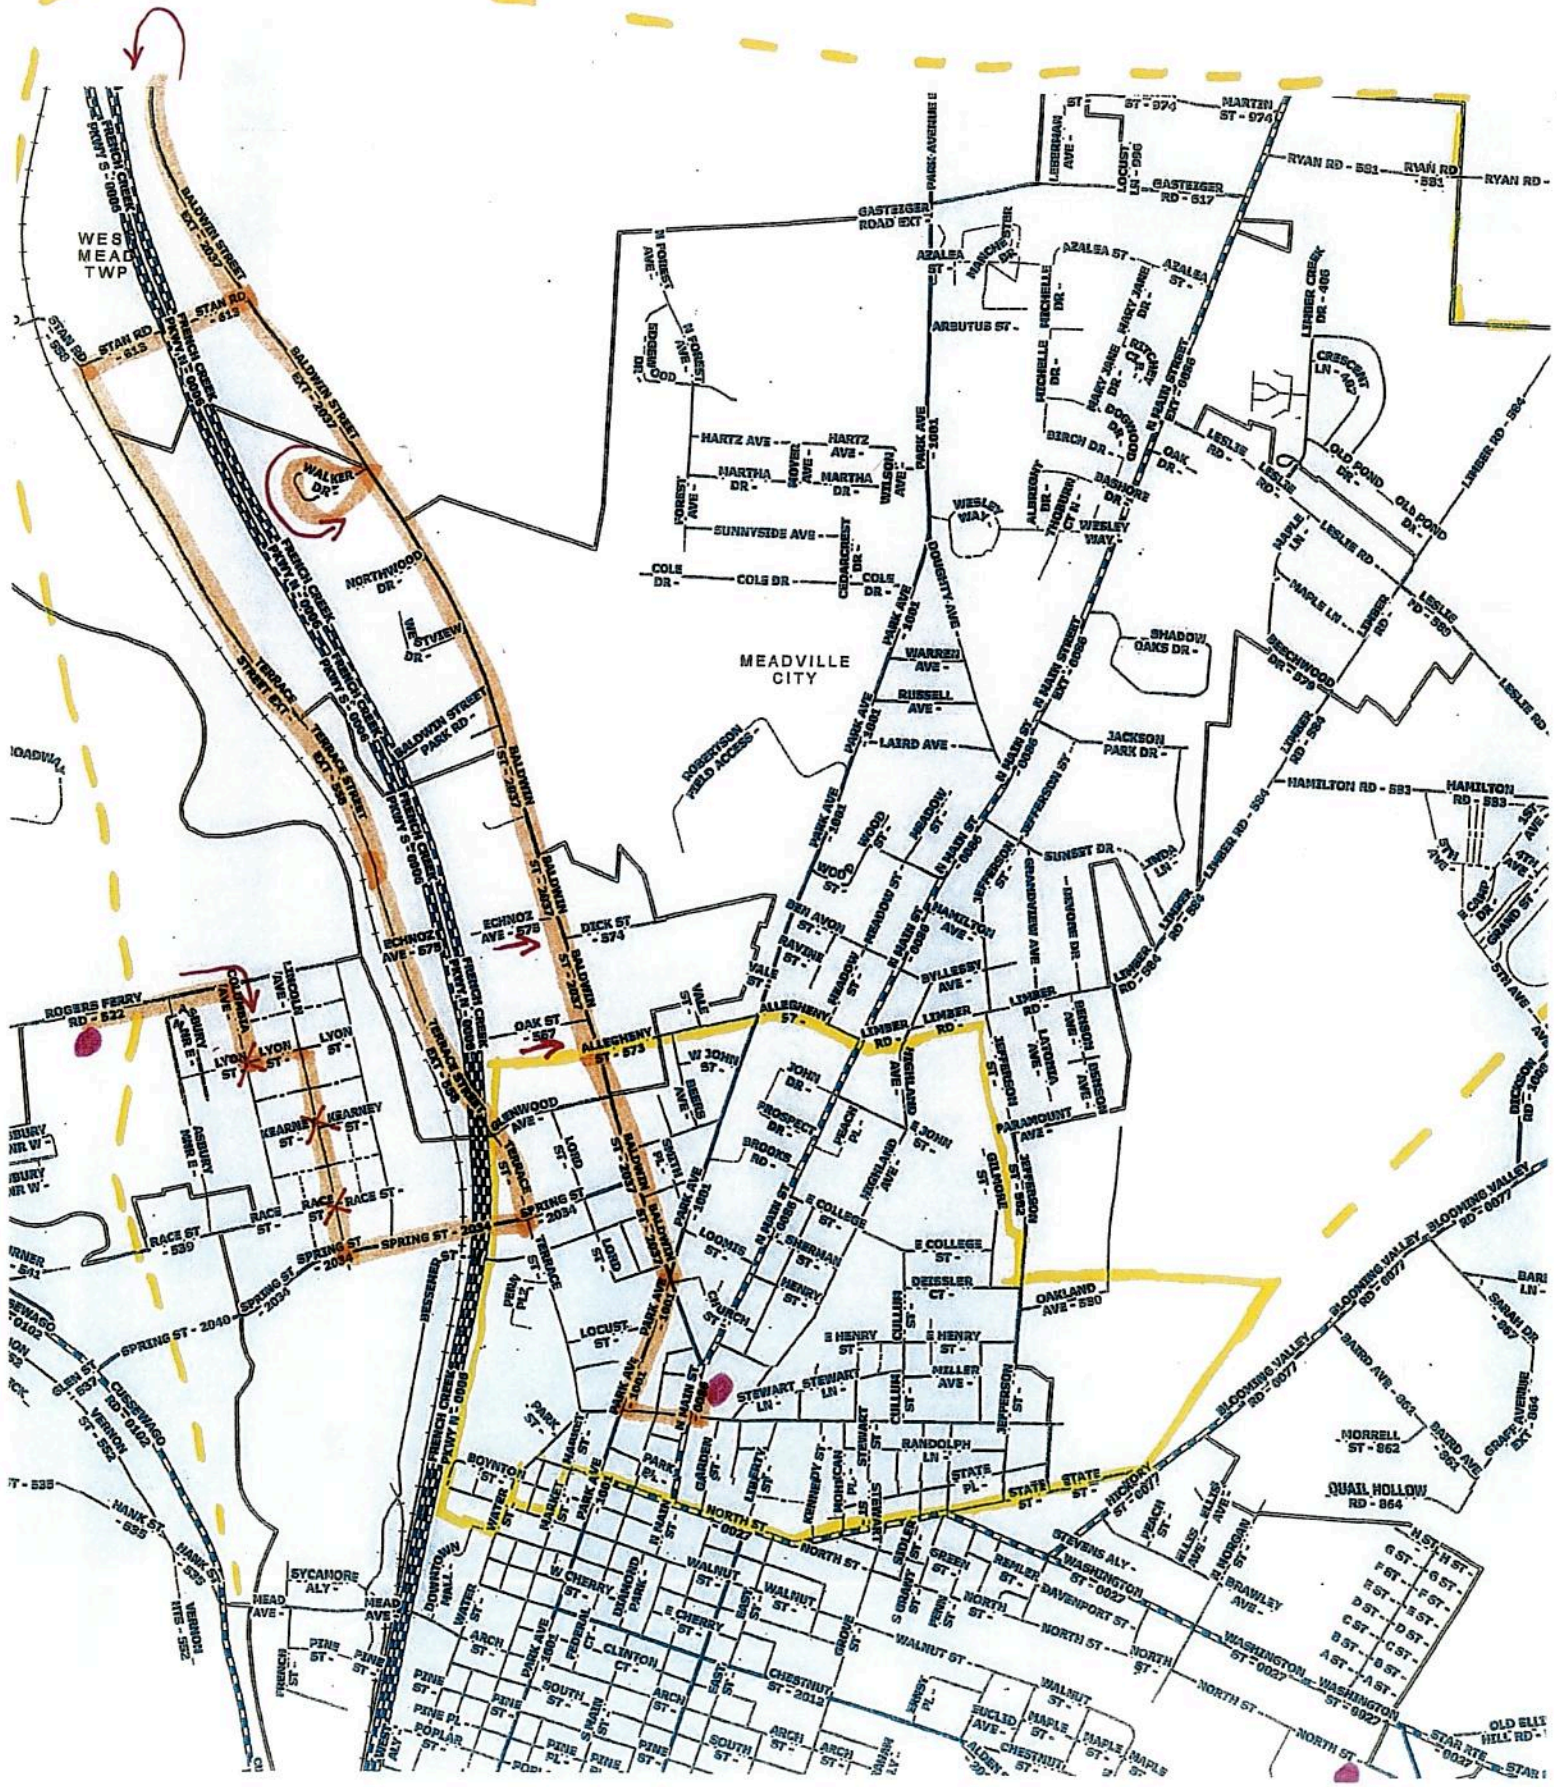

Students are to ride from or to their home address ONLY unless prior arrangements have been made. Alternate bus transportation request forms can be found on our website:

craw.org/departments/buildings-grounds-transportation

Click on the individual forms. Please print off, complete, and return to the school secretary for processing. Each form contains the instructions and criteria needed for the request. Once received and approved by the Transportation Department, alternate transportation can be provided.

Please call 814-724-3130 with any questions. Thank you and enjoy the school year.

This is a detailed street map of Meadville, Pennsylvania, and its surrounding areas. The map shows a network of streets, including major roads like State Route 222 (Lorain Highway) and State Route 224 (Lorain Highway). A blue line highlights a specific route through the city, starting from the northwest and heading southeast. A pink arrow points to a location on this route, near the intersection of Lorain Highway and a local street. The map also shows various residential streets, commercial areas, and landmarks like the Meadville City Center. The map is oriented with North at the top.
