

# Hubbard Bus Service, Inc

## COVID-19 Best Practices

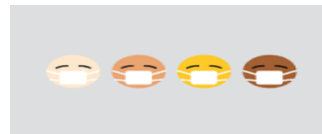

### Purpose

- \* While transportation may look different for the 2020-2021 school year, **the school bus/school vehicle is still the safest and most efficient means** of bringing children to school each day.
- \* The purpose of this COVID-19 Guideline is to ensure Hubbard's safety team follows best practices when providing school transportation to minimize the transmission and spread of COVID-19.

### Ride Smart

- \* Hubbard Bus Service will follow the School District's Social Distancing Guideline as outlined in their Health and Safety Plan.
- \* Hubbard's employees will have proper face covering(s) and will follow the School District's policy.
- \* Parents should check their child's temperature before boarding the school bus/school vehicle.
- \* Students will be required to **remain in their assigned seat**.
- \* Students will be required to **wear proper face covering(s)** while on the bus/vehicle limiting 2 students per seat.
- \* Parents/Guardians of students with special needs will need to let our safety team know what is working best for their child, length of ride may require a different plan.

### Ride Safe

- \* The vehicle **will be sanitized** per company guidelines after each route.
- \* Extra attention will be given to **disinfecting high touch areas** such as: entrance handrails, tops of seats, passenger occupied seats and wheelchair hardware.
- \* To increase proper ventilation for students, the school bus/vehicle windows may be opened and/or air conditioning may be used.
- \* CSR (Child Safety Restraints) cleanliness will be reviewed with all parties.
- \* Cleanliness of items traveling with your child will be required.

### Ride with Confidence

- \* Hubbard recognizes that one size will not fit most and will work to ensure everyone is going the extra mile. **to provide your students with safe transportation.**
- \* Hubbard understands there will be challenging situations and will do everything possible to make transportation of your child is convenient and comfortable.
