NEW LAPTOPS ARE COMING!

Students will receive new devices for the 2022-2023 school year. Current devices will be collected before the end of this school year, unless they are needed for summer school or accelerated class work over the summer.

**In order for students to receive a new laptop, a form will need to be signed by a parent/guardian.** A copy of that form is enclosed. In order to connect to the district’s network to access certain programs, a device must have a content filtering system in place that meets the district’s requirement; therefore, home devices are not permitted.

LINK CREW

Link Crew is comprised of upperclassmen that have been selected based on their leadership qualities and are then trained to work with incoming freshmen to ensure their success in high school. MASH is looking for a diverse group of leaders, not necessarily those students who are straight-A students or that are already involved in lots of activities. Leadership qualities in any capacity is what we are looking for.

- **May 25:** Interviews to select Link Leaders
- **Aug. 29 & 30:** Link Leader training
- **Aug. 31:** Link Crew orientation with 9th graders

OPEN HOUSE

Save the date: **September 21, 2022**

Open house will look different this year. We invite you to see what MASH has to offer. We plan to showcase student work, music, projects, and community services.

SUMMER SCHOOL

Summer school is being offered this summer. Students or parents can contact their guidance counselor or Mr. Skelley, Dean of Students, at 814-336-1121. The deadline to register is June 3, 2022.
