EASTMONT SCHOOL DISTRICT

TRANSPORTATION TRIP CRITIQUE

It is the goal of the Eastmont School Transportation Department to make your trip as safe and comfortable as possible.

Drivers Name _________________________________________ Date ______________

Group Transported __________________________ Destination ____________________

Let us know how we did. Please take a few minutes and answer the following questions.

1. Number of students________                                        Number of chaperones________

2. Was the bus overcrowded?                                                                        Yes___ No___

3. Was there enough storage space on the bus for your equipment?             Yes___ No___

4. Was the bus driver pleasant to work with and accommodating?               Yes___ No___
   Explain:_______________________________________________________________
   ______________________________________________________________________

5. Any Suggestions for your next trip__________________________________________
   ______________________________________________________________________
   ______________________________________________________________________

Thanks for your time and suggestions.
Please print and return this critique into your AD or Malcolm Massey
