

**Eastmont School District #206 Relationships, Relevance, Rigor, and Results
District Construction / Related Projects Report
September 2018**

Completed Tasks (Transportation Cooperative N Perry & Grant Road)

- Nothing new to report.

On-Going/Upcoming Projects

- Design is progressing well. Most decisions on interiors have been made. Looking forward to exterior designs which incorporate landscape features, as well as actual topography of each site.
- Hazardous-materials (haz-mat) survey work has been completed. Reports are in the hands of the design team.
