

**Eastmont School District #206 Relationships, Relevance, Rigor, and Results**  
**District Construction / Related Projects Report**  
**October 2018**

---

**Completed Tasks: (Transportation Cooperative N Perry & Grant Road)**

- Nothing new to report.

**On-Going/Upcoming Projects**

- At the Construction meeting on 9/26/18, we discussed playground “Playscapes” at all buildings. Also discussed were landscaping features, appropriate plantings, (types of trees, shrubs, etc. that would not require excess pruning or maintenance, yet would provide nice shade and color accents in the fall). Last item to be discussed was the EHS baseball concessions stand – covering cabinetry, roll-up door, durable surfaces and finishes, as well as interior elevations.
- Design drawings should be in our hands very soon.
