

Completed Tasks: (Transportation Cooperative N Perry & Grant Road)

- **CUP Application:**
Nothing new to report
- **Cultural Resource Survey:**
Awaiting final report from archeologist.
- **Orchard Removal:**
Tree grinding completed. Removal of chip piles is complete.

On-Going/Upcoming Projects

- Pre-Development meetings formally requested with the City of Rock Island, City of East Wenatchee, and Douglas County for all proposed elementary sites.
- Schematic design meetings continue at impacted schools. Architect has commented that staff input is helpful in assisting the design process.
- Pruning of new orchard property is complete. Observed workers “mowing” rows and cleaning up prunings.
- Co-operative planning effort on Street Improvement Grant near Kenroy: Architect has copied in the city’s consultant with drawings to-date, as well as notice of upcoming Pre-Development meeting.
- One response received for leasing of new orchard property. Recommended negotiating and entering into lease agreement.
- Sustainable Construction Meeting in April.
- Commonality of palette discussion – Procedure 6920-P.
