

**Eastmont School District #206 Relationships, Relevance, Rigor, and Results
District Construction / Related Projects Report
April 2019**

Cooperative N Perry & Grant Road:

- First Design Meeting tentatively scheduled for April 17, 2019.

On-Going/Upcoming Projects

- Field work portion of the Cultural Surveys was completed on March 19, 2019. Email received from Project Archaeologist indicated no Archaeological materials were identified.
- Cultural survey comments received from the Confederated Tribes of the Colville Reservation on April 8, 2019 concurring with the findings of “no significant adverse impacts to the historic properties”. This comment applies to Lee, Kenroy, Grant and Cascade.
- Building permit applications for all projects except Cascade were submitted on March 19, 2019. Building permit application for Cascade was submitted on April 3, 2019.
- Lee Set-Back Variance Hearing and Conditional Use Permit Hearing is set for April 17, 2019 at East Wenatchee City Hall.
- Kenroy and Grant Conditional Use Permits were approved by Hearing Examiner on April 19, 2019.
