

STUDENT HEALTH

The superintendent shall arrange each year for health services to be provided to all students. Such services will include, but not be limited to:

- A. The maintenance of student health records;
- B. The development of procedures at each building for the isolation and temporary care of students who become ill during the school day;
- C. Consulting services of a qualified health specialist;
- D. Vision (both distance and near) and hearing screening; and
- E. Immunization records and screening.
