REQUEST FOR CLEAN, INTERMITTENT CATHETERIZATION

Pursuant to WAC 308-120-620, The Eastmont School District may provide clean, intermittent catheterization of students under the following conditions:

- (1) A parent, legal guardian, or other person having legal control over the student file a written, current and unexpired request that the district provide for the catheterization of the student.
- (2) A licensed physician of the student file a written, current, and unexpired request that catheterization of the student be provided for during the hours when school is in session or the hours when the student is under the supervision of school officials.
- (3) A registered nurse provide written, current and unexpired instructions regarding catheterization which states which staff members are designated to provide for catheterization and a description of the nature and extent of any supervision that is required.
- (4) A staff member who is authorized to provide for catheterization must receive training from a licensed osteopath, physician, practical nurse or registered nurse consistent with the rules of the state board of nursing (licensed practical nurses are exempted from the training requirement).

Student: _____ School: _____

I certify that I am the parent, legal guardian, or other person in charge of the above-identified student. I request that clean, intermittent catheterization be performed in accordance with the physician's instructions. I understand this procedure will be performed by a non-licensed individual designated by the school district and trained according to WAC 308-120-620.
