**NOTIFICATION OF RIGHTS UNDER FERPA FOR ELEMENTARY AND SECONDARY SCHOOLS
(FERPA)
*for Elementary and Secondary Schools***

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

- 1) The right to inspect and review the student’s education record within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- 2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate.

Parents or eligible students may ask the School to amend a record that they believe is inaccurate. They should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- 3) The right to consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interest. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board ; a person or company whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent of a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

Upon request, the School disclosed education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Eastmont Public Schools to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:

Family Policy Compliance Office

Admission/Withdrawal and Attendance Policies

All students need to register for school at the Eastmont School District office at 800 Eastmont Avenue.

Kindergarten Requirements: To enter the kindergarten a child must be five years of age on or before August 31. Birth certificates or hospital records and an immunization record must be presented before students may register. State education officials require a polio immunization series, a series for "DTP" (diphtheria, tetanus, and pertussis) or a DT variation, two immunizations against mumps, measles and rubella, and the series of three Hepatitis B immunizations for kindergarteners through fourth grade prior to school admission. The final immunizations for the polio and DTP series must have been administered on or after the child's fourth birthday. Kindergarteners are also required to have the varicella immunization or proof of having had the disease. Immunization records will be reviewed for compliance by School District nurses.

Withdrawal: The school appreciates notice of pupil withdrawal at least two days before the last day of attendance indicating:

1. The last day of attendance.
2. Approximate location to which you are moving.
3. If known, the new school your child will attend.

Upon enrollment of your child at a new school, the new school will request permanent records to be sent. With a reasonable notice, the teacher can prepare the progress report and obtain information for the transfer. Parents should stop in at the office to obtain a copy of their child's immunization records to present to the new school.

Attendance Policy: Attendance is essential to the success of all students. Students who miss critical instruction in key concepts quickly fall behind in school and are less likely to achieve academic success. Accordingly, school attendance is mandatory, and unexcused absences and truancy are prohibited. The state defines chronic absenteeism as 10% of days enrolled in school.

It is required by state law that each absence from school be explained by a note or phone call from the parent or guardian. Parents need to contact the office as soon as possible each time their child is absent and include the student's complete name, date and reason for the absence. If we do not hear from you, our receptionist will call you to verify the absence (required by the Becca Bill).

Parents who choose to have their children miss school for non-illness or non-emergency reasons should contact the school at least one week in advance of the absence to complete the pre-approved absence form. These absences may be considered unexcused if they cause a serious adverse effect on the student's educational progress. Parents whose children incur more than two unexcused absences during any quarter will be asked to meet with the principal to develop a plan to improve attendance.

Excused absences	<ul style="list-style-type: none"> ● Illness (fever over 100 degrees, vomiting, diarrhea, infectious diseases) ● Chronic health condition (if over 5 days may require a doctor's note) ● Medical appointment (please bring a doctor's note) ● Family emergency ● Religious purposes
Unexcused absences	<ul style="list-style-type: none"> ● Failing to submit any type of excuse statement by the parent/guardian ● Absences that do not meet the guidelines for an excused absence ● Unexcused absences may occur at the discretion of administration, when a student's absence are chronic or have an adverse effect on progress <p>*If a student has more than 2 unexcused absences within a month, a school conference will be required.</p>
Tardies	<p>Students are expected to be in class on time. If a student arrives after the second bell, they will need to check in at the office. When a student's tardiness becomes frequent or disruptive, the student will be referred to the principal or the counselor.</p>
Early Checkout	<p>All students need to be checked out of school through the office. Only people listed in our data system will be allowed to pick up students during the school day. ID is required. We request that you do not remove your child from school during the school day unless it is absolutely necessary.</p>
Attendance Actions	<p>When the Attendance Committee at a school notices there is a possible attendance concern the following actions may be taken:</p> <ul style="list-style-type: none"> ● Information letter sent to parents ● Attendance Nudge letter showing students attendance compared to the other students at the school ● A phone call from school administration seeking to help solve the problem ● A meeting with school administration and parents seeking to help solve the problem ● A 10 day letter letting parents know that attendance is a concern ● A 15 day letter, requiring doctor's notes for any further absences ● Home visits ● A Notice to Appear letter for Truancy Board
<p>*Please refer to School Board Policy No. 3122 for complete information on District Policy for Attendance</p>

This includes smart watches with phone capabilities. ● Students are not allowed to use or possess any other personal electronic devices at school. They will be confiscated until the end of the day. Health Services

Our school Health Room is staffed by paraprofessionals, office staff, and is overseen by a part-time school nurse. When students come to the Health Room, staff assess the problem, treat minor injuries, document the visit and call parents when necessary.

Accidents

During the school year there are occasionally a few accidents. Every precaution is taken to prevent such mishaps. It is very important for each student and parent to know the following procedure in case of an accident:

- The student reports the accident to the teacher or playground supervisor.
- The student will be brought to the Health Room. If the injury is serious, parents will be contacted. Unless it is an absolute emergency, the school cannot take the child to a doctor.
- If you have school insurance, please ask the office staff for an accident report to take to the doctor.

Allergies

If your child has any special health considerations or food allergies, please share that information with your child's teacher, the school office, and/or the school nurse.

Students with food allergies:

- Must have an Emergency Care Plan in place and have necessary, up to date medications at school
- Should not receive any treats or foods at school unless provided by their parents or food services.
- If you have any questions or concerns please contact the school nurses at 888-1480.

Cold Weather

Students will be outside for recess unless the temperature is below 15 degrees. Please make sure your students are dressed appropriately. Unless a student has a doctor's note, they will need to go outside.

Infectious Disease and Lice

Head lice are often a fact of life for school-aged children. While inconvenient, head lice cause no medical harm and can be effectively treated.

If a child is found to have head lice, the following will occur:

1. The child's parent or guardian will be notified by telephone or letter home stating that prompt, proper treatment of this condition is in the best interest of the child.
2. The parents of the affected students will be given the handout "Parents Guide How to Treat and Keep Lice Out of Hair" which has accurate information about the diagnosis, treatment and prevention of head lice.
3. Students may attend school, unless heightened concerns from the school nurse or building principal prompt additional measures.

Illness

Students who become ill during the school day are sent to the office. The office staff will determine whether or not the student should be sent home.

	<ul style="list-style-type: none"> • Anytime a child's temperature is 100 degrees or higher, we will automatically call his/her parent. • A child should remain home if he/she has had a fever and/or is vomiting within the last 24 hours.
Medication at School	State laws prohibit us from giving any medications (over-the-counter or prescribed) without having the following form completed:, "Authorization for Administration of Medication at School." This form must be filled out and signed by your healthcare provider and parent. These forms are available in the school office.

Transportation

Parents and Guardians:

Please discuss these bus passenger rules and procedures with your child. Your child should appreciate the important part he/she plays in accomplishing SAFE and EFFICIENT district transportation.

Your child should understand that riding a school bus is a privilege conditioned on appropriate, safe, respectful behavior. Unruly conduct on the bus is a very real risk to the safe operation of a school bus.

Your cooperation in communicating this very important message would be most appreciated.

Garn Christensen, Superintendent

Bus Service Eligibility

- All students are required to walk up to a one radius mile from their school. Bus service is provided beyond the one radius mile for all grades.
- Exceptions are made only when safety concerns are identified by the transportation office.
- In order to change their normal bus and/or stop, students must obtain a pass from the school office.

En Route to Bus Stop	<ul style="list-style-type: none"> ● Parents/guardians are encouraged to review their child's walking route to the bus stop, advising about safety concerns.
Be Prompt	<ul style="list-style-type: none"> ● Bus passengers should arrive at the bus stop 5-10 minutes before the bus is scheduled to arrive. ● Buses will promptly depart all schools 5-10 minutes after dismissal times. ● For safety, once bus doors are closed, drivers will not stop for late arriving students.
At the Bus Stop	<ul style="list-style-type: none"> ● While waiting at the bus stop, students are expected to stand a safe distance from the street and avoid activities that could injure themselves or others. ● Students are expected to respect others' property, however, bus stops are not supervised and parents are responsible for supervision until students are under the supervision of the driver. ● When the bus approaches, students must observe the instructions of the driver. This is particularly important in the winter when slick road conditions exist.
Boarding/ Departing the Bus	<ul style="list-style-type: none"> ● It may be necessary to cross the road to board the bus. ● Students are expected to observe the driver's instructions and always cross in front of the bus with the aid of the flashing stop sign lights and crossing arm.
Driver Authority	<ul style="list-style-type: none"> ● The driver has full authority over the passengers on the bus. ● Seating assignments may be necessary to assure passenger safety. ● If inappropriate behavior is demonstrated by a student, the parent will be contacted to assist the student to modify the behavior of concern.
Passenger Conduct	<p>Safe, respectful conduct is expected of all passengers to insure safety:</p> <ul style="list-style-type: none"> ● Obey the driver's instructions when first requested. ● Remain seated. ● Respect others and their property. ● Keep your hands to yourself. ● Keep noise level down. ● Cell phone use is limited to pre-boarding and post-departure. <p>Serious or persistent violations offensive to, or endangering the safety of others will result in progressive discipline. The age and experience of the student will help determine how many progressive steps are appropriate. Certain activities may result in immediate suspension from bus riding privileges. These include but are not limited to:</p> <ul style="list-style-type: none"> ● Fighting on the bus ● Throwing objects in or out of the bus ● Possession of dangerous weapons or articles ● Destroying or defacing district or private property ● Use of sparking devices ● Smoking, or use/possession of drugs, alcohol or any form of tobacco ● Obscene gestures or profanity directed at the bus driver or others ● Any part of the body extended outside of the bus

	<ul style="list-style-type: none"> ● Assault on a bus driver will result in indefinite suspension and possible criminal charges ● Pointing a laser pointer at a bus driver will result in suspension from the bus and possible criminal charges
Accidents/ Breakdowns	<ul style="list-style-type: none"> ● Bus drivers are thoroughly trained in defensive driving techniques and buses are carefully maintained. ● Yet, given the thousands of miles traveled annually, and the traffic conditions in our area, accidents and breakdowns can happen. ● All the buses have two-way radios and help can be just minutes away. One of the most important things to a bus driver in the event of an accident or breakdown is passenger cooperation.
Snow Days	<ul style="list-style-type: none"> ● Detailed emergency snow route information is distributed at the school. Local radio will provide up-to-date information each morning when the roads are slick and snowy. Ask driver in advance if your route could be affected and how.
Items Not Allowed on the Bus	<p>For reasons of safety and health and in order to comply with state law and district policies, the following items are not allowed on a school bus:</p> <ol style="list-style-type: none"> 1. Glass objects; bottles, jars, etc. 2. Open containers of food, drink, gum 3. Inflated balloons 4. Live animals, bugs, worms 5. Plants, dirt, other growing projects 6. Oversized objects and instruments; those that cannot fit safely in the seat with the student 7. Weapons; guns, knives, razor blades, etc. (real or toy) 8. Sports equipment which could endanger others; like javelins, pole vaults or shot puts 9. Skateboards, scooters, and baseball bats 10. Any item which cannot be transported easily or which creates a safety concern 11. Distracting electronic devices such as Game Boys or MP3 players, or trading cards <p>Please arrange for alternative transportation if any of the above need to go to or from school.</p>
Student Discipline on the Bus	<p>The district has adopted a progressive discipline policy which emphasizes logical consequences for inappropriate behavior.</p> <ul style="list-style-type: none"> ● The written tool for this is the "Bus Conduct Notice." If warranted, your child will be issued a written notice for you to review and sign. If a notice is issued, the transportation director may attempt to call you to confirm and to answer any questions you may have. You may be asked to accompany your student for a conference with the driver and the transportation director. ● Camera boxes are mounted in district buses. Cameras are randomly and/or selectively rotated through the buses. Student behavior may be monitored or observed from the video system. Parents may view a video concerning their student by contacting the transportation director.

	<ul style="list-style-type: none"> ● Parents are encouraged to contact the Director any time they have concerns. If appropriate, a conference with other parties including the student and the driver may be arranged. ● The District reserves the right to suspend transportation privileges for any student who demonstrates behavior unreasonably distracting to the driver which may contribute to unsafe operation. Complete disciplinary procedures are distributed annually and are available at each school or the Transportation Office.
<p>Disciplinary Procedures</p>	<p>When, in the opinion of the driver, a serious rule violation occurs, or when the driver's efforts to deal with less severe violations are unsuccessful, or a pattern seems to have developed, a school bus incident report will be initiated. The intent is to maintain good order and a safe environment for students riding buses to and from school or school sponsored activities, as well as to notify parents of the misconduct of their children.</p> <ul style="list-style-type: none"> ● The following are standard actions that will generally be applied uniformly in response to documented incidents. <ul style="list-style-type: none"> ○ 1st / 2nd Offense: Student counseled and warned by driver. ○ 3rd Offense: Suspension of bus privileges for three days. (If within 45 days) ○ 4th Offense: Suspension of bus privileges for five days. (If within 45 days) ○ 5th Offense: Suspension of bus privileges for ten days or more, depending upon nature of the offense. (If within 45 days) <p>The Transportation Director will determine the extent of the suspension.</p> <p>Note: Serious offenses, such as fighting, flagrant displays of disrespect toward a driver, or possession of drugs or alcohol will result in immediate loss of bus privileges for a minimum of five (5) school days. Assault on a bus driver will result in indefinite suspension of bus riding privileges and possible criminal charges. If a violation occurs more than 45 calendar days after a previous violation, the disciplinary action will be the same as for the previous offense. There may be some exceptions to these disciplinary actions in extraordinary circumstances, as determined by the Transportation Director and the appropriate school principal. If a student is suspended for misconduct on any bus, the suspension will apply to all buses.</p>
