

Cañon Exploratory A Unique Learning Environment

Cañon Exploratory Middle School...

Offers a non-traditional educational opportunity for unique learners.

Students who are self-directed, motivated, and curious will thrive in our Choice Theory culture and independent learning environment.

The rigorous curriculum challenges students' thinking, encourages problem solving and builds 21st Century Skills through real-world work and learning experiences.

Cañon Exploratory Middle School students will be ready for the challenge of high school and will be prepared to make a lasting contribution to our future world.
